The Debt Issuance Programme Prospectus and the *Prospectus relatif au Programme d'émission de Titres de Créance*, describing the Programme, together constitute the base prospectus and the programme documentation, for the purposes of Article 5.4 of Directive 2003/71/EC (the **Prospectus Directive**) and the listing rules of the SIX Swiss Exchange Ltd (the **SIX Swiss Exchange**), respectively.

€125,000,000,000
Euro Medium Term Note Programme

Under this €125,000,000,000 Euro Medium Term Note Programme (the **Programme**), each of Société Générale, SGA Société Générale Acceptance N.V. and SG Option Europe (each an **Issuer** and together the **Issuers**) may from time to time issue Notes (the **Notes** such definition to include CDIs, as defined below, where applicable) denominated in any currency agreed by the Issuer of such Notes (the **relevant Issuer**) and the relevant Purchaser(s) (as defined below). On 28 April 2009 Société Générale, SGA Société Générale Acceptance N.V. and SG Option Europe issued a Debt Issuance Programme Prospectus describing the Programme. This Debt Issuance Programme Prospectus supersedes and replaces that prospectus, the supplements thereto and all previous offering circulars and supplements thereto. Any Notes issued under the Programme on or after the date of this Debt Issuance Programme Prospectus are issued subject to the provisions described herein. This does not affect any Notes already in issue.

Payments in respect of Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe will be unconditionally and irrevocably guaranteed by Société Générale (in such capacity, the **Guarantor**).

Subject as set out herein, the Notes will not be subject to any minimum or maximum maturity. The maximum aggregate nominal amount of all Notes from time to time outstanding will not exceed €125,000,000,000 (or its equivalent in other currencies calculated as described herein) or such greater amount as is agreed between the parties to the amended and restated programme agreement dated 27 April 2010 (the **Programme Agreement**, which expression includes the same as it may be updated or supplemented from time to time).

The Notes will be issued to one or more of the Dealers specified in the "General Description of the Programme" and any additional dealer appointed under the Programme from time to time (each a **Dealer** and together the **Dealers**) on a continuing basis. Notes may also be issued to third parties other than Dealers. Dealers and such third parties are referred to as **Purchasers**. The terms and conditions of the English Law Notes and the Uncertificated Notes are set out herein in the section headed "Terms and Conditions of the English Law Notes and the Uncertificated Notes" and the terms and conditions of the French Law Notes are set out herein in the section headed "Terms and Conditions of the French Law Notes".

English Law Notes (as defined below) may be issued in bearer form (**Bearer Notes**) or registered certificated form (**Registered Notes**) or in uncertificated registered form (**EUI Notes**) or (as appropriate) as Uncertificated SIS Notes (as defined below). Noteholders may hold EUI Notes through Euroclear UK & Ireland Limited (formerly known as CRESTCo Limited) (such clearing system, **EUI**) either directly (**CREST Notes**) or through the issuance of Crest Depository Interests (such securities, **CDIs**) representing underlying Notes (CREST Notes and CDIs together to be known as EUI Notes). CDIs are independent securities constituted under English law and transferred through CREST. CDIs will be issued by CREST Depository Limited pursuant to a global deed poll dated 25 June 2001 (as subsequently modified, supplemental and/or restated, the **CREST Deed Poll**), as all more fully described in the section headed Book Entry Clearance Systems. French Law Notes (as defined below) may be issued in dematerialised form or materialised form. Uncertificated Notes (as defined below) will be issued in uncertificated and dematerialised book-entry form, in each case, as more fully set out in "Form of the Notes" herein.

Application has been made to the *Commission de Surveillance du Secteur Financier* (the **CSSF**) in its capacity as competent authority under the Luxembourg Act dated 10 July 2005 on prospectuses for securities to approve this document as a base prospectus. Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market (regulated by Directive 2004/39/EC) and to be listed on the Official List of the Luxembourg Stock Exchange.

English Law Notes and French Law Notes will constitute *obligations* under French law, within the meaning of Article L.213-5 of the French *Code monétaire et financier*, if so specified in the relevant Final Terms.

Application has also been made to the SIX Swiss Exchange Ltd (the **SIX Swiss Exchange**) to approve this document as an "issuance programme" for the listing of derivatives and an "issuance programme" for the listing of bonds, both in accordance with the listing rules of the SIX Swiss Exchange. In respect of Notes to be listed on the SIX Swiss Exchange, this Debt Issuance Programme Prospectus and the relevant Final Terms will constitute the listing prospectus pursuant to the listing rules of the SIX Swiss Exchange.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined in the Terms and Conditions of the Notes) of Notes will be set out in a final terms document (the **Final Terms**) which (except in the case of Private Placement Notes (as defined below)) will be filed with the CSSF. The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the relevant Issuer, the Guarantor and the relevant Purchaser. Each Issuer may also issue unlisted Notes and/or Notes not admitted to trading on any market.

Each Issuer may agree with any Purchaser that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes as set out herein, in which case a Debt Issuance Programme Prospectus Supplement, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

This Debt Issuance Programme Prospectus comprises a separate base prospectus in respect of each of Société Générale, SGA Société Générale Acceptance N.V. and SG Option Europe for the purposes of Article 5.4 of Directive 2003/71/EC (the Prospectus Directive).

This Debt Issuance Programme Prospectus does not constitute a “prospectus” for the purposes of the Prospectus Directive in respect of any Notes (i) involving an offer to the public outside the EEA or of a type listed in Article 3.2 of the Prospectus Directive and (ii) which are not admitted to trading on a regulated market under Article 3.3 of the Prospectus Directive (any such Notes, Private Placement Notes).

An investment in Notes does not constitute a participation in a collective investment scheme for Swiss law purposes. Therefore, issues of Notes are not supervised by the Swiss Financial Market Supervisory Authority FINMA and potential investors do not benefit from the specific investor protection provided under the Swiss Federal Act on Collective Investment Schemes.

CERTAIN ISSUES OF NOTES MAY NOT BE SUITABLE INVESTMENTS FOR ALL INVESTORS. NO INVESTOR SHOULD PURCHASE A NOTE UNLESS SUCH INVESTOR UNDERSTANDS, AND IS ABLE TO BEAR THE YIELD, MARKET LIQUIDITY, STRUCTURE, REDEMPTION AND OTHER RISKS ASSOCIATED WITH THE NOTE. FOR FURTHER DETAILS, SEE “RISK FACTORS” HEREIN.

Each Issuer and the Guarantor (the **Responsible Persons**) accepts responsibility for the information contained in this Debt Issuance Programme Prospectus. To the best of the knowledge and belief of each Issuer and the Guarantor (each having taken all reasonable care to ensure that such is the case) the information contained in this Debt Issuance Programme Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

Subject as provided in the applicable Final Terms, the only persons authorised to use this Debt Issuance Programme Prospectus in connection with an offer of Notes are the persons named in the applicable Final Terms as the relevant Purchaser or the Managers and the persons named in or identifiable following the applicable Final Terms as the Financial Intermediaries, as the case may be.

Copies of Final Terms will be available free of charge from the head office of each of Société Générale, SGA Société Générale Acceptance N.V. and SG Option Europe and the specified office of each of the Paying Agents (as defined below), in each case at the address given at the end of this Debt Issuance Programme Prospectus (provided that Final Terms relating to Private Placement Notes will only be available for inspection by a holder of such Notes upon production of evidence satisfactory to the relevant Issuer or Paying Agent as to its holding of such Notes and identity).

This Debt Issuance Programme Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see “*Documents Incorporated by Reference*”). This Debt Issuance Programme Prospectus shall be read and construed on the basis that such documents are incorporated and form part of this Debt Issuance Programme Prospectus.

The Dealers have not independently verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by the Dealers as to the accuracy or completeness of the information contained or incorporated by reference in this Debt Issuance Programme Prospectus or any other information provided by any of the Issuers or the Guarantor. The Dealers do not accept any liability in relation to the information contained or incorporated by reference in this Debt Issuance Programme Prospectus or any other information provided by any of the Issuers or the Guarantor in connection with the Programme or the Notes.

Any person (an **Investor**) intending to acquire or acquiring any securities from any person (an **Offeror**) should be aware that, in the context of an offer to the public as defined in the Prospectus Directive, the Issuer may be responsible to the Investor for the Debt Issuance Programme Prospectus only if the Issuer is

acting in association with that Offeror to make the offer to the Investor. Each Investor should therefore verify with the Offeror whether or not the Offeror is acting in association with the Issuer. If the Offeror is not acting in association with the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Debt Issuance Programme Prospectus for the purposes of Article 6 of the Prospectus Directive as implemented by the national legislation of each EEA Member State in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Debt Issuance Programme Prospectus and/or who is responsible for its contents it should take legal advice.

Subject as provided in the applicable Final Terms, the only person(s) authorised to use this Debt Issuance Programme Prospectus in connection with an offer of Notes is/are the person(s) named in the applicable Final Terms as the relevant Dealer, the Managers or the Financial Intermediaries, as the case may be.

No person is or has been authorised by any of the Issuers or the Guarantor to give any information or to make any representation not contained in or not consistent with this Debt Issuance Programme Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by any of the Issuers, the Guarantor or any of the Dealers.

Neither this Debt Issuance Programme Prospectus nor any other information supplied in connection with the Programme or the Notes (a) is intended to provide the basis of any credit or other evaluation or (b) should be considered as a recommendation or a statement of opinion (or a report on either of those things) by any of the Issuers, the Guarantor or any of the Dealers that any recipient of this Debt Issuance Programme Prospectus or any other information supplied in connection with the Programme or the Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the relevant Issuer and, if appropriate, the Guarantor. Neither this Debt Issuance Programme Prospectus nor any other information supplied in connection with the Programme or the Notes constitutes an offer or invitation by or on behalf of any of the Issuers, the Guarantor or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Debt Issuance Programme Prospectus nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning any of the Issuers or the Guarantor is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme or the Notes is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers expressly do not undertake to review the financial condition or affairs of any of the Issuers or the Guarantor during the life of the Programme or to advise any investor in the Notes of any information coming to their attention.

This Debt Issuance Programme Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Debt Issuance Programme Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. Each Issuer, the Guarantor and the Dealers do not represent that this Debt Issuance Programme Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by any Issuer, the Guarantor or the Dealers which is intended to permit a public offering of any Notes outside the European Economic Area or distribution of this Debt Issuance Programme Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Debt Issuance Programme Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Debt Issuance Programme Prospectus or any Note comes must inform themselves about, and observe, any such restrictions on the distribution of this Debt Issuance Programme Prospectus and the offering and sale of Notes (see the section headed "*Subscription, Sale and Transfer Restrictions*").

The Notes and any guarantee thereof have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the **Securities Act**) or under any state securities laws and none of the Issuers nor the Guarantor have registered or will register as an investment company under the U.S. Investment Company Act of 1940, as amended (the **Investment Company Act**). Accordingly, the Notes may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from the registration requirements of the Securities Act in a transaction that will not cause the Issuer or the Guarantor, as the case may be, to become required to register under the Investment Company Act. The Permanently Restricted Notes (as defined below) may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. person, and may not be legally or beneficially owned at any time by any U.S. person (as defined in Regulation S, a **U.S. Person**) and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S. By its purchase of a Note (other than a Permanently Restricted Note), each purchaser will be deemed to have agreed that it may not resell or otherwise transfer the Note held by it except (a) to the Issuer or any affiliate thereof, (b) inside the United States to a person that is qualified purchaser within the meaning of Section 2(a)(51) of the Investment Company Act and the rules thereunder (a **QP**) reasonably believed by the Seller to be a qualified institutional buyer, as defined under Rule 144A under the Securities Act (a **QIB**), purchasing for its own account or for the account of a QIB that is also a QP in a transaction meeting the requirements of Rule 144A, (c) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act, or (d) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. State securities laws. By its purchase of a Permanently Restricted Note, each purchaser will be deemed to have agreed that it may not resell or otherwise transfer any Permanently Restricted Note held by it except outside the United States in an offshore transaction to a person that is not a U.S. Person. **Non-U.S. Registered Notes** means Registered Notes sold exclusively outside the United States in reliance on Regulation S and permanently restricted from sale, transfer or delivery in the United States or to a U.S. Person. **Permanently Restricted Notes** means Non-U.S. Registered Notes, Uncertificated Notes which are designated in the Final Terms to be Permanently Restricted Notes and Dematerialised Notes which are designated in the Final Terms to be Permanently Restricted Notes.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 (the **Code**) and the U.S. Treasury regulations promulgated thereunder.

This Debt Issuance Programme Prospectus has been prepared on the basis that, except to the extent subparagraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Debt Issuance Programme Prospectus as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent subparagraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

U.S. INFORMATION

Each purchaser or holder of Notes represented by a Rule 144A Global Note or a Combined Global Note (each as defined below) or any Notes issued in registered form in exchange or substitution therefor (together **Legended Notes**) and each purchaser or holder of Permanently Restricted Notes will be deemed, by its acceptance or purchase of any such Legended Notes or Permanently Restricted Notes to have made certain representations and agreements intended to restrict the resale or other transfer of such Notes as set out in “*Subscription and Sale*”. Unless otherwise stated, terms used in this paragraph have the meanings given to them in “*Form of the Notes*”.

The Notes and any guarantee thereof have not been approved or disapproved by the U.S. Securities and Exchange Commission (the **SEC**), any State securities commission in the United States or any other U.S. regulatory authority, nor have any of the foregoing Authorities passed upon or endorsed the merits of the offering of the Notes or the accuracy or adequacy of this Debt Issuance Programme Prospectus. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme (see "*Risk Factors*").

Other risks relating to the Notes include (i) binding decisions of meetings of Noteholders, (ii) no payment of additional amounts (in certain circumstances) in relation to taxes withheld from payments under the Notes, (iii) changes in law, (iv) lack of a liquid secondary trading market for the Notes, (v) Noteholders receiving payments in currency other than that of their financial activities, (vi) changes in interest rates, (vii) in relation to any issue of Notes which have a minimum denomination and are tradable in the clearing systems in amounts above such minimum denomination which are smaller than it, an investor not receiving all of its entitlement if definitive Notes are issued, (viii) credit ratings not reflecting all risks relating to the Notes, (ix) certain investors being subject to laws and regulations or review or regulation by certain authorities, (x) the fact that the Notes may not be a suitable investment for all investors and/or (xi) the fact that the Notes may be subject to certain transfer restrictions.

Distribution:

Notes may be distributed by way of private or public placement and in each case on a syndicated or non-syndicated basis.

Form of Notes:

English Law Notes

Each Tranche of Notes (as defined under “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”) specified in

the applicable Final Terms to be governed by English law (save as to Condition 3(b), where applicable) (any such Notes, **English Law Notes**) will be either Bearer Notes (with or without interest coupons attached) issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**) or Registered Notes (without interest coupons attached) issued outside the United States in reliance on the exemption from registration provided by Regulation S and/or within the United States in reliance on Rule 144A under the Securities Act. The Non-U.S. Registered Notes will only be issued in registered form.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to United States persons, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 (the Code) and the U.S. Treasury regulations promulgated thereunder.

Bearer Notes will on issue be represented by either a temporary global Note or a permanent global Note as specified in the applicable Final Terms. Temporary global Notes will be exchangeable either for (a) interests in a permanent global Note or (b) for Definitive Bearer Notes, as indicated in the applicable Final Terms. Permanent global Notes will be exchangeable for Definitive Bearer Notes only upon the occurrence of an Exchange Event as described under “*Form of the Notes*”.

Registered Notes will on issue be represented by a Global Registered Note which will be exchangeable for Definitive Registered Notes in certain circumstances set out in such Global Registered Note.

Registered Notes will not be exchangeable for Bearer Notes and vice versa.

Special procedures apply to Bearer SIS Notes (see “*Form of the Notes*”).

Uncertificated Notes are in uncertificated and dematerialised form and will be cleared through a central securities depository and clearing institution. Uncertificated Notes shall include Uncertificated Nordic Notes, Uncertificated SIS Notes and EUI Notes and special procedures apply to each such category of Notes (all as further described in “*Form of the Notes*”).

In particular, in relation to EUI Notes, in respect of dematerialised CREST depository interests (**CDIs**), investors will hold CDIs constituted and issued by CREST Depository Limited and representing indirect interests in the Notes. The CDIs will be issued and settled through CREST.

Neither the Notes nor any rights thereto will be issued, held,

transferred or settled within the CREST system otherwise than through the issue, holding, transfer and settlement of CDIs.

Holders of CDIs will not be entitled to deal directly in Notes and accordingly all dealings in the Notes will be effected through CREST in relation to holding of CDIs.

French Law Notes

French Law Notes may be issued as either Dematerialised Notes or Materialised Notes.

Dematerialised Notes may, at the option of the Issuer, be issued in bearer dematerialised form (*au porteur*) or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder, in either fully registered (*nominatif pur*) or administered registered (*nominatif administré*) form. No physical document of title will be issued in respect of Dematerialised Notes. See “*Terms and Conditions of the French Law Notes - Form, Denomination(s) and Title*”.

Materialised Notes will be in bearer materialised form only. A Temporary Global Certificate will be issued initially in respect of each Tranche of Materialised Notes. Materialised Notes may only be issued outside France.

Terms of Notes:

Notes may be issued on a fully-paid or a partly-paid basis and at an issue price which is at par or at a discount to, or premium over, par.

Notes may be denominated in any agreed currency and with any agreed maturity, subject to any applicable legal or regulatory restrictions and any requirements of the relevant central bank (or equivalent body).

The terms of the Notes will be specified in the applicable Final Terms. Interest periods, rates of interest and the terms of and/or amounts payable on redemption may differ depending on the Notes being issued and such terms will be specified in the applicable Final Terms.

The applicable Final Terms will indicate either that the Notes cannot be redeemed prior to their stated maturity (other than in specified instalments, if applicable, or for taxation reasons or following an Event of Default) or that such Notes (if Physical Delivery Notes) may be settled at maturity or otherwise by receipt by the holder(s) of a cash amount and/or by delivery of the relevant Underlying Assets or that such Notes will be redeemable at the option of the relevant

Issuer and/or the Noteholders. The terms of any such redemption, including notice periods, any relevant conditions to be satisfied and the relevant redemption dates and prices will be indicated in the applicable Final Terms.

The applicable Final Terms may provide that Notes may be redeemable in two or more instalments of such amounts and on such dates as are indicated in the applicable Final Terms.

Any early redemption of Subordinated Notes issued by Société Générale in accordance with Condition 7(b), 7(c) or 7(e) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes or, as appropriate, Condition 6(b), (c) or (e) of the Terms and Conditions of the French Law Notes will be subject to the prior written approval of the *Secrétariat général de la Commission bancaire* in France.

In the event that any such deduction is made, the relevant Issuer or, as the case may be, the Guarantor, will, save in certain limited circumstances provided in Condition 8 of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 7 of the Terms and Conditions of the French Law Notes (“*Taxation*”), be required to pay additional amounts to cover the amounts so deducted.

Negative Pledge:

The terms of Unsubordinated Notes issued by Société Générale and all Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe will contain a negative pledge provision as more fully described in Condition 4 of the Terms and Conditions of the English Law Notes and the Uncertificated Notes or, as appropriate, Condition 3 of the French Law Notes, which so long as any such Notes, or any Receipts or Coupons relating thereto, remain outstanding, prohibit the relevant Issuer (or, as the case may be, Guarantor) from, among other things, creating or maintaining any security interest or other encumbrance on its assets or debt securities, unless such Notes and any relevant Receipts or Coupons are secured equally and rateably therewith.

Events of Default:

The terms of the Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe will contain events of default along the following lines:

- (i) the Issuer is in default with respect to the payment of interest or principal when due or the delivery of Underlying Assets deliverable in respect of the Notes (save for late delivery in the circumstances referred to in Condition 6(g) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 5(d) of the French Law Notes), which default, in the case of any interest payment, has continued, uncorrected for a specified period of time; or

- (iv) events relating to the insolvency or winding up of the Issuer; or
- (v) the Guarantee ceases to be in full force and effect in respect of the Notes, the Receipts or the Coupons, or notice is given by the Guarantor which would cause the Guarantee to cease to be in full force and effect in respect of the Notes, the Receipts or the Coupons, or is rendered void for any cause or by any means whatsoever or any legislation is introduced the result of which would be to remove the benefit of the Guarantee from the Notes, the Receipts or the Coupons, or terminate or amend the same in a manner materially adverse

all as more fully described in Condition 10 of the Terms and Conditions of the English Law Notes and the Uncertificated Notes or, as appropriate, Condition 9 of the French Law Notes.

Index Linked Notes: Payments of principal in respect of Index Linked Redemption Notes or of interest in respect of Index Linked Interest Notes will be calculated by reference to such index and/or formula or to changes in the prices of securities (including, without limitation, shares or units of unit trusts or mutual funds (any such Index Linked Notes, **Equity Linked Notes**)) or commodities (any such Index Linked Notes, **Commodity Linked Notes**) or the creditworthiness of a reference entity or reference obligation (any such Index Linked Notes, **Credit Linked Notes**) or by reference to the performance of certain assets (any such Index Linked Notes, **Managed Assets Portfolio Linked Notes**) or by reference to futures contracts on the same or to such other factors as the relevant Issuer and the relevant Purchaser(s) may agree (as indicated in the applicable Final Terms).

Other provisions in relation to Floating Rate Notes and Index Linked Notes: Floating Rate Notes and Index Linked Notes may also have a maximum interest rate, a minimum interest rate or both, or be subject to a Rate Multiplier, in each case as set forth in the applicable Final Terms.

Dual Currency Notes: Payments (whether in respect of principal and/or interest and whether at maturity or otherwise) in respect of Dual Currency Notes will be made in such currency or currencies, and based on such rate or rates of exchange, as the relevant Issuer and the relevant Purchaser(s) may agree (as indicated in the applicable Final Terms).

Physical Delivery Notes: Payments (whether in respect of principal and/or interest and whether at maturity or otherwise) in respect of Physical Delivery Notes and any delivery of any Underlying Asset(s) in respect of Physical Delivery Notes will be made in accordance with the terms of the applicable Final Terms, subject always to applicable securities laws.

Zero Coupon Notes: Zero Coupon Notes will not bear interest (other than in the case

of late payment).

Redemption:

The applicable Final Terms will indicate either that the Notes cannot be redeemed prior to their stated maturity (other than in specified instalments, if applicable, or for taxation reasons or following an Event of Default or in the event of an Optional Outstanding Notes Trigger Call (as defined below)) or that such Notes (if Physical Delivery Notes) may be settled at maturity or otherwise by receipt by the holder(s) of a cash amount and/or by delivery of the relevant Underlying Assets or that such Notes will be redeemable at the option of the relevant Issuer and/or the Noteholders upon giving not less than 30 nor more than 45 days' irrevocable notice (or such other notice period (if any) as is indicated in the applicable Final Terms) to the Noteholders or the relevant Issuer, as the case may be, on a date or dates specified prior to such stated maturity and at a price or prices and on such terms as may be agreed between the relevant Issuer and Purchaser(s) as indicated in the applicable Final Terms.

The applicable Final Terms may provide that Notes may be redeemable in two or more instalments of such amounts and on such dates as indicated in the applicable Final Terms.

Any early redemption of Subordinated Notes issued by Société Générale in accordance with Condition 7(b), (c) or (e) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Conditions 6(b), 6(c) and 6(e) of the Terms and Conditions of the French Law Notes will be subject to the prior written approval of the *Secrétariat général de la Commission bancaire* in France.

Denomination of Notes:

Notes will be issued in such denominations as may be agreed between the relevant Issuer and the relevant Purchaser(s) as indicated in the applicable Final Terms save that the minimum denomination of each Note will be such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency (see "*Certain Restrictions – Notes having a maturity of less than one year*" above) and save that the minimum denomination of each Note issued by Société Générale or SG Option Europe and admitted to trading on a regulated market within the European Economic Area other than a regulated market in France or offered to the public in a Member State of the European Economic Area other than France in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency).

Taxation:

All payments in respect of the Notes will be made without deduction for or on account of withholding taxes imposed by any Tax Jurisdiction, subject as provided in Condition 8 of the Terms and Conditions of the English Law Notes and the Uncertificated

Notes and Condition 7 of the Terms and Conditions of the French Law Notes (“Taxation”). In the event that any such deduction is made, the relevant Issuer or, as the case may be, the Guarantor, will, save in certain limited circumstances provided in Condition 8 of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 7 of the Terms and Conditions of the French Law Notes (“Taxation”), be required to pay additional amounts to cover the amounts so deducted.

Negative Pledge:

The terms of Unsubordinated Notes issued by Société Générale and all Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe will contain a negative pledge provision as further described in Condition 4 of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 3 of the Terms and Conditions of the French Law Notes.

There will be no cross-default provision with respect to Notes issued by Société Générale.

Status of Unsubordinated Notes:

Unsubordinated Notes issued by Société Générale and all Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe will constitute direct, unconditional and (subject to Condition 3(a) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 2(a) of the Terms and Conditions of the French Law Notes) unsecured and unsubordinated obligations of the relevant Issuer and will rank *pari passu* without any preference among themselves and (save for certain obligations required to be preferred by law) *pari passu* with all other direct, unconditional, unsecured and unsubordinated obligations of the relevant Issuer as each is separately set out in Condition 3(a) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 2(a) of the Terms and Conditions of the French Law Notes.

Subordinated Notes issued by Société Générale will be direct, unconditional, unsecured and subordinated obligations of Société Générale and rank *pari passu* without any preference among themselves and *pari passu* with any other present and future direct, unconditional, unsecured and subordinated obligations of Société Générale with the exception of the *prêts participatifs* granted to Société Générale and the *titres participatifs* issued by Société Générale as set out in Condition 3(b) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 2(b) of the Terms and Conditions of the French Law Notes.

If so specified in the applicable Final Terms, the payment of interest in respect of subordinated Notes without a specified maturity date (**Undated Subordinated Notes**) issued by Société Générale may be deferred in accordance with the provisions of Condition 5(g) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 4(g) of the Terms and Conditions of the French Law Notes - “*Deferral of Interest*”.

In the case of Notes issued by Société Générale which constitute Tier 3 Capital, issues will be made in compliance with all applicable laws and regulations and subject to such additional terms and conditions as shall be set out in the applicable Final Terms relating thereto.

RISK FACTORS

Prospective purchasers of Notes should carefully consider the following information in conjunction with the other information contained in this Debt Issuance Programme Prospectus, the 2010 Registration Document and any Final terms before purchasing Notes.

Each Issuer and the Guarantor believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and none of the Issuers nor the Guarantor is in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each Issuer and the Guarantor believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the relevant Issuer or the Guarantor to pay interest (if any), principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuers and the Guarantor based on information currently available to them or which they may not currently be able to anticipate. Consequently, the statements below or in the applicable Final Terms regarding the risks of investing in the Notes of any series should not be viewed as exhaustive. The applicable Final Terms in respect of any Notes may contain additional risk factors relating to such Notes that should be considered before making an investment decision. Prospective investors should also read the detailed information set out elsewhere in this Debt Issuance Programme Prospectus and reach their own views prior to making any investment decision. No investment should be made in the Notes of any series until after careful consideration of all those factors that are relevant in relation to the Notes of such series. Prospective investors should reach an investment decision with respect to the suitability of the Notes of such series for them only after careful consideration and consultation with their financial and legal advisers.

The order in which the following risks factors are presented is not an indication of the likelihood of their occurrence.

A. Risks relating to the Issuer and, as the case may be, the Guarantor

Given the diversity and changes in the Group's activities, risk management focuses on the following main categories:

Credit risk (including country risk): risk of losses arising from the inability of the bank's customers, sovereign issuers or other counterparties to meet their financial commitments. Credit risk also includes the counterparty risk linked to market transactions, as well as that stemming from the bank's securitisation activities. In addition, credit risk may be further increased by a concentration risk, which arises from a large exposure to a given risk or to certain groups of counterparties;

Market risk: risk of loss resulting from changes in the price of market products, in volatility and correlations;

Operational risks (including legal, accounting, environmental, compliance and reputational risks): risk of losses or sanctions due to inadequacies or failures in procedures and internal systems, human error or external events;

Investment portfolio risk: risk of negative fluctuations in the value of equity participation stakes in the bank's investment portfolio;

Structural interest and exchange rate risk: risk of loss or of depreciation in the bank's assets arising from variations in interest or exchange rates. Structural interest and exchange rate risk arises from commercial activities and on Corporate Centre transactions (operations on equity capital, investments and bond issues);

Liquidity risk: risk of the Group not being able to meet its obligations as they become due;

Strategic risk: risks entailed by a chosen business strategy or resulting from the bank's inability to execute its strategy;

Business risk: risk of the earnings break-even point not being reached because of costs exceeding revenues.

Through its insurance subsidiaries, the Group is also exposed to a variety of risks linked to the insurance business (e.g. premium prices risk, mortality risk and structural risk of life and non-life insurance activities).

Through its Specialised Financing division, mainly its operational vehicle leasing subsidiaries, the Group is exposed to residual value risk (estimated net resale value of an asset at the end of the leasing contract).

For any further information, investors and/or Noteholders should refer to the "Risk Management" section in the English or French versions of the 2010 Registration Document (*Document de référence*) of Société Générale which are incorporated by reference in this Debt Issuance Programme Prospectus.

Factors that may affect each Issuer's ability to fulfil its obligations under the Notes issued under the Programme and the Guarantor's ability to fulfil its obligations under the Guarantee in relation to such Notes

Creditworthiness of each Issuer and, as the case may be, the Guarantor

The Notes constitute general and unsecured contractual obligations of each Issuer and of no other person, and the Guarantee constitutes general and unsecured contractual obligations of the Guarantor and of no other person, which will rank equally with all other unsecured contractual obligations of the Issuer and the Guarantor, respectively, and behind preferred liabilities, including those mandatorily preferred by law. The Issuer issues a large number of financial instruments, including the Notes, on a global basis and, at any given time, the financial instruments outstanding may be substantial. If you purchase the Notes, you are relying upon the creditworthiness of the Issuer and, as the case may be, the Guarantor and no other person and where the Notes relate to securities, you have no rights against the company that has issued such securities, and where the Notes relate to an index, you have no rights against the sponsor of such index and where the Notes relate to a fund, you have no rights against the manager of such fund. Further, an investment in the Notes is not an investment in the underlying assets and you will have no rights in relation to voting rights or other entitlements (including any dividend or other distributions).

Risks associated with the lack of independence of each Issuer and, as the case may be, the Guarantor

Société Générale will act as issuer under the Programme, as the Guarantor of the Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe and also as provider of hedging instruments to each Issuer. As a result, investors will be exposed not only to the credit risk of the Guarantor but also operational risks arising from the lack of independence of the Guarantor, in assuming its duties and obligations as the Guarantor and provider of the hedging instruments. The operational risks arising from such lack of independence are in part intended to be mitigated by the fact that different divisions within the Guarantor will be responsible for implementing the Guarantee and providing the hedging instruments and that each division is run as a separate operational unit, segregated by Chinese walls and run by different management teams. Whilst compliance procedures require effective segregation of duties and responsibilities between the relevant divisions within the Guarantor, the possibility of conflicts of interest arising cannot be wholly eliminated.

Conflicts of interest

The Issuer and the Guarantor provide a full array of capital market products and advisory services worldwide including the issuance of “structured” Notes where interest and/or principal is/are linked to the performance of underlying assets. The Issuer and the Guarantor and any of their subsidiaries and affiliates, in connection with their other business activities, may possess or acquire material information about the underlying assets. Such activities and information may cause consequences adverse to the Noteholders. Such actions and conflicts may include, without limitation, the exercise of voting power, the purchase and sale of securities, financial advisory relationships and exercise of creditor rights. The Issuer, the Guarantor and any of their subsidiaries and affiliates have no obligation to disclose such information about the underlying assets or the companies to which they relate. The Issuer, the Guarantor and any of their subsidiaries and affiliates and their officers and directors may engage in any such activities without regard to the Notes or the effect that such activities may directly or indirectly have on any Note.

Hedging and trading activity by each Issuer, the Guarantor and their affiliates could potentially affect the value of the Notes

In the ordinary course of their business, whether or not they will engage in any secondary market making activities, the Issuer, the Guarantor and/or any of their affiliates may effect transactions for their own account or for the account of their customers and hold long or short positions in the Reference Asset(s) or related derivatives. In addition, in connection with the offering of the Notes, the Issuer, the Guarantor and/or their affiliates may enter into one or more hedging transactions with respect to the Reference Asset(s) or related derivatives. In connection with such hedging or any market-making activities or with respect to proprietary or other trading activities by the Issuer, the Guarantor and/or the Group, the Issuer, the Guarantor and/or their affiliates may enter into transactions in the Reference Asset(s) or related derivatives which may affect the market price, liquidity or value of the Reference Assets and, consequently, the Notes and which could be deemed to be adverse to the interests of the relevant Noteholders.

The above situations may result in consequences which may be adverse to Noteholders. The Issuer and the Guarantor assume no responsibility whatsoever for such consequences and their impact on Noteholders.

No Events of Default in respect of Notes issued by Société Générale

In no event will holders of Notes issued by Société Générale be able to accelerate the maturity of their Notes. Accordingly, such holders will have claims only for amounts then due and payable on their Notes.

B. Risks Relating to Notes

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which present particular risks for potential investors. Set out below is a description of the most common such features, which may increase the risk of investing in such Notes:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

Early redemption

Any early redemption of Subordinated Notes in accordance with Condition 7(b), (c) or (e) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and Condition 6(b), 6(c) or 6(e) of the

Terms and Conditions of the French Law Notes will be subject to the prior written approval of the *Secrétariat général de la Commission bancaire* in France.

Early Trigger Redemption

In respect of certain issues where so specified in the applicable Final Terms, the Notes may be redeemed early in the event that the outstanding nominal amount falls below 10% of the initial nominal amount of such Notes or such other level stipulated in the applicable Final Terms. In such event the Issuer will have the option to redeem any outstanding Notes early upon the giving of notice. This could lead to investors receiving an amount at redemption earlier than had been anticipated in circumstances over which the investors have no control and may affect the value of their investment.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes or Dual Currency Notes and the suitability of such Notes in light of its particular circumstances.

Partly-Paid Notes

The Issuer may issue Notes where the issue price is payable in more than one part payment. Failure to pay any subsequent part payment could result in an investor losing some or all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued linked to certain events

The interest rate or redemption amount of certain Notes may be linked to the occurrence or non-occurrence of certain events which are not connected with the Issuer or the Guarantor such as credit, weather or sporting events. The occurrence of such events is beyond the control of the Issuer and the Guarantor and Noteholders are exposed to the risk of such event occurring or not, as the case may be.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The Issuer's obligations in relation to Subordinated Notes are subordinated

In the case of Subordinated Notes issued by Société Générale, the Issuer's obligations will be unsecured and subordinated and will rank junior in priority of payment to unsubordinated creditors (including depositors) of that Issuer, as more fully described in the Terms and Conditions.

In the case of Subordinated Notes issued by Société Générale, if any judgment is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the holders of Subordinated Notes shall be subordinated to the payment in full of unsubordinated creditors (including depositors) and, subject to such payment in full, the holders of such Subordinated Notes shall be paid in priority to any *prêts participatifs* granted to the Issuer and any *titres participatifs* issued by it. In the event of incomplete payment of unsubordinated creditors, the obligations of the Issuer in connection with Subordinated Notes will be terminated. The holders of such

Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a substantial risk that investors in Subordinated Notes will lose all or some of their investment should the Issuer become insolvent.

Under certain conditions, interest payments under Subordinated Notes can be deferred

If at the *Assemblée Générale* immediately prior to an Interest Payment Date, no dividend on any class of share capital of Société Générale for the immediately preceding fiscal year is declared, then the Issuer may defer the payment of interest on the Subordinated Notes until whichever is the earliest of: (A) the interest payment date immediately following the date upon which at the *Assemblée Générale* immediately preceding such interest payment date a dividend is declared on any class of share capital of Société Générale, and (B) the commencement of a liquidation or dissolution of Société Générale.

However, the Issuer may at any time give notice of its intention to pay any accumulated previously deferred interest and upon expiry of any such notice, it shall be obliged to pay such amounts.

In no event will holders of Subordinated Notes be able to accelerate the maturity of their Subordinated Notes; such holders will have claims only for amounts then due and payable on their Subordinated Notes. After the Issuer has fully paid all deferred interest on any issue of Subordinated Notes and if that issue of Subordinated Notes remains outstanding, future interest payments on that issue of Subordinated Notes will be subject to further deferral as described above.

Any deferral of interest payments is likely to have an adverse effect on the market price of the Subordinated Notes. In addition, as a result of the interest deferral provision of the Subordinated Notes, the market price of the Subordinated Notes may be more volatile than the market prices of other debt securities on which original issue discount or interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in the Issuer's financial condition.

Notes underlying Crest Depository Interests

The CDIs will be delivered, held and settled in CREST, by means of the CREST International Settlement Links Service.

The settlement of the CDIs by means of the CREST International Settlement Links Service may involve the following risks to investors:

1. Investors will not be the legal owners of the Notes underlying the CDIs (the **Underlying Notes**). The CDIs are separate legal instruments from the Underlying Notes to which they relate and represent an indirect interest in such Underlying Notes.

The Underlying Notes themselves (as distinct from the CDIs representing indirect interests in such Underlying Notes) will be held in an account with a custodian. The custodian will hold the Underlying Notes through a clearing system. Rights in the Underlying Notes will be held through custodial and depository links through the appropriate clearing systems. The legal title to the Underlying Notes or to interests in the Underlying Notes will depend on the rules of the clearing system in or through which the Underlying Notes are held.

The CDIs will be issued by CREST Depository Limited to investors and will be governed by English law. The CDIs will represent indirect interests in the interest of CREST International Nominees Limited in the Underlying Notes.

Rights under the Underlying Notes cannot be enforced by investors except indirectly through the intermediary depositaries and custodians described above. The enforcement of rights under the Underlying Notes will therefore be subject to the local law of the relevant intermediary. This will include English law. The rights of investors to the Underlying Notes are represented by the entitlements against the CREST Depository which (through the CREST Nominee) holds interests in the Underlying Notes.

This could result in an elimination or reduction in the payments that otherwise would have been made in respect of the Underlying Notes in the event of any insolvency or liquidation of the relevant intermediary, in particular where the Underlying Notes held in clearing systems are not held in special purpose accounts and are fungible with other securities held in the same accounts on behalf of other customers of the relevant intermediaries.

2. The CDIs issued to investors will be constituted and issued pursuant to the CREST Deed Poll. Investors in the CDIs will be bound by all provisions of the CREST Deed Poll and by all provisions of, or prescribed pursuant to, the CREST Reference Manual dated 26 January 2010 as amended, modified, varied or supplemented from time to time (the **CREST Reference Manual**) and the CREST Rules (contained in the CREST Reference Manual) applicable to the International Settlement Links Service and investors must comply in full with all obligations imposed on them by such provisions.

Investors should note that the provisions of the CREST Deed Poll, the CREST Reference Manual and the CREST Rules contain indemnities, warranties, representations and undertakings to be given by holders of the CDIs and limitations on the liability of the issuer of the CDIs, CREST Depository Limited.

Investors may incur liabilities resulting from a breach of any such indemnities, warranties, representations and undertakings in excess of the money invested by them. The attention of investors is drawn to the terms of the CREST Deed Poll, the CREST Reference Manual and the CREST Rules, copies of which are available from CREST at 33 Cannon Street, London EC4M 5SB or by calling +44207849 0000 or under the CREST section of the Euroclear website at www.euroclear.com.

3. Investors should note that holders of CDIs may be required to pay fees, charges, costs and expenses to CREST Depository Limited in connection with the use of the International Settlement Links Service. These will include the fees and expenses charged by CREST Depository Limited in respect of the provision of services by it under the CREST Deed Poll and any taxes, duties, charges, costs or expenses which may be or become payable in connection with the holding of the Notes through the International Settlement Links Service.
4. Investors should note that neither the Issuer nor any Paying Agent will have any responsibility for the performance by any intermediaries or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.

Notes constituting "Obligations" under French Law

Each potential investor should consult its legal advisers and where applicable its regulator(s), accountants, auditors and tax advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing, (iii) Notes are eligible to its regulated assets (where applicable), (iv) Notes are an appropriate investment for it from a prudential point of view and (v) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Sharia Compliant Certificates

Insofar as each potential investor wishes or is required for any reason to invest in Notes that must be construed as compliant with Sharia principles, it is the sole responsibility of each potential investor, investing in

any Note, to (i) make its own investigations into, and satisfy itself as to, the compliance of this Note and the documentation relating thereto with Sharia principles, and (ii) ensure that all necessary actions have been taken (including obtaining a Sharia compliance certificate, where required) so that such a person can make its own determination as to whether this Note and the documentation relating thereto are each compliant with Sharia principles.

If a potential investor invests in a Note, such a person will be deemed to have acknowledged that Société Générale will not be held liable for the non compliance, in whole or in part, of the Notes and the documentation relating thereto with Sharia principles.

Notes to be issued as obligations under French law

The Final Terms may specify that the Notes will constitute obligations under French law (within the meaning of Article L.213-5 of the French *Code monétaire et financier*). Investors' attention is drawn to the fact that this characterisation is a legal characterisation and not a prudential one. Each potential investor should consult its legal advisers and where applicable its regulator(s), accountants, auditors and tax advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing, (iii) Notes are eligible to its regulated assets (where applicable), (iv) Notes are an appropriate investment for it from a prudential point of view and (v) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the **Savings Directive**), Member States, including Belgium from 1 January 2010, are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The current rate of the levy applicable to such payments is 20 per cent. (as from 1 July 2008). However, this rate will increase to 35 per cent. after 1 July 2011. In this respect, the Belgian Minister of Finance has recently indicated that as from 1 January 2010, Belgium will no longer apply the levy on interest payments to beneficial owners who are residents of another Member State of the European Union, but will apply the automatic exchange of information under the Savings Directive.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. The Issuer is required to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The conditions of the Notes (including any non-contractual obligations arising therefrom or connected therewith) are based on relevant laws in effect as at the date of this Debt Issuance Programme Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to such laws, or the official application or interpretation of such laws or administrative practices after the date of this Debt Issuance Programme Prospectus.

Notes where denominations involve integral multiples: Definitive Bearer Notes

In relation to any issue of Bearer Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Bearer Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a Definitive Bearer Note in respect of such holding (should Definitive Bearer Notes be printed) and would need to purchase a principal amount of Bearer Notes such that its holding amounts to a Specified Denomination.

If Definitive Bearer Notes are issued, holders should be aware that Definitive Bearer Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Transfer Restrictions

The Notes may be subject to certain transfer restrictions. In particular, any Notes offered and sold or intended to be transferred in the United States or to, or for the account or benefit of, U.S. Persons, can only be sold or otherwise transferred to certain transferees as described under "Subscription, Sale and Transfer Restrictions". Such restrictions on transfer may limit the liquidity of such Notes. Consequently, a purchaser must be prepared to hold such Notes for an indefinite period of time and potentially until their maturity.

Any sale or transfer of Notes in the United States or to, or for the account or benefit of, U.S. Persons in violation of the transfer restrictions that would cause any Issuer to become required to register as an investment company under the Investment Company Act will be void *ab initio* and will not be honoured by the relevant Issuer, except to the extent otherwise required by law. In addition, the relevant Issuer may, in its discretion, redeem the Notes held by such purchaser or other transferee or compel any such purchaser or other transferee to transfer such Notes. Any such redemption or forced transfer may result in a significant loss of a Noteholder's investment.

No legal and tax advice

Each prospective investor should consult its own advisers as to legal, tax and related aspects investment in the Notes. A Noteholder's effective yield on the Notes may be diminished by the tax on that Noteholder of its investment in the Notes.

A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs.

French Insolvency Law

Under French insolvency law as amended by ordinance n°2008-1345 dated 18 December 2008 which came into force on 15 February 2009, holders of debt securities are automatically grouped into a single assembly of holders (the Assembly) in case of the opening in France of a preservation (*procédure de sauvegarde*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) of the Issuer, in order to defend their common interests.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as a Euro Medium Term Notes programme) and regardless of their governing law.

The Assembly deliberates on the draft safeguard (*projet de plan de sauvegarde*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (charges) of holders of debt securities (including the Noteholders) by rescheduling and/or writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into shares.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required on convocation of the Assembly. For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus and, if applicable, the applicable Final Terms will not be applicable in these circumstances.

Risk Factors relating to Index Linked Notes, the redemption amount of which is linked to one or more fund units¹

The fund units may be issued hedge funds or mutual funds (hereafter the underlying funds).

Investors should investigate the underlying fund(s) as if investing directly

To the extent the underlying(s) of a series of Notes include(s) a fund or portfolio of funds, investors should conduct their own diligence of the underlying fund(s) as it would if it were directly investing in the underlying fund(s). The offering of the Notes does not constitute a recommendation by Société Générale or any of its affiliates with respect to an investment linked to an underlying fund (including in respect of funds that are managed by managers affiliated with Société Générale). Investors should not conclude that the sale by the Issuer of the Notes is any form of investment recommendation by the Issuer or any of its affiliates to invest in the underlying fund(s).

Risks relating to underlying funds that are hedge funds

Fund units, and investments in hedge funds generally, are speculative and involve a high degree of risk. Neither the relevant Issuer nor the Guarantor gives any assurance as to the performance of fund units.

To the extent the underlying (s) of a series of Notes include(s) a hedge fund or portfolio of hedge funds for a series of Notes, the Notes of such series will be subject to some of the risks of an investment in a hedge fund or portfolio of hedge funds. The lack of oversight and regulation associated with funds that are hedge funds may increase the likelihood of fraud and negligence by the fund's managers and/or the investment advisors, their brokerage firms or banks.

Hedge funds may involve complex tax structures and delays in distributing important tax information and may have high fees and expenses that may offset the hedge fund's trading profits.

Substantial redemptions on a hedge fund on a particular day could require such funds to liquidate positions more rapidly than would be otherwise desirable.

¹ Statements in this section concerning funds and fund managers also apply to any portfolio or basket of funds and any related portfolio manager.

Hedge funds, including the funds on which Index Linked Notes may be indexed, generally do not make information about their operations and holdings public. Even if the relevant Issuer, the Guarantor or any affiliate of Société Générale may have arrangements with a fund's managers to obtain information required to calculate the value of the fund, it may not have access to the activities of the fund on a continuous basis or at all. There are currently no regulatory requirements compelling funds to release information of the kind that would allow the relevant Issuer, the Guarantor or any affiliate of Société Générale to value a fund or to accurately determine the value of the fund units and, consequently, the Final or Early Redemption Amount of the relevant Notes.

Société Générale and certain of its affiliates from time to time obtain information regarding specific hedge funds that may not be available to the general public. Any such information is obtained by Société Générale and certain of its affiliates in the ordinary course of their businesses, and not in connection with the offering of the Notes (including in respect of funds that are managed by managers affiliated with Société Générale). In connection with the ordinary course of their businesses, Société Générale and certain of its affiliates may recommend, or determine not to recommend, specific hedge funds to their clients. Hedge funds as to which Société Générale and certain of its affiliates have formed investment recommendations may now or may in the future be among the underlying funds used in the redemption formula of Notes. Any views that may be held by Société Générale and certain of its affiliates with respect to the expected future performance of one or more of the funds (including in respect of funds that are managed by managers affiliated with Société Générale) would not be an indication of the future expected performance of the fund, and neither Société Générale nor any of its affiliates has formed a view with respect to the expected future performance of a fund.

Volatility of the markets may adversely affect the value of the fund units

Volatility is the term used to describe the size and frequency of market fluctuations. If the volatility of the underlying fund(s) increases or decreases, the market value of the Notes may be affected.

Funds' performances (especially hedge funds) may be highly volatile. Movements in the net asset value of the fund tracked by the fund units may vary from month to month. Trades made by fund managers may be based upon their expectation of price movements as the relevant investments approach and reach maturity several months following initiation of the trades. In the meantime, the market value of positions may not increase, and may in fact decrease, and this will be reflected in the net asset value per share.

Investments made by the underlying funds can involve substantial risks. The nature of these investments means that the value of the fund units may fluctuate significantly during a day or over longer periods. Consequently, the performance of the fund units over a given period will not necessarily be indicative of future performance.

Market volatility may produce significant losses on the fund units.

The use of leverage may increase the risk of loss in the value of the fund units

The underlying funds may have recourse to leverage i.e. borrow amounts that represent more than 100 per cent. of the value of their assets to invest further in assets that involve further risks. Accordingly, a small downward movement in the value of a fund's assets may result in a significantly larger loss of the fund.

Funds managers may be eligible to earn incentive compensation

The potential for a fund manager to earn performance-based compensation (including a manager that is affiliated with Société Générale) may encourage such fund manager to trade in a more speculative manner than it otherwise would. Therefore, because the incentive compensation of the fund's managers and/or investment advisors to hedge funds is often directly influenced by the performance of such funds, each fund manager may consequently have an incentive to take greater risks when making investments that may result in greater profits. By taking greater risks when making investments consequently there is greater scope for significant losses. In

addition, the fund's managers and/or the investment advisors may receive management, advisory or performance fees even though the fund has not realized any gains.

Funds managers' investments are not verified

Neither of the relevant Issuer, nor Société Générale as Guarantor or as Calculation Agent under the Notes, nor Société Générale's affiliates is or will be responsible for verifying or ensuring that the fund's managers comply with its stated trading strategy (including a manager that is affiliated with Société Générale).

The fund's managers (including a manager that is affiliated with Société Générale) do not have any obligations to the Noteholders, or other role in connection with the Notes, including any obligation to take the needs of the Noteholders into consideration for any reason. The fund's managers (including a manager that is affiliated with Société Générale) are not responsible for, and have not endorsed or participated in, the offering, placement, sale, purchase or transfer of the Notes. The fund's managers (including a manager that is affiliated with Société Générale) are not responsible for, and will not participate in, the determination or calculation of the amounts receivable by Noteholders.

Underlying funds that are hedge funds, are not subject to the same regulatory regime, or regulated to the same extent as, mutual funds or registered securities or securities offerings. Changes to the current regulatory environment could affect the investment, operations and structure of the underlying funds and could adversely affect the performance of the underlying funds.

The underlying funds may invest in assets that involve further risks and such risks may not be fully disclosed at the time of investment by the relevant Issuer. The fund's managers and/or the investment advisors to hedge funds may invest in and trade in a variety of financial instruments using sophisticated investment techniques for hedging and non-hedging purposes. Such financial instruments and investment techniques include but are not limited to the use of leverage (i.e., borrowing money for investment purposes), short sales of securities, transactions that use derivatives such as swaps, stock options, index options, futures contracts and options on futures, transactions that involve the lending of securities to certain financial institutions, the entry into repurchase and reverse repurchase agreements for securities and the investment in foreign securities and foreign currencies. Furthermore, hedge funds may borrow an amount more than 100 per cent. of its assets on a consistent basis to increase its leverage. While these investment strategies and financial instruments allow the fund's managers and/or the investment advisors the flexibility to implement a range of strategies in an attempt to generate positive returns for the fund, they also create the risk of significant losses that may adversely affect the fund.

Hedge funds may invest in securities listed or traded on foreign exchanges. The execution of transactions on foreign exchanges might involve particular risks including but not limited to: higher volatility, government intervention, lack of transparency, lack of regulation, currency risk, political risk and economic social instability.

Reliance on fund's managers and/or investment advisors of the underlying fund(s)

Investment in the Notes is speculative and entails substantial risks. The Final or Early Redemption Amount is based on changes in the value of the underlying fund(s), which fluctuates and cannot be predicted. Moreover, any persons relying on the performance of the underlying fund(s) should note that such performance will depend to a considerable extent on the performance of the fund's managers and/or investment advisors of the fund(s). Neither of the relevant Issuer, nor Société Générale as Guarantor or as Calculation Agent under the Notes, nor Société Générale's affiliates are in a position to protect the Noteholders against fraud and misrepresentation by unaffiliated fund managers or the investment advisors. Investors should understand that they could be materially adversely affected by any such acts. Noteholders do not have and are not entitled to any beneficial interests in the underlying fund(s) and as such, have no recourse against the underlying fund(s), any investment advisor or manager either contractually or statutorily. Furthermore, as a practical matter, it may be difficult to bring an action, or to seek to enforce a judgment obtained in an action, against any of the

aforementioned entities. In addition, the fund's managers and/or the investment advisors may be removed or replaced, the allocation of assets may vary from time to time and the various positions of the investments of the underlying fund(s) may be economically offsetting, all of which may affect the performance of the underlying fund(s).

The fund's managers and/or the investment advisors may manage or advise other funds and/or accounts and may have financial and other incentives to favor such other funds and/or accounts over the underlying fund(s). Also, the fund's managers and/or the investment advisors may manage or advise for their own accounts and the accounts of their clients and may make recommendations or take positions similar or dissimilar to those of the underlying fund(s) or which may compete with the underlying fund(s).

Fees, deductions and charges will reduce the Final or Early Redemption Amount

Fund fees will be deducted from the net asset value of the fund, reducing the value of the fund units. Accordingly, to the extent that the Final or Early Redemption Amount is linked to the net asset value of a fund, the Final or Early Redemption Amount payable to Noteholders will be less than it would have been absent these fees, deductions and charges, but Société Générale or one of its affiliates may be the beneficiary of such fees or obtain rebate on such fees from third parties.

Net Asset Value

The Issuer believes that the market value of the Notes will likely depend substantially on the then-current net asset value of the underlying fund(s). If an investor chooses to sell its Notes, such investor may receive substantially less than the amount that would be payable at any relevant payment date based on that net asset value because of, for example, possible market expectations that the net asset value of the underlying fund(s) will continue to fluctuate between such time and the time when the final net asset value of the underlying fund(s) is determined. Political, economic and other developments that affect the investments underlying the underlying fund(s) may also affect the net asset value of the underlying fund(s) and, thus the value of the Notes.

The illiquidity of the underlying fund's investments may cause the payment of the Final or Early Redemption Amount and/or any Intermediary Amount to be reduced or delayed

The intermediary amounts or final redemption amounts due to investors in Notes having funds as underlyings may be based on the redemption proceeds that would be paid in cash by the underlying fund to a hypothetical investor as a result of a valid and timely notice for redemption given by such hypothetical investor with effect as of the relevant valuation date. To meet a redemption request, the underlying fund would likely sell its own assets but such investments may not be readily saleable on or shortly after the valuation date for various reasons, including, but not limited to:

- infrequent redemption opportunities allowed by such underlying fund (for example, many hedge funds only allow monthly or quarterly liquidity);
- "gating," lock-ups, side pockets or discretionary redemption delays or suspensions imposed by such underlying fund (for example, many hedge funds have provisions whereby redemption requests are scaled back if the aggregate amount of such requests reaches a predetermined limit);
- such underlying funds' own investments may be illiquid;

In these situations, (i) the payment of an intermediate amounts may be postponed by the Calculation Agent to soon after the date on which the underlying fund pays all the redemption proceeds in respect of a valid and timely redemption order given after the occurrence an event described above or to the maturity date of the Notes and/or (ii) the payment of the final redemption amount will occur on the basis of the redemption proceeds paid by the underlying fund in respect of a valid and timely redemption order given after the occurrence an

event described above. If the redemption proceeds have not been paid by the underlying fund on the maturity date of the Notes, the payment of the intermediate amounts or final redemption amounts, may be postponed after the maturity date up to a maximum period of two years. If at the expiry of this two-year period, the underlying fund has not paid in full the redemption proceeds, the intermediate and final redemption amounts shall be determined by the Calculation Agent on the basis of what has actually been paid by the underlying fund. The amount received by the investors in the Notes may be as low as zero.

In case of occurrence of certain extraordinary events affecting an underlying fund, such as but without limitation the insolvency, nationalization or merger of the underlying fund, a resignation or termination or replacement of the administrator, custodian, investment adviser or manager of the fund, a breach by the underlying fund of its investment strategy, the Calculation Agent may decide to terminate soon after the occurrence of such extraordinary event, the exposure of the Notes to the underlying fund and the intermediate amounts and /or the final redemption amounts and (i) pay any intermediate amount due to the investor in the Notes either immediately or at maturity date on the basis of the redemption proceeds paid by the underlying fund in the liquidation of the exposure to such underlying fund and/or (ii) pay the final redemption amount at the maturity date on the basis of the redemption proceeds paid by the underlying fund in the liquidation of the exposure to such underlying fund. If the underlying fund is also subject to liquidity problems as described above, the postponement of the payment of the intermediate amounts and/or final redemption amount up to a maximum period of two years may also apply.

Given recent experience in the hedge fund industry, it is likely that such delay would have an adverse impact on the amount payable to you under the Notes.

If the underlying fund(s) invest(s) through a master-feeder structure, the latter may have an adverse effect on the underlying fund(s) and, therefore, the Notes

The underlying fund(s) may invest through a “master-feeder” structure. As such, the underlying fund(s) will contribute substantially part or all of its assets to the master fund and may do so alongside other investors, including other feeder funds. The relevant master fund may also establish or allow investment by additional investors or feeder funds in the future.

The master-feeder fund structure, in particular the existence of multiple investment vehicles investing in the same portfolio, presents certain unique risks to investors. The underlying fund(s) may be materially affected by the actions of other investors, investment vehicles and feeder funds investing in the master fund, particularly if such investors have large investments in the master fund. For example, if a larger investment vehicle or entity with a large investment in the master fund redeems from the master fund, illiquidity in certain securities or markets could make it difficult for the master fund to liquidate positions on favourable terms to effect such redemption, which could result in losses or a decrease in the net asset value of the master fund. In addition, to satisfy such redemptions, the sub-manager may need to liquidate the master fund’s most liquid investments; leaving remaining investors (including the underlying fund(s)) invested in more illiquid instruments. Such withdrawals may also leave the master fund with a less diversified pool of investments. This may increase the overall portfolio risk of the master fund, and, ultimately, the Notes. Conversely, the sub-manager may refuse a redemption request if it believes that such request, if fulfilled, would have a material adverse impact on the remaining investors of the master fund. This may negatively impact the liquidity of the master fund and, therefore, the underlying fund(s) and the Notes.

Certain business activities may create conflicts of interest with Noteholders

The Issuer and the Guarantor, or one or more of their affiliates, may engage in trading and other business activities relating to the underlying fund(s) or their underlying assets that are not for the Noteholders’ accounts or on behalf of the Noteholders. These activities may present a conflict between a Noteholder’s interest in the Notes and the interests the Issuer and the Guarantor, or one or more of their affiliates, may have in their proprietary account. Such activities may include, among other things, the exercise of voting power, financial advisory relationships, financing transactions, derivative transactions and the exercise of creditor rights, each of

which may be contrary to the interests of the Noteholders. Any of these trading and/or business activities may affect the value of a underlying fund(s) and thus could be adverse to a Noteholder's return on the Notes. The Issuer, the Guarantor and their affiliates may engage in any such activities without regard to the Notes or the effect that such activities may directly or indirectly have on Notes of any series.

In addition, in connection with these activities, the Issuer, the Guarantor and/or their affiliates may receive information about the underlying fund(s) or their underlying assets that will not be disclosed to the Noteholders. The Issuer, the Guarantor and their affiliates have no obligation to disclose such information about the underlying fund(s) or the companies to which they relate.

Additional investments in, or withdrawals of amounts previously invested in, the fund may adversely affect the value of the fund units

In the ordinary course of their business, whether or not they will engage in any secondary market making activities, the Issuer, the Guarantor or one or more of their affiliates may effect transactions for their own account or for the account of their customers and hold long or short positions in the underlying fund(s), underlying assets of the underlying fund(s) and/or related derivatives. In addition, in connection with the offering of any series of Notes and during the term of such series of Notes, each of the Issuer, the Guarantor or one or more of their affiliates in order to hedge its obligations under the Notes, may enter into one or more hedging transaction with respect to the underlying fund(s), underlying assets of the underlying fund(s) and/or related derivatives.

In connection with any of such hedging or any market making activities or with respect to proprietary or other such trading activities, the Issuer, the Guarantor and/or their affiliates may enter into transactions in the underlying fund(s), underlying assets of the underlying fund(s) and/or related derivatives which may affect the market price, liquidity or value of the underlying fund(s) or their underlying assets, and therefore the Notes. The Issuer, the Guarantor and/or any of their affiliates may also issue or underwrite other securities or financial or derivative instruments with returns linked or related to changes in the performance of the underlying fund(s) or their underlying assets. Any of the above situations may result in consequences which may be adverse to a Noteholder's investment. The Issuer and the Guarantor assume no responsibility whatsoever for such consequences and their impact on a Noteholder's investment.

Investors should be aware that, as a result of hedging decisions by the hedging counterparty, transfers into or out of the fund by the hedging counterparty may affect the value of the fund units and, in turn, the Final or Early Redemption Amount of the Notes.

Furthermore, the Issuer may issue additional Tranches of Notes that are fungible with the Notes, or other bonds, notes or instruments that, while not fungible with the Notes, may be linked to an index with a component which has the underlying funds as reference asset. If such Notes are issued, Société Générale is likely to make additional investments in the underlying funds to hedge exposure incurred in connection with such transactions related to such Notes. Any such investment in the underlying funds could adversely affect the performance of the fund units, which could adversely affect the trading value of the Notes and the Final or Early Redemption Amount.

Legal, tax and regulatory changes

Legal, tax and regulatory changes could occur during the term of the Notes that may adversely affect the underlying fund(s). The regulatory environment for hedge funds is evolving, and changes in the regulation of hedge funds may adversely affect the value of investments held by the underlying fund(s). In addition, the securities and futures markets are subject to comprehensive statutes, regulations and margin requirements. Regulators and self-regulatory organizations and exchanges are authorized to take extraordinary actions in the event of market emergencies. The regulation of derivatives transactions and funds that engage in such transactions is an evolving area of law and is subject to modification by government and judicial action. The

effect of any future regulatory change on the underlying fund(s) could be substantial and adverse and consequently adversely effect the value of the Notes.

No ownership rights in any underlying fund(s)

An investment in the Notes does not entitle Noteholders to any ownership interest or rights in any underlying fund(s), such as voting rights or rights to any payments made to owners of the underlying fund(s). Instead, a Note represents a notional investment in the underlying fund(s). The term “notional” is used because although the value of the underlying fund(s) will be used to calculate your payment under the Notes, your investment in the Notes will not be used to purchase interests in the underlying fund(s) on your behalf.

The Issuer, or an affiliate, may purchase interests in the underlying fund(s) in order to hedge its obligations under the Notes but it is under no obligation to do so. Such interests, if any, are the separate property of the Issuer or such affiliate and do not secure or otherwise underlie the Notes. Therefore, in the event of a failure to pay the Final or Early Redemption Amount by the Issuer under the Notes, you will have no beneficial interest in or claim to any such interests in the underlying fund(s). Accordingly, any claims by you pursuant to the terms and conditions of such Notes will be *pari passu* with all other unsecured, unsubordinated, unconditional creditors of the Issuer.

Common risk factors relating to Index Linked Notes

Where payments (whether in respect of principal and/or interest and whether at maturity or otherwise) on Index Linked Notes are calculated by reference to an index or a basket of indices, or a share or a basket of shares, the creditworthiness of any reference entity or reference obligation or a basket of reference entities or reference obligations, a commodity or a basket of commodities (each a **Reference Asset**), the return of the Notes is based on changes in the value of the Reference Asset, which fluctuates. Changes in the value of the Reference Asset cannot be predicted. Although historical data with respect to the Reference Asset is available, the historical performance of the Reference Asset should not be taken as an indication of future performance.

Investors' yield may be lower than the yield on a standard debt security of comparable maturity

Unlike conventional fixed rate or floating rate debt securities, Index Linked Notes whose payments (whether in respect of principal and/or interest and whether at maturity or otherwise) are calculated by reference to an index, may not provide investors with periodic payments of interest. Further, with respect to the Final or Early Redemption Amount, the effective yield to maturity of the Notes may be less than that which would be payable on a conventional fixed rate or floating rate debt security. The return of only the Final or Early Redemption Amount of each Note at maturity may not compensate the holder for any opportunity cost implied by inflation and other factors relating to the value of money over time.

Risk factors relating to Index Linked Notes based on indices

Return does not reflect dividends

Depending upon the calculation methodology of an index, where the performance of an index is taken into account in order to calculate payments due under the Index Linked Notes the payment of income (such as dividends for an index that has stocks as underlyings) may not be reflected as the index may be calculated by reference to the prices of the underlyings comprising the index without taking into consideration the value of any income paid on those underlying assets. Therefore, the yield to maturity of Index Linked Notes referring to an index may not be the same as the yield that would be produced if such underlying assets were purchased and held for a similar period.

Risks relating to an index

Index Linked Notes based on an index are subject to risks broadly similar to those attending any investment in a broadly-based portfolio of assets including, without limitation, the risk that the general level of prices for such assets may decline. The following is a list of some of the significant risks associated with an index:

- historical performance of the index does not indicate the future performance of the index. It is impossible to predict whether the value of the index will fall or rise during the term of the Notes;
- if the index comprises underlying stocks, the trading prices of the stocks underlying the index will be influenced by political, economic, financial, market and other factors. It is impossible to predict what effect these factors will have on the value of any asset related to the index and, in turn, the return on the Notes.

The policies of the sponsor of an index (including a sponsor that is affiliated with Société Générale) concerning additions, deletions and substitutions of the assets underlying the index and the manner in which the index sponsor takes account of certain changes affecting such underlying assets may affect the value of the index. The policies of an index sponsor with respect to the calculation of an index could also affect the value of the index. An index sponsor may discontinue or suspend calculation or dissemination of information relating to its index. Any such actions could affect the value of the Notes. See “Technical Annex” for more details.

In addition, indices may be subject to management fees and other fees as well as charges that are payable to the index sponsor(s) and which can reduce the Final or Early Redemption Amount payable to Noteholders. Such fees may be paid to index sponsors that are affiliates of Société Générale.

Conflicts of interest in connection with indices

The composition of, and the methodologies used in connection with, certain indices to which Notes are linked may be determined and selected by Société Générale or one of its affiliates. In selecting such methodologies, Société Générale or the relevant affiliate of Société Générale, can be expected to have regard to its own objectives and interests and/or those of the Group and there is no guarantee that the methodologies selected will not be less favourable to the interests of investors than methodologies used by other index sponsors in comparable circumstances.

If the hedging activities of Société Générale or one of its affiliates in connection with a particular index are disrupted, Société Générale or the relevant affiliate may decide to terminate calculations in relation to such index sooner than another index sponsor would in comparable circumstances. Such a termination may trigger the early redemption of the Notes.

Risk factors specific to Index Linked Notes based on shares

No beneficial interest in the underlying shares

A holder of the Notes will not be a beneficial owner of the underlying shares and therefore will not be entitled to receive any dividends or similar amounts paid on the underlying shares, nor will a Noteholder be entitled to purchase the underlying shares by virtue of their ownership of the Notes. Moreover, holders of the Notes will not be entitled to any voting rights or other control rights that holders of the underlying shares may have with respect to the issuer of such underlying shares. The Final or Early Redemption Amount will not reflect the payment of any dividends on the underlying shares. Accordingly, the return on the Notes will not reflect the return you would realise if you actually owned the underlying shares and received dividends, if any, paid on those securities. Therefore, the yield to maturity based on the methodology for calculating the Final or Early Redemption Amount will not be the same yield as would be produced if the underlying shares were purchased directly and held for a similar period.

Limited antidilution protection

The Calculation Agent may make adjustments to elements of the Notes as described in the Technical Annex. The Calculation Agent is not required to make an adjustment for every corporate event that may affect the underlying shares. Those events or other actions by the issuer of underlying shares or a third party may nevertheless adversely affect the market price of the underlying shares and, therefore, adversely affect the value of the Notes. The issuer of underlying shares or a third party could make an offering or exchange offer or the issuer of underlying shares could take another action that adversely affects the value of the underlying shares and the Notes but does not result in an adjustment.

Risks arising from conduct of issuers of shares

The issuers of underlying shares are not involved in the offer of the Notes in any way and have no obligation to consider your interest as a holder of the Notes in taking any corporate actions that might affect the value of the Notes. The issuers of underlying shares may take actions that will adversely affect the value of the Notes.

Risk Factors relating to Commodity Linked Notes

Commodity Linked Notes may be redeemed by the Issuer at their par value and/or by the physical delivery of the underlying asset(s) and/or by payment of an amount determined by reference to the value of the underlying asset(s). Accordingly, an investment in Commodity Linked Notes may bear similar market risks to a direct investment in the relevant commodities and investors should take advice accordingly. Interest payable on Commodity Linked Notes may be calculated by reference to the value of one or more underlying asset(s). The value of the underlying asset(s) may vary over time and may increase or decrease by reference to a variety of factors which may include global supply and demand of commodities to which the underlying asset(s) refer, production and selling activities of the respective commodities by producers, central banks and international organisations, demand for end-products based on the respective commodity, net investment demand and industrial demand.

Risk Factors relating to Credit Linked Notes*

In the event of the occurrence of certain circumstances (which may include, amongst other things, Bankruptcy, Failure to Pay, Obligation Acceleration, Obligation Default, Repudiation/Moratorium or Restructuring) in relation to a Reference Entity or Reference Entities, in each case as specified in the applicable Final Terms, the obligation of the Issuer to pay principal may be replaced by (i) an obligation to pay other amounts which are equal to either certain fixed amount(s) as specified in the applicable Final Terms or amounts calculated by reference to the value of the underlying asset(s) (which may, in each case, be less than the par value of the Notes at the relevant time) and/or (ii) an obligation to deliver the underlying asset(s). In addition, interest-bearing Credit Linked Notes may cease to bear interest on or prior to the date of occurrence of such circumstances.

Accordingly, Noteholders may be exposed to fluctuations in the creditworthiness of the Reference Entities to the full extent of their investment in the Credit Linked Notes.

Under the terms of the Notes, where Société Générale acts as Calculation Agent, it may, for the purposes of determining the Cash Settlement Amount or Physical Delivery Amount, select obligations with the lowest price of any obligations which meet the relevant criteria. In making such selection, the Calculation Agent will not be liable to account to the Noteholders, or any other person for any profit or other benefit to it or any of its affiliates which may result directly or indirectly from such selection.

* Capitalised terms used in this section, but not otherwise defined in this Debt Issuance Programme Prospectus, shall have the meanings given to them in the Credit Technical Annex.

The Cash Settlement Amount may be equal to zero if it is not possible to obtain quotations from Quotation Dealers for the selected obligations.

Settlement

Under the Notes, the Final Value of a Selected Obligation is one of the factors in the determination of the redemption amount of the Notes at their Maturity Date. The Notes provide that the Calculation Agent may choose to determine the Final Value in respect of a Selected Obligation either by obtaining quotations from specified leading dealers or by reference to a Settlement Protocol (all as defined in the Credit Technical Annex). In this regard, investors should note that: (i) the Final Value as determined by reference to a Settlement Protocol may differ from the Final Value determined otherwise and a lower Final Value will typically reduce the amount payable to Noteholders upon redemption of the Notes; and (ii) the Calculation Agent may have a conflict of interest to the extent that it participates in the Settlement Protocol and potentially influences the pricing mechanism thereunder.

C. Market and Other Risks

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

In addition, Noteholders should be aware of the prevailing and widely reported global credit market conditions (which continue at the date of this Debt Issuance Programme Prospectus), whereby there is a general lack of liquidity in the secondary market for instruments similar to certain of the Notes which may be issued hereunder. Such lack of liquidity may result in investors suffering losses on the Notes in secondary resales even if there is no decline in the performance of the Notes, any underlying or reference, or the assets of the Issuer and/or the Guarantor. The Issuer cannot predict whether these circumstances will change and whether, if and when they do change, there will be a more liquid market for the Notes and instruments similar to the Notes at that time.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Any decline in the credit ratings of each Issuer or the Guarantor may affect the market value of the Notes

The credit ratings of the Issuers and the Guarantor are an assessment of its ability to pay its obligations, including those on the offered Notes. Consequently, actual or anticipated declines in the credit ratings of either the Issuers and/or the Guarantor may affect the market value of the relevant Notes.

Investment Company Act

Neither Société Générale Acceptance N.V. nor SG Option Europe has registered with the United States Securities and Exchange Commission (the **SEC**) as an investment company pursuant to the Investment Company Act. Investors in the Notes will not have the protections of the Investment Company Act.

If the SEC or a court of competent jurisdiction were to find that the relevant Issuer is required, but in violation of the Investment Company Act, has failed, to register as an investment company, possible consequences include, but are not limited to, the following: (i) the SEC could apply to a district court to enjoin the violation; (ii) investors in the Issuer could sue the Issuer and recover any damages caused by the violation; and (iii) any contract to which the Issuer is party that is made in, or whose performance involves, a violation of the Investment Company Act would be unenforceable by any party to the contract unless a court were to find that under the circumstances enforcement would produce a more equitable result than non-enforcement and would not be inconsistent with the purposes of the Investment Company Act. Should the relevant Issuer be subjected to any or all of the foregoing, such Issuer would be materially and adversely affected.

FORM OF THE NOTES

Definitions

The following terms shall have the following meanings when used in this section Form of the Notes:

Bearer Notes means English Law Notes in bearer form.

Dematerialised Notes means French Law Notes which are in dematerialised form.

English Law Notes means Bearer Notes, Registered Notes, SIS Notes and EUI Notes which are governed by English Law.

French Law Notes means Notes which are governed by French law.

Materialised Notes means French Law Notes in materialised form.

Registered Notes means English Law Notes which are in certificated registered form.

Uncertificated Notes means Notes which are in uncertificated and dematerialised book-entry form and shall include Uncertificated Nordic Notes, Uncertificated SIS Notes and EUI Notes (each such term as defined below).

English Law Notes (other than SIS Notes and EUI Notes)

Each Tranche of English Law Notes will be either Bearer Notes (with or without interest coupons attached) issued outside the United States in reliance on the exemption from registration provided by Regulation S or Registered Notes (without interest coupons attached) issued outside the United States in reliance on the exemption from registration provided by Regulation S and/or within the United States in reliance on Rule 144A under the Securities Act.

Bearer Notes

Each Tranche of Bearer Notes (except for SIS Notes, as defined below) will be initially issued in the form of a temporary global Note or, if so specified in the applicable Final Terms, a permanent global Note which, in either case, will:

- (i) if the global Notes are intended to be issued in new global note (NGN) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**); and
- (ii) if the global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depository (the **Common Depository**) for, Euroclear and Clearstream, Luxembourg.

Bearer Global Notes (as defined under “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”) (except for SIS Notes) will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg as the case may be.

The Bearer Notes of each Tranche offered and sold in reliance on Regulation S may not be offered or sold in the United States or to, or for the benefit or account of, a U.S. Person, and such Bearer Notes will bear a legend regarding such restrictions on transfer. Any future transfer, resale, pledge or delivery of such Bearer

Notes or any interest therein may only be made in compliance with the resale provisions set forth in Regulation S of the Securities Act.

In the event that a Bearer Global Note, other than an SIS Note, held on behalf of Euroclear and/or Clearstream, Luxembourg (or any part thereof) has become due and repayable in accordance with the Conditions or that the Maturity Date has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the Conditions, then the global Note will become void. At the same time, accountholders with Euroclear and/or Clearstream, Luxembourg having such Notes (other than Definitive Bearer Notes, as defined under “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”) credited to their accounts will become entitled to proceed directly against the Issuer, on the basis of statements of account provided by Euroclear and/or Clearstream, Luxembourg, under the terms of a deed of covenant (the **Deed of Covenant**) dated 27 April 2010 and executed by each Issuer.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a Regulation S Global Note or a Non-U.S. Registered Global Note (in each case, as defined in Condition 2(h) (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”). Beneficial interests in a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. Person save as otherwise provided in Condition 2 (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”) and prior to the expiry of the Distribution Compliance Period (as defined in the Agency Agreement) may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

Non-U.S. Registered Notes, or any interest therein, may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. Non-U.S. Registered Global Notes may not be legally or beneficially owned at any time by any U.S. Person and accordingly are being offered and sold outside the United States to persons that are not U.S. persons in reliance on Regulation S, interests therein may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Non-U.S. Registered Notes will bear a legend regarding such restrictions on transfer.

The Registered Notes of each Tranche offered and sold in the United States or to U.S. Persons in private transactions to QIBs that are also QPs will initially be represented by a Rule 144A Global Note (each as defined in Condition 2(h) (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”). Any Rule 144A Global Note will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

The Registered Notes of each Tranche eligible for sale in the United States to QIBs pursuant to Rule 144A and to non-U.S. persons outside the United States in reliance on Regulation S may initially be represented by a Combined Global Note (as defined in Condition 2(h) (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”). Any Combined Global Note will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Registered Global Notes (being Rule 144A Global Notes, Regulation S Global Notes, Combined Global Notes or Non-U.S. Registered Global Notes) will either (i) be deposited with a custodian for, and registered in the name of a nominee of, DTC (in the case of Rule 144A Global Notes and Regulation S Global Notes only) or (ii) be deposited with a Common Depositary [or common safekeeper, as the case may be] for Euroclear and Clearstream, Luxembourg, [or in the name of a nominee of the common safekeeper] as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of Definitive

Registered Notes (as defined under “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”).

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 6(d) (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”)) as the registered holder of the Registered Global Notes. None of the Issuer, the Guarantor, or any Agent will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of Definitive Registered Notes will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 6(d) (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”)) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Note. No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent applicable.

EUI Notes

EUI Notes will be held in registered uncertificated form in accordance with the Uncertificated Securities Regulations 2001, including any modification or re-enactment thereof for the time being in force (the **Regulations**) and as such are dematerialised and not constituted by any physical document of title. The EUI Notes are participating securities for the purposes of the Regulations. Title to the EUI Notes is recorded on the relevant Operator register of corporate securities. The EUI Agent on behalf of the Issuer shall, in relation to the EUI Notes, maintain a record of uncertificated corporate securities in accordance with the records of Euroclear UK & Ireland Limited (**EUI** or **CREST**) (formerly known as CRESTCo Limited) (the **Record**) and shall procure that the Record is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator. Subject to this requirement, (i) each person who is for the time being shown in the Record as the holder of a particular number of EUI Notes shall be treated by the Issuer and the EUI Agent as the holder of such number of EUI Notes for all purposes (and the expression **EUI Holder** and related expressions shall be construed accordingly), and (ii) neither the Issuer, the Guarantor nor the EUI Agent shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Record which the EUI Agent maintains are in accordance with particulars entered in the Operator register of corporate securities relating to the EUI Notes. For the avoidance of doubt, in the event of any differences in information contained in the Record and the register of notes in registered form kept at the Issuer's registered office, the register kept at the Issuer's registered office shall prevail for Luxembourg law purposes.

No provision of the Conditions of any EUI Notes shall apply or have effect to the extent that it is in any respect inconsistent with (i) the holding of title to EUI Notes (ii) the transfer of title to EUI Notes by means of a relevant system or (iii) the Regulations. Without prejudice to the generality of the preceding sentence and notwithstanding anything contained in the Conditions of any EUI Notes, so long as the EUI Notes are participating securities, (a) any EUI Notes which are not for the time being in all respects identical to, or do not for the time being have rights attached thereto identical in all respects to those attached to, other EUI Notes of the same Series shall be deemed to constitute a separate Series of EUI Notes, (b) the Operator register of corporate securities relating to the EUI Notes shall be maintained at all times in the United Kingdom, (c) the EUI Notes may be issued in uncertificated form in accordance with and subject as provided in the Regulations; and (d) for the avoidance of doubt, the Conditions of any EUI Notes shall remain applicable notwithstanding that they are not endorsed on any certificate for such EUI Notes.

As used herein each of “Operator register of corporate securities”, “participating securities”, “record of uncertificated corporate securities” and “relevant system” is as defined in the Regulations and the relevant “Operator” (as such term is used in the Regulations) is EUI (formerly CRESTCo. Limited) or any additional or alternative operator from time to time approved by the Issuer, the Guarantor and the EUI Agent in relation to the EUI Notes and in accordance with the Regulations. Any reference herein to the Operator shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator from time to time and notified to the EUI Holders.

Any indication herein that the Operator “shall” do, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in these Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the Guarantor, the EUI Agent or the Calculation Agent, of responsibility or liability for the performance of the Operator.

In respect of dematerialised CDIs (as defined in the Summary to this Prospectus), investors will hold CDIs constituted and issued by CREST Depository Limited and representing indirect interests in the Notes. The CDIs will be issued and settled through CREST.

Neither the Notes nor any rights thereto will be issued, held, transferred or settled within the CREST system otherwise than through the issue, holding, transfer and settlement of CDIs.

Holders of CDIs will not be entitled to deal directly in Notes and accordingly all dealings in the Notes will be effected through CREST in relation to holding of CDIs.

All references in this Prospectus to “EUI Notes” shall, where the context admits, include CDIs.

EUI Notes will be governed by English law.

Uncertificated Nordic Notes

The Issuer may issue Uncertificated Notes which will be issued, cleared and settled through a central securities depository and clearing institution, being either Euroclear Sweden or Euroclear Finland (each such term as defined below) or any other central securities depository and clearing institution as specified in the applicable Final Terms (such Notes the **Uncertificated Nordic Notes**). Uncertificated Nordic Notes held through Euroclear Sweden shall be known as **Uncertificated Swedish Notes** and Uncertificated Nordic Notes held through Euroclear Finland shall be known as **Uncertificated Finnish Notes**. The holder of an Uncertificated Nordic Note will be the person appearing in the register of the relevant securities depository and clearing institution in accordance with the legislation, rules and regulations applicable to, and/or issued by, the relevant central securities depository and clearing institution, being initially Euroclear Sweden AB (**Euroclear Sweden**) and Euroclear Finland Ltd (**Euroclear Finland**). Uncertificated Nordic Notes will be transferable, and payments of principal and interest (if any) thereon will be made, in accordance with such legislation, rules and regulations as further described in “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”. Uncertificated Nordic Notes which are designated in the Final Terms to be Permanently Restricted Notes, or any interest therein, may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. Person and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. Person will not be recognised. Uncertificated Nordic Notes which are designated in the Final Terms to be Permanently Restricted Notes may not be legally or beneficially owned at any time by any U.S. Person and accordingly are being offered and sold outside the United States to persons that are not U.S. Persons in reliance on Regulation S.

Uncertificated Swedish Notes will be governed by Swedish law and Uncertificated Finnish Notes will be governed by Finnish law or, in the case of any other Uncertificated Notes, such other law as specified in the applicable Final Terms.

SIS Notes

Each Tranche of **SIS Notes** will be either (i) Notes in bearer form (**Bearer SIS Notes**) or (ii) Uncertificated Notes (**Uncertificated SIS Notes**), in each case, which are, or are intended to be, deposited or registered with and cleared through the Swiss securities services corporation, SIS SIX Ltd (**SIS**) or any other clearing institution recognised by the SIX Swiss Exchange Ltd (the **SIX Swiss Exchange**). The applicable Final Terms will indicate whether SIS Notes are CHF SIS Notes or Other SIS Notes or Uncertificated SIS Notes (each as defined below).

Bearer SIS Notes

Each Tranche of Bearer SIS Notes will be represented by a permanent global Note which will be deposited by the Principal Swiss Paying Agent with SIS or any other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange (SIS or any other such intermediary, the **Intermediary**) on or prior to the original issue date of the Tranche. Once the permanent global Note has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Bearer SIS Notes represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (**Intermediated Securities**).

Each holder of Bearer SIS Notes shall have a quotal co-ownership interest (*Miteigentumsanteil*) in the permanent global Note representing such Bearer SIS Notes to the extent of his claim against the Issuer, provided that, for so long as the permanent global Note remains deposited with the Intermediary, the co-ownership interest shall be suspended and such Bearer SIS Notes may only be transferred by the entry of the transferred Bearer SIS Notes in a securities account of the transferee. The records of the Intermediary will determine the number of Bearer SIS Notes held through each participant of the Intermediary. In respect of Bearer SIS Notes held in the form of Intermediated Securities, the holders of such Bearer SIS Notes will be the persons holding such Bearer SIS Notes in a securities account (*Effektenkonto*) that is in their name, or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Bearer SIS Notes for their own account in a securities account (*Effektenkonto*) that is in their name (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

Bearer SIS Notes denominated in Swiss Francs benefit from a limited exception to the certification requirement of the TEFRA D Rules, if such Bearer SIS Notes fulfil the relevant requirements set out below. Bearer SIS Notes denominated in Swiss Francs which fulfil these requirements are hereinafter referred to as **CHF SIS Notes**. Bearer SIS Notes denominated in Swiss Francs that do not fulfil these requirements and Bearer SIS Notes denominated in a currency approved by SIS other than Swiss Francs are hereinafter referred to as **Other SIS Notes**.

Special procedures must be followed for CHF SIS Notes in order for such Notes to be exempt from Certification (as defined below). Each of the relevant Dealers must have represented and agreed in the Programme Agreement that (a) it will comply with U.S. selling restrictions in so far as they apply to CHF SIS Notes and (b) the offering and sale of the CHF SIS Notes has been and will be conducted in accordance with Swiss laws and regulations. The following criteria must be fulfilled in order for the limited exception to the certification requirement of the TEFRA D Rules to apply:

- (1) the interest on, and the principal of, the CHF SIS Notes are denominated only in Swiss Francs;
- (2) the interest on, and the principal of, the CHF SIS Notes are payable only in Switzerland;
- (3) the CHF SIS Notes are offered and sold in accordance with Swiss customary practice and documentation;

- (7) more than 80 per cent. by value of the CHF SIS Notes included in the offering of which they are part are offered and sold to non-Dealers by Dealers maintaining an office located in Switzerland.

No holder of Bearer SIS Notes will at any time have the right to effect or demand the conversion of the permanent global Note representing such Bearer SIS Notes into, or the delivery of, Bearer SIS Notes in definitive form (**Definitive Bearer SIS Notes**) or uncertificated form.

No physical delivery of the Bearer SIS Notes shall be made unless and until Definitive Bearer SIS Notes have been printed. The relevant permanent global Note will only be exchangeable, in whole, but not in part, for Definitive Bearer SIS Notes and Definitive Bearer SIS Notes may only be printed upon the occurrence of an Exchange Event (as defined below in the section "Exchange upon the occurrence of an Exchange Event"). Upon the occurrence of an Exchange Event, the Principal Swiss Paying Agent or the relevant lead manager, as the case may be, shall provide for the printing of Definitive Bearer SIS Notes without cost to the holders of the relevant Bearer SIS Notes. If Definitive Bearer SIS Notes are delivered, the relevant Bearer SIS Notes will immediately be cancelled by the Principal Swiss Paying Agent or the relevant lead manager, as the case may be, and the Definitive Bearer SIS notes shall be delivered to the relevant holders against cancellation of the relevant Bearer SIS Notes in such holders' securities accounts.

Bearer SIS Notes will be governed by English law.

Uncertificated SIS Notes

Each Tranche of Uncertificated SIS Notes will be entered into the main register (*Hauptregister*) of the Intermediary on or prior to their issue date. Once the Uncertificated SIS Notes are registered in the main register (*Hauptregister*) of the Intermediary, the Uncertificated SIS Notes will constitute Intermediated Securities.

So long as the Uncertificated SIS Notes constitute Intermediated Securities, they may only be transferred by the entry of the transferred Uncertificated SIS Notes in a securities account of the transferee.

The records of the Intermediary will determine the number of Uncertificated SIS Notes held through each participant in the Intermediary. In respect of Uncertificated SIS Notes held in the form of Intermediated Securities, the holders of such Uncertificated SIS Notes will be the persons holding such Uncertificated SIS Notes in a securities account (*Effektenkonto*) that is in their name, or, in case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Uncertificated SIS Notes for their own account in a securities account (*Effektenkonto*) that is in their name (and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly). No holder of Uncertificated SIS Notes will at any time have the right to effect or demand the conversion of such Uncertificated SIS Notes into, or the delivery of, a permanent global Note or definitive Notes.

Uncertificated SIS Notes will be governed by English law.

Uncertificated Notes which are not designated as Permanently Restricted Notes

Uncertificated Notes which are not designated as Permanently Restricted Notes, or any interest therein, may not be offered or sold in the United States or to, or for the account or benefit of, U.S. Persons except pursuant to an exemption from the registration requirements of the Securities Act in a transaction that will not

cause the Issuer or the Guarantor, as the case may be, to become required to register under Investment Company Act.

French Law Notes

Each Tranche of French Law Notes will be either Materialised Notes or Dematerialised Notes, as specified in the applicable Final Terms.

French Law Notes which are designated in the Final Terms as Permanently Restricted Notes, or any interest therein, may not be offered or sold in the United States or to, or for the account or benefit of, a U.S. Person. Any future transfer, resale, pledge or delivery of such French Law Notes, or any interest therein, may only be made in compliance with the resale provisions set forth in Regulation S of the Securities Act.

French Law Notes which are not designated as Permanently Restricted Notes, or any interest therein, may not be offered or sold in the United States or to, or for the account or benefit of, U.S. Persons except pursuant to an exemption from the registration requirements of the Securities Act in a transaction that will not cause the Issuer or the Guarantor, as the case may be, to become required to register under Investment Company Act.

Dematerialised Notes

Title to Dematerialised Notes will be evidenced in accordance with article L.211-4 of the *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to article R.211-7 of the *Code monétaire et financier*) will be issued in respect of Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (*au porteur*) inscribed as of the Issue Date of the relevant Tranche of Dematerialised Notes in the books of Euroclear France (a subsidiary of Euroclear Bank S.A./N.V. (**Euroclear France**)) which shall credit the accounts of Euroclear France Account Holders (as defined in “*Terms and Conditions of the French Law Notes*”) including Euroclear and the depositary bank for Clearstream, Luxembourg or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in “*Terms and Conditions of the French Law Notes – Form, Denomination(s) and Title*”), in either fully registered form (*nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (*nominatif administré*) in which case they will be inscribed in the accounts of the Euroclear France Account Holders designated by the relevant Noteholders.

One Paris business day before the Issue Date of each Tranche of Dematerialised Notes, the *Lettre Comptable* relating to such Tranche shall be deposited with Euroclear France as central depositary.

Materialised Notes

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a **Temporary Global Certificate**) will initially be issued in connection with Materialised Notes.

Upon the initial deposit of such Temporary Global Certificate with the Common Depositary, Euroclear or Clearstream, Luxembourg (or, if a subscriber holds an account with a clearing system other than Euroclear or Clearstream, Luxembourg which holds an account directly or indirectly in Euroclear or Clearstream, Luxembourg, such other clearing system) will credit the account of each subscriber of such Notes with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Certification as to non-U.S. beneficial ownership

English Law Bearer Notes

Whilst any Bearer Note (except any Bearer SIS Notes, which are represented by permanent global Notes as described above) is represented by a temporary global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the temporary global Note if the temporary global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Note are not United States persons or persons who have purchased for resale to any United States person (hereinafter **Certification**), as required by U.S. Treasury regulations, (i) has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the Certifications it has received) to the Fiscal Agent or, (ii) in the case of a temporary global Note or Temporary Global Certificate held otherwise than on behalf of Euroclear and/or Clearstream, Luxembourg, from the holder thereof.

On and after the Exchange Date (as defined below), interests in the temporary global Note will be exchangeable (free of charge) upon a request as described therein either for, as applicable, (i) interests in a permanent global Note or (ii) Definitive Bearer Notes of the same Series with, where applicable, Receipts, Coupons and Talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the permanent global Note), in accordance with the terms of the temporary global Note against Certification as to beneficial ownership as described above and as required by U.S. Treasury regulations unless such Certification has already been given pursuant to the provisions set forth above; provided, however, that if the relevant global Note is issued in respect of a Tranche of Bearer Notes described as Partly Paid Notes in the applicable Final Terms, such global Note may be exchanged for Definitive Bearer Notes and (if applicable) Coupons, Receipts and/or Talons as described above only if the final part payment on all such Partly Paid Notes then outstanding has been paid. Exchange of a temporary global Note for interests in a permanent global Note will only be made if Definitive Bearer Notes have not already been issued. If Definitive Bearer Notes have already been issued, the temporary global Note may only thereafter be exchanged for Definitive Bearer Notes pursuant to the terms thereof. The holder of a temporary global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due Certification, exchange of the temporary global Note for an interest in a permanent global Note or, in the case of Bearer Notes, for Definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a permanent global Note will be made through Euroclear and/or Clearstream, Luxembourg, as applicable, to or to the order of the holder thereof (against presentation or surrender (as the case may be) of the permanent global Note if the permanent global Note is not intended to be issued in NGN form) without any requirement for Certification.

French Law Materialised Notes

French Law Notes represented by a Temporary Global Certificate will be exchangeable in whole, but not in part, free of charge to the holder, on or after the Exchange Date (as defined above) for materialised bearer Notes in definitive form (any such Notes, **Definitive Materialised Bearer Notes**), with, where applicable, Receipts, Coupons and Talons attached:

- (i) if the applicable Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable; and
- (ii) otherwise, upon certification as to non-U.S. beneficial ownership in the form set out in the French Law Agency Agreement (as defined under “*Terms and Conditions of the French Law Notes*” below) for Definitive Materialised Bearer Notes.

On or after the Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to or to the order of the Fiscal Agent (as defined in the French Law Agency Agreement). In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, duly executed and authenticated Definitive Materialised Bearer Notes. Definitive Materialised Bearer Notes will be security printed at the expense of the Issuer in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the French Law Agency Agreement.

For the purposes of this section (“*Certification as to non-U.S. beneficial ownership*”), the **Exchange Date** shall be the day immediately following the later of (i) 40 days after the temporary global Note or, as the case may be, Temporary Global Certificate is issued and (ii) 40 days after the completion of the distribution of the relevant Tranche, as certified by the relevant Dealer (in the case of a non-syndicated issue) or the relevant lead manager (in the case of a syndicated issue).

Deed of Covenant

If any Bearer Global Note has become due and repayable in accordance with its Terms and Conditions or if the Maturity Date of such Note has occurred and payment in full of the amount due has not been made in accordance with the provisions of the Bearer Global Note, then the Bearer Global Note will become void at 8.00 p.m. (London time) on such day. At the same time, holders of interests in such global Note credited to their accounts with Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear and/or Clearstream, Luxembourg on and subject to the terms of the Deed of Covenant.

Exchange upon the occurrence of an Exchange Event

The applicable Final Terms with respect to any English Law Notes issued in global form other than SIS Notes will specify that the relevant permanent global Note or Registered Global Note (as applicable) will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, Receipts, Coupons and Talons attached, or, as the case may be, Definitive Registered Notes, upon not less than 60 days' written notice to the Fiscal Agent from or on behalf of, as the case may be, Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in the permanent global Note or Registered Global Note as described therein (unless otherwise specified in the applicable Final Terms) or, in the case of a permanent global Note, if such Note is held otherwise than on behalf of Euroclear or Clearstream, Luxembourg, the bearer thereof, in the event of the occurrence of any of the circumstances described in (i), (ii), (iii), (iv) or (v) below (each, an **Exchange Event**) or by the Issuer in the event of the occurrence of the circumstances described in (iv) below: (i), if applicable, an Event of Default (as defined in Condition 10 of the Terms and Conditions of the English Law Notes and the Uncertificated Notes) has occurred and is continuing; (ii) in the case of Registered Notes registered in the name of a nominee for The Depository Trust Company (**DTC**), either DTC has notified the Issuer that it is unwilling or unable to continue to act as depository for the Notes and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act; (iii) in the case of a permanent global Note or a Registered Global Note registered in the name of a common depository for Euroclear and/or Clearstream, Luxembourg, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announce an intention permanently to cease business or have in fact done so and no successor clearing system is available; (iv) on the occasion of the next payment in respect of any Bearer Notes, the Issuer would be required to pay additional amounts as referred to in Condition 8 and such payment would not be required were the Notes in definitive form; provided, however, that if the relevant global Note is issued in respect of a Tranche of Bearer Notes described as Partly Paid Notes in the applicable Final Terms, such global Note may be exchanged for definitive Notes and (if applicable) Coupons, Receipts and/or Talons as described above only if the final part payment on all such Partly Paid Notes then outstanding has been paid; or (v) in the case of Registered Notes, the Issuer has or will become subject to adverse tax consequences which would not be suffered were such Registered Notes represented by a Registered Definitive Note. The Issuer will promptly give notice to Noteholders in accordance with

Condition 15 (see “*Terms and Conditions of the English Law Notes and the Uncertificated Notes*”) if an Exchange Event occurs. FORM OF FINAL TERMS WITH SHARIA PRINCIPLES (LESS THAN €50,000 (OR ITS EQUIVALENT IN ANOTHER CURRENCY))

The Certificates offered hereby are being issued pursuant to the Debt Issuance Programme Prospectus provided that (i) all current references to “Notes” in the relevant sections of the Debt Issuance Programme Prospectus and in these Final Terms shall be deemed to be instead to “Certificates”; (ii) all current references to “Noteholders” in the relevant sections of the Debt Issuance Programme Prospectus and in these Final Terms shall be instead to “Certificateholders”.

Set out below is the form of Final Terms for Certificates compliant with Sharia principles (the “**Sharia Compliant Certificates**”) which will be completed for each Tranche of Certificates issued under the Programme with a denomination of less than €50,000(or its equivalent in another currency).

This form would introduce new expressions for Sharia Compliance purposes (“**Sharia Compliant Expressions**”) and should be read in conjunction with the Correspondance Table set out in the 10th Supplement to the Programme. The provisions applicable to Sharia Compliant Expressions shall be the same as the provisions applicable to the equivalent expressions as can be read in the Correspondance Table.

APPLICABLE FINAL TERMS

Investors should have sufficient knowledge and experience of financial and business matters to evaluate the merits and risks of investing in a particular issue of Euro Medium Term Notes as well as access to, and knowledge of, appropriate analytical tools to assess such merits and risks in the context of their financial situation. Certain issues of Euro Medium Term Notes are not an appropriate investment for investors who are unsophisticated with respect to the applicable interest rate indices, currencies, other indices or formulas, or redemption or other rights or options. Investors should also have sufficient financial resources to bear the risks of an investment in Euro Medium Term Notes. For a more detailed description of the risks associated with any investment in the Certificates, investors should read the section of the Debt Issuance Programme Prospectus headed “*Risk Factors*”.

In Sharia Compliant Certificates, any reference to Interest (interest rates calculation, conventions, payment, etc.) is for benchmarking purpose only in order to allow harmonisation with existing and standard market practises. All the proceeds of the Sharia Compliant Certificates are invested in a Sharia compliant way, as certified by the relevant Sharia Expert, which amongst others do not bear interest.

The Sharia Compliant Certificates and the Guarantee have not been approved or disapproved by the U.S. Securities and Exchange Commission (the **SEC**), any State securities commission in the United States or any other U.S. regulatory authority, nor have any of the foregoing Authorities passed upon or endorsed the merits of the offering of the Notes or the accuracy or adequacy of this Debt Issuance Programme Prospectus. Any representation to the contrary is a criminal offence in the United States.

SIS Notes may be denominated in Swiss Francs or other currencies approved by SIS. The applicable Final Terms will indicate whether SIS Notes are CHF SIS Notes, Other SIS Notes (each as defined below) or Uncertificated SIS Notes.

Bearer SIS Notes are represented by a permanent global Note without interest coupons that will be deposited by the Principal Swiss Paying Agent with SIS or any other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange (SIS or any such intermediary, the **Intermediary**) on or prior to the original issue date of the Tranche. Once the permanent global Note representing the Bearer SIS Notes has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, such Bearer SIS Notes will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (**Intermediated Securities**). Bearer SIS Notes denominated in Swiss Francs benefit from a limited exception to the certification in bearer form requirement of the TEFRA D Rules, if such Bearer SIS Notes fulfil the relevant requirements set out below. Bearer SIS Notes denominated in Swiss Francs which fulfil these requirements are hereinafter referred to as **CHF SIS Notes**. Bearer SIS Notes denominated in Swiss Francs that do not fulfil these requirements and Bearer SIS Notes denominated in a currency approved by SIS other than Swiss Francs are hereinafter referred to as **Other SIS Notes**.

The following criteria must be fulfilled in order for the limited exception to the certification requirement of the TEFRA D Rules to apply:

- (a) interest on, and the principal of, the CHF SIS Notes are denominated only in Swiss Francs;
- (b) interest on, and the principal of, the CHF SIS Notes are payable only in Switzerland;
- (c) the CHF SIS Notes are offered and sold in accordance with Swiss customary practice and documentation;
- (d) the relevant Dealers agree to use reasonable efforts to sell the CHF SIS Notes within Switzerland;

- (e) the CHF SIS Notes are not listed, or subject to an application for listing, on an exchange located outside Switzerland;
- (f) the issuance of the CHF SIS Notes is subject to guidelines or restrictions imposed by Swiss governmental, banking or securities authorities; and
- (g) more than 80 per cent. by value of the CHF SIS Notes included in the offering of which they are part are offered and sold to non-Dealers by Dealers maintaining an office located in Switzerland.

Uncertificated SIS Notes will be entered into the main register (*Hauptregister*) of the Intermediary on or prior to their issue date. Once the Uncertificated SIS Notes are registered in the main register (*Hauptregister*) of the Intermediary, such Uncertificated SIS Notes will constitute Intermediated Securities.

Notes issued by Société Générale are also either Subordinated Notes or Unsubordinated Notes as indicated in the applicable Final Terms. All Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe will be described as “Unsubordinated” in the Final Terms applicable to such Notes.

Any reference herein to **Physical Delivery Notes** shall mean any Series of Notes specified as such in the applicable Final Terms, which Notes are linked to the Underlying Asset(s) described in the applicable Final Terms.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

In the case of SIS Notes, no printing of definitive Notes, Receipts or Coupons will occur (except as provided herein with respect to Bearer SIS Notes only). No Holder of Bearer SIS Notes shall at any time have the right to effect or demand the conversion of the permanent global Note representing such Bearer SIS Notes into, or the delivery of, Bearer SIS Notes in definitive form (**Definitive Bearer SIS Notes**) or uncertificated form. If (i) the relevant lead manager (in the case of any Bearer SIS Notes that are listed on the SIX Swiss Exchange) or the Principal Swiss Paying Agent (in the case of any Bearer SIS Notes not listed as aforesaid) deems the printing of definitive Notes, Receipts or Coupons to be necessary or useful, or (ii) the presentation of definitive Notes, Receipts or Coupons is required by Swiss or foreign laws in connection with the enforcement of rights (including in cases of bankruptcy, consolidation or reorganisation of the Issuer) (each such circumstance, in respect of Bearer SIS Notes, an **Exchange Event**), the relevant lead manager (in the case of any Bearer SIS Notes which are listed on the SIX Swiss Exchange) or the Principal Swiss Paying Agent (in the case of any Bearer SIS Notes not listed as aforesaid) will undertake to provide for the printing of such definitive Notes, Receipts and Coupons at the expense of the Issuer and without cost to the relevant Noteholders. The Issuer irrevocably authorises the relevant lead manager (in the case of any Bearer SIS Notes that are listed on the SIX Swiss Exchange) or the Principal Swiss Paying Agent (in the case of any Bearer SIS Notes that are not listed as aforesaid) to provide for such printing on its behalf. If Definitive Bearer SIS Notes are delivered, the relevant Bearer SIS Notes will immediately be cancelled by the Principal Swiss Paying Agent or the relevant lead manager, as the case may be, and the Definitive Bearer SIS Notes shall be delivered to the relevant holders against cancellation of the relevant Bearer SIS Notes in such holders' securities accounts.

Subject as set out below, title to Bearer Notes, Receipts and Coupons will pass by delivery. Subject as set out below, the Issuer, the Guarantor and any Paying Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft

thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Bearer Notes (other than SIS Notes) or the Registered Notes is represented by a global Note held on behalf of, or in the case of Registered Notes, by a common depository on behalf of, Euroclear Bank S.A./N.V. (**Euroclear**) and/or Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor and any Paying Agent as the holder of such nominal amount of the Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant global Note or, as applicable, the registered holder of the relevant Registered Global Note shall be treated by the Issuer, the Guarantor and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant global Note (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly). In the case of Bearer SIS Notes, each holder thereof shall have a quotal co-ownership interest (*Miteigentumsanteil*) in the permanent global Note representing such Bearer SIS Notes to the extent of his claim against the Issuer, provided that, for so long as the permanent global Note remains deposited with the Intermediary, the co-ownership interest shall be suspended and the Bearer SIS Notes may only be transferred by the entry of the transferred Bearer SIS Notes in a securities account of the transferee. The records of the Intermediary will determine the number of Bearer SIS Notes held through each participant of the Intermediary. In respect of Bearer SIS Notes held in the form of Intermediated Securities (*Bucheffekten*), the holders of such Bearer SIS Notes will be the persons holding such Bearer SIS Notes in a securities account (*Effektenkonto*) that is in their name, or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Bearer SIS Notes for their own account in a securities account (*Effektenkonto*) that is in their name (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

For so long as The Depository Trust Company (**DTC**) or its nominee is the registered owner or holder of a Rule 144A Global Note or a Regulation S Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Rule 144A Global Note or Regulation S Global Note for all purposes under the Agency Agreement and the Notes except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

Notes which are represented by a global Note held on behalf of Euroclear, Clearstream, Luxembourg or DTC will be transferable only in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg or DTC, as the case may be. References to DTC, Euroclear and/or Clearstream, Luxembourg and/or SIS shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

The Notes may also be held in registered uncertificated form (such Notes the EUI Notes) in accordance with the Uncertificated Securities Regulations 2001, including any modification or re-enactment thereof for the time being in force (the Regulations). The EUI Notes are participating securities for the purposes of the Regulations. Title to the EUI Notes is recorded on the relevant Operator register of corporate securities. The EUI Agent on behalf of the Issuer shall, in relation to the EUI Notes, maintain a record of uncertificated corporate securities in accordance with the records of Euroclear UK & Ireland Limited (EUI) (formerly known as CRESTCo Limited) (the Record) and shall procure that the Record is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator. Subject to this requirement, (i) each person who is for the time being shown in the Record as the holder of a particular number of EUI Notes shall be treated by the Issuer and the EUI Agent as the holder of

such number of EUI Notes for all purposes (and the expression EUI Holder and related expressions shall be construed accordingly), and (ii) neither the Issuer, the Guarantor nor the EUI Agent shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Record which the EUI Agent maintains are in accordance with particulars entered in the Operator register of corporate securities relating to the EUI Notes. For the avoidance of doubt, in the event of any differences in information contained in the Record and the register of notes in registered form kept at the Issuer's registered office, the register kept at the Issuer's registered office shall prevail for Luxembourg law purposes.

No provisions of these Conditions amended in accordance with any applicable Final Terms shall (notwithstanding anything contained therein) apply or have effect to the extent that it is in any respect inconsistent with (i) the holding of title to EUI Notes (ii) the transfer of title to EUI Notes by means of a relevant system or (iii) the Regulations. Without prejudice to the generality of the preceding sentence and notwithstanding anything contained in these Conditions or the applicable Final Terms, so long as the EUI Notes are participating securities, (a) any EUI Notes which are not for the time being in all respects identical to, or do not for the time being have rights attached thereto identical in all respects to those attached to, other EUI Notes of the same Series shall be deemed to constitute a separate Series of EUI Notes, (b) the Operator register of corporate securities relating to the EUI Notes shall be maintained at all times in the United Kingdom, (c) the EUI Notes may be issued in uncertificated form in accordance with and subject as provided in the Regulations; and (d) for the avoidance of doubt, these Conditions and the applicable Final Terms in relation to any EUI Notes shall remain applicable notwithstanding that they are not endorsed on any certificate for such EUI Notes.

As used herein each of "Operator register of corporate securities", "participating securities", "record of uncertificated corporate securities" and "relevant system" is as defined in the Regulations and the relevant "Operator" (as such term is used in the Regulations) is EUI (formerly CRESTCo. Limited) or any additional or alternative operator from time to time approved by the Issuer, the Guarantor and the EUI Agent in relation to the EUI Notes and in accordance with the Regulations. Any reference herein to the Operator shall, whenever the context so permits, be deemed to include a reference to any such additional or alternative Operator from time to time and notified to the EUI Holders.

Any indication herein that the Operator "shall" do, or similar expression or phrase indicating that they are obliged to or will carry out any role or obligation described in these Conditions and/or the applicable Final Terms, as the case may be, is given without any assumption by the Issuer, the Guarantor, the EUI Agent or the Calculation Agent, of responsibility or liability for the performance of the Operator.

References in these Conditions to "EUI Notes" shall include, where the context admits, Depository Interests (as defined in the CREST Deed Poll) representing Notes, issued by CREST Depository Limited subject to and in accordance with the Global Deed Poll.

References to the CREST Deed Poll are to the global deed poll dated 25 June 2001, as subsequently modified, supplemented and/or restated.

In the case of Uncertificated SIS Notes, the records of the Intermediary will determine the number of Uncertificated SIS Notes held through each participant in the Intermediary. In respect of Uncertificated SIS Notes held in the form of Intermediated Securities, the holders of such Uncertificated SIS Notes will be the persons holding such Uncertificated SIS Notes in a securities account (*Effektenkonto*) that is in their name, or, in case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Uncertificated SIS Notes for their own account in a securities account (*Effektenkonto*) that is in their name (and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly). If the Notes are issued by SGA Société Générale Acceptance N.V. or SG Option Europe, the relevant Issuer will not, so long as such Notes, or any Receipts or Coupons relating, thereto remain outstanding, create or have outstanding any Security Interest upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness (as defined below), unless the relevant Issuer, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that:

- (i) all amounts payable by it under the Notes and the Coupons are secured by the Security Interest equally and rateably with the Relevant Indebtedness; or
- (ii) such other Security Interest or other arrangement (whether or not it includes the giving of a Security Interest) is provided as is approved by an Extraordinary Resolution (which is defined in the Agency Agreement as a resolution duly passed by a majority of not less than three-fourths of the votes cast) of the Noteholders.

Relevant Indebtedness means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures (including, without limitation, *obligations*, as such term is defined for the purposes of French law) or other securities, in each case of SGA Société Générale Acceptance N.V. or SG Option Europe, which (with the consent of the relevant Issuer) are for the time being quoted, listed or ordinarily dealt in on any stock exchange, or regulated securities market and (ii) any guarantee or indemnity of any such indebtedness.

*For the avoidance of doubt, it is confirmed that Notes issued prior to 27 April 2010 under an earlier version of the Programme shall continue to benefit from the negative pledge set out in the terms and conditions relating to such Notes.**

5. Interest

(a) *Interest on Fixed Rate Notes*

(1) Unadjusted Fixed Rate Notes

Unless otherwise specified in the applicable Final Terms, each Unadjusted Fixed Rate Note bears interest from (and including or, in respect of Swedish Uncertificated Notes, but excluding) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Unless otherwise specified in the applicable Final Terms, if the Notes are Definitive Bearer Notes, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes which are Definitive Bearer Notes where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

* This italicised statement does not form part of the Terms and Conditions of the Notes.

* This italicised statement does not form part of the Terms and Conditions of the Notes.

- (i) in the case of Fixed Rate Notes which are Uncertificated Notes or Notes represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Fixed Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise as specified in the applicable Final Terms. Where the Specified Denomination of a Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

- (1) Adjusted Fixed Rate Notes
 - (i) Unless otherwise specified in the applicable Final Terms, each Adjusted Fixed Rate Note bears interest from (and including or, in respect of Swedish Uncertificated Notes, but excluding) the Interest Commencement Date specified in the applicable Final Terms, and such interest will be payable in respect of each Interest Period and in arrear on the Interest Payment Date(s) in each year specified in the applicable Final Terms; provided that (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:
 - (A) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
 - (B) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
 - (C) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day,

and the expression **Interest Payment Date** shall be construed accordingly.

- (ii) The Fiscal Agent will calculate the amount of interest (the **Adjusted Fixed Rate Interest Amount**) payable on the Adjusted Fixed Rate Notes for the relevant Interest Period by applying the Rate of Interest to:
 - (A) in the case of Adjusted Fixed Rate Notes which are Uncertificated Notes or Notes represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series (or, if they are Partly Paid Notes, the aggregate amount paid up); or
 - (B) in the case of Adjusted Fixed Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of an Adjusted Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the Adjusted Fixed Rate Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

The Fiscal Agent will cause the Adjusted Fixed Rate Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor and any stock exchange on which the relevant Adjusted Fixed Notes are for the time being listed and notice thereof to be published in accordance with Condition 15 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Adjusted Fixed Rate Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Fixed Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 15. For the purposes of these Conditions, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Luxembourg.

(2) Definitions

- (A) A **Fixed Rate Note** means a Note which bears a fixed rate of interest.
- (B) An **Unadjusted Fixed Rate Note** means a Fixed Rate Note in respect of which the interest amount and the Interest Payment Date remain unchanged and are calculated as provided in Condition 5(a)(1) above;
- (C) An **Adjusted Fixed Rate Note** means a Fixed Rate Note in respect of which the interest amount and the Interest Payment Date are subject to modification in accordance with Condition 5(a)(1) above.

Equity Linked Notes and Commodity Linked Notes may provide for a method of calculating interest on Fixed Rate Notes which does not require any Day Count Fraction as interest payable on each specified Interest Payment Date is determined by applying a fixed specified percentage to the Specified Denomination as it shall be detailed in the applicable Final Terms and/or Schedule thereto.

(b) *Interest on Variable Rate Notes*

(i) *Interest Payment Dates*

Unless otherwise specified in the applicable Final Terms, each Floating Rate Note, Index Linked Interest Note and other Note in respect of which the relevant interest is not determined pursuant to a fixed Rate of Interest (together, the **Variable Rate Notes**) bears interest from (and including or, in respect of Swedish Uncertificated Notes, but excluding) the Interest Commencement Date specified in the applicable Final Terms, and such interest will be payable in respect of each Interest Period and in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or

- (B) if no Interest Payment Date(s) (as defined above) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (C) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the **Floating Rate Convention**, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month in which the Relevant Interest Period ends; or
- (D) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (E) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (F) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

Notwithstanding the foregoing, where the applicable Final Terms specifies that the relevant Business Day Convention is to be applied on an **unadjusted** basis, the Interest Amount payable on any date shall not be affected by the application of such Business Day Convention.

In this Condition 5, **Business Day** means (unless otherwise stated in the applicable Final Terms) a day which is both:

- (G) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in each Additional Business Centre(s) specified in the applicable Final Terms; and
- (H) either (x) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre(s) of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) or (y) in relation to any sum payable in euro, a day on which the TARGET2 System is open (a **TARGET2 Business Day**). In these Terms and Conditions, **TARGET2 System** means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of the Variable Rate Notes will be determined in the manner specified in the applicable Final Terms, which may be, without limitation:

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Fiscal Agent or other person specified in the applicable Final Terms, under an interest rate swap transaction if the Fiscal Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions (as defined below) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (x) if the applicable Floating Rate Option is based on the London interbank offered rate (**LIBOR**), or on the Euro-zone interbank offered rate (**EURIBOR**), the first day of that Interest Period or (y) in any other case, as specified in the applicable Final Terms.

For purposes of this subparagraph, **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity**, **Reset Date** and **Euro-zone** have the meanings given to those terms in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series.

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(B) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR or 11.00 a.m., Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Fiscal Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one

only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Fiscal Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Fiscal Agent shall request the principal London office of each of the Reference Banks (as defined below) to provide the Fiscal Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Fiscal Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Fiscal Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Fiscal Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Fiscal Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR), or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Fiscal Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer and the Fiscal Agent suitable for such purpose) informs the Fiscal Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR), or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) (or, as the case may be, the quotations of such bank or banks to the Fiscal Agent) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

Reference Banks means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Fiscal Agent or as specified in the applicable Final Terms.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or, as the case may be, EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(C) Other Determination

Where a manner of determination other than ISDA Determination or Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined in the manner so specified (including, if so specified, by reference to the Technical Annex to the Terms and Conditions).

(iii) *Minimum and/or Maximum Rate of Interest and/or Rate Multiplier*

Subject to the provisions of Condition 5(b)(ii)(A), if the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

If the applicable Final Terms specifies a Rate Multiplier for any Interest Period, then, the Rate of Interest in respect of any such Interest Period shall be multiplied by the relevant Rate Multiplier, subject always to the Minimum and/or Maximum Rate of Interest as described above.

If n/N or n_b/N_b is specified as the Rate Multiplier in the applicable Final Terms, the following definitions shall apply, unless otherwise specified in the applicable Final Terms:

n means the number of calendar days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N means the total number of calendar days within the relevant Interest Period.

n_b means the number of Business Days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N_b means the total number of Business Days within the relevant Interest Period.

Lower Limit means, in respect of the relevant Interest Period, the limit specified in the applicable Final Terms.

Benchmark means, in respect of any calendar day (in respect of the definition of **n**) or, as applicable, Business Day (in respect of the definition of **n_b**) of the relevant Interest Period, unless otherwise specified in the applicable Final Terms:

- if **USD-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “USD-LIBOR-BBA” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, USD-LIBOR will be determined by the Calculation Agent as aforesaid in

accordance with the Floating Rate Option “USD-LIBOR-Reference Banks” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).

- if **GBP-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “GBP-LIBOR-BBA” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, GBP-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option “GBP-LIBOR-Reference Banks” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).
- if **EURIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “EUR-EURIBOR-Reuters” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen EURIBOR01 Page, EURIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option “EUR-EURIBOR-Reference Banks” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).
- if **EUR-CMS** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “EUR-ISDA-EURIBOR Swap Rate-11:00” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without Reference to any Reset Date), and appearing on Reuters Screen ISDAFIX2 Page as at 11.00 a.m. (Frankfurt time) under the heading “EURIBOR BASIS – FRF” and above the caption “11:00 AM FRANKFURT”. If on any Benchmark Day, such rate does not appear on Reuters Screen ISDAFIX2 Page, EUR-CMS will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option “EUR-Annual Swap Rate-Reference Banks” (as defined in the ISDA Definitions) for a period of the Designated Maturity specified in the applicable Final Terms (without reference to any Reset Date).
- if **USD-CMS** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “USD-ISDA-Swap Rate” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without Reference to any Reset Date), and appearing on Reuters Screen ISDAFIX1 Page as at 11.00 a.m. (New York time). If on any Benchmark day, such rate does not appear on Reuters Screen ISDAFIX1 Page, USD-CMS will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option “USD-CMS-Reference Banks” (as defined in the ISDA Definitions)

for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).

For the purposes hereof, (i) the value of the Benchmark on any calendar day of the relevant Interest Period which is not a Benchmark Day shall be deemed to be the value ascribed to the Benchmark on the first preceding Benchmark Day and (ii) the value of the Benchmark on each of the last four TARGET2 Business Days of any Interest Period shall be deemed to be the value ascribed to the Benchmark on the fifth TARGET2 Business Day (or the Benchmark Day immediately preceding such fifth TARGET2 Business Day if such fifth TARGET2 Business Day is not a Benchmark Day) preceding the Interest Payment Date relating to such Interest Period.

Benchmark Day means, if the relevant Benchmark is:

- USD-LIBOR or GBP-LIBOR, a day (other than a Saturday or Sunday) on which banks are open for business (including dealings in foreign exchange and deposit in USD) in London;
- EURIBOR or EUR-CMS, a day (other than a Saturday or Sunday) on which the TARGET2 System is operating; and
- USD-CMS, a day (other than a Saturday or Sunday) on which banks are open for business in New York.

Upper Limit means, in respect of the relevant Interest Period, the limit specified in the applicable Final Terms.

(iv) *Determination of Rate of Interest and calculation of Interest Amount in respect of Variable Rate Notes*

The Fiscal Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of all other Variable Rate Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Variable Rate Notes except Floating Rate Notes, the Calculation Agent will notify the Fiscal Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same (but in no event later than the first Business Day after such calculation).

The Fiscal Agent will calculate the amount of interest (the **Interest Amount**) payable on the Variable Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Variable Rate Notes which are Uncertificated Notes or Notes represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Variable Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Variable Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(v) *Notification of Rate of Interest and Interest Amount*

The Fiscal Agent will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor and any stock exchange on which the relevant Variable Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 15 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Variable Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 15. For the purposes of these Conditions, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Luxembourg.

(c) *Zero Coupon Notes*

Where a Zero Coupon Note becomes due and repayable and is not paid when due, the amount due and repayable shall be the amount determined in accordance with Condition 7(h) and notified in accordance with Condition 5(b)(v), *mutatis mutandis*.

(d) *Physical Delivery Notes and Dual Currency Notes*

The rate or amount of interest payable in respect of Physical Delivery Notes or Dual Currency Notes shall be determined in the manner, and by the party, specified in the applicable Final Terms and notified in accordance with Condition 5(b)(v), *mutatis mutandis*.

(e) *Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and/or otherwise as specified in the applicable Final Terms.

(f) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if applicable) from the due date for its redemption unless, upon due presentation thereof, payment of principal (or, in the case of any Physical Delivery Note, transfer of the Underlying Asset(s) in respect of the Physical Delivery Amount) is improperly withheld or refused (provided that, in the case of any Physical Delivery Amount, transfer shall not be deemed to have been improperly withheld or refused where such transfer is delayed by reason of circumstances beyond the control of the relevant Issuer or any of its Agents). In such event, interest will continue to be calculated and to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 15.

(g) *Deferral of Interest*

In the case of Undated Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the interest period ending on the day

immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if Société Générale so elects) the interest accrued in the interest period ending on the day immediately preceding such date, but Société Générale shall not have any obligation to make such payment. Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute **Arrears of Interest** which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of Société Générale, be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect given to the Noteholders in accordance with Condition 15, but all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of: (A) the interest payment date immediately following the date upon which a dividend is paid on any class of share capital of Société Générale, and (B) the commencement of a liquidation or dissolution of Société Générale. If notice is given by Société Générale of its intention to pay the whole or part of Arrears of Interest, Société Générale shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest accrued in respect of the earliest interest period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing and compounding on a daily basis at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant interest period. For these purposes the following expressions have the following meanings:

Compulsory Interest Payment Date means any Interest Payment Date unless at the *Assemblée Générale* immediately preceding such date which was required to approve the annual accounts of Société Générale for the fiscal year ended prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on any class of share capital of Société Générale in respect of such previous fiscal year.

(h) *Certain definitions relating to the calculation of interest*

In respect of the calculation of an amount of interest for any Interest Period, **Day Count Fraction** means the following (provided that, unless otherwise specified in the applicable Final Terms, the Day Count Fraction applicable to Floating Rate Notes denominated in euro shall be Actual/360):

- (i) if **Actual/Actual (ICMA)** is specified in the applicable Final Terms:

 - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

 - II the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;

- (iii) if **Actual/Actual (ISDA)** or **Actual/Actual** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (viii) if **30E/360** or **Eurobond Basis** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

- (ix) if **30E/360 (ISDA)** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Interest Rate_(i-1) means, in respect of an Interest Period, the Rate of Interest determined by the Calculation Agent in respect of the immediately preceding Interest Period. For the avoidance of doubt, Interest Rate _(i-1) is expressed as a rate per annum, unless otherwise specified in the Final Terms;

(j) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5, by the Fiscal Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith, manifest error or proven error) be binding on the Issuer, the Guarantor, the Fiscal Agent, the Calculation Agent (if applicable) the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Fiscal Agent or, if applicable, the Calculation Agent, in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

6. **Payments**

For the purposes of this Condition 6, references to payment or repayment (as the case may be) of principal and/or interest and other similar expressions will, where the context so admits, be deemed also to refer to Delivery of the Underlying Asset(s) with respect to any Physical Delivery Amount(s).

(a) *Method of Payment*

Subject as provided below and, in the case of Physical Delivery Notes, Registered Notes or Uncertificated Notes, subject also as provided in the applicable Final Terms:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, except in the case of Registered Notes, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre(s) of the country of such Specified Currency (which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal);
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, except in the case of Registered Notes, by a euro-cheque;

- (iii) in the case of any Note which is a Physical Delivery Note that is to be redeemed by the transfer of the Underlying Asset(s), transfer of the Underlying Asset(s) in respect of any Physical Delivery Amount will be effected, as provided in the applicable Final Terms, (A) by the Delivery to, or to the order of, the Noteholder of the relevant Underlying Assets or (B) to, or to the order of, the Noteholder at the risk of the relevant Noteholder in such manner as may be specified in the transfer notice (the **Transfer Notice**, the form of which is annexed to the Agency Agreement), in each case, save as otherwise provided in the applicable Final Terms and subject to compliance with applicable securities laws.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

In these Terms and Conditions:

Deliver means, in respect of any Underlying Asset, to deliver, novate, transfer (including, where the applicable Underlying Asset is a guarantee, transfer the benefit of the guarantee), assign or sell, as appropriate, in a manner customary for the settlement of the applicable Underlying Asset (which shall include executing all necessary documentation and taking any other necessary actions), in order to convey all right, title and interest in the Underlying Asset free and clear of any and all liens, charges, claims or encumbrances (including, without limitation, any counterclaim, defence (other than an Exempt Counterclaim or Defence) or right of set off by or of the obligor with respect to the Underlying Asset); provided that where the Underlying Asset is a Loan Participation, **Deliver** means to create (or procure the creation) of a participation in favour of the Noteholder and where the Underlying Asset is a guarantee, **Deliver** means to Deliver both the guarantee and the underlying obligation to which such guarantee relates. **Delivery** and **Delivered** will be construed accordingly. In the case of a loan (being any obligation that is documented by a term loan agreement, revolving loan agreement or other similar credit agreement), Delivery shall be effected using documentation substantially in the form of the documentation customarily used in the relevant market for Delivery of such loan at that time;

Exempt Counterclaim or Defence means, in respect of any Underlying Asset, any defence based upon (a) any lack or alleged lack of authority or capacity of the relevant obligor with respect to the Underlying Asset to enter into the Underlying Asset or, where the Underlying Asset is a guarantee, the obligor in respect of the guarantee and/or the obligor in respect of the underlying obligation to which such guarantee relates, (b) any actual or alleged unenforceability, illegality, impossibility or invalidity with respect to any Underlying Asset or, where the Underlying Asset is a guarantee, the guarantee and/or the underlying obligation to which such guarantee relates, however described, (c) any applicable law, order, regulation, decree or notice, however described, or the promulgation of, or any change in, the interpretation by any court, tribunal, regulatory authority or similar administrative or judicial body with competent or apparent jurisdiction of any applicable law, order, regulation, decree or notice, however described, or (d) the imposition of, or any change in, any exchange controls, capital restrictions or any other similar restrictions imposed by any monetary or other authority, however described; and

- (b) *Presentation of Definitive Bearer Notes, Receipts and Coupons*

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 6(a) above only against presentation and surrender (or, in the case of part

payment of any sum due, endorsement) of such Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)). Payments under paragraph (a) above made, at the option of the bearer of such Note or Coupon, by cheque shall be mailed or delivered to an address outside the United States furnished by such bearer. Subject to any applicable laws and regulations, such payments made by transfer will be made in immediately available funds to an account maintained by the payee with a bank located outside the United States. Subject as provided below, no payment in respect of any Definitive Bearer Note or Coupon will be made upon presentation of such Definitive Bearer Note or Coupon at any office or agency of the Issuer, the Guarantor or any Paying Agent in the United States, nor will any such payment be made by transfer to an account, or by mail to an address, in the United States.

Payments of instalments of principal (if any) in respect of Definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 6(a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 6(a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer or, if applicable, the Guarantor. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes which are Definitive Bearer Notes (other than Dual Currency Notes, Index Linked Notes or Physical Delivery Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note which is a Definitive Bearer Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note or Physical Delivery Note which is a Definitive Bearer Note becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any Floating Rate Note, Dual Currency Note, Index Linked Note or Physical Delivery Note which is settled by way of cash is presented for redemption without all unmatured Coupons appertaining thereto, payment of all amounts due in relation to such Note shall be made only against the provision of such indemnity as the relevant Issuer and (if applicable) the Guarantor may decide.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case

may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

(c) *Payments in respect of Bearer Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes and otherwise in the manner specified in the relevant Bearer Global Note against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of such Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note by the relevant Paying Agent and such record shall be *prima facie* evidence that the payment in question has been made.

(d) *Payments in respect of Registered Notes*

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, **Designated Account** means the account maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the **Record Date**) at such holder's address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses

shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

Where applicable pursuant to an election by a relevant holder, all amounts payable to DTC or its nominee as registered holder of a Registered Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) *Payments in respect of Uncertificated Nordic Notes*

Payments of principal and interest in respect of Uncertificated Nordic Notes will be made to the persons registered as Noteholders in the register maintained by the relevant central securities depository and clearing institution, in the case of Swedish Uncertificated Notes, on the fifth Payment Business Day (or otherwise in accordance with the rules and procedures applied by Euroclear Sweden from time to time) or, in the case of Finnish Uncertificated Notes, on the first Payment Business Day (or otherwise in accordance with the rules and procedures applied by Euroclear Finland from time to time), prior to the due date for such payment. If the date for payment of any amount in respect of Uncertificated Nordic Notes is not a Payment Business Day, the holder thereof shall not be entitled to payment until the next following Payment Business Day and shall not be entitled to further interest or other payment in respect of such delay. For the purposes of this Condition 6(e), Payment Business Day shall mean any day on which commercial banks are open for general business in Stockholm (in the case of Swedish Uncertificated Notes) or Helsinki (in the case of Finnish Uncertificated Notes).

In the event of late payment with respect to any Uncertificated Nordic Note, penalty interest will be payable on the overdue amount from the due date up to and including the date on which payment is made at an interest rate corresponding to, in the case of Swedish Uncertificated Notes, STIBOR (defined below) plus one percentage point or, in the case of Finnish Uncertificated Notes, EURIBOR (defined below) plus one percentage point. No capitalisation of interest will be made.

STIBOR means the average of the interest rates quoted at approximately 11 a.m. on the first day (such day being a day on which commercial banks are open for general business in Stockholm) after the day on which the relevant payment was due on Reuter's page "SIDE" (or such other system or other page as shall replace the Reuter's page "SIDE") in respect of a loan with a designated interest period of one week, or, if no such quotation is given, the average of interest rate which is stated by three major Swedish banks selected by Société Générale to be their funding cost at that time in respect of a loan with a designated interest period of one week in Swedish Kronor in the Stockholm interbank market; provided that, if the interest rate for the relevant period cannot be determined in accordance with any of the methods mentioned above, then the interest rate for such period shall be the last available quote on Reuter's page "SIDE" (or such other system or other page as shall replace the Reuter's page "SIDE") in respect of such period.

EURIBOR means the rate for deposits in EUR which is defined under, and shall be determined by the Calculation Agent in accordance with, the Floating Rate Option "EUR-EURIBOR-Telerate" in the ISDA Definitions for a period (Designated Maturity) of sixth months with a Reset Date being the first day of the relevant calculation period.

An Additional Paying Agent will be appointed and identified in the applicable Final Terms with respect to any Uncertificated Nordic Notes and such Additional Paying Agent shall have the characteristics described in Condition 6(g).

(f) *General provisions applicable to payments*

The holder of a global Note (other than a SIS Note) shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the payment obligations of the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or DTC as the beneficial holder of a particular nominal amount of Notes represented by a global Note must look solely to Euroclear, Clearstream, Luxembourg or DTC, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such global Note. No person other than the holder of such global Note shall have any claim against the Issuer or, as the case may be, the Guarantor in respect of any payments due on that global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and/or interest in respect of Bearer Notes (if any) will be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer and the Guarantor have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

(g) *Payment Business Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Business Day, the holder thereof shall instead be entitled to payment: (i) on the next following Payment Business Day in the relevant place, if “Following Payment Business Day” is specified in the applicable Final Terms; or (ii) on the next following Payment Business Day in the relevant place, unless the date for payment would thereby fall into the next calendar month, in which event such date for payment shall be brought forward to the immediately preceding Payment Business Day in the relevant place, if “Modified Following Payment Business Day” is specified in the applicable Final Terms; provided that if neither “Following Payment Business Day” nor “Modified Following Payment Business Day” is specified in the applicable Final Terms, “Following Payment Business Day” shall be deemed to apply. In the event that any adjustment is made to the date for payment in accordance with this Condition 6(g), the relevant amount due in respect of any Note, Receipt or Coupon shall not be affected by any such adjustment, unless otherwise specified in the applicable Final Terms. For these purposes, unless otherwise specified in the applicable Final Terms and except as specified in Condition 6(d), **Payment Business Day** means any day which is:

- (i) subject to the provisions of the Agency Agreement, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation or, in respect of Uncertificated Notes, the place of registration; and
 - (B) each Additional Financial Centre specified in the applicable Final Terms;

- (ii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open; and
- (iii) in the case of any payment in respect of a Registered Global Note denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Registered Global Note) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City.

(h) *Payments on SIS Notes*

In the case of SIS Notes, unless otherwise specified in the applicable Final Terms, the relevant Swiss Paying Agency Agreement shall supplement and modify the Agency Agreement for the purposes of the relevant SIS Notes, including providing for the appointment of a Principal Swiss Paying Agent (which, in the case of Notes listed on the SIX Swiss Exchange, shall at all times be a bank or securities dealer that is subject to supervision by the Swiss Financial Market Supervisory Authority FINMA) that will perform certain duties including, *inter alia*, those which relate to Swiss capital market customs and payment instructions and providing for the appointment of Swiss Paying Agents to act as paying agents in Switzerland for the Notes.

The Issuer shall make all payments of principal and interest due under the SIS Notes to the Principal Swiss Paying Agent which shall, where applicable, promptly reimburse each Swiss Paying Agent on demand for payments in respect of SIS Notes properly made by such Swiss Paying Agent in accordance with the Swiss Paying Agency Agreement and the Conditions. Payment on any SIS Notes will be made irrespective of any present or future transfer restrictions and regardless of any bilateral or multilateral payment or clearing agreement which may be applicable at any time to such payment. Payments of principal and interest in respect of any SIS Notes denominated in Swiss Francs shall be made in freely disposable Swiss Francs, and in the case of SIS Notes denominated in a currency other than Swiss Francs in such other currency, which shall also be freely disposable, without collection costs and whatever the circumstances may be, irrespective of the nationality, domicile or residence of the holder of any Notes and without requiring any certification, affidavit or the fulfilment of any other formality. The receipt by the Principal Swiss Paying Agent of the due and punctual payment of such funds in Switzerland shall discharge the Issuer's obligations under (i) the permanent global Note or (ii) the Definitive Bearer SIS Notes, Receipts and Coupons, if printed, or (iii) the Uncertificated SIS Notes, as the case may be, with respect to the payment of, as the case may be, principal, interest, costs and additional amounts on the Notes and the paying agency fees, in each case to the extent of the funds received as of the due date therefor.

(i) *Payments on EUI Notes*

The Issuer shall pay or cause to be paid any amount due to an EUI Holder under an EUI Note to such EUI Holder's cash account with the Operator for value on the relevant payment date, such payment to be made in accordance with the rules of the Operator. The Issuer's obligations in relation to such amounts in respect of the EUI Notes will be discharged by payment to, or to the order of, the Operator. Each of the persons shown in the Operator register of corporate securities as the holder of a particular nominal amount of EUI Notes must look solely to the Operator for his share of each such payment so made by the Issuer to, or to the order of, the Operator.

(j) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to “principal” in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(h)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to “interest” in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8. Any reference in these Terms and Conditions to “interest accrued” or “accrued interest” shall be deemed to include any Arrears of Interest suspended as provided in Condition 5(g).

In the case of Physical Delivery Notes, references in these Terms and Conditions to principal and/or interest and Physical Delivery Amount(s) shall mean such amount less any expenses, fees, stamp duty, levies or other amounts payable on or in respect of the relevant Physical Delivery Amount(s).

(k) *Currency unavailability*

This paragraph shall apply when payment is due to be made in respect of any Note, Receipt or Coupon in the Specified Currency (other than where the Specified Currency is euro) and the Specified Currency is not available to the Issuer or the Guarantor (as applicable) due to the imposition of exchange controls, the Specified Currency's replacement or disuse or other circumstances beyond the control of the Issuer or the Guarantor (as applicable) (**Currency Unavailability**). In the event of Currency Unavailability, the Issuer or the Guarantor (as applicable) will be entitled to satisfy its obligations to the holder of such Note, Receipt or Coupon by making payment in euro on the basis of the spot exchange rate at which the Specified Currency is offered in exchange for euro in an appropriate inter-bank market at noon, Paris time, four Business Days prior to the date on which payment is due or, if such spot exchange rate is not available on that date, as of the most recent prior practicable date. Any payment made in euro in accordance with this paragraph will not constitute an Event of Default.

7. *Redemption and Purchase*

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms and, if so specified, by reference to the Technical Annex to these Terms and Conditions (or, in the case only of Physical Delivery Notes where the applicable Final Terms specifies that such Notes will be redeemed by the transfer of the Underlying Asset(s) with respect to a Physical Delivery Amount, by the transfer of the Underlying Asset(s) specified in, or determined in the manner specified in, the applicable Final Terms) in the relevant Specified Currency on the Maturity Date.

(b) *Redemption for tax reasons*

The Notes may be redeemed at the option of the Issuer or, as the case may be, the Guarantor in whole, but not in part, at any time (in the case of the Notes other than Floating Rate Notes or any other interest bearing Notes in respect of which the Rate of Interest is not calculated on a fixed rate basis (**Variable Interest Notes**)) or on any Interest Payment Date (in the case of Floating Rate Notes or Variable Interest Notes) but subject, in the case of Subordinated Notes, to the prior written approval of the *Secrétariat général de la Commission bancaire* in France, on giving not less than 30 nor more than 45 days' notice to the Fiscal Agent and, in accordance with Condition 15, the Noteholders (which notice shall be irrevocable), if:

- (i) immediately prior to the giving of such notice the Issuer or the Guarantor has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 8) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount referred to in paragraph 7(h) below together (if appropriate) with accrued interest to (but excluding or, in respect of Swedish Uncertificated Notes, and including) the date of redemption.

(c) *Special Tax Redemption*

If the Issuer or, as the case may be, the Guarantor would, on the occasion of the next payment of principal or interest in respect of the Notes, be prevented by the law of a Tax Jurisdiction from causing payment to be made to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8(a), then the Issuer or the Guarantor, as the case may be, shall forthwith give notice of such fact to the Fiscal Agent and the Issuer or the Guarantor, as the case may be, shall, subject, in the case of Subordinated Notes, to the prior written approval of the *Secrétariat général de la Commission bancaire* in France, upon giving not less than seven nor more than 45 days' prior notice to the Noteholders in accordance with Condition 15, forthwith redeem all, but not some only, of the Notes at their Early Redemption Amount, together, if appropriate, with accrued interest, on the latest practicable Interest Payment Date on which the Issuer or the Guarantor, as the case may be, could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice to Noteholders shall be the later of:

- (i) the latest practicable date on which the Issuer or the Guarantor, as the case may be, could make payment of the full amount then due and payable in respect of the Notes; and
- (ii) 14 days after giving notice to the Fiscal Agent as aforesaid.

(d) *Final Terms*

The Final Terms applicable to the Notes indicate either:

- (i) that the Notes cannot be redeemed prior to their Maturity Date (except as otherwise provided in paragraphs (b) and (c) above and in Condition 10); or

- (ii) that such Notes will be redeemable at the option of the Issuer and/or the holders of the Notes prior to such Maturity Date in accordance with the provisions of paragraphs (e) and/or (g) below on the date or dates and at the amount or amounts indicated in the applicable Final Terms.

(e) *Redemption at the Option of the Issuer*

If the Issuer is specified in the applicable Final Terms as having an option to redeem, the Issuer may, subject, in the case of Subordinated Notes, to the prior written approval of the *Secrétariat général de la Commission bancaire* in France, having (unless otherwise specified in the applicable Final Terms) given not less than 30 nor more than 45 days' notice, in accordance with Condition 15, to the Noteholders (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding or, in respect of Swedish Uncertificated Notes, and including) the relevant Optional Redemption Date(s). Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, both as indicated in the applicable Final Terms.

In the case of a redemption of some only of the Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot (in the case of Redeemed Notes represented by Notes in definitive form) and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg and/or DTC in the case of Redeemed Notes represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg and/or DTC (to be reflected in the records of Euroclear and/or Clearstream, Luxembourg and/or DTC as either a pool factor or a reduction in nominal amount, at their discretion) and in accordance with the rules of the relevant securities depository and any relevant provisions in the applicable Final Terms (in the case of Registered Notes), in each case not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by Notes in definitive form, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 15 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this paragraph (e) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 15 at least ten days prior to the Selection Date.

In respect of any Note, any notice given by the Issuer pursuant to this Condition 7(e) shall be void and of no effect in relation to that Note in the event that, prior to the giving of such notice by the Issuer, the holder of such Note had already delivered a Put Notice in relation to that Note in accordance with Condition 7(g).

In the case of Subordinated Notes which constitute Tier 2 Capital, the Optional Redemption Date may only occur on or after the fifth anniversary of the Issue Date of such Notes.

(f) *Optional Outstanding Notes Trigger Call:*

If "Trigger Redemption Option" is specified in the applicable Final Terms as being applicable, then, in the event that at any time during the life of the Notes and for any reason whatsoever, the **Aggregate Outstanding Nominal Amount** of the Notes equals or falls below the **Outstanding Amount Trigger Level**, then the Issuer shall have the right at its sole and absolute discretion exercised reasonably, and subject to any applicable law and regulation, to redeem all (but not some only) of the remaining outstanding Notes early at their **Early Trigger Level Redemption Amount** upon giving not less than 15 Business Days notice in accordance with Condition 15 specifying the basis upon which such early redemption was effected.

For the purpose hereof:

Aggregate Outstanding Nominal Amount means, at any time, the product of (a) the Specified Denomination and (b) the number of Notes outstanding held at such time by Noteholders other than Société Générale or its affiliates for their own account as determined in good faith by the Fiscal Agent in consultation with the clearing institution(s) in or through which the Notes are held and transactions in such Notes are cleared.

Early Trigger Level Redemption Amount means the Early Redemption Amount for such Notes as determined in accordance with paragraph (h)(v) below.

Outstanding Amount Trigger Level means the level specified as such in the applicable Final Terms or, if no such level is so specified, 10% of the Aggregate Nominal Amount of the Notes initially issued.

Under no circumstances will the Optional Outstanding Notes Trigger Call be applied for any issue of Subordinated Notes.

(g) *Redemption at the Option of the Noteholders*

In the case of Subordinated Notes, there will be no redemption at the option of the Noteholders.

If the Noteholders are specified in the applicable Final Terms as having an option to require the Issuer to redeem any Note, upon the holder of any Note giving to the Issuer in accordance with Condition 15 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Final Terms the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to but excluding (or, in respect of Swedish Uncertificated Notes, and including) the Optional Redemption Date. It may be that before an option to require the Issuer to redeem any Note can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of a Note, the holder of such Note must, if the Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a **Put Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2. If this Note is in definitive form, the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to the order or under its control. If the Note is represented by a global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of the Note the holder of the Note must, within the notice period, give notice to the Fiscal Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depository or common safekeeper, as the case may be, for them to the Fiscal Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the Note is represented by a global Note, at the same time present or procure the presentation of the relevant global Note to the Fiscal Agent for notation accordingly.

In the case of Uncertificated Notes, a Put Notice will not be effective against the Issuer before the date on which the relevant Notes have been transferred to the account designated by the Additional Paying Agent specified in the applicable Final Terms (which, for the purposes of the Uncertificated Notes, will be an account operator specifically authorised by the relevant central securities depository and clearing institution to process and register issues in the system of the relevant central securities depository and clearing institution), and blocked by such Additional Paying Agent to prevent further transfer as of the Optional Redemption Date.

Notwithstanding the foregoing, in the case of Uncertificated Notes, the right to require redemption of such Notes in accordance with this Condition 7(g) must be exercised in accordance with the rules and procedures of the relevant central securities depository and clearing institution and if there is any inconsistency between the above and the rules and procedures of the relevant central securities depository and clearing institution, then the rules and procedures of the relevant central securities depository and clearing institution shall prevail.

Any Put Notice given by a holder of any Note pursuant to this paragraph (g) shall be:

- (i) irrevocable except where prior to the due date of redemption an Event of Default has occurred and is continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph (g) and instead to declare such Note forthwith due and payable pursuant to Condition 10; and
- (ii) void and of no effect in relation to such Note in the event that, prior to the giving of such Put Notice by the relevant holder (A) such Note constituted a Redeemed Note, or (B) the Issuer had notified the Noteholders of its intention to redeem all of the Notes in a Series then outstanding, in each case pursuant to Condition 7(e).

(h) *Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 10, unless otherwise specified in the applicable Final Terms, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount; or
- (iii) in the case of Physical Delivery Notes, as determined in the manner specified in the applicable Final Terms; or
- (iv) in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and
 - (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including or, in respect of Swedish Uncertificated Notes, but excluding) the Issue Date to (but excluding or, in respect of Swedish Uncertificated Notes, and including) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.

- (v) if Market Value is specified in the applicable Final Terms as the Early Redemption Amount, at an amount determined by the Calculation Agent, which, on the due date for the redemption of the Note, shall represent the fair market value of the Notes and shall have the effect (after taking into account the costs of unwinding any hedging arrangements entered into in respect of the Notes) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the Notes which would, but for such early redemption, have fallen due after the relevant early redemption date. In respect of Notes bearing interest, notwithstanding the last sentence of Condition 7(b), the ninth line of Condition 7(c) and the first paragraph of Condition 9, the Early Redemption Amount, as determined by the Calculation Agent in accordance with this paragraph shall include any accrued interest to (but excluding or, in respect of Swedish Uncertificated Notes, and including) the relevant early redemption date and apart from any such interest included in the Early Redemption Amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer or, as the case may be, the Guarantor in respect of such redemption.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction, if applicable, specified in the applicable Final Terms.

(i) *Instalments*

If the Notes are repayable in instalments, they will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (h) above.

(j) *Partly Paid Notes*

If the Notes are Partly Paid Notes:

- (i) they will be subscribed at the Part Payment Amounts and on the Part Payment Dates specified in the applicable Final Terms. Unless otherwise specified in the applicable Final Terms, the obligation to pay a Part Payment Amount on the relevant Part Payment Date is only incurred by the holders of the Notes on such Part Payment Date;
- (ii) unless otherwise specified in the applicable Final Terms, they will be redeemed on the Maturity Date at their nominal amount and on any Optional Redemption Date at their paid-up nominal amount as at the date fixed for redemption;
- (iii) unless otherwise specified in the applicable Final Terms, in the event that any Noteholder fails to pay a Part Payment Amount on the relevant Part Payment Date (such date a **Part Payment Default Date**), any such Notes held by such Noteholder shall automatically be redeemed on the relevant Early Redemption Date, at the Settlement Amount.

For the purposes of this Condition 7(j) and unless otherwise specified in the applicable Final Terms:

Early Redemption Date means, in respect of any Note, the seventh Payment Business Day following a Part Payment Default Date;

Settlement Amount means, in respect of any Note, an amount determined by the Calculation Agent in accordance with the following formula:

Max [0; [Paid-up Nominal Amount – Unwinding Costs]]

where:

Paid-up Nominal Amount means, in respect of any Part Payment Date, the paid-up nominal amount of the relevant Note up to (and including) the applicable Part Payment Date. Interest will neither accrue nor be payable in respect of the period from and including the applicable Part Payment Default Date to and including the applicable Early Redemption Date; and

Unwinding Costs means the pro-rata share, in respect of each Note, of the losses (expressed as a positive number) or the gains (expressed as a negative number) of unwinding all hedging arrangements (taking into account the present value of any Part Payment Amount(s) remaining to be paid in respect of the Notes) entered into or purchased by the Issuer and/or the Guarantor in respect of the Notes.

(k) *Purchases*

The Issuer or the Guarantor (if applicable) may, subject as provided in the next paragraph, at any time purchase Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise, in accordance with applicable laws and regulations. In the case of Notes issued by Société Générale or SG Option Europe, Notes purchased by or on behalf of the Issuer, will be surrendered to a Paying Agent (or, in the case of Registered Notes, the Registrar) for cancellation (together with, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto). In the case of Notes issued by SGA Société Générale Acceptance N.V., Notes purchased by or on behalf of the Issuer may, at the option of the Issuer, be held, resold or surrendered to any Paying Agent (or, in the case of Registered Notes, the Registrar) for cancellation. Any Uncertificated Notes purchased by or on behalf of the Issuer may, at the option of the Issuer, be held, resold or cancelled.

In the case of Subordinated Notes, Société Générale may at any time purchase such Notes, provided that the prior written approval of the *Secrétariat général de la Commission bancaire* in France shall be obtained (i) if the total principal amount of the Notes so purchased exceeds 10 per cent. of the initial aggregate principal amount of the Notes and (ii) in the case of an *offre publique d'achat* (cash takeover bid) or an *offre publique d'échange* (paper takeover bid).

(l) *Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (k) above (together with, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Fiscal Agent (or, in the case of Registered Notes, the Registrar) and cannot be reissued or resold.

(m) *Late Payment on Zero Coupon Notes*

Except as provided in the applicable Final Terms, if the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note, except for Registered Notes, pursuant to paragraph (a), (b), (c), (e) or (g) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (h)(iv) above as though the references therein to the date fixed for the redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and

- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 15.

(n) *Redemption of Uncertificated Notes*

Notwithstanding the foregoing provisions of this Condition, the redemption of Uncertificated Notes may be subject to certain special restrictions and procedures, as set out in the applicable Final Terms.

(o) *Redemption or forced transfer of Registered Notes*

If the Issuer determines at any time that a holder of Registered Notes in the United States or that is a U.S. Person was not a QIB and a QP at the time it purchased or acquired such Notes in breach of the deemed or actual representations given by such holder upon the purchase of such Notes, the Issuer may (a) redeem such Notes, or (b) direct such holder to sell or transfer its Notes to a person that is both a QIB and a QP or to a non-U.S. Person outside the United States within 30 days following receipt of such notice, and if such holder fails to sell or transfer its Notes within such 30 day period, the Issuer may transfer or sell such Notes on behalf of such holder.

No payments will be made on the affected Notes from the date notice of the sale requirement is sent to the date on which the affected Notes are sold.

There can be no assurance that a holder of Notes, or an interest therein, who is required to sell Notes, or whose Notes are sold on his behalf (pursuant to this Condition) will not incur a significant loss as a result of the need for the relevant Issuer, or for the transferor, to find a qualifying transferee willing to purchase the Notes. Neither the relevant Issuer, the Guarantor nor any other party shall be liable to a holder for any such loss.

8. Taxation

- (a) In the case of Notes issued by Société Générale, SG Option Europe or SGA Société Générale Acceptance N.V., all payments in respect of such Notes, Receipts and Coupons or under the Guarantee shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law.
- (b) In the event that any amounts are required to be deducted or withheld for, or on behalf of, any Tax Jurisdiction, the relevant Issuer or, as the case may be, the Guarantor shall, to the fullest extent permitted by law, pay such additional amount as may be necessary, in order that each Noteholder, Receiptholder or Couponholder, after deduction or withholding of such taxes, duties, assessments or governmental charges, will receive the full amount then due and payable provided that no such additional amount shall be payable with respect to any Note, Receipt or Coupon:
 - (i) presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his being connected with the Netherlands Antilles (in the case of payments by SGA Société Générale Acceptance N.V.) or France (in the case of payments by Société Générale or SG Option Europe) other than by the mere holding of such Note, Receipt or Coupon; or
 - (ii) presented for payment more than 30 days after the Relevant Date (as defined below), except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Business Day (as defined in Condition 6(g)); or

- (iii) in respect of an issue of Notes which have been privately placed, if the applicable Final Terms indicate that no such additional amounts shall be payable; or
- (iv) where such withholding or deduction is imposed on a payment to an individual beneficial owner or a residual entity and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law (whether in or outside the European Union) implementing or complying with, or introduced in order to conform to, such Directive; or
- (v) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

In these Terms and Conditions:

- (vi) **Tax Jurisdiction** means France or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by Société Générale in its capacity as Issuer or Guarantor or by SG Option Europe) or the Netherlands Antilles or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by SGA Société Générale Acceptance N.V.); and
- (vii) the **Relevant Date** means the date on which the relevant payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Fiscal Agent (or, in the case of Uncertificated Notes, the holders of such Uncertificated Notes) on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 15.

9. Prescription

Bearer Notes (and any relative Receipts and Coupons) and Registered Notes will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8) therefor, except as provided in the applicable Final Terms.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 9 or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

In the case of Uncertificated Swedish Notes and Uncertificated Finnish Notes, claims against the Issuer for the payment of principal and interest payable in respect of the Notes shall become void, in the case of Swedish Uncertificated Notes, unless made within 10 years (in the case of principal) and five years (in the case of interest) or, in the case of Finnish Uncertificated Notes, unless made within three years, in each case after the Relevant Date (as defined in Condition 8).

10. Events of Default

In the case of Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe, the holder of any Note may give written notice to the relevant Issuer and the Guarantor (if applicable) that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at their Early Redemption Amount, together with, if appropriate and subject as otherwise provided herein, interest accrued to the date of repayment, upon the occurrence of any of the following events (each an **Event of Default**):

- (a) the Issuer is in default for any reason whatsoever with respect to the payment of any sum when due or the transfer of any Underlying Assets transferable in respect of the Notes, which default, in the case of any sum, has continued for more than 30 days unless the Guarantor shall have remedied such default before the expiry of such period and save that late transfer of any Underlying Assets in the circumstances referred to in Condition 6(a)(iii) shall not constitute an Event of Default hereunder; or
- (b) the Issuer is in default in the performance of any other obligation under these Terms and Conditions and, if such default is capable of being remedied by the Issuer or the Guarantor, such default has not been so remedied within 60 days after written notification from any Noteholder requiring such default to be remedied has been given to the Issuer; or
- (c) the Issuer is in default under any bond, debenture, note or other evidence of indebtedness (including indebtedness arising under a guarantee) for money borrowed or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Issuer, whether such indebtedness now exists or is hereafter incurred, which has resulted in such indebtedness becoming or being declared due and payable, prior to the date on which it would otherwise have become due and payable, or any such indebtedness is not paid at the stated maturity thereof and such failure to pay continues beyond the grace period, if any, applicable thereto (except, in any of the foregoing cases, where the obligation to pay such indebtedness is being disputed in good faith); or
- (d) the Issuer is adjudicated or found bankrupt or insolvent, or suspends payment, or any order or action is made or taken by any competent court or administrative agency (including, without limitation, in the case of SG Option Europe only, in relation to any protection proceedings, judicial rehabilitation or judicial liquidation), or any resolution is passed by the Issuer, to apply for judicial composition proceedings with its creditors or, in the case of SG Option Europe only, to apply for protection proceedings, judicial rehabilitation, judicial liquidation or voluntary liquidation or for the appointment of a receiver or trustee or other similar official in insolvency proceedings in relation to the Issuer or a substantial part of its assets, or the Issuer is wound up or dissolved; or
- (e) in the case of any Series of Notes in respect of which the Guarantee is stated as being applicable, the Guarantee ceases to be in full force and effect in respect of such Series of Notes, the Receipts or the Coupons, or notice is given by the Guarantor which would cause the Guarantee to cease to be in full force and effect in respect of such Series of Notes, the Receipts or the Coupons, or is rendered void for any cause or by any means whatsoever or any legislation is introduced the result of which would be to remove the benefit of the Guarantee from the Notes, the Receipts or the Coupons, or terminate or amend the same in a manner materially adverse to the interests of the Noteholders, the Receiptholders or the Couponholders, or the Guarantor is unable to perform its obligations thereunder for any reason.

11. Replacement of Notes, Receipts, Coupons and Talons

Should any Note (except any Uncertificated Note) or (in the case of any Bearer Note) Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes), subject to relevant stock exchange requirements and all applicable laws, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity and otherwise as the Issuer or, if applicable, the Guarantor may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Fiscal Agent and Paying Agents

The names of the initial Fiscal Agent, the initial Registrar and the other initial Paying Agent(s) and their initial specified offices are set out below (except with respect to Uncertificated Notes and SIS Notes) and the name(s) and specified office(s) of the Calculation Agent(s) are specified in the applicable Final Terms. In addition, the Fiscal Agent may (with the prior written consent of the relevant Issuer and, if applicable, the Guarantor) delegate certain of its functions and duties in relation to Physical Delivery Notes to a settlement agent (the **Settlement Agent**). In relation to SIS Notes, the Issuer will maintain a Principal Swiss Paying Agent (which, in the case of Notes listed on the SIX Swiss Exchange, shall at all times be a bank or securities dealer that is subject to supervision by the Swiss Financial Market Supervisory Authority FINMA) whose duties will be set out in the Swiss Paying Agency Agreement. In relation to SIS Notes, references in these Conditions to the **Fiscal Agent** shall so far as the context permits be deemed to be references to the Principal Swiss Paying Agent.

In relation to EUI Notes, the Issuer will appoint (and in the case of CDI Notes permanently maintain) an EUI Agent.

The Issuer and the Guarantor are entitled to vary or terminate the appointment of any Paying Agent or Settlement Agent and/or appoint additional or other Paying Agents or Settlement Agents and/or approve any change in the specified office through which any Paying Agent or Settlement Agent acts, provided that (except with respect to Uncertificated Notes):

- (a) so long as the Notes are listed on any stock exchange or admitted to trading or listing by another relevant authority, there will at all times be a Paying Agent (which may be the Fiscal Agent) and a Transfer Agent (which may be the Registrar) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange; and
- (b) there will at all times be a Paying Agent (which may be the Fiscal Agent) with a specified office in a city in continental Europe; and
- (c) so long as any Registered Global Notes are registered in the name of a nominee for DTC, there will at all times be an Exchange Agent and a Paying Agent with a specified office in New York, New York; and
- (d) there will at all times be a Paying Agent in a Member State of the European Union (a **Member State**) that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive (any such Directive or law, an **EU Savings Directive Tax Law**) to the extent that any Member State does not maintain any obligation to so withhold or deduct pursuant to any EU Savings Directive Tax Law; and
- (e) there will at all times be a Fiscal Agent and a Registrar.

In addition, the Issuer and the Guarantor shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the second paragraph of Condition 6(f). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 or more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 15.

Notwithstanding the foregoing, the Issuer undertakes, in respect of any SIS Notes, that it will appoint and maintain a Principal Swiss Paying Agent having a specified office in Switzerland (which, in the case of Notes listed on the SIX Swiss Exchange, shall at all times be a bank or securities dealer that is subject to supervision by the Swiss Financial Market Supervisory Authority FINMA), and will at no time maintain a Paying Agent in respect of any CHF SIS Notes having a specified office outside Switzerland.

Notwithstanding the foregoing, in respect of Uncertificated Notes, the Issuer may appoint or (as the case may be) maintain a paying agent in each jurisdiction where Uncertificated Notes are registered and, if appropriate, for so long as any Uncertificated Notes are listed on the Luxembourg Stock Exchange, the Issuer will maintain a paying agent with a specified office in Luxembourg, all as specified in the applicable Final Terms. In respect of any Uncertificated Notes, the Issuer is entitled to vary or terminate the appointment of the relevant central securities depository and clearing institution or the Additional Paying Agent, provided that the Issuer will appoint another central securities depository and clearing institution or Additional Paying Agent(s), as the case may be, each of them to be duly authorised, in the case of Swedish Uncertificated Notes, under the Swedish Financial Instruments Accounts Act (SFS 1998:1479), or, in the case of Finnish Uncertificated Notes, under the Finnish Act on Book-Entry System (826/1991). The central securities depository and clearing institution and the Additional Paying Agent(s) appointed in respect of Uncertificated Notes act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders. The Issuer shall be entitled to obtain information from the registers maintained by the relevant central securities depository and clearing institution for the purposes of performing its obligations under any Uncertificated Notes. In respect of Swedish Uncertificated Notes, the Issuer will, in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479), appoint (i) Euroclear Sweden as the central securities depository and clearing institution, and (ii) an Additional Paying Agent for Swedish purposes. Such Additional Paying Agent shall be specified in the relevant Final Terms and shall have the characteristics described in Condition 7(g). In respect of Finnish Uncertificated Notes, Euroclear Finland will act as the central securities depository and clearing institution and the Issuer will appoint an Additional Paying Agent for Finnish purposes as specified in the applicable Final Terms. In addition, the Issuer will appoint an Issuer Agent referred to in the rules of Euroclear Finland for Finnish purposes as specified in the applicable Final Terms.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and, if applicable, the Guarantor and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent. If in connection with any Series of Notes the Calculation Agent is Société Générale, its appointment will be governed by the terms of the Calculation Agency Agreement set out in Appendix 1 to the Agency Agreement. In the event that a Calculation Agent other than Société Générale is appointed in connection with any Series of Notes, the terms of its appointment will be summarised in the applicable Final Terms.

13. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

14. Substitution

In the case of Notes issued by SGA Société Générale Acceptance N.V. or SG Option Europe, the Issuer may be replaced and the Guarantor or any subsidiary of the Guarantor may be substituted for the Issuer as principal debtor in respect of the Notes, Receipts and Coupons, without the consent of the Noteholders, Couponholders or Receiptholders. If SGA Société Générale Acceptance N.V. or SG Option Europe determines that the Guarantor or any such subsidiary shall become the principal debtor (in such capacity, the **Substituted Debtor**), it shall give not less than 30 nor more than 45 days' notice, in accordance with Condition 15, to the Noteholders of such event and, immediately on the expiry of such notice, the Substituted Debtor shall become the principal debtor in respect of the Notes, Receipts and the Coupons in place of the Issuer and the Noteholders,

Receptholders and Couponholders shall thereupon cease to have any rights or claims whatsoever against the Issuer. However, no such substitution shall take effect:

- (a) if the effect of such substitution would, at the time of such substitution, be that payments in respect of the Notes would be required to be made subject to any withholding or deduction which would not otherwise arise in the absence of such substitution;
- (b) if the Substituted Debtor is not the Guarantor, until the Guarantor shall have entered into an unconditional and irrevocable guarantee substantially in the form of the Guarantee in respect of the obligations of such Substituted Debtor;
- (c) in any case, until the Substituted Debtor shall have provided to the Fiscal Agent such documents as may be necessary to make the Notes and the Agency Agreement its legal, valid and binding obligations; and
- (d) until such Substituted Debtor shall have been approved in writing by the relevant authorities as able to issue the relevant Notes.

Upon any such substitution, the Notes, Receipts, Coupons and Talons will be modified as required, and the Noteholders will be notified of the modified terms and conditions of such Notes, Receipts, Coupons and Talons in accordance with Condition 15.

References herein to the **Issuer** shall be references to the party specified as such in the applicable Final Terms (as defined below).

The Notes are issued by the Issuer with the benefit of an amended and restated agency agreement dated 27 April 2010 (the **French Law Agency Agreement**, which expression includes the same as it may be modified and/or supplemented and/or restated from time to time) and made between, *inter alios*, the Issuer, the Guarantor (as defined below), Société Générale Bank & Trust as fiscal agent and, if so specified in the applicable Final Terms, as calculation agent (the **Fiscal Agent** and the **Calculation Agent** respectively, which expressions shall include, in each case, any additional or successor agent or any other calculation agent appointed from time to time specified in the applicable Final Terms) and the other paying agents named therein (such paying agents, together with the Fiscal Agent, the **Paying Agents**, which expression shall include any additional or successor paying agents appointed from time to time).

The final terms for this Note (or other relevant provisions thereof) are set out in Part A of the Final Terms. The applicable Final Terms (or other relevant provisions thereof) supplement these terms and conditions (the **Terms and Conditions** or the **Conditions**) and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of the relevant Notes. References herein to the **applicable Final Terms** are to Part A of the Final Terms (or other relevant provisions thereof) and, if applicable, any schedules to the Final Terms prepared in connection with this Note.

As used herein, **Tranche** means Notes which are identical in all respects and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) identical in all respects except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

- (b) *Denomination(s)*

Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the **Specified Denomination(s)**) save that the minimum denomination of each Note issued by Société Générale or SG Option Europe and admitted to trading on a regulated market within the European Economic Area other than a regulated market in France or offered to the public in a Member State of the European Economic Area other than France in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency). Dematerialised Notes shall be issued in one Specified Denomination only.

(c) *Title*

- (i) Title to Dematerialised Notes in bearer dematerialised form (au porteur) and in administered registered form (au nominatif administré) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of Euroclear France Account Holders. Title to Dematerialised Notes in fully registered form (au nominatif pur) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts in the books of Euroclear France maintained by the Issuer or by the Registration Agent.
- (ii) Title to Materialised Bearer Notes in definitive form having, where appropriate, Coupons, Receipt(s) and/or a Talon attached thereto on issue (Definitive Materialised Bearer Notes), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, Noteholder or holder means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Euroclear France Account Holder, the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Bearer Note and the Receipts, Coupons, or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(d) *Conversion of Dematerialised Notes*

Any such conversion shall be effected at the cost of the Noteholder.

(e) *Exchange of Materialised Notes*

Materialised Bearer Notes of one Specified Denomination may not be exchanged for Materialised Bearer Notes of another Specified Denomination.

2. Status of the Notes and Guarantee

(a) *In the case of Unsubordinated Notes issued by Société Générale*

Unsubordinated Notes issued by Société Générale are direct, unconditional and (subject to Condition 3) unsecured and unsubordinated obligations of the Issuer and (subject as aforesaid) rank *pari passu*

with all other present and future direct, unconditional, unsecured and unsubordinated obligations of the Issuer (except any such obligations as are preferred by law) and *pari passu* and rateably without any preference or priority among themselves.

(b) *In the case of Subordinated Notes issued by Société Générale*

(i) *General*

Subordinated Notes (which term shall include both Subordinated Notes (as described in this Condition 2(b)(i)) with a specified maturity date (**Dated Subordinated Notes**) as well as Subordinated Notes (as described in this Condition 2(b)(i)) without a specified maturity date (**Undated Subordinated Notes**)) issued by Société Générale, will be direct, unconditional, unsecured and subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and *pari passu* with any other present and future direct, unconditional, unsecured and subordinated obligations of the Issuer with the exception of the *prêts participatifs* granted to the Issuer and the *titres participatifs* issued by the Issuer. If any judgment is rendered by any competent court declaring the judicial liquidation (*liquidation judiciaire*) of the Issuer or if the Issuer is liquidated for any other reason, the rights of payment of the holders of Subordinated Notes issued by Société Générale shall be subordinated to the payment in full of unsubordinated creditors (including depositors) and, subject to such payment in full, the holders of such Subordinated Notes shall be paid in priority to any *prêts participatifs* granted to the Issuer and any *titres participatifs* issued by it. In the event of incomplete payment of unsubordinated creditors, the obligations of the Issuer in connection with Subordinated Notes issued by Société Générale will be terminated. The holders of such Subordinated Notes shall take all steps necessary for the orderly accomplishment of any collective proceedings or voluntary liquidation.

(ii) *In the case of Dated Subordinated Notes issued by Société Générale*

Unless otherwise specified in the applicable Final Terms, in the case of Dated Subordinated Notes issued by Société Générale, payments of interest constitute obligations which rank equally with the obligations of Société Générale in respect of Unsubordinated Notes issued by Société Générale in accordance with Condition 2(a).

(iii) *In the case of Undated Subordinated Notes issued by Société Générale*

In the case of Undated Subordinated Notes issued by Société Générale, the payment of interest may be deferred in accordance with the provisions of Condition 4(g) of the Terms and Conditions of the relevant Notes.

The proceeds of issues of Undated Subordinated Notes issued by Société Générale may be used for off-setting losses of Société Générale and, thereafter, to allow it to continue its activities in accordance with French banking regulations. The proceeds of such issues will be classed amongst the funds of Société Générale in accordance with Article 4(c) of *Règlement* No. 90-02 of the *Réglementation bancaire et financière*. This provision does not in any way affect any French law applicable to accounting principles relating to allocation of losses nor the duties of shareholders and does not in any way affect the rights of the Noteholders and (if applicable), Receiptholders or Couponholders to receive payments of principal and interest under the Notes and (if applicable), Receipts or Coupons in accordance with these Terms and Conditions.

(c) *In the case of Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe*

Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe are direct, unconditional and (subject to Condition 3) unsecured and unsubordinated obligations of the Issuer and will rank *pari passu* without any preference among themselves and (subject to such exceptions as from time to time exist

under applicable law) at least *pari passu* with all other outstanding direct, unconditional, unsecured and unsubordinated obligations of the Issuer, present and future.

(d) *Guarantee in the case of Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe*

The due and punctual payment of any amounts due by the Issuer in respect of any Series of Notes issued by SGA Société Générale Acceptance N.V. or SG Option Europe is unconditionally and irrevocably guaranteed by the Guarantor as provided in the deed of guarantee dated 27 April 2010 (the **Guarantee**); provided that (i) the Guarantee shall not apply to any Series of Notes issued on or after the date of the Guarantee by SGA Société Générale Acceptance N.V. or SG Option Europe to the extent that, at the Issue Date of such Series of Notes, the sum of (A) the Aggregate Nominal Amount of such Series of Notes and (B) the sum of the Aggregate Nominal Amounts of each Series of Notes issued by the Issuer and outstanding on such Issue Date, in each case, converted into euro at the relevant spot rate of exchange on such Issue Date, is equal to an amount which exceeds €125,000,000,000 and (ii) in the case of any Physical Delivery Notes in respect of which the relevant guaranteed obligation of the Issuer is an obligation to transfer the Underlying Asset(s) in respect of a Physical Delivery Amount, the Guarantor shall, in lieu of such transfer, be obliged to pay a cash amount in the relevant Specified Currency equal to the fair market value (as determined by the Calculation Agent in its sole discretion, but in a commercially reasonable manner on or about the due date for transfer of the relevant Underlying Asset(s) in respect of the Physical Delivery Amount) of the Underlying Asset(s) in respect of the Physical Delivery Amount. For the purposes of this Condition 2(d), all references to "this Guarantee" and related expressions shall be to the Guarantee and to the French language version of the Guarantee in respect of Series of Notes for which the French language is the binding language (the **French Guarantee**) and in respect of which the nominal amount of the guaranteed Notes under the French Guarantee shall, when added (i) to the nominal amount of the guaranteed Notes under the Guarantee and (ii) to the Aggregate Nominal Amount of each Series of Notes outstanding, not exceed the Guarantee Limit.

The Guarantee constitutes a direct, unconditional, unsecured and general obligation of the Guarantor and ranks and will rank *pari passu* with all other existing and future direct, unconditional, unsecured and general obligations of the Guarantor, including those in respect of deposits, but excluding any debts for the time being preferred by law and senior to any subordinated obligations.

3. Negative Pledges

(a) *Negative Pledge in the case of Unsubordinated Notes issued by, or Notes guaranteed by, Société Générale*

If the Notes are (i) Unsubordinated Notes issued by Société Générale or (ii) Notes issued by SGA Société Générale Acceptance N.V. or SG Option Europe and guaranteed by Société Générale pursuant to the Guarantee, Société Générale will not, so long as such Notes, or any Receipts or Coupons relating, thereto remain outstanding, create or have outstanding a **Security Interest** (other than a Permitted Security Interest) upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness (as defined below), unless Société Générale, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that all amounts payable by it under the Notes and the Coupons are secured by the Security Interest equally and rateably with the Relevant Indebtedness.

For the purposes of these Conditions:

Permitted Security Interest means (i) any Security Interest created or outstanding upon any property or assets (including current and/or future revenues, accounts, receivables and other payments) of Société Générale arising out of any securitisation or other similar structured finance transaction involving such property or assets where the primary source of payment of any obligations secured by such property or assets is the proceeds of such property or assets (or where the payment of such obligations is otherwise supported by such

property or assets) and where recourse to Société Générale in respect of such obligations does not extend to defaults by the obligors in relation to such property or assets; or (ii) a lien arising solely by operation of law.

Relevant Indebtedness means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures (including, without limitation, obligations, as such term is defined for the purposes of French law) or other securities in each case of Société Générale, SGA Société Générale Acceptance N.V. or SG Option Europe, which (with the consent of the relevant Issuer) are for the time being quoted, listed or ordinarily dealt in on any stock exchange or regulated securities market and (ii) any guarantee or indemnity of any such indebtedness.

Security Interest means any mortgage, charge, lien, pledge or other encumbrance.

For the avoidance of doubt it is confirmed that Notes issued prior to 27 April 2010 under an earlier version of the Programme shall continue to benefit from the negative pledge set out in the terms and conditions relating to such Notes.

- (b) *Negative Pledge in the case of Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe*

If the Notes are issued by SGA Société Générale Acceptance N.V. or SG Option Europe, the relevant Issuer will not, so long as such Notes, or any Receipts or Coupons relating, thereto remain outstanding, create or have outstanding any Security Interest upon, or with respect to, any of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness (as defined below), unless the relevant Issuer, in the case of the creation of a Security Interest, before or at the same time and, in any other case, promptly, takes any and all action necessary to ensure that all amounts payable by it under the Notes and the Coupons are secured by the Security Interest equally and rateably with the Relevant Indebtedness.

Relevant Indebtedness means (i) any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures (including, without limitation, obligations, as such term is defined for the purposes of French law) or other securities, in each case of SGA Société Générale Acceptance N.V. or SG Option Europe, which (with the consent of the relevant Issuer) are for the time being quoted, listed or ordinarily dealt in on any stock exchange, or regulated securities market and (ii) any guarantee or indemnity of any such indebtedness.

For the avoidance of doubt, it is confirmed that Notes issued prior to 27 April 2010 under an earlier version of the Programme shall continue to benefit from the negative pledge set out in the terms and conditions relating to such Notes.

4. Interest

- (a) *Interest on Fixed Rate Notes*

- (1) Unadjusted Fixed Rate Notes

Unless otherwise specified in the applicable Final Terms, each Unadjusted Fixed Rate Note bears interest from (and including or, in respect of Swedish Uncertificated Notes, but excluding) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Unless otherwise specified in the applicable Final Terms, if the Notes are Definitive Bearer Notes, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on such date

will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes which are Definitive Bearer Notes where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are Uncertificated Notes or Notes represented by a global Note, the aggregate outstanding nominal amount of the Notes of the relevant Series (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Fixed Rate Notes which are Definitive Bearer Notes or Definitive Registered Notes, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise as specified in the applicable Final Terms. Where the Specified Denomination of a Fixed Rate Note which is a Definitive Bearer Note or a Definitive Registered Note is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(2) Adjusted Fixed Rate Notes

- (i) Unless otherwise specified in the applicable Final Terms, each Adjusted Fixed Rate Note bears interest from (and including or, in respect of Swedish Uncertificated Notes, but excluding) the Interest Commencement Date specified in the applicable Final Terms, and such interest will be payable in respect of each Interest Period and in arrear on the Interest Payment Date(s) in each year specified in the applicable Final Terms; provided that (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:
 - (A) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
 - (B) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
 - (C) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day,

and the expression **Interest Payment Date** shall be construed accordingly.

- (ii) The Fiscal Agent will calculate the amount of interest (the **Adjusted Fixed Rate Interest Amount**) payable on the Adjusted Fixed Rate Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit

(defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

The Fiscal Agent will cause the Adjusted Fixed Rate Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor and any stock exchange on which the relevant Adjusted Fixed Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Adjusted Fixed Rate Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Fixed Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of these Conditions, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Luxembourg.

(3) Definitions

- (A) A **Fixed Rate Note** means a Note which bears a fixed rate of interest.
- (B) An **Unadjusted Fixed Rate Note** means a Fixed Rate Note in respect of which the interest amount and the Interest Payment Date remain unchanged and are calculated as provided in Condition 4(a)(1) above;
- (C) An **Adjusted Fixed Rate Note** means a Fixed Rate Note in respect of which the interest amount and the Interest Payment Date are subject to modification in accordance with Condition 4(a)(2) above.

Equity Linked Notes and Commodity Linked Notes may provide for a method of calculating interest on Fixed Rate Notes which does not require any Day Count Fraction as interest payable on each specified Interest Payment Date is determined by applying a fixed specified percentage to the Specified Denomination as it shall be detailed in the applicable Final Terms and/or Schedule thereto.

(b) *Interest on Variable Rate Notes*

(i) *Interest Payment Dates*

Unless otherwise specified in the applicable Final Terms, each Floating Rate Note, Index Linked Interest Note and other Note in respect of which the relevant interest is not determined pursuant to a fixed Rate of Interest (together, the **Variable Rate Notes**) bears interest from (and including) the Interest Commencement Date specified in the applicable Final Terms, and such interest will be payable in respect of each Interest Period and in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Interest Payment Date specified in the applicable Final Terms an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur

or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (C) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the **Floating Rate Convention**, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply *mutatis mutandis* or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (D) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (E) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (F) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the immediately preceding Business Day.

Notwithstanding the foregoing, where the applicable Final Terms specifies that the relevant Business Day Convention is to be applied on an **unadjusted** basis, the Interest Amount payable on any date shall not be affected by the application of such Business Day Convention.

In this Condition 4, **Business Day** means (unless otherwise stated in the applicable Final Terms) a day which is both:

- (G) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in each Additional Business Centre(s) specified in the applicable Final Terms; and
- (H) either (x) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre(s) of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) or (y) in relation to any sum payable in euro, a day on which the TARGET2 System is open (a **TARGET2 Business Day**). In these Terms and Conditions, **TARGET2 System** means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of the Variable Rate Notes will be determined in the manner specified in the applicable Final Terms, which may be, without limitation:

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Fiscal Agent or other person specified in the applicable Final Terms, under an interest rate swap transaction if the Fiscal Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions (as defined below) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (x) if the applicable Floating Rate Option is based on the London interbank offered rate (**LIBOR**), or on the Euro-zone interbank offered rate (**EURIBOR**), the first day of that Interest Period or (y) in any other case, as specified in the applicable Final Terms.

For purposes of this subparagraph, **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity, Reset Date** and **Euro-zone** have the meanings given to those terms in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. (the **ISDA Definitions**) and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series.

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(B) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR or 11.00 a.m., Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Fiscal Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Fiscal Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the Specified Time, the Fiscal Agent shall request the principal London office of each of the Reference Banks (as defined below) to provide the Fiscal Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Fiscal Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Fiscal Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Fiscal Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Fiscal Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR), or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Fiscal Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer and the Fiscal Agent suitable for such purpose) informs the Fiscal Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR), or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) (or, as the case may be, the quotations of such bank or banks to the Fiscal Agent) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

Reference Banks means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Fiscal Agent or as specified in the applicable Final Terms.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or, as the case may be, EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(C) Other Determination

Where a manner of determination other than ISDA Determination or Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined in the manner so specified (including, if so specified, by reference to the Technical Annex to the Terms and Conditions).

(iii) *Minimum and/or Maximum Rate of Interest and/or Rate Multiplier*

Subject to the provisions of Condition 4(b)(ii)(A), if the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

If the applicable Final Terms specifies a Rate Multiplier for any Interest Period, then, the Rate of Interest in respect of any such Interest Period shall be multiplied by the relevant Rate Multiplier, subject always to the Minimum and/or Maximum Rate of Interest as described above.

If n/N or n_b/N_b is specified as the Rate Multiplier in the applicable Final Terms, the following definitions shall apply, unless otherwise specified in the applicable Final Terms:

n means the number of calendar days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N means the total number of calendar days within the relevant Interest Period.

n_b means the number of Business Days in the relevant Interest Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the Calculation Agent.

N_b means the total number of Business Days within the relevant Interest Period.

Lower Limit means, in respect of the relevant Interest Period, the limit specified in the applicable Final Terms.

Benchmark means, in respect of any calendar day (in respect of the definition of **n**) or, as applicable, Business Day (in respect of the definition of **n_b**) of the relevant Interest Period, unless otherwise specified in the applicable Final Terms:

- if **USD-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “USD-LIBOR-BBA” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, USD-LIBOR will be determined by the Calculation Agent as aforesaid in

accordance with the Floating Rate Option “USD-LIBOR-Reference Banks” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).

- if **GBP-LIBOR** is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is “GBP-LIBOR-BBA” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date). If on any Benchmark Day, such rate does not appear on Reuters Screen LIBOR01 Page, GBP-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option “GBP-LIBOR-Reference Banks” (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).

For the purposes hereof, (i) the value of the Benchmark on any calendar day of the relevant Interest Period which is not a Benchmark Day shall be deemed to be the value ascribed to the Benchmark on the first preceding Benchmark Day and (ii) the value of the Benchmark on each of the last four TARGET2 Business Days of any Interest Period shall be deemed to be the value ascribed to the Benchmark on the fifth TARGET2 Business Day (or the Benchmark Day immediately preceding such fifth TARGET2 Business Day if such fifth TARGET2 Business Day is not a Benchmark Day) preceding the Interest Payment Date relating to such Interest Period.

(iv) *Determination of Rate of Interest and calculation of Interest Amount*

The Fiscal Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of all other Variable Rate Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Variable Rate Notes except Floating Rate Notes, the Calculation Agent will notify the Fiscal Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same (but in no event later than the first Business Day after such calculation).

The Fiscal Agent will calculate the amount of interest (the **Interest Amount**) payable on the Variable Rate Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

(v) *Notification of Rate of Interest and Interest Amount*

The Fiscal Agent will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Guarantor and any stock exchange on which the relevant Variable Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after the calculation or determination thereof (provided that, in the case of notification to any stock exchange, such notice will be given by no later than the first day of the relevant Interest Period or, if that is impossible due to the date fixed for such determination or calculation, as soon as practicable on or after such date). Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Variable Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of these Conditions, the expression **Luxembourg Business**

Day means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Luxembourg.

(c) *Zero Coupon Notes*

Where a Zero Coupon Note becomes due and repayable and is not paid when due, the amount due and repayable shall be the amount determined in accordance with Condition 6(h) and notified in accordance with Condition 4(b)(v), *mutatis mutandis*.

(d) *Physical Delivery Notes and Dual Currency Notes*

The rate or amount of interest payable in respect of Physical Delivery Notes or Dual Currency Notes shall be determined in the manner, and by the party, specified in the applicable Final Terms and notified in accordance with Condition 4(b)(v), *mutatis mutandis*.

(e) *Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and/or otherwise as specified in the applicable Final Terms.

(f) *Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if applicable) from the due date for its redemption unless, upon due presentation thereof, payment of principal (or, in the case of any Physical Delivery Note, transfer of the Underlying Asset(s) in respect of the Physical Delivery Amount) is improperly withheld or refused (provided that, in the case of any Physical Delivery Amount, transfer shall not be deemed to have been improperly withheld or refused where such transfer is delayed by reason of circumstances beyond the control of the relevant Issuer or any of its Agents). In such event, interest will continue to be calculated and to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

(g) *Deferral of Interest*

In the case of Undated Subordinated Notes, interest shall be payable on each Compulsory Interest Payment Date (as defined below) in respect of the interest accrued in the interest period ending on the day immediately preceding such date. On any Optional Interest Payment Date (as defined below) there may be paid (if Société Générale so elects) the interest accrued in the interest period ending on the day immediately preceding such date, but Société Générale shall not have any obligation to make such payment. Any interest not paid on an Optional Interest Payment Date shall, so long as the same remains unpaid, constitute **Arrears of Interest** which term shall include interest on such unpaid interest as referred to below. Arrears of Interest may, at the option of Société Générale, be paid in whole or in part at any time upon the expiration of not less than seven days' notice to such effect given to the Noteholders in accordance with Condition 14, but all Arrears of Interest on all Undated Subordinated Notes outstanding shall become due in full on whichever is the earliest of: (A) the interest payment date immediately following the date upon which a dividend is paid on any class of share capital of Société Générale, and (B) the commencement of a liquidation or dissolution of Société Générale. If notice is given by Société Générale of its intention to pay the whole or part of Arrears of Interest, Société Générale shall be obliged to do so upon the expiration of such notice. When Arrears of Interest are paid in part, each such payment shall be applied in or towards satisfaction of the full amount of the Arrears of Interest

accrued in respect of the earliest interest period in respect of which Arrears of Interest have accrued and have not been paid in full. Arrears of Interest shall (to the extent permitted by law) bear interest accruing and compounding on a daily basis at the prevailing rate of interest on the Undated Subordinated Notes in respect of each relevant interest period. For these purposes the following expressions have the following meanings:

Compulsory Interest Payment Date means any Interest Payment Date unless at the *Assemblée Générale* immediately preceding such date which was required to approve the annual accounts of Société Générale for the fiscal year ended prior to such *Assemblée Générale*, no resolution was passed to pay a dividend on any class of share capital of Société Générale in respect of such previous fiscal year.

- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(h)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7. Any reference in these Terms and Conditions to “interest accrued” or “accrued interest” shall be deemed to include any Arrears of Interest suspended as provided in Condition 4(g).

In the case of Physical Delivery Notes, references in these Terms and Conditions to principal and/or interest and Physical Delivery Amount(s) shall mean such amount less any expenses, fees, stamp duty, levies or other amounts payable on or in respect of the relevant Physical Delivery Amount(s).

(h) *Currency unavailability*

This paragraph shall apply when payment is due to be made in respect of any Note, Receipt or Coupon in the Specified Currency (other than where the Specified Currency is euro) and the Specified Currency is not available to the Issuer or the Guarantor (as applicable) due to the imposition of exchange controls, the Specified Currency's replacement or disuse or other circumstances beyond the control of the Issuer or the Guarantor (as applicable) (**Currency Unavailability**). In the event of

Currency Unavailability, the Issuer or the Guarantor (as applicable) will be entitled to satisfy its obligations to the holder of such Note, Receipt or Coupon by making payment in euro on the basis of the spot exchange rate at which the Specified Currency is offered in exchange for euro in an appropriate inter-bank market at noon, Paris time, four Business Days prior to the date on which payment is due or, if such spot exchange rate is not available on that date, as of the most recent prior practicable date. Any payment made in euro in accordance with this paragraph will not constitute an Event of Default.

6. Redemption and Purchase

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms and, if so specified, by reference to the Technical Annex to these Terms and Conditions (or, in the case only of Physical Delivery Notes where the applicable Final Terms specifies that such Notes will be redeemed by the transfer of the Underlying Asset(s) with respect to a Physical Delivery Amount, by the transfer of the Underlying Asset(s) specified in, or determined in the manner specified in, the applicable Final Terms) in the relevant Specified Currency on the Maturity Date.

(b) *Redemption for tax reasons*

The Notes may be redeemed at the option of the Issuer or, as the case may be, the Guarantor in whole, but not in part, at any time (in the case of the Notes other than Floating Rate Notes or any other interest bearing Notes in respect of which the Rate of Interest is not calculated on a fixed rate basis (**Variable Interest Notes**)) or on any Interest Payment Date (in the case of Floating Rate Notes or Variable Interest Notes) but subject, in the case of Subordinated Notes, to the prior written approval of the *Secrétariat général de la Commission bancaire* in France, on giving not less than 30 nor more than 45 days' notice to the Fiscal Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if:

- (i) immediately prior to the giving of such notice the Issuer or the Guarantor has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of a Tax Jurisdiction (as defined in Condition 7) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, as the case may be, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph 6(h) below together (if appropriate) with accrued interest to (but excluding) the date of redemption.

(c) *Special Tax Redemption*

If the Issuer or, as the case may be, the Guarantor would, on the occasion of the next payment of principal or interest in respect of the Notes, be prevented by the law of a Tax Jurisdiction from causing payment to be made to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 7(b), then the Issuer or the Guarantor, as the case may be, shall

forthwith give notice of such fact to the Fiscal Agent and the Issuer or the Guarantor, as the case may be, shall, subject, in the case of Subordinated Notes, to the prior written approval of the *Secrétariat général de la Commission bancaire* in France, upon giving not less than seven nor more than 45 days' prior notice to the Noteholders in accordance with Condition 14, forthwith redeem all, but not some only, of the Notes at their Early Redemption Amount, together, if appropriate, with accrued interest, on the latest practicable Interest Payment Date on which the Issuer or the Guarantor, as the case may be, could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice to Noteholders shall be the later of:

- (i) the latest practicable date on which the Issuer or the Guarantor, as the case may be, could make payment of the full amount then due and payable in respect of the Notes; and
 - (ii) 14 days after giving notice to the Fiscal Agent as aforesaid.
- (d) *Final Terms*

The Final Terms applicable to the Notes indicate either:

- (i) that the Notes cannot be redeemed prior to their Maturity Date (except as otherwise provided in paragraphs (b) and (c) above and in Condition 9); or
 - (ii) that such Notes will be redeemable at the option of the Issuer and/or the holders of the Notes prior to such Maturity Date in accordance with the provisions of paragraphs (e) and/or (g) below on the date or dates and at the amount or amounts indicated in the applicable Final Terms.
- (e) *Redemption at the Option of the Issuer*

If the Issuer is specified in the applicable Final Terms as having an option to redeem, the Issuer may, subject, in the case of Subordinated Notes, to the prior written approval of the *Secrétariat général de la Commission bancaire* in France, having (unless otherwise specified in the applicable Final Terms) given not less than 30 nor more than 45 days' notice, in accordance with Condition 14, to the Noteholders (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all of the Notes or some only of the Notes then outstanding on any Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date(s). Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, both as indicated in the applicable Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a redemption of some Materialised Notes only, the notice to holders of such Materialised Notes shall also contain the serial numbers of the Definitive Materialised Bearer Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

In the case of a partial redemption of Dematerialised Notes, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Notes and, in such latter case, the choice between those Dematerialised Notes that will be fully redeemed and those Dematerialised Notes of any Series that will not be redeemed shall be made in accordance

with article R. 213-16 of the *Code monétaire et financier* and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and stock exchange requirements.

In respect of any Note, any notice given by the Issuer pursuant to this Condition 6(e) shall be void and of no effect in relation to that Note in the event that, prior to the giving of such notice by the Issuer, the holder of such Note had already delivered a Put Notice in relation to that Note in accordance with Condition 6(g).

In the case of Subordinated Notes which constitute Tier 2 Capital, the Optional Redemption Date may only occur on or after the fifth anniversary of the Issue Date of such Notes.

(f) *Optional Outstanding Notes Trigger Call:*

If "Trigger Redemption Option" is specified in the applicable Final Terms as being applicable, then, in the event that at any time during the life of the Notes and for any reason whatsoever, the **Aggregate Outstanding Nominal Amount** of the Notes equals or falls below the **Outstanding Amount Trigger Level**, then the Issuer shall have the right at its sole and absolute discretion exercised reasonably, and subject to any applicable law and regulation, to redeem all (but not some only) of the remaining outstanding Notes early at their **Early Trigger Level Redemption Amount** upon giving not less than 15 Business Days notice in accordance with Condition 14 specifying the basis upon which such early redemption was effected.

For the purpose hereof:

Aggregate Outstanding Nominal Amount means, at any time, the product of (a) the Specified Denomination and (b) the number of Notes outstanding held at such time by Noteholders other than Société Générale or its affiliates for their own account as determined in good faith by the Fiscal Agent in consultation with the clearing institution(s) in or through which the Notes are held and transactions in such Notes are cleared.

Early Trigger Level Redemption Amount means the Early Redemption Amount for such Notes as determined in accordance with paragraph (h)(v) below.

Outstanding Amount Trigger Level means the level specified as such in the applicable Final Terms or, if no such level is so specified, 10% of the Aggregate Nominal Amount of the Notes initially issued.

Under no circumstances will the Optional Outstanding Notes Trigger Call be applied for any issue of Subordinated Notes.

(g) *Redemption at the Option of the Noteholders*

In the case of Subordinated Notes, there will be no redemption at the option of the Noteholders.

If the Noteholders are specified in the applicable Final Terms as having an option to require the Issuer to redeem any Note, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Final Terms the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. It may be that before an option to require the Issuer to redeem any Note can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of a Note the Noteholder must, if the Note is a Materialised Bearer Note or a Dematerialised Note and is held outside a Clearing System, deposit with any Paying Agent at its specified office a duly completed option exercise notice (the **Put Notice**) in the form obtained from any

Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Bearer Notes, the Put Notice shall have attached to it such Note(s) (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paying Agent specified in the Put Notice.

If the Note is a Materialised Bearer Note and is held through a Clearing System, to exercise the right to require redemption of the Note, the Noteholder must, within the notice period, give notice to the Fiscal Agent of such exercise in accordance with the standard procedures of the Clearing System (which may include notice being given on his instruction by such Clearing System or any common depository for them to the Fiscal Agent by electronic means) in a form acceptable to such Clearing System from time to time and, if this Note is represented by a temporary global certificate (as prescribed in the French Law Agency Agreement), at the same time present or procure the presentation of such temporary global certificate to the Fiscal Agent for notation accordingly.

Notwithstanding the foregoing, the right to require redemption of such Notes in accordance with this Condition 6(g) must be exercised in accordance with the rules and procedures of the Clearing System and if there is any inconsistency between the above and the rules and procedures of the relevant Clearing System, then the rules and procedures of the relevant Clearing System shall prevail.

For the purposes of this Condition, **Clearing System** shall mean Euroclear France, Euroclear, Clearstream, Luxembourg and/or any other clearing system or institution through which the Notes are held for the time being and such shall include (where appropriate) any relevant central securities depository relating thereto.

Any Put Notice given by a holder of any Note pursuant to this paragraph (g) shall be:

- (i) irrevocable except where prior to the due date of redemption an Event of Default has occurred and is continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph (g) and instead to declare such Note forthwith due and payable pursuant to Condition 9; and
- (ii) void and of no effect in relation to such Note in the event that, prior to the giving of such Put Notice by the relevant holder (A) the Issuer had notified the Noteholders of its intention to effect a partial redemption of the Notes in a Series and such Note had been selected for redemption (including, without limitation, pursuant to the partial reduction in the nominal amount of all Notes in a Series or the redemption in full some only of the Notes in a Series), or (B) the Issuer had notified the Noteholders of its intention to redeem all of the Notes in a Series then outstanding, in each case pursuant to Condition 6(e).

(h) *Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 9, unless otherwise specified in the applicable Final Terms, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the Final Terms, at their nominal amount; or

- (iii) in the case of Physical Delivery Notes, as determined in the manner specified in the applicable Final Terms; or
- (iv) in the case of Zero Coupon Notes, at an amount (the **Amortised Face Amount**) equal to the sum of:
 - (A) the Reference Price specified in the applicable Final Terms; and
 - (B) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.
- (v) if Market Value is specified in the applicable Final Terms as the Early Redemption Amount, at an amount determined by the Calculation Agent, which, on the due date for the redemption of the Note, shall represent the fair market value of the Notes and shall have the effect (after taking into account the costs of unwinding any hedging arrangements entered into in respect of the Notes) of preserving for the Noteholders the economic equivalent of the obligations of the Issuer to make the payments in respect of the Notes which would, but for such early redemption, have fallen due after the relevant early redemption date. In respect of Notes bearing interest, notwithstanding the last sentence of Condition 6(b), the ninth line of Condition 6(c) and the first paragraph of Condition 8, the Early Redemption Amount, as determined by the Calculation Agent in accordance with this paragraph shall include any accrued interest to (but excluding or, in respect of Swedish Uncertificated Notes, and including) the relevant early redemption date and apart from any such interest included in the Early Redemption Amount, no interest, accrued or otherwise, or any other amount whatsoever will be payable by the Issuer or, as the case may be, the Guarantor in respect of such redemption.

Where such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction, if applicable, specified in the applicable Final Terms.

(i) *Instalments*

If the Notes are repayable in instalments, they will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (h) above.

(j) *Partly Paid Notes*

If the Notes are Partly Paid Notes:

- (i) they will be subscribed at the Part Payment Amounts and on the Part Payment Dates specified in the applicable Final Terms. Unless otherwise specified in the applicable Final Terms, the obligation to pay a Part Payment Amount on the relevant Part Payment Date is only incurred by the holders of the Notes on such Part Payment Date;
- (ii) unless otherwise specified in the applicable Final Terms, they will be redeemed on the Maturity Date at their nominal amount and on any Optional Redemption Date at their paid-up nominal amount as at the date fixed for redemption;
- (iii) unless otherwise specified in the applicable Final Terms, in the event that any Noteholder fails to pay a Part Payment Amount on the relevant Part Payment Date (such date a **Part Payment**

Default Date), any such Notes held by such Noteholder shall automatically be redeemed on the relevant Early Redemption Date, at the Settlement Amount.

For the purposes of this Condition 6(j) and unless otherwise specified in the applicable Final Terms:

Early Redemption Date means, in respect of any Note, the seventh Payment Business Day following a Part Payment Default Date;

Settlement Amount means, in respect of any Note, an amount determined by the Calculation Agent in accordance with the following formula:

Max [0; [Paid-up Nominal Amount – Unwinding Costs]]

where:

Paid-up Nominal Amount means, in respect of any Part Payment Date, the paid-up nominal amount of the relevant Note up to (and including) the applicable Part Payment Date. Interest will neither accrue nor be payable in respect of the period from and including the applicable Part Payment Default Date to and including the applicable Early Redemption Date; and

Unwinding Costs means the pro-rata share, in respect of each Note, of the losses (expressed as a positive number) or the gains (expressed as a negative number) of unwinding all hedging arrangements (taking into account the present value of any Part Payment Amount(s) remaining to be paid in respect of the Notes) entered into or purchased by the Issuer and/or the Guarantor in respect of the Notes;

(k) *Purchases*

The Issuer or the Guarantor (if applicable) may, subject as provided in the next paragraph, at any time purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise, in accordance with applicable laws and regulations. In the case of Notes issued by Société Générale, SG Option Europe or SGA Société Générale Acceptance N.V., Notes purchased by or on behalf of the Issuer, will be surrendered to a Paying Agent for cancellation (together with all unmatured Receipts, Coupons and Talons appertaining thereto).

In the case of Subordinated Notes, Société Générale may at any time purchase such Notes, provided that the prior written approval of the *Secrétariat général de la Commission bancaire* in France shall be obtained (i) if the total principal amount of the Notes so purchased exceeds 10 per cent. of the initial aggregate principal amount of the Notes and (ii) in the case of an *offre publique d'achat* (cash take-over bid) or an *offre publique d'échange* (paper take-over bid).

(l) *Cancellation*

All Notes purchased by or on behalf of the Issuer must be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Bearer Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Bearer Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons to a Paying Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Receipts, Coupons and Talons appertaining thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(m) *Late Payment on Zero Coupon Notes*

Except as provided in the applicable Final Terms, if the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note, pursuant to paragraph (a), (b), (c), (e) or (g) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (h)(iv) above as though the references therein to the date fixed for the redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of the Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

(n) *Redemption of Materialised Notes*

Notwithstanding the foregoing provisions of this Condition, the redemption of Materialised Notes may be subject to certain special restrictions and procedures, as set out in the applicable Final Terms.

7. *Taxation*

- (a) In the case of Notes issued by Société Générale, SG Option Europe or SGA Société Générale Acceptance N.V., all payments in respect of such Notes, Receipts and Coupons or under the Guarantee shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law.
- (b) In the event that any amounts are required to be deducted or withheld for, or on behalf of, any Tax Jurisdiction, the relevant Issuer or, as the case may be, the Guarantor shall, to the fullest extent permitted by law, pay such additional amount as may be necessary, in order that each Noteholder, Receiptholder or Couponholder, after deduction or withholding of such taxes, duties, assessments or governmental charges, will receive the full amount then due and payable provided that no such additional amount shall be payable with respect to any Note, Receipt or Coupon:
 - (i) presented for payment by or on behalf of a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his being connected with the Netherlands Antilles (in the case of payments by SGA Société Générale Acceptance N.V.) or France (in the case of payments by Société Générale or SG Option Europe) other than by the mere holding of such Note, Receipt or Coupon; or
 - (ii) presented for payment more than 30 days after the Relevant Date (as defined below), except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Business Day (as defined in Condition 5(d)); or
 - (iii) in respect of an issue of Notes which have been privately placed, if the applicable Final Terms indicate that no such additional amounts shall be payable; or
 - (iv) where such withholding or deduction is imposed on a payment to an individual beneficial owner or a residual entity and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law (whether in or outside the European

Union) implementing or complying with, or introduced in order to conform to, such Directive;
or

- (v) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

In these Terms and Conditions:

- (A) **Tax Jurisdiction** means France or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by Société Générale in its capacity as Issuer or Guarantor or by SG Option Europe) or the Netherlands Antilles or any political subdivision or any authority thereof or therein having power to tax (in the case of payments by SGA Société Générale Acceptance N.V.); and
- (B) the **Relevant Date** means the date on which the relevant payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Fiscal Agent (or, in the case of Materialised Notes, the holders of such Materialised Notes) on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14.

8. Prescription

The Notes (and any relative Receipts and Coupons) will become void unless presented for payment within a period of five years (in the case of principal and interest) after the Relevant Date (as defined in Condition 7) therefor, except as provided in the applicable Final Terms.

9. Events of Default

In the case of Notes issued by SGA Société Générale Acceptance N.V. and SG Option Europe, the holder of any Note may give written notice to the relevant Issuer and the Guarantor (if applicable) that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at their Early Redemption Amount, together with, if appropriate and subject as otherwise provided herein, interest accrued to the date of repayment, upon the occurrence of any of the following events (each an **Event of Default**):

- (a) the Issuer is in default for any reason whatsoever with respect to the payment of any sum when due or the delivery of any Underlying Assets transferable in respect of the Notes, which default, in the case of any sum, has continued for more than 30 days unless the Guarantor shall have remedied such default before the expiry of such period and save that late delivery of any Underlying Assets in the circumstances referred to in Condition 5(f) shall not constitute an Event of Default hereunder; or
- (b) the Issuer is in default in the performance of any other obligation under these Terms and Conditions and, if such default is capable of being remedied by the Issuer or the Guarantor, such default has not been so remedied within 60 days after written notification from any Noteholder requiring such default to be remedied has been given to the Issuer; or
- (c) the Issuer is in default under any bond, debenture, note or other evidence of indebtedness (including indebtedness arising under a guarantee) for money borrowed or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Issuer, whether such indebtedness now exists or is hereafter incurred, which has resulted in such indebtedness becoming or being declared due and payable, prior to the date on which it would otherwise

have become due and payable, or any such indebtedness is not paid at the stated maturity thereof and such failure to pay continues beyond the grace period, if any, applicable thereto (except, in any of the foregoing cases, where the obligation to pay such indebtedness is being disputed in good faith); or

- (d) the Issuer is adjudicated or found bankrupt or insolvent, or suspends payment, or any order or action is made or taken by any competent court or administrative agency (including, without limitation, in the case of SG Option Europe only, in relation to any protection proceedings, judicial rehabilitation or judicial liquidation), or any resolution is passed by the Issuer, to apply for judicial composition proceedings with its creditors or, in the case of SG Option Europe only, to apply for protection proceedings, judicial rehabilitation, judicial liquidation or voluntary liquidation or for the appointment of a receiver or trustee or other similar official in insolvency proceedings in relation to the Issuer or a substantial part of its assets, or the Issuer is wound up or dissolved; or
- (e) in the case of any Series of Notes in respect of which the Guarantee is stated as being applicable, the Guarantee ceases to be in full force and effect in respect of such Series of Notes, the Receipts or the Coupons, or notice is given by the Guarantor which would cause the Guarantee to cease to be in full force and effect in respect of such Series of Notes, the Receipts or the Coupons, or is rendered void for any cause or by any means whatsoever or any legislation is introduced the result of which would be to remove the benefit of the Guarantee from the Notes, the Receipts or the Coupons, or terminate or amend the same in a manner materially adverse to the interests of the Noteholders, the Receiptholders or the Couponholders, or the Guarantor is unable to perform its obligations thereunder for any reason.

10. Replacement of Notes, Receipts, Coupons and Talons

If, in the case of any Materialised Bearer Notes, a Definitive Materialised Bearer Note (and/or any Receipt, Coupon or Talon appertaining thereto) is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations at the specified office of the Fiscal Agent, in each case on payment by the claimant of the costs and expenses as may be incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if any allegedly lost, stolen or destroyed Definitive Materialised Bearer Note (and/or any Receipt, Coupon or Talon appertaining thereto) is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Bearer Notes (and/or, as the case may be, Receipts, Coupons or further Coupons appertaining thereto)) and otherwise as the Issuer and, if applicable, the Guarantor may reasonably require. Mutilated or defaced Definitive Materialised Bearer Notes (and/or any Receipt, Coupon or Talon appertaining thereto) must be surrendered before replacements will be issued.

11. Fiscal Agent and Paying Agents

The names of the initial Fiscal Agent and the other initial Paying Agent and their initial specified offices are set out below (except with respect to Materialised Notes). In addition, the Fiscal Agent may (with the prior written consent of the relevant Issuer and, if applicable, the Guarantor) delegate certain of its functions and duties in relation to Physical Delivery Notes to a settlement agent (the **Settlement Agent**).

The Issuer and the Guarantor are entitled to vary or terminate the appointment of any Paying Agent or Settlement Agent and/or appoint additional or other Paying Agents or Settlement Agents and/or approve any change in the specified office through which any Paying Agent or Settlement Agent acts, provided that (except with respect to Materialised Notes):

- (a) so long as the Notes are listed on any stock exchange or admitted to trading or listing by another relevant authority, there will at all times be a Paying Agent (which may be the Fiscal Agent) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange; and
- (b) there will at all times be a Paying Agent (which may be the Fiscal Agent) with a specified office in a city in continental Europe; and
- (c) in the case of Dematerialised Notes in fully registered form, a Registration Agent; and
- (d) there will at all times be a Paying Agent in a Member State of the European Union (a **Member State**) that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive (any such Directive or law, an **EU Savings Directive Tax Law**) to the extent that any Member State does not maintain any obligation to so withhold or deduct pursuant to any EU Savings Directive Tax Law; and
- (e) there will at all times be a Fiscal Agent.

Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 or more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet issued in respect of any Materialised Bearer Note, matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

13. Representation of Noteholders

Except as otherwise provided by the relevant Final Terms, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a masse (in each case, the **Masse**).

The Masse will be governed by the provisions of the French *Code de Commerce* with the exception of articles L. 228-48, L. 228-59, R. 228-63, R. 228-67 and R. 228-69 of the French *Code de Commerce* subject to the following provisions:

(a) *Legal Personality*

The Masse will be a separate legal entity and will act in part through a representative (the **Representative**) and in part through a general meeting of the Noteholders (the **General Meeting**).

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(b) *Representative*

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its Supervisory Board (*Commission de Surveillance*), its general manager (*directeur général*), its statutory auditors, or its employees as well as their ascendants, descendants and spouse; or

I. Common definitions and provisions for Shares, American Depositary Receipts, Indices and Dividends

II. General Definitions

Averaging Date means, in respect of a Valuation Date and a Share, an ADR or an Index, each date specified as such in the applicable Final Terms for the purpose of determining an average (or if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day) unless such day is a Disrupted Day in which case it shall be postponed pursuant to the provisions of Consequences of Disrupted Days for a Share, an ADR or an Index.

Basket means a basket composed of the Shares and/or ADRs and/or Indices and/or any other asset (each an Underlying) in the relative proportions or numbers of Shares, ADRs, Indices or other asset specified in the applicable Final Terms.

Closing Price means:

- II.1 in respect of a Share:
 - II.1.1 if such Share is traded on the Tokyo Stock Exchange or the Osaka Securities Exchange, the last traded price of such Share for the day quoted by the Exchange, provided however, that if there is a closing special quote on such Share quoted by the Exchange (*tokubetsu kehaine*), such quote shall be deemed to be the relevant Closing Price;
 - II.1.2 if such Share is traded on the Italian Stock Exchange (Borsa Italiana S.p.A.), the *Prezzo di Riferimento*, which means the price as published by the Borsa Italiana S.p.A. at the close of trading and having the meaning ascribed thereto in the Rules of the markets organised and managed by Borsa Italiana S.p.A., as such Rules may be amended by Borsa Italiana S.p.A. from time to time;
 - II.1.3 in any other case, the official closing price of such Share on the relevant Exchange.
- II.2 in respect of an Index, the official closing level of the Index published and announced by the Index Sponsor;

II.3 in respect of an ADR, the official closing price of such ADR on the relevant Exchange;

in any case as adjusted (if applicable) pursuant to the provisions of Part 2 below.

Company means, in respect of a Share, the issuer of such Share and, in respect of an ADR, the issuer of the Deposited Securities related to such ADR.

Exchange(s) means, in respect of a Share, an ADR or an Index, the corresponding exchange or quotation system specified in the applicable Final Terms, or any successor exchange or quotation system or any substitute exchange or quotation system to which trading in the Share, ADR or Shares underlying such Index, has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to such Share, ADR or Shares underlying an Index, on such temporary substitute exchange or quotation system as on the original Exchange). In respect of Deposited Securities, **Exchange** means the primary exchange or market of trading of such Deposited Securities.

Fx Rate means, in respect of a date, the currency exchange rate of one currency against another currency, as specified in the applicable Final Terms, quoted by the relevant exchange rate provider on such date, as ascertained by the Calculation Agent on the Reuters page (or any other relevant page of an information provider) specified in the applicable Final Terms. If such Fx Rate cannot be or ceases to be determined, then the Calculation Agent shall select another Reuters page (or any other relevant page of an information provider) or determine in good faith such exchange rate by reference to such sources as it may select in its absolute discretion.

Related Exchange(s) means, in respect of a Share, an ADR or an Index (and, in the case the Underlying is an ADR, the Deposited Securities), each exchange or quotation system where trading has a material effect (as determined by the Calculation Agent) on the overall market for futures and options contracts relating to such Share, ADR, Index or Deposited Securities, any successor exchange or quotation system or any substitute exchange or quotation system to which trading in futures or options contracts relating to a Share, ADR, Index or Deposited Securities, has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to the futures or options contracts relating such Share, ADR, Index or Deposited Securities, on such temporary substitute exchange or quotation system as on the original Related Exchange).

Scheduled Closing Time means, in respect of an Exchange or Related Exchange, the scheduled weekday closing time of such Exchange or Related Exchange, without regard to after hours or any other trading outside of the regular trading session hours.

III. Definitions and Provisions relating to valuation and Market Disruption Event

III.1.1 Valuation Date means, in respect of a Share, an ADR or an Index, each date specified as such in the applicable Final Terms (or, if such date is not a Scheduled Trading Day for such Share, ADR or Index, the next following Scheduled Trading Day), unless such day is a Disrupted Day in which case it shall be postponed pursuant to the provisions of Consequences of Disrupted Days for a Share, an ADR or an Index.

III.1.2 Valuation Time means, in respect of a Share, an ADR or an Index, the Scheduled Closing Time provided however that if the Exchange closes prior to its Scheduled Closing Time, the Valuation Time shall be the actual closing time of the Exchange.

III.1.3 Market Disruption Event means, in respect of a Share or an Index, the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption which, in either case, the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time or (iii) an Early Closure. For the purpose hereof:

- (a) **Trading Disruption** means, in respect of a Share or an Index, any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise (i) relating to the Share on the Exchange or, in the case of an Index, on the relevant Exchange(s) relating to securities that comprise 20 per cent or more of the level of the relevant Index or (ii) in futures or options contracts relating to the Share or the relevant Index on any relevant Related Exchange;
- (b) **Exchange Disruption** means, in respect of a Share or an Index, any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (i) to effect transactions in, or obtain market values for the Share on the Exchange, or, in the case of an Index, on any relevant Exchange(s) relating to securities that comprise 20 per cent or more of the level of the relevant Index, or (ii) to effect transactions in, or obtain market values for, futures or options contracts relating to the Share or the relevant Index on any relevant Related Exchange;
- (c) **Early Closure** means, the closure on any Exchange Business Day of (i) (a) in the case of a Share, the relevant Exchange, or (b) in the case of an Index any relevant Exchange(s) relating to securities that comprise 20 per cent or more of the level of the relevant Index, or (ii) any Related Exchange, prior to its Scheduled Closing Time unless such earlier closing is announced by such Exchange or Related Exchange (as the case may be) at least one hour prior to the earlier of (x) the actual closing time for the regular trading session on such Exchange or Related Exchange (as the case may be) on such Exchange Business Day and (y) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the relevant Valuation Time on such Exchange Business Day.

In the event that the Underlying is in the form of an ADR issued pursuant to a Deposit Agreement (i) references to **Share** in the definitions of **Market Disruption Event**, **Trading Disruption**, **Exchange Disruption** and **Early Closure** above refer both to the ADRs and to the Deposited Securities relating to such ADRs, and (ii) references to Exchange and Related Exchange in these definitions refer to such exchanges as they relate to both the ADRs and to the Deposited Securities relating to such ADRs. For the avoidance of doubt, a Disrupted Day will be deemed to have occurred with respect to an ADR if a Disrupted Day has occurred with respect to the related Deposited Securities.

III.1.4 Consequences of Disrupted Days for a Share, an ADR or an Index

If any Valuation Date or Averaging Date specified in the applicable Final Terms (the **Scheduled Valuation Date** and the **Scheduled Averaging Date** respectively), is a Disrupted Day for a Share, an ADR or an Index, the Valuation Date or the Averaging Date for such Share, ADR or Index shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day in respect of that Share, ADR or Index, unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date or the Scheduled Averaging Date is also a Disrupted Day. In that case:

- (a) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date or Averaging Date, for the Share, ADR or Index notwithstanding the fact that such day is a Disrupted Day, and
- (b) the Calculation Agent shall determine (a) in respect of a Share or an ADR, its good faith estimate of the value of the Share or ADR as of the Valuation Time on that eighth Scheduled Trading Day or (b) in respect of an Index, the level of the Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth Scheduled Trading Day of each security comprised in the Index (or if an event giving rise to a Disrupted Day has

occurred in respect of the relevant security on that eighth Scheduled Trading Day, its good faith estimate of the value of the relevant security as of the Valuation Time on that eighth Scheduled Trading Day) and the good faith estimate of the value of the Share or ADR or the level of the Index so calculated shall be deemed the Closing Price;

Provided that if the Share, ADR or Index is included in a Basket, the hereabove provisions shall apply only to the Share, ADR or Index affected by the occurrence of a Disrupted Day and the Valuation Date or the Averaging Date for each Share, ADR or Index not affected by a Disrupted Day shall be the Scheduled Valuation Date or the Scheduled Averaging Date.

provided however that,

- (c) if a Scheduled Averaging Date is a Disrupted Day, the Averaging Date shall be postponed pursuant to the provisions above to the first succeeding Scheduled Trading Day that is not a Disrupted Day provided it is not also a Scheduled Averaging Date; if on the eighth Scheduled Trading Day following the Scheduled Averaging Date a Scheduled Trading Day that is not a Disrupted Day nor another Scheduled Averaging Date has not occurred, then that eighth Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day is also a Scheduled Averaging Date), and the Calculation Agent shall make on that day the determinations described in (b) above, and the good faith estimate of the value of the Share or ADR or the level of the Index so calculated shall be deemed the Closing Price;
- (d) notwithstanding the foregoing,
 - in respect of any Notes except Uncertificated Nordic Notes, a Valuation Date or an Averaging Date (postponed as the case may be pursuant to the provisions above) shall occur not later than the fourth Business Day before the date of any payment to be made under the Notes on the basis of determinations made on such Valuation Date or Averaging Date; if a Valuation Date or an Averaging Date (postponed as the case may be pursuant to the provisions above) would fall less than the fourth Business Day prior to the date of any payment to be made under the Notes on the basis of determinations made on such Valuation Date or Averaging Date, then that fourth Business Day shall be deemed the Valuation Date or Averaging Date and the Calculation Agent shall make, on that day the determinations described in (b) above at the latest as of the Valuation Time on such fourth Business Day and the good faith estimate of the value of the Share or ADR or the level of the Index so calculated shall be deemed the Closing Price.
 - in respect of Uncertificated Nordic Notes issued, cleared and settled through the Swedish Central Securities Depository (Euroclear Sweden AB), the Finnish Central Securities Depository (Euroclear Finland Ltd) or the Danish Central Securities Depository, Vaerdipapircentralen (VP), a Valuation Date or an Averaging Date (postponed as the case may be pursuant to the provisions above) shall occur not later than the twelfth Business Day before the date of any payment to be made under the Notes on the basis of determinations made on such Valuation Date or Averaging Date; if a Valuation Date or an Averaging Date (postponed as the case may be pursuant to the provisions above) would fall less than the twelfth Business Day prior to the date of any payment to be made under the Notes on the basis of determinations made on such Valuation Date or Averaging Date, then that twelfth Business Day shall be deemed the Valuation Date or Averaging Date and the Calculation Agent shall make, on that day the determinations described in (b) above at the latest as of the Valuation Time on such twelfth Business Day and the good faith estimate of the

value of the Share or ADR or the level of the Index so calculated shall be deemed the Closing Price.

- in respect of Uncertificated Nordic Notes issued, cleared and settled through the Norwegian Central Security Depository (**VPS**), a Valuation Date or an Averaging Date (postponed as the case may be pursuant to the provisions above) shall occur not later than the tenth Business Day before the date of any payment to be made under the Notes on the basis of determinations made on such Valuation Date or Averaging Date; if a Valuation Date or an Averaging Date (postponed as the case may be pursuant to the provisions above) would fall less than the tenth Business Day prior to the date of any payment to be made under the Notes on the basis of determinations made on such Valuation Date or Averaging Date, then that tenth Business Day shall be deemed the Valuation Date or Averaging Date and the Calculation Agent shall make, on that day the determinations described in (b) above at the latest as of the Valuation Time on such tenth Business Day and the good faith estimate of the value of the Share or ADR or the level of the Index so calculated shall be deemed the Closing Price.

- (a) any imputation or other credits, refunds or deductions granted by an Applicable Authority (together, the **Credits**); and
 - (b) any taxes, credits, refunds or benefits imposed, withheld, assessed or levied on the Credits referred to in (a) above, and/or
- VII.2 an amount per Share being the cash value of any dividend paid in shares (whether or not such dividend comprises shares that are not the ordinary shares of the issuer) declared by the Company (or, if no cash value is declared by the relevant issuer, the cash value of such dividend as determined by the Calculation Agent, calculated by reference to the opening price of such ordinary shares on the Ex-Dividend Date applicable to that dividend) provided that if holders of record of the relevant Share may elect between receiving an amount as defined in VII.1 above or in this subparagraph VII.2, the dividend shall be deemed to be an amount as defined in VII.1 above.

In any case, this definition shall exclude (i) any dividends in relation to which the Index Sponsor makes an adjustment to the Index when the Share is considered as a component of an Index, or (ii) any dividends in relation to which the Related Exchange makes an adjustment to the Designated Contract when the Share is considered individually or as part of a basket (however where the Index Sponsor has adjusted the Index for part of a dividend or as the case may be the Related Exchange, the provisions above shall apply only to the unadjusted part).

Designated Contract means an options or futures contract on the Share traded on the Related Exchange with an expiry date (or the date which would have been the expiry date but for that day being a Disrupted Day or not being a Scheduled Trading Day) that matches the relevant Valuation Date specified in the applicable Final Terms.

Dividend Period means the period specified as such in the applicable Final Terms.

Ex-Dividend Date means in respect of a Dividend the date on which the relevant Share is scheduled to commence trading ex-dividend on the primary exchange or quotation system for such Share, as determined by the Calculation Agent.

Official Index Divisor means the value, calculated by the Index Sponsor, necessary to ensure that the numerical value of the Index remains unchanged after a change in the composition of the Index. The value of the Index after any change in its composition is divided by the Official Index Divisor to ensure that the value of the Index returns to its normalised value.

Official Number means, in respect of a date, an Index and a Share comprising such Index, the number of free-floating shares relating to such Share comprised in the Index, as calculated and published by the Index Sponsor on such date, subject to “Failure to Publish” under section III. (2). Part 2 below.

PART 2 – ADJUSTMENTS, EXTRAORDINARY EVENTS, HEDGING DISRUPTION, INSOLVENCY FILING AND CHANGE IN LAW RELATING TO SHARES, AMERICAN DEPOSITARY RECEIPTS (ADRS), INDICES AND DIVIDENDS

I. Adjustments and Extraordinary Events relating to Shares and American Depositary Receipts

(1) Potential Adjustment Events

Potential Adjustment Event means, in relation to a Share, any of the following:

- I.2 a subdivision, consolidation or reclassification of such Share (unless resulting in a Merger Event) including, for the avoidance of doubt, a stock split or reverse stock split, or a free distribution or dividend of any such Shares to existing holders by way of bonus, capitalisation or similar issue;
- I.3 a distribution, issue or dividend to existing holders of such Share of (a) such Shares or (b) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Company equally or proportionately with such payments to holders of such Shares (c) share capital, other securities of another issuer acquired or owned (directly or indirectly) by the Company as a result of a spin-off or other similar transaction, or (d) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price as determined by the Calculation Agent;
- I.4 an extraordinary dividend as determined by the Calculation Agent;
- I.5 a call by the Company in respect of Shares that are not fully paid;
- I.6 a repurchase by the Company or any of its subsidiaries of Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;
- I.7 an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of the Company pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value, as determined by the Calculation Agent provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or
- I.8 any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the Shares.

Following the occurrence of any Potential Adjustment Event as defined above, the Calculation Agent will, as soon as reasonably practicable after it becomes aware of such event determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will (a) calculate the corresponding adjustment, if any, to be made to the elements relating to the relevant Share used to determine any settlement or payment terms under the Notes and/or any other terms of the Notes as it determines appropriate to preserve the economic equivalent of the obligations of the Issuer under the Notes and (b) determine the effective date of that adjustment. In its determinations of the existence and extent of any dilutive or concentrative effect on the theoretical value of the Shares of any Potential Adjustment Event, and any related adjustments to the terms of the Notes, the Calculation Agent shall take into account any amounts of Local Taxes that would, in the determination of the Calculation Agent, be withheld from or paid or otherwise incurred by an Offshore Investor in connection with such Potential Adjustment Event. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by a Related Exchange to options on the Share traded on such Related Exchange.

In the event that the Underlying is in the form of an ADR, references to **Share** in the definition of **Potential Adjustment Event** above refer to the Deposited Securities underlying such ADRs. In addition, an event that has a diluting or concentrative effect on the Deposited Securities will affect the theoretical value of the ADR unless (and to the extent that) the Company or the Depositary, pursuant to its authority (if any) under the Deposit Agreement, elects to adjust the number of the Deposited Securities that are represented by each ADR such that the price of the ADR will not be affected by any such event (as determined by the Calculation Agent), in which case the Calculation Agent will make no

adjustment. If the Company or the Depositary elects not to adjust the number of Deposited Securities that are represented by an ADR or makes an adjustment that the Calculation Agent determines not to have been adequate, then the Calculation Agent may, in its discretion, make the necessary adjustment to the elements relating to the Underlying used to determine any settlement or payment terms under the Notes and/or any other terms of the Notes as it determines appropriate to preserve the economic equivalent of the obligations of the Issuer under the Notes and determine the effective date of that adjustments. The Depositary may also have the ability pursuant to the Deposit Agreement to make adjustments in respect of the ADR for share distributions, rights distributions, cash distributions and distributions other than shares, rights and cash. Upon any such adjustment by the Depositary, the Calculation Agent may, in its discretion, make the necessary adjustments as the Calculation Agent deems appropriate to account for such event.

Definitions applicable to this section:

Local Taxes shall mean taxes, duties, and similar charges imposed by the taxing authority of the country in which the Company has been incorporated or in which the Exchange on which the Share is listed is located.

Offshore Investor shall mean a holder of Shares who is an institutional investor not resident in the country in which the Company has been incorporated or in which the Exchange on which the Share is listed is located (the **Local Jurisdiction**), for the purposes of the tax laws and regulations of the Local Jurisdiction and, for the avoidance of doubt, whose jurisdiction of residence (i) shall be determined by the Calculation Agent and (ii) may be the jurisdiction of Société Générale or one of its affiliates.

(1) Extraordinary Events

- A. Upon the occurrence, in the determination of the Calculation Agent, on or prior to the last Valuation Date or the last Averaging Date of the opening of an Offering Period relating to a Merger Event, a De-merger Event, a De-listing Event, an Insolvency, a Nationalisation or a Participation Event, in respect of a Share or an ADR (an **Affected Share** or an **Affected ADR**), then during such Offering Period, the Calculation Agent may decide in good faith to apply Method of Substitution with respect to the Affected Share or Affected ADR.
- B. If the Calculation Agent decides not to apply Method of Substitution during the Offering Period with respect to the Affected Share or Affected ADR, then:
- (A) in respect of a Merger Event, from the Merger Date, and/or upon consummation of the Merger Event, until the sixtieth Business Day thereafter, the Calculation Agent, acting in good faith, shall apply either:
 - (B) Share-for-Share Merger Event: Alternative Obligation and/or Method of Substitution or Early Redemption;
 - (C) Share-for-Other Merger Event: Alternative Obligation and/or Method of Substitution or Early Redemption;
 - (D) Share-for-Combined Merger Event: Alternative Obligation and/or Method of Substitution or Early Redemption;
 - (E) in the case of a Merger Event affecting two Shares or ADRs comprised in a Basket, the Calculation Agent will either:

- (F) continue with the share or ADR resulting from the Merger Event and in order to maintain the original number of companies in the Basket, a Substitute Share or Substitute ADR (as applicable) will be elected and included in the Basket; or
 - (G) substitute both Shares (or ADRs) with two Substitute Shares (or ADRs) selected as described in the Method of Substitution;
 - (H) in respect of a De-merger Event, from the De-merger Date, and/or upon consummation of the De-merger Event, until the sixtieth Business Day thereafter, the Calculation Agent, acting in good faith, will either:
 - (I) replace the Affected Share or Affected ADR with the shares or ADRs of the successor companies; or
 - (J) substitute one or more share(s) resulting from such De-merger Event pursuant to the Method of Substitution,it being understood that, in the case of a Basket, the Calculation Agent shall maintain the initial number of companies in the Basket and that in the case where the Calculation Agent has elected to substitute the Affected Share or Affected ADR with several shares or ADRs resulting from such De-merger Event, such shares or ADRs shall be placed in a sub-basket and considered as one component of the Basket;
 - (K) in respect of a De-listing Event or a Nationalisation, from the effective date of such event, until the sixtieth Business Day thereafter, the Calculation Agent, acting in good faith, may, but is not obliged to, apply the Method of Substitution;
 - (L) in respect of an Insolvency, the Calculation Agent will decide, either that:
 - (M) the Affected Share or the Affected ADR will be substituted pursuant to the Method of Substitution; or
 - (N) the value of the relevant component in the formula used to determine the amount to be paid or whether a condition has occurred, if any, as described in the applicable Final Terms, representing the Affected Share or the Affected ADR will be accounted by the Calculation Agent for its fair market value determined at any time as from the date of occurrence of such Insolvency until the last Valuation Date or the last Averaging Date. The determination of the fair market value shall depend upon the liquidity of the market and the trading conditions relating to the Share or ADR affected at the time of calculation; and
 - (O) in respect of a Participation Event from the effective date of such event until the sixtieth Business Day thereafter, the Calculation Agent may, but is not obliged to, select a Substitute Share or Substitute ADR for the Affected Share or the Affected ADR pursuant to the Method of Substitution.
- C. Notwithstanding anything herein to the contrary, the Calculation Agent shall use its reasonable endeavours at all times to maintain the original number of companies in the Basket as Companies hereunder.

Definitions applicable to this section B - Extraordinary Events:

Alternative Obligation means:

- I.9 if, in respect of a Share-for-Share Merger Event, the Calculation Agent decides to apply Alternative Obligation, then on or after the relevant Merger Date the New Shares and the issuer of such New Shares (or, in the case of New Shares which are issued in the form of ADRs, the issuer of the Deposited Securities related to such ADRs) will be deemed the **Shares** (or **ADRs**, as the case may be) and the **Company**, respectively, and, if necessary, the Calculation Agent will adjust any relevant terms of the Notes on the basis of the number of New Shares (as subsequently modified in accordance with any relevant terms and including the proceeds of any redemption, if applicable) to which a holder of the relevant number of Shares or ADRs immediately prior to the occurrence of the Merger Event would be entitled upon consummation of the Merger Event;
- I.10 if, in respect of a Share-for-Other Merger Event, the Calculation Agent decides to apply Alternative Obligation, then on or after the relevant Merger Date, the Calculation Agent will adjust any relevant terms of the Notes on the basis of the amount of Other Consideration (as subsequently modified in accordance with any relevant terms and including the proceeds of any redemption, if applicable) to which a holder of the relevant number of Shares or ADRs would be entitled upon consummation of the Merger Event and, if necessary, any relevant terms of the Notes; and
- I.11 if, in respect of a Share-for-Combined Merger Event, the Calculation Agent decides to apply Alternative Obligation, then on or after the Merger Date the New Shares and the Other Consideration will be deemed the **Shares** (or **ADRs**, as the case may be) and the issuer of the New Shares (or, in the case of New Shares which are issued in the form of ADRs, the issuer of the Deposited Securities related to such ADRs) will be deemed the **Company** respectively, and, if necessary, the Calculation Agent will adjust any relevant terms of the Notes on the basis of the number of New Shares and the amount of Other Consideration (as subsequently modified in accordance with any relevant terms and including the proceeds of any redemption, if applicable) to which a holder of the relevant number of Shares or ADRs would be entitled upon consummation of the Merger Event.

Combined Consideration means New Shares in combination with Other Consideration.

De-listing Event means, in respect of a Share or an ADR, that such Share or ADR (or Deposited Securities related to such ADR): (a) ceases to be listed, traded or publicly quoted on the relevant Exchange or listing compartment of the relevant Exchange (for any reason other than a Merger Event or a tender offer) and is not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or where the Exchange is within the European Union, in any member state of the European Union) or (b) has its listing, trading or public quotation maintained in inappropriate conditions in the opinion of the Calculation Agent (such conditions to include, without limitation, a lack of liquidity or the disappearance of the relevant futures and/or option contract of the relevant Share) or (c) in respect of an Underlying in the form of an ADR, the Deposited Agreement is terminated.

De-merger Event means, in respect of any Share or ADR, that the Company relevant to such Share or ADR is affected by a de-merger including, without limitation, a spin off, *scission* or any operation of a similar nature.

De-merger Date means the date on which a De-merger Event becomes effective.

Early Redemption means that there will be an Early Redemption of the Notes on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

Fixing Period means the period subject to a maximum of ten Exchange Business Days, which shall expire no later than 90 Business Days following the Merger Date, the De-merger Date or the effective date of the De-listing Event, Nationalisation, Insolvency or Participation Event) during which:

- I.12 Société Générale or one of its affiliates sells the Affected Shares, Affected ADRs, the New Shares and/or the Other Consideration, (as the case may be), on the basis of the weighted average of the closing prices of the relevant assets traded by Société Générale or one of its affiliates with regards to the relevant Notes, as observed during such Fixing Period; and
- I.13 the proceeds of such sale are re-invested in the Substitute Shares, Substitute ADRs and/or New Shares accordingly during the said Fixing Period on the basis of the weighted average of the closing prices of such Substitute Shares, Substitute ADRs and/or New Shares traded by Société Générale or one of its affiliates with regards to the relevant Notes, as observed during such Fixing Period.

Insolvency means, in respect of a Company, voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of, or any analogous proceeding affecting, such Company, as determined in good faith by the Calculation Agent.

Merger Date means, in respect of a Share or an ADR, the date upon which holders of the necessary number of the relevant Shares or ADRs (other than, in the case of a takeover offer, Shares or ADRs owned or controlled by the offeror) to constitute a Merger Event have agreed or have irrevocably become obliged to transfer their Shares.

Merger Event means, in respect of any Share:

- I.14 any reclassification or change of such Share (including the change of currency reference of the Share) that results in a transfer of or an irrevocable commitment to transfer all of such Share outstanding to another entity or person;
- I.15 any consolidation, amalgamation, merger or binding share exchange of the relevant Company with or into another entity (other than a consolidation, amalgamation or merger in which such Company is the continuing entity and which does not result in a reclassification or change of all of such Shares outstanding);
- I.16 other take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares that results in a transfer of or an irrevocable commitment to transfer all or part of such Shares (other than any of such Shares owned or controlled by the offeror);
- I.17 any consolidation, amalgamation, merger or binding share exchange of the relevant Company or its subsidiaries with or into another entity in which such Company is the continuing entity and which does not result in a reclassification or change of all of such Shares outstanding but results in the outstanding Shares (other than Shares owned or controlled by such other entity) immediately prior to such event collectively representing less than 50 per cent. of the outstanding Shares immediately following such event; or
- I.18 take-over offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person purchasing or otherwise obtaining or having the right to obtain, by conversion or other means, greater than 10 per cent. and less than 100 per cent. of the outstanding voting shares of the Company, as determined by the Calculation Agent based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

In the event that the Underlying is in the form of an ADR issued pursuant to a Deposit Agreement references to **Share** in this definition refer to the Deposited Securities underlying such ADR.

Method of Substitution means that in the case of a Merger Event, De-merger Event, De-listing Event, Nationalisation, Insolvency or Participation Event (regardless of the consideration to be received), in

respect of an Affected Share or an Affected ADR, the Calculation Agent may consider that the Affected Share, the Affected ADR, the New Shares and/or, all or part of the Other Consideration (as the case may be) is/are converted into cash and that the proceeds will be reinvested either (a) into a new share or ADR of the same economic sector or into a share or ADR issued by a company of a similar international standing or creditworthiness as the Company related to the Affected Share or Affected ADR (a **Substitute Share** or a **Substitute ADR**, as the case may be) or (b) in the case of Combined Consideration into New Shares. In the event of Other Consideration to be received in cash, in the future, the Calculation Agent may consider that the cash to be received in the future is discounted in order to immediately re-invest the proceeds then procured in accordance with (a) and (b) above.

The sale of the Affected Share, Affected ADRs, the New Shares and/or the Other Consideration shall be deemed to take place during the Fixing Period. The Substitute Share (or Substitute ADR, as the case may be) and the company issuing such Substituted Share (or, in the case of an ADR, the company issuing the Deposited Securities related to such ADR) will be deemed a **Share** and the **Company** respectively, and the Calculation Agent will adjust any relevant terms of the Notes.

For information purposes, it is understood that in all cases described herein where a Share or ADR is substituted, on any date “t”, with a Substitute Share or Substitute ADR, the value of the relevant component in the formula used to determine the amount to be paid as described in the applicable Final Terms, shall not be affected by the substitution on such date “t” in respect of the Substitute Share or Substitute ADR and would mean the closing price of such Substitute Share or Substitute ADR on the relevant Exchange on the date “t” is weighted by an appropriate linking coefficient so that it is equal to the closing price of the Affected Share or Affected ADR on such date “t”.

Nationalisation means that all the Shares or all or substantially all of the assets of a Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof.

New Shares means shares or ADRs (whether of the offeror or a third party) that are listed or quoted on a recognised exchange involved in the application of Method of Substitution or Alternative Obligation as determined by the Calculation Agent.

Offering Period means the period from and including the date on which the Merger Event, the De-listing Event, De-merger Event, Insolvency, Nationalisation or Participation Event is publicly and officially announced to but excluding the Merger Date or De-merger Date or the effective date of the De-listing Event, Insolvency, Nationalisation or Participation Event.

Other Consideration means cash and/or any securities (other than New Shares) or assets (whether of the offeror or a third party).

Participation Event means that a Company (whose Shares or ADRs form part of a Basket) takes a stake exceeding 20 per cent. of another Company whose Shares or ADRs (which shall be the Affected Share or ADR in respect of such Participation Event) also form part of the Basket.

Share-for-Combined Merger Event means, in respect of a Merger Event, that the consideration for the relevant Shares or ADRs consists of Combined Consideration.

Share-for-Other Merger Event means, in respect of a Merger Event, that the consideration for the relevant Shares or ADRs consists solely of Other Consideration.

Share-for-Share Merger Event means, in respect of a Merger Event, that the consideration for the relevant Shares or ADRs consists (or, at the option of the holder of such Shares or ADRs, may consist) solely of New Shares.

(1) Stop-Loss Event relating to a Share or an ADR

If on any Exchange Business Day between the initial Valuation Date (excluded) and the last Valuation Date (included), the Closing Price of a Share or ADR is affected by a decrease of 80 per cent. or more of its Closing Price on the initial Valuation Date (the **Affected Share** or **Affected ADR**), then

- (a) the Calculation Agent may decide to substitute the Affected Share or Affected ADR by a new share or ADR issued by a company of a similar international standing or creditworthiness as the Company (the **Substitute Share** or **Substitute ADR**) related to the Affected Share or Affected ADR and will adjust any relevant terms of the Notes accordingly; or
- (b) the Calculation Agent may decide to continue with the Affected Share or Affected ADR; or
- (c) if the Calculation Agent has not retained any Substitute Share or Substitute ADR neither decided to continue with the Affected Share or the Affected ADR, the Issuer may terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Stop-Loss Event, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

For information purposes, it is understood that in all cases described herein where a Share or ADR is substituted, on any date “t”, with a Substitute Share or Substitute ADR, the value of the relevant component in the formula used to determine the amount to be paid as described in the applicable Final Terms, shall not be affected by the substitution on such date “t” in respect of the Substitute Share or Substitute ADR and would mean that the closing price of such Substitute Share or Substitute ADR on the relevant Exchange on the date “t” is weighted by an appropriate linking coefficient so that it is equal to the closing price of the Affected Share or Affected ADR on such date “t”.

(2) Correction of the Closing Price of a Share

In the event that any price or level published on the Exchange and which is utilised for any calculation or determination made under the Notes is subsequently corrected and the correction is published and made available to the public by the Exchange after the original publication but no later than four Business Days prior to the Maturity Date (or any payment date(s) determined in the applicable Final Terms), the Calculation Agent will determine the amount that is payable as a result of that correction, and, to the extent necessary, will adjust the terms of the Notes to account for such correction.

II. Adjustments and Events relating to Indices

(1) Adjustments

A. If an Index is:

- (A) not calculated and announced by the relevant Index Sponsor or the **Index Calculation Agent** as the case may be, but is calculated and announced by a relevant successor sponsor (the **Successor Sponsor**) or a successor calculation agent (the **Successor Calculation Agent**) acceptable to the Calculation Agent; or
- (B) replaced by a successor index (the **Successor Index**) using, in the determination of the Calculation Agent, the same or a substantially similar formula for, and method of, calculation as used in the calculation of that Index;

then the Index will be deemed to be the index so calculated and announced by the relevant Successor Sponsor or Successor Calculation Agent or that successor index (as the case may be).

- B. If, in the determination of the Calculation Agent:
- (A) on or prior to a Valuation Date or an Averaging Date, the relevant Index Sponsor (or if applicable the Successor Sponsor) makes a material change in the formula for, or the method of calculating, that Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent securities and capitalisation and other routine events);
 - (B) on any Valuation Date or Averaging Date, the relevant Index Sponsor (or, if applicable, the relevant Successor Sponsor) or the Index Calculation Agent (or the Successor Index Calculation Agent) as the case may be, fails to calculate and publish the level of the Index and such failure is likely to have a material impact on the hedge of Société Générale in connection with the Notes; or
 - (C) the Index Sponsor (or, if applicable, the Successor Sponsor) permanently cancels the Index and no successor Sponsor exists;

then the Calculation Agent shall either:

- (x) calculate the relevant formula used to determine an amount to be paid or whether a condition has occurred, if any, as described in the applicable Final Terms using, *in lieu* of a published level for the Index, the level of that Index as at the Valuation Time on the relevant Valuation Date or Averaging Date, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to that change, failure or cancellation, but using only those securities that comprised that Index immediately prior to that change, failure or cancellation (other than those securities that have since ceased to be listed on any relevant Exchange);
 - (y) replace the Index by a new index provided that such index is (a) representative of the same economic or geographic sector (as the case may be), and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries; or
 - (z) if the Calculation Agent has not retained (x) and if in (y) no index meeting the criteria (a) and (b) can be selected by the Calculation Agent, then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of any of the events described in (A), (B) or (C) above, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.
- C. If an Index merges with another index or if an Index which forms part of the Basket merges with another index which does not form part of the Basket (the **Event**), the Calculation Agent will either:
- (A) continue using the index resulting from the merger; or
 - (B) replace the Index with another index (the New Index); as long as the New Index is (a) representative of the same economic or geographic sector (as the case may be) and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries.

If the Calculation Agent has not retained (A) and if in (B) no index meeting the criteria (a) and (b) can be selected by the Calculation Agent, then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Event described in paragraph (iii) above, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

D. In the case of a merger affecting two Indices comprised in a Basket (the **Event**), the Calculation Agent will either:

- (A) continue using the index resulting from the merger and, in order to maintain the same number of indices within the Basket, the Calculation Agent will select a further index (a **New Index**) to be included in the Basket, as long as such New Index is (a) representative of the same economic or geographic sector (as the case may be) and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries; or
- (B) replace both Indices with two other indices (each a **New Index**); as long as each New Index is (a) representative of the same economic or geographic sector (as the case may be) and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries.

If the Calculation Agent has not retained (A) and if in (B) no index meeting the criteria (a) and (b) can be selected by the Calculation Agent, then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Event described in paragraph (iv) above, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

E. If an Index is split into two or more new indices (the **Event**), the Calculation Agent will, either:

- (A) use the indices resulting from the split to determine an index equivalent to the one existing prior to the split (provided that the indices resulting from the split will be deemed to form together the **New Index**); or
- (B) replace the split Index with a new index (a **New Index**) as long as such New Index is (a) representative of the same economic or geographic sector (as the case may be), and (b) to the extent possible representative of shares listed on one or more Exchanges of one or more OECD countries.

If the Calculation Agent has not retained (A) and if in (B) no index meeting the criteria (a) and (b) can be selected by the Calculation Agent, then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Event described in paragraph (v) above, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

F. In the case of a Basket of Indices, in the event that shares forming part of one Index comprising the Basket represent at least 20 per cent. of the capitalisation of another Index forming part of the Basket (the **Affected Index**) (the **Event**), the Calculation Agent may, but is not obliged to, replace such Affected Index with a new index as long as such new index is (a) representative of the same economic or geographic sector (as the case may be), and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries. If no index meeting the criteria (a) and (b) can be selected by the Calculation Agent, then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Event, described above in

this paragraph, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

- G. In the event that an Index ceases to be the underlying of a futures and/or option contract (as the case may be) (the **Event**), the Calculation Agent may, but is not obliged to, replace such Index with a new index as long as such new index is (a) representative of the same economic or geographic sector (as the case may be), and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries. If no index meeting the criteria (a) and (b) can be selected by the Calculation Agent, then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Event described in this paragraph above, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

(2) Stop-Loss Event relating to an Index

If on any Exchange Business Day after the initial Valuation Date (excluded) before the last Valuation Date (included), the Closing Price of an Index is affected by a decrease of 80 per cent. or more of its Closing Price on the initial Valuation Date (the **Affected Index**), then

- (a) the Calculation Agent may decide to substitute the Affected Index by a new index representative of the same economic or geographic sector (as the case may be), and to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries (the **Substitute Index**) and will adjust any relevant terms of the Notes accordingly; or
- (b) the Calculation Agent may decide to continue with the Affected Index; or
- (c) if the Calculation Agent has not retained any Substitute Index neither decided to continue with the Affected Index, the Issuer may terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the Stop-Loss Event, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

(3) Correction of the Closing Price of an Index

In the event that any price or level published on the Exchange or by the Index Sponsor and which is used for any calculation or determination made under the Notes is subsequently corrected and the correction is published and made available to the public by the Exchange or the Index Sponsor after the original publication but no later than four Business Days prior to the Maturity Date (or any payment date(s) determined in the applicable Final Terms), the Calculation Agent will determine the amount that is payable as a result of that correction, and, to the extent necessary, will adjust the terms of the Notes to account for such correction.

III. Adjustments and events relating to Dividends

(1) Adjustments

Adjustments in relation to an Index the components of which are used to determine the amounts due under Notes indexed on Dividends

If an event occurs affecting the Index the components of which are used to determine the amounts due under Notes indexed on Dividends, which in the determination of the Calculation Agent has a material effect on the amounts due under the Notes, then the Calculation Agent shall either:

- (a) adjust any terms of the Notes, it determines appropriate, in order to take into account the economic effect on the Notes of such event; or
- (b) replace the Index by a new index provided that such index is (a) representative of the same economic or geographic sector (as the case may be), and (b) to the extent possible, representative of shares listed on one or more Exchanges of one or more OECD countries; or
- (c) consider such event as an event triggering an early redemption of the Notes and then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the event giving rise to the relevant adjustment, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

Adjustments in relation to a Share the dividend of which is used to determine the amounts due under Notes indexed on Dividends

If an Extraordinary Event (as defined in Part 2 - I above) occurs affecting the Share (the **Affected Share**) the dividend of which is used to determine the amounts due under Notes indexed on Dividends, then the Calculation Agent shall either:

- B. adjust any terms of the Notes, it determines appropriate, in order to take into account the economic effect on the Notes of such event; or
- (a) replace the Affected Share by the resulting share or by a new share issued by a company of a similar international standing or creditworthiness as the Company related to the Affected Share; or
- (b) apply Early Redemption as defined in Part 2-I – (1) above on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes.

If a Potential Adjustment Event (as defined in Part 2 - I above) occurs affecting the Share (the **Affected Share**) the dividend of which is used to determine the amounts due under Notes indexed on Dividends, then the Calculation Agent will, subject to the provisions of the last paragraph of the definition “Dividend” above, adjust any terms of the Notes, it determines appropriate, in order to take into account the economic effect on the Notes of such event.

(2) **Extraordinary Events**

Failure to Publish

If during the Dividend Period, the Index Sponsor fails (for whatever reason including without limitation, a Market Disruption Event as defined in the Common definitions and provisions for Shares, American Depositary Receipts, Indices and Dividends in Part 1 above) to calculate and publish the number of free-float shares in respect of any Share or the Official Index Divisor, then the Calculation Agent shall determine the number of free-float shares in respect of such Share or the Official Index Divisor (as the case may be).

In making any such determination, the Calculation Agent may (but shall not be obliged to) make reference to the formula for and method of calculating the number of free-float shares or the Official Index Divisor (as the case may be) last in effect prior to the failure by the Index Sponsor to make the relevant calculation or publication.

Dividend Recovery

If (i) the amount actually paid or delivered by an issuer to holders of record of the relevant Share in respect of any Dividend declared by such issuer (a **Declared Dividend**) to holders of record of such Share is not equal to such Declared Dividend (a **Dividend Mismatch Event**); or (ii) such issuer fails to make any payment or delivery in respect of such Declared Dividend by the third Business Day following the relevant due date, then the Calculation Agent may (but shall not be obliged to) determine any appropriate adjustment to be made to account for such correction or subsequent publication, together with interest, on any amount subsequently due under the Notes.

(3) Corrections

In the event that an Official Index Divisor or number of free floating shares calculated and published by the Index Sponsor (or determined by the Calculation Agent pursuant to the provisions above relating to “Failure to Publish”) and utilized for any calculation or determination made in respect of the Notes is subsequently corrected (or, where there has been a Failure to Publish, published by the Index Sponsor) and the correction is published (or, where there has been a Failure to Publish, publication is made) by the Index Sponsor within five Scheduled Trading Days (as defined in the Definitions specific to Indices in Part 1 above) after the original publication, the Calculation Agent will adjust the Dividend, as required, to take into account such correction *provided that* such correction or subsequent publication occurs no later than four Business Days prior to the Maturity Date (or any payment date(s) determined in the applicable Final Terms).

IV. Hedging Disruption, Insolvency Filing and consequences - Change in Law and consequences

(1) Hedging Disruption and Insolvency Filing

Hedging Disruption means, in respect of Notes that have one or more Share(s), Index(ices), ADR(s), Dividend(s) as Underlying(s), that Société Générale or one of its affiliates is unable, after using commercially reasonable efforts, to either (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk (or any other relevant price risk including, but not limited to, the currency risk) of entering into and performing its obligations with respect to the Notes or the agreement entered into with Société Générale by the Issuer of the Notes, or (b) freely realize, recover, receive, repatriate, remit or transfer the proceeds of Hedge Positions as the case may be between accounts within the jurisdiction of the Hedge Positions (the “Affected Jurisdiction”) or from accounts within the Affected Jurisdiction to accounts outside of the Affected Jurisdiction.

Insolvency Filing means, in respect of Notes that have one or more Share(s), ADR(s) or Dividend(s) as Underlying(s) that the Company institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organization or the jurisdiction of its head home office, or it consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditor’s rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official or it consents to such a petition, provided that proceedings instituted or petitions presented by creditors and not consented to by the Company shall not be deemed an Insolvency Filing.

In case of the occurrence of a Hedging Disruption relating to a Share, an Index, an ADR or Dividend(s) or of the occurrence of an Insolvency Filing relating to a Share, an ADR or Dividend(s) (the **Affected Underlying**), the Calculation Agent may:

- (A) consider such event as an event triggering an early redemption of the Notes (hereafter, an Early Redemption Event). In that case where an Early Redemption Event occurs, the Issuer shall terminate its obligations under the Notes and shall pay or cause to be paid an Early Redemption Amount on the basis of the Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes; or
- (B) replace the Affected Underlying by a new underlying which is representative of the same economic or geographic sector.

For the purpose of this provision

Hedge Positions means any purchase, sale, entry into or maintenance of one or more (i) positions or contracts in securities, options, futures, derivatives or foreign exchange, (ii) stock loan transactions or (iii) other instruments or arrangements (howsoever described) by Société Générale or one of its affiliates, in order to hedge, individually or on a portfolio basis, the Notes.

Upon the occurrence, in the determination of the Calculation Agent, on or prior to the last Valuation Date or the last Averaging Date of a Change in Law, then the Calculation Agent will decide with regard to the Affected Underlying by such Change in Law, either:

- (A) consider such event as an event triggering an early redemption of the Notes (hereafter, an Early Redemption Event). In that case where an Early Redemption Event occurs, the Issuer shall terminate its obligations under the Notes and shall pay or cause to be paid an Early Redemption Amount on the basis of the Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and the Uncertificated Notes and in Condition 6(h) of the Terms and Conditions of the French Law Notes; or
- (B) replace the Affected Underlying by a new underlying which is representative of the same economic or geographic sector.

number of redemptions that the Fund (or the Fund Service Provider generally in charge of accepting the redemption orders) will accept in relation to a single date on which the Fund normally accepts redemption orders (a gate), (iii) the suspension for any reason of the subscription or redemption orders by the Fund (or the Fund Service Provider generally in charge of accepting the subscription and redemption orders), or (iv) the postponement of the payment of the balance of redemption proceeds to a date occurring after the financial statements of the Fund have been reviewed by the Fund's statutory auditors (holdback), in each case whether these events are imposed by the Fund without being envisaged in the Fund Documents on the Issue Date of the Notes or are already envisaged by the Fund Documents on the Issue Date of the Notes and are solely implemented by the Fund after such date;

2.4.2. then the Calculation Agent may:

Index Sponsor means the corporation or other entity (as specified in the applicable Final Terms) that (a) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any, related to the relevant Index and (b) makes public (directly or through an agent) the level of the relevant Index on a regular basis.

Initial Valuation Date means the date specified as such in the applicable Final Terms.

Market Disruption Event means, with respect to a Commodity, any event that, in the reasonable opinion of the Calculation Agent, disrupts or impairs the determination of the price of such Commodity for a Valuation Date or a Barrier Date, as relevant, and includes, without limitation:

- V.1 the failure by the relevant Exchange or other relevant Price Source to make public the relevant price for a Valuation Date or a Barrier Date, or the temporary or permanent discontinuance or unavailability of the Price Source and
- V.2 the material suspension of trading or the material limitation imposed on trading (whether by reason of movements in price reaching limits permitted by the relevant Exchange or otherwise) in the relevant Futures Contract or the relevant Commodity on the relevant Exchange.

provided however that, with respect to Barrier Dates only, the settlement price reaching the upper or lower limit between which the relevant Exchange allows the fluctuation of the price of the relevant Futures Contract will not be considered as a Market Disruption Event.

The occurrence of a Market Disruption Event is determined by the Calculation Agent in good faith.

MMBTU means one million British thermal units.

Observation Business Day means a day (other than a Saturday or a Sunday) on which commercial banks are open for business either in London or in New York.

Observation Barrier Period means, unless otherwise specified in the applicable Final Terms, the period from and including the first Valuation Date to and including the last Valuation Date.

Roll Adjustment means any of the following roll rules:

Roll Adjustment 1: For a Valuation Date or a Barrier Date falling on or after a day which is the last trade date of the First Nearby Month Futures Contract, the relevant Futures Contract will be the Second Nearby Month Futures Contract.

Roll Adjustment 2: For a Valuation Date or a Barrier Date falling after a day which is the standard (last) expiration date of the First Nearby Month Futures option contract, traded on the Exchange referred to in the relevant Commodity Reference Price, the relevant Futures Contract will be the Second Nearby Month Futures Contract.

Strike Price means the price specified as such in the applicable Final Terms.

Valuation Date means a date with respect to which a Commodity Reference Price is determined and includes the Initial Valuation Date and the Final Valuation Date, as the case may be, and/or each date specified as such in the applicable Final Terms.

With respect to a Commodity other than Index, Valuation Date is subject to Commodity Business Day Adjustment. With respect to an Index, Valuation Date is subject to Index Business Day Adjustment. Unless otherwise specified in the applicable Final Terms, Common Commodity Business Day or Common Index Business Day, as relevant, is not applicable to Valuation Dates.

PART 5 – PROVISIONS APPLICABLE TO COMMODITIES OTHER THAN INDICES

I. Commodity Business Day Adjustment

- (1) If a Valuation Date is not a Commodity Business Day with respect to a Commodity Reference Price, then the Valuation Date for such Commodity Reference Price shall be postponed to the next day which is a Commodity Business Day with respect to such Commodity Reference Price, subject to valuation deadline provisions in (3) and (4) below.

- (2) If a Barrier Date is not a Common Commodity Business Day, then such Barrier Date shall be postponed to the next day which is a Common Commodity Business Day, subject to determination deadline provisions in (3) and (4) below.
- (3) If there is no Commodity Business Day or Common Commodity Business Day, as relevant, within a five Observation Business Days period following the date originally stated as Valuation Date or Barrier Date, as relevant, then the last day of such period shall be deemed to be the Valuation Date or the Barrier Date, as relevant, and the Calculation Agent shall determine for such day, in good faith, the fair market value of the Commodity or Commodities for which such day is not a Commodity Business Day.
- (4) Notwithstanding the foregoing, a Valuation Date or a Barrier Date shall occur not later than the fourth Business Day prior to the date of any payment to be made on the basis of determinations made for such Valuation Date or Barrier Date; as the case may be, such fourth Business Day shall be deemed to be the Valuation Date or Barrier Date, as relevant, and the Calculation Agent shall determine in good faith the fair market value of the Commodity or Commodities for which that fourth Business Day is not a Commodity Business Day.

II. Consequences of Market Disruption Events

- (1) If a Market Disruption Event occurs or is continuing with respect to a Commodity Reference Price on a Valuation Date, then the price of such Commodity with respect to such Valuation Date will be the Commodity Reference Price for the next Commodity Business Day on which there is no Market Disruption Event (the **Determination Day**), subject to determination deadline provisions in (3) and (4) below.
- (2) If a Market Disruption Event occurs or is continuing with respect to a Commodity Reference Price on a Barrier Date, then the prices of all Commodities specified in the applicable Final Terms with respect to such Barrier Date will be the Commodity Reference Prices for the next Common Commodity Business Day on which there is no Market Disruption Event (the **Common Determination Day**), subject to determination deadline provisions in (3) and (4) below.
- (3) If there is no Determination Day or Common Determination Day, as relevant, within a period of five Observation Business Days following the Valuation Date or the Barrier Date, as relevant, then the prices for such Valuation Date or Barrier Date, as relevant, shall be determined in good faith by the Calculation Agent on such fifth Observation Business Day, using:
 - (a) with respect to the Commodity or Commodities which are not affected by a Market Disruption Event on the fifth Observation Business Day, the relevant Commodity Reference Price for that fifth Observation Business Day and
 - (b) with respect to the Commodity or Commodities which are affected by a Market Disruption Event on the fifth Observation Business Day, the fair market value of such Commodity or Commodities as determined by the Calculation Agent.
- (4) Notwithstanding the foregoing, the prices for a Valuation Date or Barrier Date, as relevant, shall be determined by the Calculation Agent at the latest on the fourth Business Day prior to the date of any payment to be made on the basis of determinations made for such Valuation Date.
- (5) If a date is specified in the applicable Final Terms as both a Valuation Date and a Barrier Date, it will be considered as a Valuation Date for the purposes of consequences provided for in this section II.

III. Consequences of extraordinary events affecting the Commodities or Commodity Reference Prices

If, in the determination of the Calculation Agent:

- (A) the trading in the relevant Futures Contract or the relevant Commodity on the relevant Exchange fails to commence or permanently discontinues, or
- (B) the relevant Commodity Reference Price disappears or permanently discontinues or otherwise becomes unavailable, or
- (C) at any time following the first Valuation Date, a material change in the formula or calculation method for the relevant Commodity Reference Price occurs, or
- (D) at any time following the first Valuation Date, a material change in the content, composition or constitution of the relevant Commodity occurs;

then the Calculation Agent shall either:

- (E) determine in good faith the fair market value of the relevant Commodity for the relevant Valuation Date or Barrier Date, or
- (F) replace, to the extent possible, the affected Commodity Reference Price with a similar price, or
- (G) if the Calculation Agent does not make a determination in accordance with paragraph (A) and if in the determination of the Calculation Agent, no price meeting the criteria exists which is appropriate as replacement price in accordance with paragraph (F), then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the event giving rise to the relevant adjustment, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and Uncertificated Notes and 6(h) of the Terms and Conditions of the French Law Notes.

PART 6 - PROVISIONS APPLICABLE TO INDICES ON COMMODITIES

I. Index Business Day Adjustment

- (1) If a Valuation Date is not an Index Business Day with respect to an Index, then the Valuation Date for such Index shall be postponed to the next day which is an Index Business Day with respect to such Index, subject to valuation deadline provisions in (3) and (4) below.
- (2) If a Barrier Date is not a Common Index Business Day, then such Barrier Date shall be postponed to the next day which is a Common Index Business Day, subject to determination deadline provisions in (3) and (4) below.
- (3) If there is no Index Business Day or Common Index Business Day, as relevant, within a five Observation Business Days period following the date originally stated as Valuation Date or Barrier Date, as relevant, then the last day of such period shall be deemed to be the Valuation Date or the Barrier Date, as relevant, and the Calculation Agent shall determine for such day, in good faith, the fair market level of the Index or Indices for which such day is not an Index Business Day.
- (4) Notwithstanding the foregoing, a Valuation Date or a Barrier Date shall occur not later than the fourth Business Day prior to the date of any payment to be made on the basis of determinations made for such

Valuation Date or Barrier Date; as the case may be, such fourth Business Day shall be deemed to be the Valuation Date or Barrier Date, as relevant, and the Calculation Agent shall determine in good faith the fair market level of the Index or Indices for which that fourth Business Day is not an Index Business Day.

II. Consequences of Disrupted Days

- (1) If a Valuation Date specified in the applicable Final Terms is a Disrupted Day for an Index, the level of such Index shall be determined by the Calculation Agent in good faith in accordance with the formula and calculation method for that Index last in effect prior to the occurrence of the first Disrupted Day (subject to determination deadline provisions in (4) below), using:
 - (a) with respect to each commodity comprised in the Index, which is not affected by a Market Disruption Event, its settlement price as determined and made public by the relevant Exchange for the Valuation Date and
 - (b) with respect to each commodity comprised in the Index which is affected by a Market Disruption Event, its settlement price as determined and made public by the relevant Exchange for the next day which is a Commodity Business Day with respect to such commodity and on which the Market Disruption Event ceases to exist, unless that Market Disruption Event continues to exist (measured from and including the Valuation Date) for five consecutive Observation Business Days, in which case the Calculation Agent shall determine the fair market value of the relevant commodity comprised in the Index on that fifth Observation Business Day.
 - (c) If the Index Sponsor fails to make public the Closing Price of an Index on the relevant Index Sponsor's website for a Barrier Date, the level of each of the Indices specified in the applicable Final Terms for that Barrier Date shall be its Closing Price for the next Common Index Business Day, subject to determination deadline provisions in (3) and (4) below.
 - (d) If there is no Common Index Business Day for which the relevant Index Sponsor(s) makes public the Closing Price(s) for all Indices specified in the applicable Final Terms within a period of five Observation Business Days following the Barrier Date, then the level of the Indices will be determined by the Calculation Agent on such fifth Observation Business Day (subject to determination deadline provisions in (4) below), using:
- (2) with respect to each Index for which there is a Closing Price made public by the relevant Index Sponsor, such Closing Price and
- (3) with respect to each Index for which there is no Closing Price made public by the relevant Index Sponsor, the fair market level of that Index.
- (4) Notwithstanding the foregoing, the date on which the value of a commodity comprised in the Index and the level of Index are determined shall occur not later than the fourth Business Day prior to the date of any payment to be made under the Notes on the basis of determinations made on such date.

III. Consequences of extraordinary events and adjustments to Indices

- A. If an Index is:
 - (A) not calculated and made public by the relevant Index Sponsor but is calculated and made public by a relevant successor sponsor (the **Successor Sponsor**) acceptable to the Calculation Agent, or

- (B) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for, and method of, calculation as used in the calculation of that Index;

then the Index will be deemed to be the index so calculated and made public by the relevant Successor Sponsor or that successor index (as the case may be).

B. If, in the determination of the Calculation Agent:

- (A) the relevant Index Sponsor (or if applicable the Successor Sponsor) makes a material change in the formula or calculation method for an Index or in any other way materially modifies an Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in commodities comprised in the Index and capitalisation and other routine events), or
- (B) the Index Sponsor (or, if applicable, the Successor Sponsor) permanently cancels an Index and no successor Sponsor exists;

then the Calculation Agent shall either:

- (C) determine the level of that Index for the relevant Valuation Date or Barrier Date in accordance with the formula and calculation method for that Index last in effect prior to that change, failure or cancellation. The Index so calculated will be used *in lieu* of the Closing Price made public by the Index Sponsor for the determination of an amount to be paid under the Notes or to determine whether a condition, if any, has occurred or not, or
- (D) replace the Index with a new index to the extent possible, representative of the similar type of commodities comprised in the Index and traded on one or more Exchanges, or
- (E) if the Calculation Agent does not make a calculation in accordance with paragraph (C) and if, in the determination of the Calculation Agent, no index meeting the criteria exists which is appropriate as replacement index in accordance with paragraph (D), then the Issuer shall terminate its obligations under the Notes and pay to each Noteholder, as soon as possible after the occurrence of the event giving rise to the relevant adjustment, an Early Redemption Amount on the basis of Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and Uncertificated Notes and 6(h) of the Terms and Conditions of the French Law Notes.

PART 7 - HEDGING DISRUPTION, CHANGE IN LAW AND CONSEQUENCES THEREOF

Change in Law means, with respect to Notes that have one or more Commodity(ies) as Underlying(s) that, on or after the first to occur of (i) the Issue Date and (ii) the first Valuation Date of the Notes, due to:

- (A) the adoption of, or any change in, any applicable law (including without limitation, any Commodity Futures Trading Commission or tax law) or any regulation, rule or procedure of any exchange or principal trading market on which a Commodity or any component thereof is traded (together the “Applicable Regulation”); or
- (B) the promulgation of, or any change in the published interpretation by any court, tribunal or regulatory authority with competent jurisdiction or supervisory duty, of any Applicable Regulation (including any action taken by a taxing authority),

the Calculation Agent determines in good faith that:

- I.2 it has become illegal or contrary to any Applicable Regulation for Société Générale or one of its affiliates to (x) hold, acquire or dispose of any Hedge Position (as defined below) or (y) maintain the agreement entered into with the Issuer in relation to the Notes or the Underlying(s) of the Notes or to perform its obligations or exercise its rights thereunder; or
- I.3 Société Générale or one of its affiliates incurs or there is a substantial likelihood that Société Générale or one of its affiliates will incur increased costs, fees or charges in (x) acquiring, establishing, re-establishing, substituting, maintaining, unwinding or disposing of any Hedge Position or (y) maintaining any agreement entered into with the Issuer in relation to the Notes or the Underlying(s) of the Notes or performing its obligations thereunder.

Hedging Disruption means, with respect to Notes that have one or more Commodity(ies) as Underlying(s), that, as determined in good faith by the Calculation Agent, Société Générale or one of its affiliates is unable, after using commercially reasonable efforts, to either:

- (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any Hedge Position; or
- (ii) freely realize, recover, receive, repatriate, remit or transfer the proceeds of any Hedge Position or any agreement entered into with the Issuer in relation to the Notes or the Underlying(s) of the Notes.

For the purpose hereof, **Hedge Position** means one or more positions in or contracts related to commodities, over-the-counter or exchange-traded commodity derivative transactions, foreign exchange transactions or other instruments or arrangements (howsoever described) necessary to hedge, individually or on a portfolio basis or otherwise, the risks of Société Générale or one of its affiliates of (a) issuing and performing any of the obligations with respect to the Notes or (b) entering into and performing the obligations under the agreement entered into with the Issuer in relation to the Notes or the Underlying(s) of the Notes.

Upon the occurrence, as determined by the Calculation Agent in good faith, of a Hedging Disruption or a Change in Law (the **Affected Underlying**), the Calculation Agent may:

- (1) consider such event as an event triggering an early redemption of the Notes (hereafter, an Early Redemption Event). In that case, where an Early Redemption Event occurs, the Issuer shall terminate its obligations under the Notes and shall pay or cause to be paid an Early Redemption Amount based on the Market Value as defined in Condition 7(h) of the Terms and Conditions of the English Law Notes and Uncertificated Notes and 6(h) of the Terms and Conditions of the French Law Notes; or
- (2) replace the Affected Underlying by a new underlying which is representative of the same economic or geographic sector.

PART 8 - CALCULATIONS BY THE CALCULATION AGENT

- A. Unless otherwise specified in the applicable Final Terms, and with respect to Notes to which this Commodities Technical Annex applies, the Calculation Agent responsible for calculating the Rate of Interest and/or the Final Redemption Amount and/or interest payable and/or the Early Redemption Amount shall be Société Générale, 29 boulevard Haussmann, 75009 Paris, France. The calculations and determinations of the Calculation Agent will be conclusive and binding upon the Issuer, the Guarantor, the Agent and the Noteholders, in the absence of manifest error or proven error.
- B. Following the occurrence of an event giving rise to an adjustment which is substantial in the opinion of the Calculation Agent or of an extraordinary event affecting an Underlying in respect of this Commodities Technical Annex, the Calculation Agent shall notify the Issuer, which shall in its turn notify the Agent and the Noteholders, pursuant to the provisions of Condition 15 in respect of the Terms and Conditions of the English Law Notes and Uncertificated Notes or Condition 14 in respect of the Terms and Conditions of the French Law Notes, of the relevant adjustment made or decision taken

by the Calculation Agent; details on such adjustment made or decision taken can be obtained by the Noteholders upon request at the relevant address specified in the applicable Final Terms.

C) CREDIT TECHNICAL ANNEX

Capitalised terms used but not defined in this Part 1 shall have the meanings given to them in Part 2 of this Credit Technical Annex save to the extent it is supplemented or modified in the applicable Final Terms.

1. CREDIT EVENT PROVISIONS

II. If the Settlement Method specified in the applicable Final Terms is Physical Settlement:

(a) Physical Settlement

1.1 If a Credit Event has occurred, as determined by the Calculation Agent, in the period from and including the Launch Date to and including the Last Credit Event Occurrence Date and a Credit Event Notice and, if applicable a Notice of Publicly Available Information, are delivered during the Notice Delivery Period by or on behalf of the Issuer to the Relevant Clearing System for the Noteholders' information, then the Issuer will no longer be liable for the payment of the Final Redemption Amount on the Scheduled Maturity Date or on the Maturity Date, as the case may be, and will, in full and final satisfaction of its obligations hereunder in respect of the redemption of each Note, Deliver or procure Delivery of the Physical Delivery Amount to the Noteholders during the Physical Settlement Period, subject to the next following paragraph and the cash settlement provisions hereafter.

The Delivery of the Specified Deliverable Obligations (or the payment of the Cash Settlement Amount as the case may be) is subject to the prior delivery by or on behalf of the Issuer to the Relevant Clearing System for the Noteholders' information, of a Notice of Physical Settlement between the Credit Event Determination Date and the Latest Notification Date (both dates inclusive).

1.2 Following the occurrence of a Credit Event with respect to a Reference Entity, the Issuer has sole and absolute discretion to select the Specified Deliverable Obligations.

1.3 The Issuer will not necessarily Deliver all the Specified Deliverable Obligations on the same date, and may Deliver Specified Deliverable Obligations to different Noteholders on different dates or to the same Noteholder on different dates.

1.4 The Issuer is not obliged to Deliver the same type and proportion of Deliverable Obligations to each Noteholder and a Noteholder may receive various types of Deliverable Obligations.

1.5 If any or all of the Specified Deliverable Obligations are not eligible for clearance by the Relevant Clearing System, then the Issuer may, at its discretion but upon prior notice to the Noteholders, arrange:

- (i) Delivery of those Specified Deliverable Obligations, if any, that are eligible for clearance by the Relevant Clearing System in the Relevant Clearing System and Delivery of those Specified Deliverable Obligations that are not eligible for clearance by the Relevant Clearing System outside the Relevant Clearing System; or
- (ii) Delivery of all the Specified Deliverable Obligations (whether or not those Specified Deliverable Obligations are eligible for clearance) outside the Relevant Clearing System.

The Relevant Clearing System will then be instructed to block and, upon confirmation by the Issuer that delivery has taken place, cancel the Noteholders' positions in its books and the Fiscal Agent in turn will cancel the outstanding Notes. If Delivery is to take place outside the Relevant Clearing System, the Issuer must receive the relevant Noteholders' transfer instructions in terms that are satisfactory to the

Issuer sufficiently before the Latest Permissible Physical Settlement Date to allow for physical settlement, otherwise the cash settlement provisions set out below will apply.

If American Settlement is specified in the applicable Final Terms and clause 1.1 of this Part 1.11 applies, the following clause 1.6 shall apply:

- 1.6** Interest Period means each period from and including an Interest Payment Date to but excluding the next Interest Payment Date; provided however that the first Interest Period begins on the Interest Commencement Date (inclusive) and the last Interest Period remains subject to the provisions of this Part 1.

If Accrual of Interest is specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the Credit Event Determination Date and the last Interest Payment Date will be the Physical Settlement Date. No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Physical Settlement Date.

If (i) Accrual of Interest is specified as Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the earlier of (a) the Credit Event Determination Date and (b) the Scheduled Maturity Date.

In such event, the last Interest Payment Date will be the Physical Settlement Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date is the Scheduled Maturity Date. Provided further that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Failure to Pay that occurs after the fourth Business Day prior to the Scheduled Maturity Date and (ii) the Potential Failure to Pay with respect to such Failure to Pay occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date, the last Interest Payment Date shall be the Scheduled Maturity Date.

No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Physical Settlement Date. In the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Not Applicable in the related Final Terms: The last Interest Period will be the Interest Period (if any) ending on the Interest Payment Date immediately preceding the Credit Event Determination Date. No interest shall accrue nor be payable from and including the Interest Payment Date preceding the Credit Event Determination Date (or the Interest Commencement Date in case of a Credit Event occurring before the first Interest Payment Date) to the Physical Settlement Date.

If (i) Accrual of Interest is specified as Not Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms: The last Interest Period will be the Interest Period (if any) ending on the earlier of (a) the Interest Payment Date immediately preceding the Credit Event Determination Date and (b) the Scheduled Maturity Date. No interest shall accrue nor be payable from and including the Interest Payment Date preceding the Credit Event Determination Date (or the Interest Commencement Date in case of a Credit Event occurring before the

first Interest Payment Date) to the Physical Settlement Date. In the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the Credit Event Determination Date, the Interest Payment Date will be the Physical Settlement Date. No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Physical Settlement Date.

If (i) Accrual of Interest is specified as Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the earlier of (a) the Credit Event Determination Date and (b) the Scheduled Maturity Date.

In such event, the last Interest Payment Date will be the Physical Settlement Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date is the Scheduled Maturity Date.

No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Physical Settlement Date. In the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Not Applicable in the related Final Terms and there is only one Interest Period: No interest shall accrue nor be payable in respect of the Notes.

For the avoidance of doubt, should a Credit Event Determination Date occur within an Interest Period less than four Business Days prior to the relevant Interest Payment Date and the Issuer's payment instructions have already been given in respect of interest payable with respect to such Interest Period, then the Issuer shall be authorised to deduct from the Physical Delivery Amount the amount of overpaid interest, such deduction being determined by the Calculation Agent in its sole and absolute discretion acting in a commercially reasonable manner.

If European Settlement is specified in the applicable Final Terms and clause 1.1 of this Part 1.II applies, the following clause 1.7 shall apply:

- 1.7** Interest Period means each period from and including an Interest Payment Date to but excluding the next Interest Payment Date; provided however that the first Interest Period begins on the Interest Commencement Date (inclusive) and the last Interest Period remains subject to the provisions of this Part 1.

If Accrual of Interest is specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the Credit Event Determination Date and the last Interest Payment Date will be the earlier of the Interest Payment Date following the 4th Business Day falling after the Credit Event Determination Date and the Maturity Date. No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Maturity Date.

If (i) Accrual of Interest is specified as Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the earlier of (a) the Credit Event Determination Date and (b) the Scheduled Maturity Date.

In such event, the last Interest Payment Date will be the earlier of the Interest Payment Date following the 4th Business Day falling after the Credit Event Determination Date and the Maturity Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date shall be the Scheduled Maturity Date. Provided further that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Failure to Pay that occurs after the fourth Business Day prior to the Scheduled Maturity Day and (ii) the Potential Failure to Pay with respect to such Failure to Pay occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date, the last Interest Payment Date shall be the Scheduled Maturity Date.

No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Maturity Date. In particular, in the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Not Applicable in the related Final Terms: The last Interest Period will be the Interest Period (if any) ending on the Interest Payment Date immediately preceding the Credit Event Determination Date. No interest shall accrue nor be payable from and including the Interest Payment Date preceding the Credit Event Determination Date (or the Interest Commencement Date in case of a Credit Event Determination Date occurring before the first Interest Payment Date) to the Maturity Date.

If (i) Accrual of Interest is specified as Not Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms: The last Interest Period will be the Interest Period (if any) ending on the Interest Payment Date immediately preceding the Credit Event Determination Date. No interest shall accrue nor be payable from and including the Interest Payment Date preceding the Credit Event Determination Date (or the Interest Commencement Date in case of a Credit Event Determination Date occurring before the first Interest Payment Date) to the Maturity Date. In the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the Credit Event Determination Date, the Interest Payment Date will be the Maturity Date. No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Maturity Date.

If (i) Accrual of Interest is specified as Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the earlier of (a) the Credit Event Determination Date and (b) the Scheduled Maturity Date.

In such event, the last Interest Payment Date will be the Maturity Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium

with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date shall be the Scheduled Maturity Date.

No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Maturity Date. In particular, in the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Not Applicable in the related Final Terms and there is only one Interest Period: No interest shall accrue nor be payable in respect of the Notes.

For the avoidance of doubt, should a Credit Event Determination Date occur within an Interest Period less than four Business Days prior to the relevant Interest Payment Date and the Issuer's payment instructions have already been given in respect of interest payable with respect to such Interest Period, then the Issuer shall be authorised to deduct from the Physical Delivery Amount the amount of overpaid interest, such deduction being determined by the Calculation Agent in its sole and absolute discretion acting in a commercially reasonable manner.

2. Cash Settlement

2.1 If, on the Latest Permissible Physical Settlement Date, the Calculation Agent (acting on behalf of the Issuer) determines that it is Illegal or Impossible for the Issuer to Deliver all or part of the Specified Deliverable Obligations to all or some of the Noteholders or if the Issuer does not receive transfer instructions as described in the last sentence of clause 1.5 above, then the Calculation Agent will calculate in respect of such part of the Specified Deliverable Obligations which are Undeliverable Obligations a Cash Settlement Amount and the Issuer will, on the Cash Settlement Date, pay or procure payment of a Cash Settlement Amount to the relevant Noteholders in final and full satisfaction of its obligations in respect of the Undeliverable Obligations.

2.2 The Issuer must notify the relevant Noteholders through the Relevant Clearing System that there are Undeliverable Obligations and the reasons why it is Illegal or Impossible to Deliver such Specified Deliverable Obligations.

2.3 If, before the Latest Permissible Physical Settlement Date, the Calculation Agent determines that the Delivery of all of the Specified Deliverable Obligations is Illegal or Impossible; and it deems in good faith that such Delivery is to remain Illegal or Impossible until the Latest Permissible Physical Settlement Date,

then the Calculation Agent may give notice thereof to the Relevant Clearing System for the attention of the Noteholders. The Credit Valuation Date will then be the date that is two Business Days after the date on which the Calculation Agent delivers such notice to the Relevant Clearing System, and the Issuer will pay the Noteholders a Cash Settlement Amount on the Cash Settlement Date in full and final satisfaction of its obligations in respect of the Undeliverable Obligations.

2.4 If Delivery is partially Illegal or Impossible, the Issuer may, for each Noteholder, Deliver Specified Deliverable Obligations and pay a Cash Settlement Amount. The Issuer is not obliged to ensure that each Noteholder receives the same type and proportion of Deliverable Obligations and the same proportion of Deliverable Obligations and Cash Settlement Amount as each other Noteholder.

2.5 If clause 2.1 or clause 2.3 of this Part 1.II applies, the Issuer may arrange that all settlements hereunder be made outside the Relevant Clearing System in the manner described in clause 1.5 above provided that the Issuer receives transfer instructions in terms that are satisfactory to the Issuer to allow for such settlements.

- 2.6** The Calculation Agent will inform the Noteholders via the Relevant Clearing System of the Cash Settlement Amount by sending a Final Valuation Notice.

If American Settlement is specified in the applicable Final Terms and clause 2.1 or clause 2.3 of this Part 1.11 applies, the following clause 2.7 shall apply:

- 2.7** Interest Period means each period from and including an Interest Payment Date to but excluding the next Interest Payment Date; provided however that the first Interest Period begins on the Interest Commencement Date (inclusive) and the last Interest Period remains subject to the provisions of this Part 1.

If Accrual of Interest is specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the Credit Event Determination Date and the last Interest Payment Date will be the Cash Settlement Date. In such event, the last Interest Payment Date will be the Cash Settlement Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date is the Scheduled Maturity Date. Provided further that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Failure to Pay that occurs after the fourth Business Day prior to the Scheduled Maturity Date and (ii) the Potential Failure to Pay with respect to such Failure to Pay occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date, the last Interest Payment Date shall be the Scheduled Maturity Date.

No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Cash Settlement Date. In the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

No interest shall accrue nor be payable from and including the Interest Payment Date preceding the Credit Event Determination Date (or the Interest Commencement Date in case of a Credit Event occurring before the first Interest Payment Date) to the Cash Settlement Date.

If (i) Accrual of Interest is specified as Not Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms: The last Interest Period will be the Interest Period (if any) ending on the earlier of (a) the Interest Payment Date immediately preceding the Credit Event Determination Date and (b) the Scheduled Maturity Date. In the event the Maturity Date falls after the

Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the Credit Event Determination Date and the Interest Payment Date will be the Cash Settlement Date. No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Cash Settlement Date.

If Accrual of Interest is specified as Not Applicable in the related Final Terms and there is only one Interest Period: No interest shall accrue nor be payable in respect of the Notes.

For the avoidance of doubt, should a Credit Event Determination Date occur within an Interest Period less than four Business Days prior to the relevant Interest Payment Date and the Issuer's payment instructions have already been given in respect of interest payable with respect to such Interest Period, then the Issuer shall be authorised to deduct from the Cash Settlement Amount the amount of overpaid interest, such deduction being determined by the Calculation Agent in its sole and absolute discretion acting in a commercially reasonable manner.

If European Settlement is specified in the applicable Final Terms and clause 2.1 or clause 2.3 of this Part 1.II applies, the following clause 2.7 shall apply:

Interest Period means each period from and including an Interest Payment Date to but excluding the next Interest Payment Date; provided however that the first Interest Period begins on the Interest Commencement Date (inclusive) and the last Interest Period remains subject to the provisions of this Part 1.

If Accrual of Interest is specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the Credit Event Determination Date and the last Interest Payment Date will be the earlier of the Interest Payment Date following the 4th Business Day falling after the Credit Event Determination Date and the Maturity Date. In such event, the last Interest Payment Date will be the earlier of the Interest Payment Date following the 4th Business Day falling after the Credit Event Determination Date and the Maturity Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date shall be the Scheduled Maturity Date. Provided further that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Failure to Pay that occurs after the fourth Business Day prior to the Scheduled Maturity Day and (ii) the Potential Failure to Pay with respect to such Failure to Pay occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date, the last Interest Payment Date shall be the Scheduled Maturity Date.

In the event the Maturity Date falls after the Scheduled Maturity Date, no interest will be payable from and including the Scheduled Maturity Date to the Maturity Date.

If Accrual of Interest is specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the Credit Event Determination Date, the Interest Payment Date will be the Maturity Date. No interest shall accrue nor be payable from and including the Credit Event Determination Date to the Maturity Date.

If (i) Accrual of Interest is specified as Applicable and (ii) Repudiation /Moratorium or Grace Period Extension are specified as Applicable in the related Final Terms and there is only one Interest Period: The Interest Period will be the period from and including the Interest Commencement Date to but excluding the earlier of (a) the Credit Event Determination Date and (b) the Scheduled Maturity Date.

If Accrual of Interest is specified as Not Applicable in the related Final Terms and there is only one Interest Period: No interest shall accrue nor be payable in respect of the Notes.

For the avoidance of doubt, should a Credit Event Determination Date occur within an Interest Period less than four Business Days prior to the relevant Interest Payment Date and the Issuer's payment instructions have already been given in respect of interest payable with respect to such Interest Period, then the Issuer shall be authorised to deduct from the Cash Settlement Amount the amount of overpaid interest, such deduction being determined by the Calculation Agent in its sole and absolute discretion acting in a commercially reasonable manner.

III. If the Settlement Method specified in the applicable Final Terms is Cash Settlement:

If a Credit Event has occurred, as determined by the Calculation Agent, in the period from and including the Launch Date to and including the Last Credit Event Occurrence Date and a Credit Event Notice and, if applicable a Notice of Publicly Available Information, are delivered during the Notice Delivery Period by or on behalf of the Issuer to the Noteholders, then the Issuer will no longer be liable for the payment of the Final Redemption Amount on the Scheduled Maturity Date or on the Maturity Date, as the case may be, and will, in full and final satisfaction of its obligations hereunder in respect of the redemption of each Note, pay or procure payment of the Cash Settlement Amount on the Cash Settlement Date. Such Cash Settlement Amount will be based on the Final Value resulting from either (i) a Settlement Protocol or (ii) valuation of the Selected Obligations, each as provided for in this Credit Technical Annex. The Selected Obligations, the Cash Settlement Amount and the Cash Settlement Date shall be notified to the Noteholders in the Final Valuation Notice on the Final Valuation Notice Receipt Date.

For the avoidance of doubt, under no circumstances will the Final Value be determined later than the 120th Business Day following the corresponding Credit Event Determination Date.

If American Settlement is specified in the applicable Final Terms:

Interest Period means each period from and including an Interest Payment Date to but excluding the next Interest Payment Date; provided however that the first Interest Period begins on the Interest Commencement Date (inclusive) and the last Interest Period remains subject to the provisions of this Part 1.

If Accrual of Interest is specified as Applicable in the related Final Terms: The last Interest Period will be the period from and including the Interest Payment Date immediately preceding the Credit Event Determination Date (or from and including the Interest Commencement Date in the case of a Credit Event occurring before the first Interest Payment Date) to but excluding the Credit Event Determination Date, and the last Interest Payment Date will be the Cash Settlement Date. If Accrual of Interest is specified as Not Applicable in the related Final Terms and there is only one Interest Period: No interest shall accrue nor be payable in respect of the Notes.

For the avoidance of doubt, should a Credit Event Determination Date occur within an Interest Period less than four Business Days prior to the relevant Interest Payment Date and the Issuer's payment instructions have already been given in respect of interest payable with respect to such Interest Period, then the Issuer shall be authorised to deduct from the Cash Settlement Amount the amount of overpaid interest, such deduction being determined by the Calculation Agent in its sole and absolute discretion acting in a commercially reasonable manner.

If European Settlement is specified in the applicable Final Terms:

Interest Period means each period from and including an Interest Payment Date to but excluding the next Interest Payment Date; provided however that the first Interest Period begins on the Interest Commencement Date (inclusive) and the last Interest Period remains subject to the provisions of this Part 1.

In such event, the last Interest Payment Date will be the earlier of the Interest Payment Date following the 4th Business Day falling after the Credit Event Determination Date and the Maturity Date. Provided that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Repudiation/Moratorium that occurs after the fourth Business Day prior to the Scheduled Maturity Date, (ii) the Potential Repudiation/Moratorium with respect to such Repudiation/Moratorium occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date and (iii) the Repudiation/Moratorium Extension Condition is satisfied, in which case, the last Interest Payment Date shall be the Scheduled Maturity Date. Provided further that, if (i) the Credit Event that is the subject of the Credit Event Notice is a Failure to Pay that occurs after the fourth Business Day prior to the Scheduled Maturity Day and (ii) the Potential Failure to Pay with respect to such Failure to Pay occurs on or prior to the fourth Business Day prior to the Scheduled Maturity Date, the last Interest Payment Date shall be the Scheduled Maturity Date.

IV. Credit Event Notice after Restructuring

Upon the occurrence of a Restructuring in the period from and including the Launch Date to and including the Last Credit Event Occurrence Date:

- If American Settlement is specified in the applicable Final Terms:

- (A) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the **Partial Redemption Amount**) that is less than the Nominal Amount outstanding of each Note immediately prior to the delivery of such Credit Event Notice. In such circumstances the provisions of clause II or clause III to this Part 1 shall be deemed to apply to the Partial Redemption Amount only and each such Note shall be redeemed in part (such redeemed part being equal to the Partial Redemption Amount);
- (B) for the avoidance of doubt (i) the Nominal Amount of each such Note not so redeemed in part shall remain outstanding and, if applicable, interest shall accrue on the Nominal Amount outstanding of such Note as provided in the applicable Final Terms (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate) and (ii) the provisions of clause II or clause III to this Part 1 shall apply to such Nominal Amount outstanding of such Note in the event that subsequent Credit Event Notices are delivered in respect of a Reference Entity; and
- (C) on redemption of part of each Note the relevant Note or, if the Notes are represented by a Global Note, such Global Note, shall be endorsed to reflect such part redemption.

For the avoidance of doubt, the outstanding Nominal Amount of each Note in respect of which no Credit Event Notice has been delivered during the Notice Delivery Period (and, if applicable, no Potential Repudiation/Moratorium or Potential Failure to Pay has occurred on or prior to the fourth Business Day immediately preceding the Scheduled Maturity Date), will be redeemed on the Scheduled Maturity Date.

- If European Settlement is specified in the applicable Final Terms:

- (D) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the **Partial Redemption Amount**) that is less than the Nominal Amount outstanding of each Note immediately prior to the delivery of such Credit Event Notice. In such circumstances the provisions of clause II or clause III to this Part 1 shall be deemed to apply to the Partial Redemption Amount; and
- (E) for the avoidance of doubt the provisions of clause II or clause III to this Part 1 shall apply to such Nominal Amount outstanding of such Note in the event that subsequent Credit Event Notices are delivered in respect of a Reference Entity.

V. Multiple Successors

If Multiple Successor is specified as Applicable in the related Final Terms the following clause shall apply:

Where, pursuant to the definition of **Successor** (see attached Part 2 of this Credit Technical Annex), more than one Successor has been identified, each such Successor (a **Multiple Successor**) shall be a Reference Entity for the purposes of the Conditions, but only in respect of a principal amount of each Note equal to the Nominal Amount divided by the number of Multiple Successors to such Reference Entity (the **Multiple Successor Notional Amount**) as determined by the Calculation Agent. Where Multiple Successors to such Reference Entity (each, a **Sub-Multiple Successor**) have been identified in respect of a Reference Entity (an **Original Multiple Successor**) that is itself a Multiple Successor, each such Sub-Multiple Successor shall be a Reference Entity for the purposes of the Conditions, but the Multiple Successor Notional Amount in respect of a Sub-Multiple Successor shall be equal to the Multiple Successor Notional Amount in respect of such Original Multiple Successor divided by the

number of Sub-Multiple Successors to such Original Multiple Successor. Following the delivery of a Credit Event Notice and, if applicable a Notice of Publicly Available Information, in respect of a Multiple Successor, the Notes will not be redeemed in whole but an amount shall be deliverable or, as the case may be, payable in respect of each Note (an **Instalment Amount**) which amount shall be determined in the same manner, *mutatis mutandis*, as the Physical Delivery Amount or Cash Settlement Amount that would otherwise have been determined in respect of such a Credit Event in relation to the original Reference Entity, except that it shall be in respect of a principal amount of each Note equal to the relevant Multiple Successor Notional Amount only. The date of delivery or payment, as the case may be, of any such Instalment Amount (an **Instalment Date**) shall be determined in the same manner, *mutatis mutandis*, as the Physical Settlement Date or Cash Settlement Date that would otherwise have been determined in respect of such a Credit Event in relation to the original Reference Entity. More than one Instalment Amount may be delivered or payable on the same day in respect of different Multiple Successors, but not more than one Credit Event Notice may be delivered in relation to a single Multiple Successor unless a Restructuring occurs in relation to a Multiple Successor, in which case the provisions of clause IV) of this Part 1 will apply in respect of each such Multiple Successor. Upon the determination by the Calculation Agent of the identity of Multiple Successors, the Calculation Agent shall determine the modifications required to be made to the Conditions and any other related documents, to preserve substantially the economic effect for a Noteholder of a holding of the Notes and the Issuer shall use its reasonable endeavours to effect such modifications.

If American Settlement is specified as Applicable in the related Final Terms:

Following delivery or payment of an Instalment Amount in respect of a Credit Event relating to a Multiple Successor, the outstanding Nominal Amount of each Note shall be correspondingly reduced by the proportion of such principal amount so redeemed and, if applicable, interest on each Note shall accrue on the reduced Nominal Amount of each Note from the date on which it would otherwise have ceased to accrue following delivery of a Credit Event Notice and, if applicable a Notice of Publicly Available Information in relation to the original Reference Entity.

If Multiple Successor is specified as Not Applicable in the related Final Terms the following clause shall apply:

Should more than one Successor succeed to the Reference Entity and a Credit Event occur in respect of any one of them, the Notes will be early redeemed in whole in accordance with the paragraph “Settlement Method” above, as if First-to-Default was specified as Applicable in the related Final Terms.

VI. Notification of Potential Failure to Pay

In the case of the occurrence of a Potential Failure to Pay, as determined by the Issuer in its sole and absolute discretion, the Issuer, or any entity acting on its behalf, shall use its reasonable endeavours to notify the Noteholders as soon as reasonably practical of such occurrence, pursuant to Condition 15 of the Terms and Conditions of the English Law Notes and Uncertificated Notes and 14 of the Terms and Conditions of the French Law Notes.

2. DEFINITIONS

Accreted Amount means, with respect to an Accreting Obligation, an amount, determined by the Calculation Agent, to be equal to (a) the sum of (i) the original issue price of such obligation and (ii) the portion of the amount payable at maturity that has accreted in accordance with the terms of the obligation (or as otherwise

described below), less (b) any cash payments made by the obligor thereunder that, under the terms of such obligation, reduce the amount payable at maturity (unless such cash payments have been accounted for in clause (a)(ii) above), in each case calculated as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the [Physical Settlement Date or]** applicable Credit Valuation Date[, as the case may be]*. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then for purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such Obligation, and shall be determined as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the [Physical Settlement Date or]** applicable Credit Valuation Date [, as the case may be]*. The Accreted Amount shall exclude, in the case of an Exchangeable Obligation, any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities for which such obligation is exchangeable.

Accreting Obligation means any obligation (including, without limitation, a Convertible Obligation or an Exchangeable Obligation), the terms of which expressly provide for an amount payable upon acceleration equal to the original issue price (whether or not equal to the face amount thereof) plus an additional amount or amounts (on account of original issue discount or other accruals of interest or principal not payable on a periodic basis) that will or may accrete, whether or not (a) payment of such additional amounts is subject to a contingency or determined by reference to a formula or index, or (b) periodic cash interest is also payable. With respect to any Accreting Obligation, **outstanding principal balance** means the Accreted Amount thereof.

Affiliate means, in relation to any person, any entity controlled, directly or indirectly, by the person, any entity that controls, directly or indirectly, the person or any entity directly or indirectly under common control with the person. For this purpose, **control** of any entity or person means ownership of a majority of the voting power of the entity or person.

Assignable Loan means a Loan that is capable of being assigned or novated to, at a minimum, commercial banks or financial institutions (irrespective of their jurisdiction of organisation) that are not then a lender or a member of the relevant lending syndicate, without the consent of the relevant Reference Entity or the guarantor, if any, of such Loan (or the consent of the applicable borrower if such Reference Entity is guaranteeing such Loan) or any agent. Unless otherwise specified in the applicable Final Terms, if the [Deliverable]**[Selected]* Obligation Characteristic Assignable Loan is specified as Applicable in the related Final Terms, such Final Terms shall be construed as though such [Deliverable]**[Selected]* Obligation Characteristic had been specified as a [Deliverable]**[Selected]* Obligation Characteristic only with respect to Loans and shall only be relevant if Loans are covered by the specified [Deliverable]**[Selected]* Obligation Category).

Auction Settlement means any market settlement protocol established and published by the Determinations Committee which provides for the valuation of any obligations of a Reference Entity in respect of which a Credit Event has occurred and which is to be used to determine the amounts payable between the parties to a credit derivatives transaction referencing such Reference Entity, all as defined in Section 12.1 of the ISDA Credit Derivatives Determinations Committees and Auction Settlement Supplement.

 - (ii) If only one entity directly or indirectly succeeds to more than twenty-five per cent. (but less than seventy five per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent. of the Relevant Obligations will be the sole Successor.
 - (iii) If more than one entity each directly or indirectly succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent. of the Relevant Obligations will each be a Successor and the terms of the Notes will be amended in accordance with the provisions set out in the definition of Multiple Successor in Part 1-V of this Credit Technical Annex.

- (vi) If one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (iv) above, as applicable. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (iv) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such relevant Obligation listed in the Best Available Information.

A notice will be sent by or on behalf of the Issuer to the Noteholders evidencing the Succession Event and giving all necessary relevant indications as to the Successor(s), the Multiple Successor Notional Amount (if applicable) and the change in Reference Obligation(s).

Basket_f = Basket_i × (Basket Value per Note on the Final Valuation Date / Basket Value per Note on the Initial Determination Date);

Basket_t = Basket_i × (Basket Value per Note on the Valuation Date “t” / Basket Value per Note on the Initial Determination Date);

otherwise, all references herein to Portfolio, Portfolio Value and Portfolio Value per Note shall be deemed to be references to Basket, Basket Value and Basket Value per Note respectively; for the avoidance of doubt, all references herein to Portfolio_i, Portfolio_f and Portfolio_t shall also be deemed to be references to Basket_i, Basket_f and Basket_t except for aforementioned.

Final Valuation Date means, unless otherwise specified in the applicable Final Terms, the tenth Business Day before the Maturity Date, provided that if such Business Day is not a Valuation Date, the Final Valuation Date will be the immediately following Valuation Date, provided further that, if none of the Business Days which follow up to and including the fifth Business Day before the Maturity Date is a Valuation Date, the fifth Business Day before the Maturity Date will be deemed to be the Final Valuation Date and the relevant valuation shall be made on this date by the Calculation Agent acting in good faith, on the basis of estimated value of each relevant Risky Asset and or Non Risky Asset and or Cash components when an official value is not disclosed.

Fund means any Risky Fund or Non Risky Fund.

Where applicable, any Borrowed Capital shall form part of the Portfolio provided that, as liabilities, it shall come in deduction from the aforementioned assets. The Portfolio allocation amongst the components of the Risky Asset applicable on the Initial Determination Date shall be specified in the applicable Final Terms; such specification may be only indicative.

The Portfolio may be managed and allocated by the Portfolio Manager in different manners as detailed below (unless otherwise specified in the applicable Final Terms):

(a) Portfolio Management

- a. If **Dynamic Selection** is specified in the applicable Final Terms the Portfolio Manager will manage the Risky Asset in its absolute discretion without limitation to the number and/or the weighting of the components in the Risky Asset; it may, in particular, remove any component from the Risky Asset or add one or more new components therein. Specific rules, guidelines or constraints on or in relation to the Portfolio Management's authority or discretion to manage the Risky Asset may be provided for in the applicable Final Terms.
- b. If **Permanent Selection** is specified in the applicable Final Terms, the Portfolio Manager is not authorised to remove or add components from or to the Risky Asset provided however that (i) the respective weightings of the components of the Risky Asset may be modified by the Portfolio Manager and (ii) the Portfolio Manager and/or the Calculation Agent, acting in good faith, may make adjustments to the Risky Asset following the occurrence of an Extraordinary Event.

(b) Portfolio Allocation

In allocating the Portfolio amongst the relevant components the Portfolio Manager will take into account (i) variations in the performance of the Risky Asset and (ii) the specific market conditions. The Portfolio Manager may permit the exposure of the Portfolio to the Risky Asset (the **Risky Asset Exposure** being Risky Asset Value / Portfolio Value) to vary from the Minimum Exposure (0 per cent. means that the Portfolio is exclusively invested in the Non Risky Asset) to the Maximum Exposure (100 per cent. or more means that the Portfolio is exclusively invested in the Risky Asset). For the avoidance of doubt, a Risky Asset Exposure exceeding 100 per cent. reflects the leverage feature of the investment in the Portfolio (Risky Asset in the Portfolio partly financed by borrowings).

- a) If **Portfolio Allocation** is specified in the applicable Final Terms, the Portfolio Manager will allocate the Portfolio amongst the relevant components on a dynamic basis in accordance with the methodology known as the DPI (“Dynamic Portfolio Insurance”) methodology or the CPPI (“Constant Portfolio Proportion Insurance”) methodology or the ODPI (“Objective Driven Portfolio Insurance”) methodology (or any other similar methodology as specified and described in the applicable Final Terms) with a view to achieving (i) a capital protection feature for the Notes and/or (ii) a participation in the growth of the value of the assets comprised in the Portfolio and/or (iii) a Performance Objective in the case of the ODPI methodology.
- b) If **DPI Basket Allocation** is specified in the applicable Final Terms, it shall mean that allocation amongst the relevant components of the Basket will be managed on a dynamic basis in accordance with the methodology known as the DPI or the CPPI methodology but making use of some arbitrary parameters that will not allow any capital protection, as follows:
- the Portfolio Manager will periodically make observation of the difference (such difference being the **Cushion**) between (i) the Basket Value per Note on a given date t and (ii) the Reference Level (expressed as a percentage) on the same date multiplied by the Basket Value per Note on the Initial Determination Date
 - the Portfolio Manager may determine, at its absolute discretion, a range within which the ratio of the Risky Asset Value per Note to the Cushion (such ratio being the **Multiplier**) should remain. If the Portfolio Manager observes that the Multiplier has deviated from such targeted range it may adjust the allocation of components within the Basket by increasing or decreasing (as appropriate) the allocation of the Risky Asset in the Basket such that the Multiplier falls within the targeted range, subject to the Maximum Exposure and Minimum Exposure. Alternatively the Multiplier may be a pre-determined fixed factor which generates a norm of Risky Asset Value (or Risky Asset Exposure) on the basis of current level of the Cushion. Adjustment of the Basket allocation is made only if the actual figures diverge from the norm by more than a specified percentage; where such alternative applies a Fixed Multiplier and a Specified Percentage in respect of the Risky Asset Exposure shall be specified in the applicable Final Terms.
- c) If **Volatility Cap Basket Allocation** is specified in the applicable Final Terms, the Portfolio Manager will dynamically manage the allocation of the Basket according to the Volatility Cap methodology as set below.

Volatility Re-Balancing: the Portfolio Manager will determine the level of the Basket Volatility on each Business Day t (the **Basket Volatility(t)**) in accordance with the formula below. If the Basket Volatility_(t) exceeds the Volatility Cap Level or is below the Volatility Floor Level, then the Portfolio Manager will proceed with a re-balancing of the Basket by increasing/decreasing the exposure to the Non Risky Asset and by decreasing/increasing the exposure to the Risky Asset in order to reach the Volatility Reset Level.

The target weights of the 2 components within the Basket on a Business Day t are defined as follows:

Risky Asset Target Weight (t) =

Max[Minimum Exposure; Min (Maximum Exposure; Risky Asset Target Weight (t-1) × Volatility Reset Level / Basket Volatility(t))]

Non Risky Asset Target Weight(t) = 1 - Risky Asset Target Weight(t)

where **t-1** is the first Business Day before the date t

On the Initial Determination Date (t=0) Risky Asset Target Weight (t-1) = Maximum Exposure.

The re-balancing of the Basket will be made within 3 (or 5) Business Days of such date t, on a best efforts basis, and subject to valuation delay, liquidity and execution condition of the constituents of the Risky Asset.

Once a new allocation between the Risky Asset and the Non Risky Asset is determined, it will remain constant unless the Basket Volatility leads to a re-balancing in accordance with these allocation rules.

Each of the **Volatility Cap Level**, the **Volatility Floor Level** and the **Volatility Reset Level** is the relevant percentage as specified in the applicable Final Terms.

Basket Volatility (t) means, on each Business Day t, the Annualised Standard Deviation of the Daily Return of the Risky Asset multiplied by the Risky Asset Target Weight (t-1). The Basket Volatility will be determined for the first time on the Initial Determination Date, subject to valuation delay, liquidity and execution condition of the constituents of the Risky Asset.

Annualised Standard Deviation:
$$\sigma = \sqrt{260 \times \frac{1}{n-1} \sum_{i=0}^{19} R_{t-i}^2}$$

where:

n is the number of Business Days in the Rolling Period.

R_{t-i} is the Daily Return of the Risky Asset on Business Day *t-i* of the Rolling Period.

i designates the numerical order (from 0 to 19) of the Business Days within a Rolling Period.

Daily Return of the Risky Asset means, on each Business Day t, the difference between the Risky Asset Value on such Business Day and the Risky Asset Value on the preceding Business Day, divided by the Risky Asset Value on such preceding Business Day.

PROVIDED THAT (i) if “**One to One**” is specified in the applicable Final Terms, the Notes will simply be indexed on the constituent(s) of the Risky Asset without any management or allocation strategy being implemented (unless otherwise specified in the applicable Final Terms), (ii) if “**Leverage Strategy**” is specified in the applicable Final Terms, the Portfolio will consist exclusively

in the Risky Asset and **Borrowed Capital** and will remain permanently exposed to such Risky Asset with generally no other management or allocation strategy than the periodical resetting of the Risky Asset Exposure at a specified level (the “**Target Exposure Level**”) and (iii) if “**Specific Strategy**” is specified in the applicable Final Terms, the Portfolio shall be managed and allocated in accordance with the specific rules detailed in such Final Terms.

PROVIDED FURTHER THAT in all cases the Risky Asset remains subject to the adjustment provisions set out in section 4 below.

Portfolio_i means the Portfolio Value per Note on the Initial Determination Date being an amount in the Specified Currency equal to a fixed percentage of the Nominal Amount as specified in the applicable Final Terms. Portfolio_i remains subject to appropriate adjustments made in good faith by the Calculation Agent in relation to certain events affecting any Fund and / or any Unit and /or any other underlying Risky Asset.

Portfolio_f means the Portfolio Value per Note on the Final Valuation Date as determined by the Calculation Agent. Portfolio_f remains subject to appropriate adjustments made in good faith by the Calculation Agent in relation to certain events affecting any Fund and/or any Unit and /or any other underlying Risky Asset.

Portfolio_t means the Portfolio Value per Note on any Valuation Date “t” as determined by the Calculation Agent. Portfolio_t remains subject to appropriate adjustments made in good faith by the Calculation Agent in relation to certain events affecting any Fund and/or any Unit and /or any other underlying Risky Asset.

Portfolio Value means, on any Valuation Date, the difference between (i) the sum of Asset 1, Asset 2, Asset 3 and Asset 4 and (ii) the sum of the Borrowed Capital, the Accrued Management Fees, the Accrued Borrowing Costs, the Structuring Fees and the Other Fees and Other Cost (if specified as “Applicable” in the applicable Final Terms), applied to the Aggregate Nominal Amount of the Notes.

Portfolio Value per Note means, on any Valuation Date, the Portfolio Value on such date divided by the number of Notes Outstanding on such date.

Reference Level means, in the context of the Basket Allocation and as specified in the applicable Final Terms, a percentage increasing from an initial level on the Initial Determination Date to a final level on the Final Valuation Date. The Reference Level is intended to be used as a management tool by the Portfolio Manager.

Risky Asset means a selection of Risky Funds or a single Risky Fund or any other risky asset specified in the applicable Final Terms and the Other Instruments (if any) related to them

Risky Asset Exposure means the ratio (expressed as a percentage) between the Risky Asset Value and the Portfolio Value.

- If the underlying Risky Asset is in whole or in part composed of a selection of “n” Risky Funds, the sum of the products, in respect of each Risky Fund “i” in the Portfolio, of (i) the relevant Net Asset Value per Unit and (ii) the relevant number of Units of such Risky Fund “i” in the Portfolio on such Valuation Date “t”, as calculated in accordance with the following formula:

$$\sum_{i=1}^n (Nr_{(i)t} \times NAV_{r(i)t})$$

where:

8. **\leq** means that the item preceding this sign is equal to or lower than the item following this sign. When used in a condition, it means that the item preceding this sign must be equal to or lower than the item following this sign for the condition to be met. E.g. "If $X \leq Y$ then,..." means that X must be equal to or lower than Y for the condition to be met.
9. **i, j** or **k** means in respect of the item to which it applies which can be without limitation a date (e.g. "Valuation Date (i)"), an underlying (e.g. "Share (i)") or a combination of underlyings (e.g. "Basket (i)") or a figure obtained pursuant to a formula (e.g. "Coupon (i)"), the designation of such item within a countable list, with the use of the variable i, j or k.
10. **i from X to Y** means that within the countable list of the designated item to which i applies (as defined above), only the items with a rank between X and Y both included (X and Y are numbers) are considered.
11. **i from X to Y and $\neq i0$** by extension the item ranked i0 is excluded from the above list.
12. i^k means, when an item is designated in a list by 2 variables, the designation of such item in the list. e.g. "Share_i^k" with Valuation Date (k) means Share(i) on the Valuation Date(k).
13. **Min [X;Y]** means that the considered value is the lowest value between the values of the two numbers X and Y. If the two values X and Y are positive, the value that will be retained by application of this formula, will be the value that is the lowest of these two positive values (e.g. Min [3;2] 2 will be retained). If X is positive and Y negative, Y will be the value retained by application of this formula (e.g. Min [3; -2], -2 will be retained). If X is negative and Y positive, X will be the value retained by application of this formula (e.g. Min [-3;2], -3 will be retained). If both X and Y are negative values, the value retained by application of this formula will be the greatest negative value (e.g. Min [-3; -2], -3 will be retained). If X is positive and Y equal to 0 (e.g. Min [3; 0], Y = 0 will be retained) and if X is

negative and Y equal to 0 (e.g. Min [-3; 0], X = -3 will be retained). The same rule applies, if more than two values are considered.

14. **Max [X;Y]** means that the considered value is the highest value between the values of the two numbers X and Y. If the two values X and Y are positive, the value that will be retained by application of this formula, will be the value that is the highest of these two positive values (e.g. Max [3;2], 3 will be retained). If X is positive and Y negative, X will be the value retained by application of this formula (e.g. Max [3; -2], 3 will be retained). If X is negative and Y positive, Y will be the value retained by application of this formula (e.g. Max [-3;2], 2 will be retained). If both X and Y are negative values, the value retained by application of this formula will be the least negative value (e.g. Min [-3; -2], -2 will be retained). If X is positive and Y equal to 0 (e.g. Max [3; 0], X = 3 will be retained) and if X is negative and Y equal to 0 (e.g. Max [-3;0], Y = 0 will be retained). The same rule applies, if more than two values are considered.

15. **Min_{i from X to Y}** means that the considered value of the item to which it applies, will be the lowest of the different values that such item can take determined pursuant to the rules of Min above, when its rank in the list varies from X to Y. e.g. Min_{i from 1 to 5} Share(i) means that the relevant value to be considered is the lowest value amongst the 5 values that Share(i) takes.

16. **Max_{i from X to Y}** means that the considered value of the item to which it applies, will be the greatest of the different values that such item can take determined pursuant to the rules of Max above when its rank in the list varies from X to Y. e.g. Max_{i from 1 to 5} Share(i) means that the relevant value to be considered is the greatest value amongst the 5 values that Share(i) takes.

17. $\sum_{n=1}^X$ or Sum_{n from 1 to X} means, for the item to which it applies, the sum of the X values that the item will take. e.g. $\sum_{n=1}^{10}$ Basket (n) means the sum of the 10 values that Basket (n) takes when n varies from 1 to 10.

18. $\frac{1}{X} \times \sum_{n=1}^X$ means for the item to which it applies, the arithmetic average of the values that the item will take. E.g. $\frac{1}{10} \times \sum_{n=1}^{10}$ Basket (n) means the arithmetic average of the 10 values that Basket (n) takes.

19. **|X|** or **Abs (X)** or **absolute value of X** means that even if X has a negative value this negative value will be disregarded. E.g. **|-10|** means that the value to be retained is 10.

20. **Xⁿ** means that the value to be considered is the result of X multiplied by itself “n-1” times. E.g. 2⁵ means 2*2*2*2*2 (i.e. 2 multiplied by itself 4 times) = 32.

21. **√X** or **the square root of X** means that the value to be considered is the number which when multiplied by itself gives X. E.g. √9 = 3 since 3*3 = 9.

22. $\prod_{n=1}^x$ means, for the item to which it applies, the product of the x values that the item will take. E.g. $\prod_{n=1}^3 (n + 1)$ means (1 + 1)(2 + 1)(3 + 1) = 2 × 3 × 4 = 24

23. **“a power b”** means the exponential function of b with base a.

 - **IND(condition)** means the characteristic function of the condition which is equal to 1 if the condition is satisfied and which is equal to 0 if the condition is not satisfied, for example
S(0): closing value of the Underlying on Valuation Date(0)
S(1): closing value of the Underlying on Valuation Date(1)

if S(0) > S(1), then IND(S(0)>S(1)) = 1
if S(0) = S(1), then IND(S(0)>S(1)) = 0
if S(0) < S(1), then IND(S(0)>S(1)) = 0

3. Guarantor as Principal Debtor

Without affecting the relevant Issuer's obligations, the Guarantor will be liable under this Guarantee as if it were the sole principal debtor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal debtor (including (a) any time, indulgence, waiver or consent at any time given to the relevant Issuer or any other person, (b) any amendment to any Note, any Coupon or (if applicable) the Deed of Covenant or to any security or other guarantee or indemnity, (c) the making or absence of any demand on the relevant Issuer or any other person for payment, (d) the enforcement or absence of enforcement of any Note, any Coupon, (if applicable) the Deed of Covenant or of any security or other guarantee or indemnity, (e) the release of any such security, guarantee or indemnity, (f) the dissolution, amalgamation, reconstruction or reorganisation of the relevant Issuer or any other person or (g) the illegality, invalidity or unenforceability of or any defect in any provision of any Note, any Coupon or (if applicable) the Deed of Covenant or any of the relevant Issuer's obligations under any of them).

4. Guarantor's Obligations Continuing

The Guarantor's obligations under this Guarantee are and will remain in full force and effect by way of continuing security until no sum remains payable under any Note, any Coupon or (if applicable) the Deed of Covenant. Furthermore, these obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of a Holder, whether from the Guarantor or otherwise. The Guarantor irrevocably waives all notices and demands whatsoever.

5. Repayment to the Issuer

If any payment received by a Holder is, on the subsequent liquidation or insolvency of the relevant Issuer, avoided under any laws relating to liquidation or insolvency, such payment will not be considered as having discharged or diminished the liability of the Guarantor and this Guarantee will continue to apply as if such payment had at all times remained owing by the relevant Issuer.

6. Indemnity

As a separate and alternative stipulation, the Guarantor unconditionally and irrevocably agrees that any sum expressed to be payable by the relevant Issuer under any Note, any Coupon or (if applicable) the Deed of Covenant but which is for any reason (whether or not now known or becoming known to the relevant Issuer, the Guarantor or any Holder) not recoverable from the Guarantor on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal debtor and will be paid by it to the Holder on demand. This indemnity constitutes a separate and independent obligation from the other obligations in this Guarantee, gives rise to a separate and independent cause of action and will apply irrespective of any indulgence granted by any Holder.

7. Status of Guarantee

In respect of any Notes, the obligation of the Guarantor under this Guarantee constitutes a direct, unconditional, unsecured and general obligation of the Guarantor and ranks and will rank *pari passu* with all other existing and future direct, unconditional, unsecured and general obligations of the Guarantor, including those in respect of deposits but excluding any debts for the time being preferred by law and senior to any subordinated obligations.

8. Incorporation of Conditions

So long as any of the Notes remains outstanding (as defined in the Agency Agreements) the Guarantor will comply with the provisions applicable to it in the Conditions of the Notes as though the same were set out in full herein.

9. Power to execute

The Guarantor hereby warrants, represents and covenants with each Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Guarantee, and that this Guarantee constitutes a legal, valid and binding obligation of the Guarantor in accordance with its terms.

10. Deposit of Guarantee

This Guarantee shall take effect as a deed poll for the benefit of the Holders from time to time and for the time being. This Guarantee shall be deposited with and held by Société Générale Bank & Trust, for the benefit of the Holders until all the obligations of the Guarantor have been discharged in full.

11. Production of Guarantee

The Guarantor hereby acknowledges the right of every Holder to the production of, and the right of every Holder to obtain (upon payment of a reasonable charge) a copy of, this Guarantee, and further acknowledges and covenants that the obligations binding upon it contained herein are owed to, and shall be for the account of, each and every Holder, and that each Holder shall be entitled severally to enforce the said obligations against the Guarantor.

12. Subrogation

Until all amounts which may be payable under the Notes, the Coupons and/or (if applicable) the Deed of Covenant have been irrevocably paid in full, the Guarantor shall not by virtue of this Guarantee be subrogated to any rights of any Holder or claim in competition with the Holders against the relevant Issuer.

13. Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Guarantee, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

14. Governing Law and Jurisdiction

This Guarantee and any non-contractual obligations arising out of or in connection with it are governed by and shall be construed in accordance with English law. The Guarantor irrevocably agrees for the benefit of each Holder that the courts of England are to have jurisdiction to settle any dispute which may arise out of or in connection with this Guarantee (including any dispute relating to any non-contractual obligations arising out of or in connection with this Guarantee) and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with this Guarantee (including any Proceedings relating to any non-contractual obligations arising out of or in connection with this Guarantee) may be brought in the courts of England.

The Guarantor irrevocably waives any objection which it may have now or hereafter to the laying of the venue of any Proceedings in the courts of England and irrevocably agrees that a final judgment in any Proceedings brought in the courts of England shall be conclusive and binding upon the Guarantor and may be enforced in the courts of any other jurisdiction. Nothing contained in this Clause shall limit any right to take Proceedings against the Guarantor in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

The Guarantor hereby appoints Société Générale, London Branch, currently of SG House, 41, Tower Hill, London EC3N 4SG, as its agent for service of process in England in respect of any Proceedings and undertakes that in the event of it ceasing so to act it will appoint another person as its agent for that purpose.

IN WITNESS whereof this Guarantee has been executed and delivered as a deed on behalf of the Guarantor.

BOOK ENTRY CLEARANCE SYSTEMS

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear, Clearstream, Luxembourg, EUI or SIX SIS Ltd (together, for the purposes of this section, the **Clearing Systems**) currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer and the Guarantor believe to be reliable, but none of the Issuer, the Guarantor nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuer, the Guarantor nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a “banking organisation” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants (**Participants**) deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (**DTCC**). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (**Indirect Participants**).

Under the rules, regulations and procedures creating and affecting DTC and its operations (the **Rules**), DTC makes book-entry transfers of Registered Notes among Direct Participants on whose behalf it acts with respect to Notes accepted into DTC's book-entry settlement system (**DTC Notes**) as described below and receives and transmits distributions of principal and interest on DTC Notes. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Notes (**Owners**) have accounts with respect to the DTC Notes similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Notes through Direct Participants or Indirect Participants will not possess Registered Notes, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Notes.

Purchases of DTC Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Notes on DTC's records. The ownership interest of each actual purchaser of each DTC Note (**Beneficial Owner**) is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Notes, except in the event that use of the book-entry system for the DTC Notes is discontinued.

To facilitate subsequent transfers, all DTC Notes deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Notes. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Notes will be made to Cede & Co., or such other nominee as may be requested by an authorised representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Agent, on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances set out in the global Notes, DTC will exchange the DTC Notes for Definitive Registered Notes, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Note, will be legended as set forth in the section headed "*Subscription and Sale*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Notes to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Notes, will be required to withdraw its Registered Notes from DTC as described below.

Book-entry Ownership of and Payments in respect of DTC Notes

The Issuer may apply to DTC in order to have any Tranche of Notes represented by a Registered Global Note accepted in its book-entry settlement system. Upon the issue of any such Registered Global Note, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Note to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Note will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Note, the respective depositories of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Note accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Note accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Note. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Note in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Notes will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Fiscal Agent, the Registrar or the Issuer. Payment of principal, premium, if any, and interest, if any, on Notes to DTC is the responsibility of the Issuer.

Transfers of Notes Represented by Registered Global Notes

Transfers of any interests in Notes represented by a Registered Global Note within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Notes represented by a Registered Global Note to such persons may depend upon the ability to exchange such Notes for Notes in

definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Notes represented by a Registered Global Note accepted by DTC to pledge such Notes to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Notes may depend upon the ability to exchange such Notes for Notes in definitive form. The ability of any holder of Notes represented by a Registered Global Note accepted by DTC to resell, pledge or otherwise transfer such Notes may be impaired if the proposed transferee of such Notes is not eligible to hold such Notes through a Direct Participant or Indirect Participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described in the section headed “*Subscription and Sale*”, cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Fiscal Agent and any custodian (**Custodian**) with whom the relevant Registered Global Notes have been deposited.

On or after the Issue Date for any Series, transfers of Notes of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Notes of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Notes will be effected through the Registrar, the Fiscal Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Notes among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, the Guarantor, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Notes represented by Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial interests.

CREST and CREST Depository Interests

CREST

EUI Notes will be held in registered uncertificated form in accordance with the Uncertificated Securities Regulations 2001, including any modification or re-enactment thereof for the time being in force (the **Regulations**) and as such are dematerialised and not constituted by any physical document of title. The EUI Notes are participating securities for the purposes of the Regulations. Other than in the case of Uncertificated SIS Notes, title to the EUI Notes is recorded on the relevant Operator register of corporate securities. The EUI Agent on behalf of the Issuer shall, in relation to the EUI Notes, maintain a record of uncertificated corporate securities in accordance with the records of Euroclear UK & Ireland Limited (**EUI or CREST**) (formerly known as CRESTCo Limited) (the **Record**) and shall procure that the Record is regularly updated to reflect the Operator register of corporate securities in accordance with the rules and practices from time to time of the Operator. Subject to this requirement and except in the case of Uncertificated SIS Notes, (i) each person who is

for the time being shown in the Record as the holder of a particular number of EUI Notes shall be treated by the Issuer and the EUI Agent as the holder of such number of EUI Notes for all purposes (and the expression **EUI Holder** and related expressions shall be construed accordingly), and (ii) neither the Issuer, the Guarantor nor the EUI Agent shall be liable in respect of any act or thing done or omitted to be done by it or on its behalf in reliance upon the assumption that the particulars entered in the Record which the EUI Agent maintains are in accordance with particulars entered in the Operator register of corporate securities relating to the EUI Notes.

CREST Depository Interests

Following their delivery into Euroclear and Clearstream, Luxembourg, interests in Notes may be delivered, held and settled in CREST by means of the creation of dematerialised depository interests representing the interests in the relevant Notes.

Pursuant to the CREST Reference Manual Notes held in global form by the Common Depository may be settled through the CREST system, and the CREST Depository will issue CREST Depository Interests (**CDIs**). The CDIs will be independent securities, constituted under English law which may be held and transferred through the CREST system.

The CDIs will be created pursuant to and issued on the terms of a deed poll executed by the CREST Depository in favour of the holders of the CDIs from time to time (the **CREST Deed Poll**). Prospective holders of CDIs should note that they will have no rights against CRESTCo or its subsidiaries in respect of the underlying Notes, interests therein, or the CDIs representing them.

Interests in the underlying Notes will be credited to the CREST nominee's account with Euroclear and the CREST nominee will hold such interests as nominee for the CREST Depository which will issue CDIs to the relevant CREST participants.

Each CDI will be treated as one underlying Note, for the purposes of determining all rights and obligations and all amounts payable in respect thereof. The CREST Depository will pass on to holders of CDIs any interest or other amounts received by it as holder of the underlying Notes on trust for such CDI holder. CDI holders will also be able to receive from the CREST Depository notices of meetings of holders of underlying Notes and other relevant notices issued by the Issuer.

Transfers of interests in underlying Notes by a CREST participant to a participant of Euroclear or Clearstream, Luxembourg will be effected by cancellation of the CDIs and transfer of an interest in such underlying Notes the CDIs to the account of the relevant participant with Euroclear or Clearstream, Luxembourg.

The CDIs will have the same international security identification number (ISIN) as the underlying Notes and will not require a separate listing on the Official List.

Prospective subscribers for Notes represented by CDIs are referred to Chapter 3 of the CREST Reference Manual which contains the form of the CREST Deed Poll to be entered into by the CREST Depository.

The rights of the holders of CDIs will be governed by the arrangements between CREST, Euroclear, Clearstream, Luxembourg and the Issuer including the CREST Deed Poll (in the form contained in Chapter 3 of the CREST International Reference Manual (which forms part of the CREST Reference Manual)) executed by the CREST Depository. These rights may be different from those of holders of Notes which are not represented by CDIs.

TAXATION

THE FOLLOWING SECTION PROVIDES INFORMATION ON TAXES ON THE INCOME FROM THE NOTES WITHHELD AT SOURCE IN RESPECT OF (I) THE COUNTRY OF THE REGISTERED OFFICE OF EACH ISSUER AND (II) THE COUNTRIES WHERE OFFERS OF NOTES MAY BE MADE OR ADMISSION TO TRADING MAY BE SOUGHT. SUCH INFORMATION IS NOT INTENDED TO PROVIDE AN EXHAUSTIVE DESCRIPTION OF THE POTENTIAL TAX ISSUES ASSOCIATED WITH THE NOTES. ACCORDINGLY, ANY INVESTOR CONSIDERING AN INVESTMENT IN THE NOTES SHOULD OBTAIN INDEPENDENT TAX ADVICE ON THE TAXATION IMPLICATIONS FOR IT, IN EACH RELEVANT JURISDICTION, OF PURCHASING, OWNING OR DISPOSING OF ANY NOTE.

(1) JURISDICTIONS OF THE ISSUERS AND THE GUARANTOR

FRANCE

Payments made by Société Générale or SG Option Europe as Issuers

Notes issued by Société Générale or SG Option Europe which are not consolidated (assimilables for the purposes of French law) with Notes issued before 1 March 2010

Following the introduction of the French *loi de finances rectificative pour 2009 n°3* (n° 2009-1674 dated 30 December 2009) (the **Law**), payments of interest and other revenues made by Société Générale or Société Option Europe with respect to Notes (other than Notes (as described below) which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to 1 March 2010 having the benefit of article 131 *quater* of the *Code général des impôts*) will not be subject to the withholding tax set out under article 125 A III of the *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of article 238-0 A of the *Code général des impôts* (a **Non-Cooperative State**). If such payments under the Notes are made in a Non-Cooperative State, a 50 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of article 125 A III of the *Code général des impôts*.

Furthermore, interest and other revenues on such Notes will no longer be deductible from the Issuer's taxable income, as from the fiscal years starting on or after 1 January 2011, if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to article 109 of the *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under article 119 *bis* of the *Code général des impôts*, at a rate of 25 per cent. or 50 per cent.

Notwithstanding the foregoing, the Law provides that neither the 50 per cent. withholding tax set out under article 125 A III of the *Code général des impôts* nor the non-deductibility will apply in respect of a particular issue of Notes if the relevant Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the **Exception**). Pursuant to the ruling (*rescrit*) n°2010/11 (FP et FE) of the French tax authorities dated 22 February 2010, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of article L.411.1 of the *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of article L.561-2 of the *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes issued by Société Générale or SG Option Europe which are consolidated (assimilables for the purposes of French law) with Notes issued before 1 March 2010

Payments of interest and other revenues with respect to Notes which are consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 with the benefit of article 131 *quater* of the *Code général des impôts* will be exempt from the withholding tax set out under article 125 A III of the *Code général des impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of rulings (*rescrits*) n°2007/59 (FP) and n°2009/23 (FP) of the French tax authorities dated 8 January 2008 and 7 April 2009, respectively, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of article 131 *quater* of the *Code général des impôts*, in accordance with Circular 5 I-11-98 of the French tax authorities dated 30 September 1998 and the aforementioned rulings (*rescrits*) n°2007/59 (FP) and n°2009/23 (FP).

In addition, interest and other revenues paid by the relevant Issuer on Notes issued from 1 March 2010 and which are to be consolidated (*assimilables* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 will not be subject to the withholding tax set out in article 119 *bis* of the *Code général des impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Payments made by the Guarantor

There is no direct authority under French law on the withholding tax status of payments by the Guarantor under the Guarantee. Hence, the statements below are based on the interpretation of general French tax principles and any future legislative, judicial or administrative development may affect, potentially with retroactive effect, such statements.

Payments in respect of Notes issued by SGA Société Générale Acceptance N.V.:

Under one interpretation of French tax law, payments made by the Guarantor of any amount due by SGA Société Générale Acceptance N.V. to a Noteholder which is a non-French tax resident and which is not acting through a French establishment or branch may be treated as a payment in lieu of payments to be made by SGA Société Générale Acceptance N.V. with respect to the Notes. Accordingly, under this interpretation payments made by the Guarantor, of any amounts due by SGA Société Générale Acceptance N.V. under the Notes, should be exempt from the withholding tax set out under article 125 A III of the *Code général des impôts*, to the extent that interest payments made or to be made by the Issuer would be exempt from withholding tax by reason of SGA Société Générale Acceptance N.V. not being resident of, or otherwise established in, France.

Under with another interpretation, any such payment may be treated as a payment independent from the payments to be made by SGA Société Générale Acceptance N.V. with respect to the Notes. In the absence of

any specific provision in article 125 A III of the *Code général des impôts*, such payments should be exempt from the withholding tax set out under article 125 A III of the *Code général des impôts*.

Payments in respect of Notes issued by SG Option Europe:

In accordance with a first interpretation of French tax law, a payments made by the Guarantor of any amount due by SG Option Europe to a Noteholder which is a non-French tax resident and which is not acting through a French establishment or branch may be treated as a payment in lieu of payments to be made by SG Option Europe with respect to the Notes. Accordingly, under this interpretation payments made by the Guarantor, of any amounts due by SG Option Europe under the Notes, should be exempt from the withholding tax set out under article 125 A III of the *Code général des impôts*, to the extent that such payments are not made outside France in a Non-Cooperative State.

In accordance with the second interpretation, any payment made by the Guarantor in respect of the Notes issued by SG Option Europe may be treated as a payment independent from the payments to be made by this Issuer with respect to the Notes. In the absence of any specific provision in the article 125 A III of the *Code général des impôts*, such payments should be exempt from the withholding tax set out under article 125 A III of the *Code général des impôts*.

EC Council Directive 2003/48/EC on taxation of savings income

The EC Council Directive 2003/48/EC on the taxation of savings income was implemented into French law under article 242 *ter* of the *Code général des impôts* which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest payments.

NETHERLANDS ANTILLES

SGA Société Générale Acceptance N.V. has been advised that, under present Netherlands Antilles law, payments in respect of the Notes held by persons not resident in, or engaged in trade or business through a permanent establishment in, the Netherlands Antilles and gains realised on the sale or redemption thereof by such persons will not be subject to Netherlands Antilles taxes and that no inheritance tax arises in the Netherlands Antilles on the death of a Noteholder not domiciled in the Netherlands Antilles at the time of death.

(2) LUXEMBOURG

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding Tax

Non-resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 (the **Laws**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

Under the Laws implementing the EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**), payments of interest or similar

income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which are resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Where withholding tax is applied, it is currently levied at a rate of 20 per cent. and will be levied at a rate of 35 per cent. as of 1 July 2011. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Laws would at present be subject to withholding tax of 20 per cent.

Resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the **Law**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law would be subject to withholding tax of 10 per cent.

(3) SWITZERLAND

The following is a summary based on legislation as of the date of this Debt Issuance Programme Prospectus. It does not aim to be a comprehensive description of all the Swiss tax considerations that may be relevant for a decision to invest in the Notes. The tax treatment for each investor depends on the particular situation. All investors are advised to consult with their professional tax advisers as to the respective Swiss tax consequences of the purchase, ownership, disposition, lapse, exercise or redemption of Notes in light of their particular circumstances.

Stamp taxes

Swiss federal issue stamp tax

The Notes are not subject to Swiss federal stamp tax on the issuance of securities provided that the respective Issuer is at all times resident and managed outside Switzerland for Swiss tax purposes.

Swiss federal securities turnover tax

Dealings in Notes which classify as pure derivative financial instruments (such as pure call and put options, including low exercise price options with a maturity not exceeding twelve months, pure futures with a maximal pre-financing of 25 per cent., static certificates replicating an index or a basket of at least five shares and with a fixed maturity or an annual redemption right) are not subject to the Swiss federal securities turnover tax.

Dealings in Notes which have been issued by an issuer outside of Switzerland and which classify as structured instruments, share-like instruments (including low exercise price options on shares with a maturity exceeding twelve months) or fund-like instruments are subject to Swiss federal securities turnover tax of 0.3 per cent. on

the consideration paid, however, only if a Swiss securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the transaction and no exemption applies.

The delivery of an underlying security at exercise or redemption to the holder of the Notes is subject to Swiss federal securities turnover tax of 0.3 per cent. in case a security issued by an issuer outside Switzerland is delivered and of 0.15 per cent. in case a security issued by a Swiss domestic issuer is delivered, however, in each case, only if a Swiss domestic securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the transaction and no exemption applies.

Swiss withholding tax

Payments on a Note are not subject to Swiss federal withholding tax provided that the respective Issuer is at all times resident and managed outside Switzerland for Swiss tax purposes.

Income taxation

Non-Swiss resident holders

A holder of a Note who is not resident in Switzerland and who during the taxation year has not engaged in trade or business carried on through a permanent establishment or a fixed place of business in Switzerland, and who is not subject to income taxation in Switzerland for any other reason, will not be subject to any income tax in Switzerland.

Notes held as private assets by a Swiss resident holder

Structured derivative financial instruments: If a Note classifies as a structured derivative financial instrument, its income taxation depends on whether the bond and the derivative financial instrument(s) embedded therein are recorded separately from each other and whether the Note classifies as a structured instrument with or without a predominant one-time interest payment:

Non-transparent structured derivative financial instruments: If the embedded bond is not recorded separately from the embedded derivative financial instrument(s), the Note classifies as non-transparent structured instrument and any return over the initial investment classifies as a taxable interest payment. Non-transparent derivative financial instruments generally include a predominant one-time interest payment and are taxed in accordance with the principles set forth below under “—Transparent derivative financial instruments with a predominant one-time interest payment”.

Transparent structured derivative financial instruments without a predominant one-time interest payment: If the embedded bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment (see below “—Transparent derivative financial instruments with a predominant one-time interest payment”), then any periodic interest payment and the one-time interest payment is taxed when paid to the holder of the Note. A gain, including interest accrued, or a loss, respectively, realised on the sale of a Note is a tax-free private capital gain, or a non-tax-deductible private capital loss, respectively.

Transparent structured derivative financial instruments with a predominant one-time interest payment: If the embedded bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment premium and not from periodic interest payments, then any periodic interest payments and, in addition, on the sale or redemption of the Note, the difference between the value of the embedded bond at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, converted, in each case, into Swiss Francs at the exchange rate prevailing at the time of redemption or sale, issuance or purchase, respectively (modified differential taxation method) constitutes taxable income. A value decrease on the embedded bond respectively realised on the sale or redemption of the Note may be offset

against any gains (including periodic interest payments) realised within the same taxation period from all instruments with a predominant one-time interest payment. Any residual return realised on the embedded derivative financial instrument(s) is a tax-free private capital gain, and any residual loss is a non-tax-deductible private capital loss, respectively.

Bonds without a predominant one-time interest payment: If a Note classifies as a pure bond without a predominant one-time interest payment (the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment), Swiss resident private investors will be taxed on the periodic and on the one-time interest payments, each converted into Swiss Francs at the exchange rate prevailing at the time of payment. A gain, including interest accrued, or a loss, respectively, realised on the sale of a Note is a tax-free private capital gain, or a non-tax-deductible private capital loss, respectively.

Bonds with a predominant one-time interest payment: If a Note classifies as a pure bond with a predominant one-time interest payment (the yield-to-maturity predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment premium and not from periodic interest payments), Swiss resident private investors will be taxed on any gain, including capital and foreign exchange gains, realised on the Notes (differential taxation method).

Pure derivative financial instruments: A capital gain realised by an individual on the sale or redemption of a Note which classifies as a pure derivative financial instrument (such as pure call and put options, including low exercise price options with a maturity not exceeding one year, pure futures, static certificates replicating an index or a basket of at least five shares and with a fixed maturity or an annual redemption right) and which is held as part of their private assets constitutes a tax-free private capital gain. A capital loss realised analogously on the sale or redemption of a Note cannot be set off against taxable income. Periodic and one-time dividend equalisation payments on a Note which is a pure derivative financial instrument constitute taxable investment income.

Low Exercise Price Options: According to the current practice of the Swiss federal tax administration low exercise price options are given if the underlying of a call option has been pre-financed by at least 50 per cent at the time of issuance. For low exercise price options with a maturity exceeding one year the interest component of the low exercise price option (i.e. issue discount) constitutes taxable investment income.

Fund-like instrument: A Note classified as a fund-like instrument will be considered a pass-through instrument for Swiss tax purposes if dividend and interest income (less attributable costs) from, and capital gains and losses (less attributable costs) realised on, the underlying investments, are reported and distributed separately. Under such conditions, an individual holding a fund-like instrument as part of his private assets only receives taxable income (which he or she must report annually) over such portion of the distributions (in case the fund is distributing the income realised on the underlying investments) or earnings credits (in case the fund is reinvesting the income realised on the underlying investment) as derived from dividends and interest (less attributable costs) on the underlying instruments. Any distributions or credits deriving from capital gains realised on the underlying investments constitute a tax-free private capital gain, and any respective loss a non-tax-deductible private capital loss. Any gain or loss realised within a taxation period on the sale of a fund-like instrument (including accrued dividends and interest) is exempt from income taxation as non-taxable private capital gain or non-tax-deductible private capital loss.

Instruments held as assets of a Swiss business

Corporate entities and individuals who hold Notes as part of a trade or business in Switzerland, in the case of residents abroad carried on through a permanent establishment or a fixed place of business in Switzerland, are required to recognise any payments on, and any capital gains or losses realised on the sale or redemption of, such Notes (irrespective of their classification) in their income statement for the respective taxation period and will be taxed on any net taxable earnings for such period.

The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as “professional securities dealers” for reasons of, inter alia, frequent dealing and leveraged investments in securities.

Savings Directive

An interest payment on a Note made by a Swiss paying agent to an individual resident in an EU member state is subject to the EU savings tax. The tax is withheld at a rate of 20 per cent. on interest payments made before 1 July 2011 and 35 per cent. on interest payments made thereafter, with the option of the individual to have the paying agent and Switzerland to provide to the tax authorities of the EU member state the details of the interest payments in lieu of the withholding. The individual may be entitled to a tax credit or refund of the withholding, provided that he or she is the beneficial owner of the interest payments and certain other conditions are met.

(4) OTHER JURISDICTIONS

Any terms defined in this Section (4) in connection with a particular jurisdiction relate only to the information provided in connection with that jurisdiction.

AUSTRIA

The following is a brief summary of certain Austrian tax aspects in connection with the Notes. It does not claim to fully describe all Austrian tax consequences of the acquisition, ownership, disposition or redemption of the Notes. In some cases a different tax regime may apply. Further, this summary does not take into account the tax laws of any country other than Austria nor does it take into account the investors' individual circumstances. Prospective investors are advised to consult their own professional advisers to obtain further information about the tax consequences of the acquisition, ownership, disposition or redemption of the Notes. Only personal advisers are in a position to adequately take into account special tax aspects of the particular Notes in question as well as the investor's personal circumstances and any special tax treatment applicable to the investor.

This summary is based on Austrian Law as in force when drawing up this Debt Issuance Programme Prospectus. The laws and their interpretation by the tax authorities may change and such changes may also have retroactive effect. With regard to certain innovative or structured financial instruments there is currently neither case law nor comments of the financial authorities as to the tax treatment of such financial instruments. Accordingly, it cannot be ruled out that the Austrian financial authorities and courts or the Austrian paying agents adopt a view different from that outlined below.

This summary does not describe the tax consequences for a holder of Notes that are redeemable in exchange for, or convertible into, shares or other securities or rights or which in other way provide for physical settlement, of the exchange, exercise, physical settlement or redemption of such Notes and/or any tax consequences after the moment of exchange, exercise, physical settlement or redemption.

Austrian Resident Taxpayers

Income derived by individuals or corporations resident in Austria is taxable pursuant to the Austrian Income Tax Act (*Einkommensteuergesetz*) or the Austrian Corporate Income Tax Act (*Körperschaftsteuergesetz*).

Risk of requalification of Notes as investment fund units

Certain Notes such as non-capital guaranteed basket or index linked notes, fund linked notes or credit linked notes may be re-qualified by the tax authorities as foreign investment fund units under certain conditions. Pursuant to Sec 42 of the Austrian Investment Fund Act, a portfolio of assets which is subject to the laws of a foreign country and which is invested according to the principle of risk spreading is qualified as a non-Austrian investment fund for tax purposes, without regard to its legal form (substance over form approach).

Pursuant to the Investment Fund Guidelines 2008 applying to index linked notes, a requalification of notes into fund units requires that: (i) an investment governed by non-Austrian law is effected in line with the principle of risk spreading; and (ii) the issuer (or a trustee mandated by the issuer) factually and predominantly acquires the (underlying) securities or that the investment qualifies as actively managed portfolio. This, inter alia, excludes capital guaranteed notes and notes with no more than six underlyings from requalification. However, “directly held index linked notes will in no case be requalified as foreign investment fund units, irrespective, whether the underlying index is a recognised or individually composed, fixed or flexible index”. The latter provision targets to immunise (genuine) index linked notes against requalification.

If a requalification of notes into non-Austrian fund units takes place, the following will apply:

Investment funds are treated as transparent for income tax purposes. Taxable income from investment funds includes distributions as well as retained earnings of the fund (interests, dividends, capital gains) deemed to be distributed to the investor (*ausschüttungsgleiche Erträge*). Such retained earnings are deemed to be distributed to the investor for tax purposes to the extent of the share interest of the investor no later than four months after the end of the business year of the investment fund in which the earnings were derived by the fund. If no Austrian tax representative is appointed for the fund and the retained earnings of the fund deemed to be distributed to the investor are not reported to the tax authorities by the investors themselves, the non-Austrian fund will be qualified as a “black fund” and the retained earnings of the fund deemed to be distributed each calendar year will be determined on a lump-sum-basis which will result in a tax base of 90 per cent. of the difference between the first and the last redemption price of the fund units fixed in a calendar year, and will however represent at least 10 per cent. of the last redemption price (or net asset value (NAV) or stock exchange price) of the fund units fixed in a calendar year. As the applicable tax rate is 25 per cent. for corporate investors and, generally, for individuals, this minimum lump sum tax base results in a minimum tax of 2.5 per cent. per year on the last redemption price (NAV) in any calendar year before maturity. In the event of a sale (redemption) of black foreign investment fund units the tax base would be the difference between the redemption price (NAV) upon disposal and at the end of the last calendar year, but would however represent at least 0.8 per cent. of the redemption price (NAV) upon disposal for each month of the current calendar year. The investors will have to include the pertaining income into their income tax statement. Further, non-Austrian investment fund units, with the exception of funds that are daily reporting relevant figures to the Oesterreichische Kontrollbank, which are held in an Austrian bank deposit are subject to an annual 1.5 per cent. compliance tax (calculated on the last redemption price (NAV) in any calendar year) deducted by the bank unless the investor discloses the funds vis-à-vis the Austrian tax authorities and evidences this to the Austrian bank. Moreover, a pro rata compliance tax applies in the calendar year of the sale or redemption of the fund unit. This compliance tax will automatically be deducted by the Austrian bank.

In the following we assume that the Notes do not qualify as foreign investment funds for income tax purposes.

Individuals

Generally, income arising from the Notes should qualify as income from debt-securities (*Kapitalerträge aus Forderungswertpapieren*). Income from debt-securities includes (i) interest payments as well as (ii) income, if any, realised upon redemption or prior redemption (being the difference between the issue price and the redemption amount, or in case of prior redemption, the repurchase price - a maximum 2 per cent. tax-exempt threshold applies to specified Notes bearing also ongoing coupons with a minimum five year maturity; in practice, however, this exemption is not available for index linked notes and other underlying linked notes treated like index linked notes); or (iii) realised upon sale of the Notes (only to the extent of accrued interest and comparable consideration for future fixed redemption or interest payments but excluding capital gains, although in case of index, share, fund, commodity or other underlying linked notes including discounted share certificates and bonus certificates the whole gain would be treated as income from debt securities, see also below “Certain aspects of the tax treatment of certain notes”).

If income from debt-securities is paid out by a coupon paying agent (*kuponauszahlende Stelle*) located in Austria, it is subject to 25 per cent. Austrian withholding tax (*Kapitalertragsteuer-KES*). The coupon paying

agent is the bank, including an Austrian branch of a non-Austrian bank or investment firm, which pays out such income to the holder of the Notes.

Provided that the Notes have been offered to the public within the meaning of Section 97 of the Austrian Income Tax Act (public placement), the 25 per cent. withholding tax constitutes a final taxation (*Endbesteuerung*) for all individuals, no matter whether they act as private investors or hold the Notes as business property. Final taxation means that no further income tax will be assessed and the income is not to be included in the investor's income tax return. Final taxation is only applicable to income from debt-securities. As regards the taxation of capital gains, please see below.

Generally, for a public placement within the meaning of Section 97 of the Austrian Income Tax Act the Notes have to be offered legally and factually to an undetermined number of persons. The Austrian Ministry of Finance requires that the offer is addressed (whether in Austria or abroad) to an undetermined number of addressees or to more than 250 persons in order to qualify as a public placement. This is deemed to be the case if notes are traded on a regulated market (a listing of notes on the Third Market of the Vienna stock exchange (*Dritter Markt*), for example, does not suffice for the qualification as a public placement for income tax purposes) or if they are acquired within six months after the issuance by more than 250 different purchasers (whether inside or outside of Austria). Evidence of the acquisition by more than 250 purchasers can be given by a confirmation of the credit institution having arranged the issue or by the purchase of the Notes by an Austrian investment fund. Evidence for a public offer within the meaning of Section 97 of the Austrian Income Tax Act may also be given by underwriting agreements pursuant to which the Notes are subscribed for, and distributed by, one or more credit institutions or if the Notes are offered via Reuters, Bloomberg or similar widely recognised trading systems, or over other public media (see further Austrian Income Tax Guidelines no 7804 ff).

If the Notes are not offered to the public within the meaning of Section 97 of the Austrian Income Tax Act (private placement), the income derived from the Notes is taxable at the respective Noteholder's normal progressive personal income tax rate amounting up to 50 per cent. The Austrian withholding tax will be credited against the income tax liability.

Where there is no deduction of Austrian withholding tax because the income from the Notes is not received in Austria (not paid out by a coupon paying agent located in Austria) Austrian investors will have to declare the income derived from the Notes in their income tax returns pursuant to the Austrian Income Tax Act. A special 25 per cent. income tax rate pursuant to Section 37 subparagraph 8 of the Austrian Income Tax Act is applicable provided that the Notes have been offered to the public within the meaning of Section 37 subparagraph 8 of the Austrian Income Tax Act.

Individuals whose regular personal income tax rate is lower than 25 per cent. may opt for taxation of the income derived from the Notes at such regular personal income tax rate. In this case, the withholding tax will be credited against the income tax liability and the excess amount shall be refunded. Expenses incurred by the investor in connection with income derived from (publicly placed) Notes are not deductible.

Special rules apply in case a Noteholder transfers his residence or deposit account outside Austria.

Upon the sale of the Notes accrued interest realised upon such sale is taxed as income from debt-securities being subject to withholding tax as set out above (with regard to index, share, fund, commodity or other underlying linked notes including discounted share certificates and bonus certificates the whole gain would be treated as income from debt-securities, see below "*Certain aspects of the tax treatment of certain notes*"). For private investors, any additional capital gain on the disposal of the Notes is taxable if the disposal takes place within one year after the date of the acquisition of the Notes pursuant to Section 30 Income Tax Act (*Spekulationsgeschäft* – speculative transaction). Such speculative gain is taxed at normal progressive income tax rates amounting up to 50 per cent. if the total of such speculative gain exceeds 440 Euro per year. If the Notes qualify as business assets, capital gains on the disposal are taxable irrespective of the date of the disposal at normal progressive income tax rates.

Corporations

Corporate investors deriving business income from the Notes may avoid the application of Austrian withholding tax by filing a declaration of exemption (*Befreiungserklärung*) with the coupon paying agent. Income including any capital gain derived from the Notes by corporate investors is subject to Austrian corporate income tax at the general rate of 25 per cent. There is, *inter alia*, a special tax regime for Private Foundations established under Austrian law (*Privatstiftungen*).

Certain aspects of the tax treatment of certain notes

Upon the sale of zero bonds the difference between the issue price and the proceeds from the sale would be taxable as income from debt-securities being subject to withholding tax (where such withholding tax applies) merely to the extent of the positive difference amount between the issue price and the inner value of the notes; any additional capital gain would be taxable for private investors pursuant to Section 30 Income Tax Act (*Spekulationsgeschäft* – speculative transaction) if the sale took place within one year after the date of the acquisition of the Notes.

In relation to index linked notes, the whole amount of the positive difference realised upon redemption or sale of the Notes as compared to the issue price is treated as income from debt-securities and is therefore also subject to withholding tax (where such withholding tax applies). The taxable gain is calculated as the positive difference between the issue price and the redemption amount/sales price. The amount of the positive difference (parts) between the purchase or redemption price and the issue price are taxable for private investors pursuant to Section 30 Income Tax Act (*Spekulationsgeschäft* – speculative transaction) if the sale or redemption of the notes takes place within one year after the date of the acquisition of the Notes. The same tax treatment applies to share, fund, commodity or other underlying linked notes including discounted share certificates and bonus certificates (if no requalification as fund units takes place) – for these, the whole amount of the positive difference between the redemption (sale) price and the issue price is treated as income from debt-securities.

The Austrian tax authorities have decided that notes where only the coupon(s) but not the redemption amount is (are) linked to an index or other underlying must be treated as “index linked notes”. In such case the (whole) amount of the positive difference between the issue price and the sale price or redemption price is subject to withholding tax.

If inflation linked notes bear interest and their redemption amount is linked to the performance of an inflation index, then in addition to the coupon payments the amount of the difference between the issue price and the redemption price and (and also, for sales, the amount of the difference between the issue price and the index linked calculated value (but not the whole capital gain [however the capital gain could be subject to income tax as speculative transaction])) is subject to withholding tax.

Income from leveraged certificates (turbo certificates), i.e. certificates which may be subscribed at a lower price than the underlying's current market price, qualifies as income from debt-securities subject to 25 per cent. Austrian withholding tax provided that the leverage factor applied upon subscription/issue to the certificates' subscription price is less than five (the certificates' subscription price amounts to more than 20 per cent of the underlying's market price). If the leverage factor is at least five, income from the sale or redemption of the certificates will not be subject to the 25 per cent. withholding tax (but it will qualify as a capital gain potentially subject to taxation as a speculative transaction (see above under “*Individuals*”)) provided that the leverage factor is sufficiently evidenced by the foreign issuer submitting the terms and conditions of the Notes to the Oesterreichische Kontrollbank AG before, or within 24 hours after, the first offering of the Notes in the Austrian market. If such evidence is provided later, the Austrian coupon paying agents will have to continue to deduct withholding tax. However, the Noteholder may claim a refund of the withholding tax upon personal income tax assessment or pursuant to Section 240 subparagraph 3 of the Austrian Fiscal procedure Code (BAO).

Guidelines issued by the Austrian Ministry of Finance provide further details for the tax treatment of some other structured financial instruments. For reverse convertibles (cash or share-notes) bearing high interest the full

coupon would be treated as interest; however, pursuant to current practice, losses incurred upon redemption could be set off in an amount equalling to the interest income of the last coupon payment period against the interest income of private investors (Income Tax Guidelines no. 6198). Callable yield notes are treated in the same way as reverse convertibles.

For option notes bearing low interest, the issue price is split between the price of the bond and the price for the option which leads to the recalculation of the issue price for tax purposes.

Tax consequences of conversion or of any option exercise or of any other physical settlement of Notes are not discussed in this context.

This entire outline of the taxation of the Notes is based on the assumption that the Notes will be treated as debt-securities (*Forderungswertpapiere*) and will not be qualified as equity instruments for tax purposes such as shares or equity participation rights (*Substanzgenussrechte*). Further, this outline is based on the assumption that the Notes do not qualify as derivative instruments or contracts for differences resulting for private investors in the taxation of capital gains pursuant to Section 30 Income Tax Act (*Spekulationsgeschäft*) at progressive rates rather than being subject to withholding tax. Pursuant to Section 30 Income Tax Act certain types of transactions, such as the sale of securities, would be taxable for private investors only if carried out within one year following the acquisition (speculative period) whereas other transactions, such as futures, forwards or contracts for differences (*Differenzgeschäfte*), would be taxable irrespective of the one year speculative period.

Non-Residents

Income, including any capital gains derived, from the Notes by individuals who do not have a domicile or their habitual abode in Austria (**non-residents**) is not taxable in Austria provided that the income is not attributable to a permanent establishment or other Austrian source income taxable in Austria (for withholding tax under the EU Savings Directive, see below; tax consequences of a requalification into a foreign investment fund are not discussed herein with regard to non-residents).

Income, including any capital gain derived from the Notes by corporate investors who do not have their corporate seat or their place of management in Austria (non-residents), is not taxable in Austria provided that the income is not attributable to a permanent establishment or other Austrian source income taxable in Austria.

Thus, non-resident investors – if they receive income from the Notes through a coupon paying agent located in Austria – may avoid the application of Austrian withholding tax if they evidence their non-resident status vis-à-vis the coupon paying agent. Non-residents who are Austrian citizens or citizens of a neighbouring country will have to confirm their non-resident status in writing to the coupon paying agent. The provision of evidence that the investor is not subject to Austrian withholding tax is the responsibility of the investor.

If any Austrian withholding tax is deducted by the coupon paying agent, the tax withheld shall be refunded to the non-resident investor upon his application, which has to be filed with the competent Austrian tax authority within five calendar years following the date of the imposition of the withholding tax.

Where non-residents receive income from the Notes as part of business income taxable in Austria (from a permanent establishment), they will be, in general, subject to the same tax treatment as resident investors.

EU Council Directive on Taxation of Savings Income

The EU Council Directive 2003/48/EC on taxation of savings income in the form of interest payments (Savings Directive) provides for an exchange of information between the authorities of EU member states regarding interest payments made in one member state to beneficial owners who are individuals and resident for tax purposes in another member state of the European Union or certain dependent associated territories. Austria has implemented the Savings Directive by way of the EU Withholding Tax Act (*EU-Quellensteuergesetz*) which provides for a withholding tax rather than for an exchange of information. Such EU Withholding tax will be

levied on interest payments within the meaning of the EU Withholding Tax Act made by a paying agent located in Austria to an individual resident for tax purposes in another member state. The EU Withholding Tax amounts to 20 per cent. before 1 July 2011 and 35 per cent. thereafter.

Withholding tax will be deducted upon actual or deemed interest payments as well as upon the sale, refund or redemption of debt claims. Further, withholding tax will be deducted – on a *pro rata temporis* basis – in the event of changes in the individual's withholding tax status, such as changes of his country of residence or the transfer of his securities to a non-Austrian account.

Deduction of EU withholding tax can be avoided if the EU-resident investor provides the paying agent with a certificate drawn up in his name by the tax office of his member state of residence. Such certificate must indicate, *inter alia*, the name and address of the paying agent and the account number of the investor or the identification of the Notes. (Section 10 EU Withholding Tax Act)

The scope of the definition of interest payments for EU Withholding Tax purposes may differ from the scope of interest payments for Austrian income and withholding tax purposes. For example, under certain conditions and subject to the guidelines and information issued by the Austrian Ministry of Finance income from share linked notes, index linked notes or fund linked notes may not be considered as interest for EU Withholding Tax purposes for so long as it constitutes interest for Austrian tax purposes.

Notes without a capital guarantee (the term “capital guarantee” for such tax purposes is deemed to include guaranteed interest payments) are treated as follows: Factually paid interest amounts are subject to EU Withholding Tax. Difference amounts from notes linked to shares, share indices, metals, currencies and the like which are not guaranteed in advance are not subject to EU Withholding Tax. Such difference amounts derived from notes linked to bonds or bond indices are not subject to EU Withholding Tax if the index or basket is comprised of a minimum of five different bonds from different issuers, if a single bond does not exceed 80 per cent. As a proportion of the index and, with regard to dynamic notes, the 80 per cent. threshold is complied with throughout the entire term of the notes. With regard to notes linked to fund indices, the difference amounts do not qualify as interest within the meaning of the EU Withholding Tax Act, if the index is composed of a minimum of five different funds and no fund exceeds 80 per cent. As a proportion of the index; in the case of dynamic notes the 80 per cent. threshold must be complied with during the entire term of the notes. If notes are linked to mixed indices composed of funds as well as of bonds, difference amounts do not qualify as interest within the meaning of the EU Withholding Tax Act if the index is composed of a minimum of five bonds and five funds of different issuers and no single bond or single fund exceeds 80 per cent. As a proportion of the pertaining index.

Relating to capital guaranteed notes, factually paid interest amounts, whether guaranteed or not, are subject to EU Withholding Tax. Guaranteed parts of difference amounts (between issue price and redemption price respectively sale price) are subject to EU Withholding Tax on the basis of the yield upon issue. Non-guaranteed income, like (non guaranteed parts of) difference amounts (difference amounts between issue price and redemption price respectively sale price) are treated as follows: If the underlying qualifies as bond, interest rate or inflation rate, then the difference amounts will qualify as interest within the meaning of the EU Withholding Tax Act and will be subject to EU Withholding Tax. If shares, share indices, share baskets, metals, currencies and commodities are referred to as underlyings, the difference amounts are not subject to EU Withholding Tax. If funds and fund indices are referred to as underlying, the difference amounts are not subject to EU Withholding Tax, provided that the funds do not generate interest income within the meaning of the EU Withholding Tax Act. Should the underlyings qualify as certificates or other securities the proceeds of which do not qualify as interest subject to EU Withholding Tax, then the difference amounts derived therefrom are not subject to EU Withholding Tax.

Provided that Notes are requalified as foreign investment fund units and the interest income of the fund deemed to be distributed to the investors is not reported on a daily basis to the Austrian central depository bank (*Oesterreichische Kontrollbank* – the **OeKB**), Austrian paying agents shall deduct EU Withholding Tax on a

lump sum tax base of 6 per cent. of the last redemption price (NAV) of the fund units fixed in a calendar year. Moreover, a pro rata EU Withholding Tax applies in the calendar year of the sale or redemption of the fund unit.

Other Taxes

Inheritance and gift tax

The Austrian inheritance and gift tax (*Erbschafts- und Schenkungssteuer*) was abolished with effect as of 1 August 2008. However, according to the Gift Notification Act 2008 (*Schenkungsmitteilungsgesetz 2008*) gifts have to be notified to the tax authorities within a three-month notification period. There are certain exemptions from such notification obligation, e.g. for gifts among relatives that do not exceed an aggregate amount (of gifts between the same persons) of €50,000 per year or gifts among unrelated persons that do not exceed an aggregate amount (of gifts between the same persons) of €15,000 within five years.

Stamp duty

The sale and purchase of bearer securities and the redemption of notes is generally not subject to Austrian stamp duty provided that no other transaction potentially taxable under the Austrian Stamp Duty Act (*Gebührengesetz*) (SDA) such as an assignment of rights (*Zession*) or loan or credit agreement is entered into for which a document (*Urkunde*) within the meaning of the Stamp Duty Act is executed.

The issue of notes (that are not addressed to the capital markets), potentially qualifies as a loan agreement which is subject to stamp duty if a document (*Urkunde*) or substitute documentation within the meaning of the SDA evidencing the loan is executed: (a) within Austria; or (b) outside Austria provided that: (i) at least one party to the loan has its domicile, habitual abode, seat, place of management or a permanent establishment within Austria; and (ii) at least one party is entitled or obligated to performance under the loan agreement in Austria (however, pursuant to a recent decision of the Independent Tax Senate Linz dated 3 September 2008 (RV/0174-L/06) bonds or notes do not qualify as credit agreements within the meaning of the SDA).

In this respect, Section 15/3 SDA provides for an exemption from stamp duty for transactions which are covered by chapter II of the Austrian Capital Transfer Tax Act (*Kapitalverkehrsteuergesetz*) (**Chapter II**) concerning securities tax (*Wertpapiersteuer*). Although securities tax is not levied any more, transactions covered by Chapter II are exempt from stamp duty under Section 15/3 SDA. Chapter II covers, *inter alia*, the acquisition of interest-bearing debt claims (*verzinsliche Forderungsrechte*) in the form of securities (*Schuldverschreibungen*). An Austrian Administrative Court decision requires that the issuance of notes be addressed to the capital markets in order to qualify for this stamp duty exemption. In this respect, according to Austrian literature an issuer may rely on the stamp duty exemption even in the case of a private placement provided that the respective bonds have features such as fungibility (tradeability), uniform terms and conditions, marketable nominal amounts, a larger circle of addressees, no short-term maturity and that they are freely transferable without the issuer's consent. There should be at least: (i) a private placement to a larger circle of addressees which are not related to the issuer; (ii) the issuer should be able to act on the capital markets; and (iii) objective adequacy of the issue for the capital market.

BELGIUM

Set out below is a summary of certain Belgian tax consequences of acquiring, holding and selling the Notes. This summary is not intended to be an exhaustive description of all relevant Belgian tax considerations and investors should consult their own tax advisers regarding such considerations in relation to their own particular circumstances. The description of certain Belgian taxes set out below is for general information only and does not purport to be comprehensive.

This summary is based on current legislation, published case law and other published guidelines and regulations as in force at the date of this Debt Issuance Programme Prospectus and remains subject to any future amendments, which may or may not have retroactive effect.

Belgian income tax

For Belgian tax purposes, interest includes any interest paid on the Notes as well as any amount paid in excess of the initial price upon redemption or purchase by the Issuer.

Belgian resident individuals

For individuals subject to Belgian personal income tax who are not holding Notes as professional investors, all interest payments (as defined in the Belgian Income Tax Code) will be subject to the tax regime described below.

If interest is paid through a Belgian intermediary, such intermediary must levy withholding tax. The current applicable withholding tax rate is 15 per cent. No other personal income tax will be levied on this income. If no Belgian intermediary is involved in the interest payment, the investor must declare this interest as moveable income in his or her personal income tax return. Such income will, in principle, be taxed separately, currently at a rate of 15 per cent. (plus the applicable local surcharge).

Any capital gain upon a sale of Notes, not allocated to the professional activity of the individual, to a party other than the Issuer, except for that part of the sale price attributable to the pro rata interest component, is in principle tax exempt (unless the tax authorities can prove that the capital gain does not result from the normal management of a non-professional investment). The investor must declare the interest as income in his or her personal income tax return. Such income will in principle be taxed separately, currently at a rate of 15 per cent. (plus the applicable local surcharge), unless it can be demonstrated that such income will be subject to Belgian withholding tax upon maturity.

If a levy has been applied according to the EU Council Directive 2003/48/EC on taxation of savings income in the form of interest payments (the **Savings Directive**), this levy does not free the Belgian individual from the obligation to declare the interest income in the personal income tax return. However, this levy will be credited against personal income tax, and any excess amount will be refunded. The levy can also apply to interest paid through paying agents of certain dependent or associated territories, including, as the case may be, the Netherlands Antilles.

Losses on the Notes held as a non-professional investment cannot usually be deducted.

Belgian companies

Interest paid through an intermediary established in Belgium to a Belgian company subject to corporate income tax will generally be subject to Belgian withholding tax (the current applicable withholding tax rate is 15 per cent.). However, an exemption may apply provided that certain formalities are complied with. For zero or capitalization bonds, the above exemption will not apply, unless the Belgian company and the Issuer are associated companies within the meaning of article 105, 6° RD/ITC. If Belgian withholding tax is applicable, Belgian companies are, in principle, entitled to set off Belgian withholding tax against their corporate income tax liability provided certain conditions are fulfilled.

For any Belgian company subject to Belgian corporate income tax, all interest and any gain on a sale of the Notes will form part of that company's taxable profit. The current normal corporate income tax rate in Belgium is 33.99 per cent.

Losses on the Notes are, in principle, tax deductible.

Other Belgian legal entities subject to the legal entities income tax

For other Belgian legal entities subject to the legal entities income tax, all interest payments (as defined by the Belgian Income Tax Code) will be subject to withholding tax, currently at a rate of 15 per cent.

If this interest is paid through a Belgian intermediary, such intermediary will have to levy withholding tax, currently at the rate of 15 per cent. No other legal entities income tax will be levied on this income. If no Belgian intermediary is involved, the withholding tax must be declared and paid by the legal entity itself.

Any capital gain on a sale of the Notes to a party not being the Issuer will, in principle, be tax exempt, except for that part of the sale price attributable to the pro rata interest component. Such interest is subject to withholding tax, currently at the rate of 15 per cent. This withholding tax must be paid by the legal entity itself, unless it can demonstrate that the withholding tax will be paid at maturity.

Tax on stock exchange transactions

The sale and acquisition of the Notes will be subject to a tax on stock exchange transactions if executed in Belgium through a professional intermediary. The tax is generally due at a rate of 0.07 per cent. on each sale and acquisition separately, with a maximum of €500 per taxable transaction. Exemptions apply for certain categories of institutional investors and non-residents. Transactions on the primary market are no longer subject to the tax on stock exchange transactions.

Savings Directive

Under the Savings Directive, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State.

However, for a transitional period, Luxembourg and Austria are instead required to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The current rate of the levy applicable to such payments is 20 per cent. (as from 1 July 2008). However, this rate will increase to 35 per cent. after 1 July 2011. In this respect, as from 1 January 2010, Belgium no longer applies the levy on interest payments to beneficial owners who are residents of another Member State of the European Union, but instead applies the automatic exchange of information under the Savings Directive.

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008 the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

Belgium also entered into an agreement with the Kingdom of the Netherlands in respect of the Netherlands Antilles concerning the automatic exchange of information regarding savings income in the form of interest payments. Individual investors should seek professional advice to verify what obligation a paying agent in the Netherlands Antilles is under to withhold any tax from the interest payable by the agent on the Notes under the aforementioned agreement.

BULGARIA

General

This summary is based on the tax legislation, published case law, treaties, regulations and published policy in force as of the date of this Debt Issuance Programme Prospectus, although it does not take into account any developments or amendments thereof after that date, whether or not such developments or amendments have retroactive effect.

This summary is intended as general information only and each prospective investor should consult a professional tax adviser with respect to the tax consequences of an investment in the Notes.

The summary set out in this section applies to all Noteholders, including residents and non-residents of Bulgaria assuming that the Issuer is not resident in Bulgaria and has no place of business in Bulgaria.

For tax purposes, persons are classified according to whether they are individuals or legal entities with applicable taxes on income derived from the Notes regulated by the Individuals' Income Tax Act 2006 (effective from 1 January 2007) with respect to individuals and the Corporate Income Tax Act 2006 (effective from 1 January 2007) with respect to legal entities.

Bulgarian resident legal entities are entities established in accordance with Bulgarian laws, as well as companies established in accordance with Council Regulation (EC) Number 2157/2001 and cooperatives established in accordance with Council Regulation (EC) Number 1435/2003, provided their seat is in Bulgaria and they are registered in a Bulgarian register.

Non-resident entities are those that are not resident entities. Non-resident legal entities are taxed with respect to profit realised through a place of business in Bulgaria and income tax with respect to income the source of which is in Bulgaria.

Bulgarian individual residents, without regard to their citizenship, are persons who: (a) have a permanent address in Bulgaria; or (b) reside on Bulgarian territory for more than 183 days during each 12-month period, or whose centre of critical interest is in Bulgaria.

Non-resident individuals are those individuals that are not resident in Bulgaria.

Non-Residents

Interest

Under Bulgarian law if interest is paid by a non-resident person, by a person that is not a trade representative or an entity that does not have a place of business or a defined base in Bulgaria, in favour of non-resident persons, the non-resident's income would not have Bulgaria as its source and would not be subject to withholding tax.

No withholding tax would be levied even if the income is from interest and discounts from Bulgarian sovereign, municipal or corporate bonds as well as similar bonds, issued under laws of other EU or EEA Member States and is accrued or paid for the benefit of a resident and non-resident individual who is a European Union or European Economic Area resident for tax purposes.

Non-resident legal entities' income from interest payable to them by non-residents through a place of business, or a certain base, in Bulgaria is deemed to originate from Bulgaria and is taxed with a final withholding tax in the amount of 10 per cent.

Capital Gains

Income from a sale, swap and other transfer for consideration of shares, interests, compensatory instruments, investment vouchers or other financial assets which non-resident individuals receive would not be taxed if such income is not derived from Bulgaria.

No withholding tax would be levied if income is received by a non-resident individual as a result of a disposition of financial instruments⁵⁷ and provided that the non-resident individual is resident for tax purposes in the European Union or European Economic Area.

⁵⁷ Pursuant to § 1, item 11 of the Additional Provisions to the Individuals' Income Tax Act 2006 a "disposition of financial instruments" includes the following transactions: (a) a disposition of interests in collective investment schemes, shares and rights made on a

Non-resident legal entities' income from transactions with financial assets issued by resident legal entities, the sovereign or municipalities have its source in Bulgaria and would be taxed with a final withholding tax in the amount of 10 per cent. If the income payor is a non-resident or a place of business in Bulgaria the withholding tax is paid by the income recipient.

No withholding tax would be levied on income received by non-resident legal entities from a disposition of financial instruments.⁵⁸

Residents

Interest

Any payment of interest by the Issuer to Bulgarian Residents (individuals and legal entities) shall be subject to taxation pursuant to the general rules of the Bulgarian Corporate Taxation Act 2006 and the Bulgarian Individuals Income Tax Act 2006 subject to the above.

Capital Gains

Any Capital Gains on Notes realised by Bulgarian Residents (individuals and legal entities) shall be subject to taxation pursuant to the general rules of the Bulgarian Corporate Taxation Act 2006 and the Bulgarian Individuals Income Tax Act 2006 subject to the above.

Value added tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Notes or in respect of the cash payment made under the Notes, or in respect of a transfer of Notes.

Other taxes and duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in Bulgaria by a holder of the Notes in respect of, or in connection with, the subscription, issue, placement, allotment, delivery or transfer of the Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required (from 1 July 2005) to provide to the tax authorities of another Member State with details of the payment of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However for a transitional period Luxembourg and Austria are instead required to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to the exchange of information with certain other countries). A number of non-EU countries including Switzerland have agreed to adopt similar measures (a withholding system, which in the meantime has been implemented, in the case of Switzerland) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in another Member State. In addition, the Member States have entered into the reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

regulated market under Article 73 of the Markets in Financial Instruments Act (with "rights" being defined as securities entitling their holder to subscribe for a certain number of shares in connection with a resolution or a capital increase); (b) those entered into on terms and conditions applicable to redemptions from collective investment schemes, admitted to public offering in Bulgaria or another Member State or a member state of the European Economic Area Treaty; and, (c) those entered into on the terms and conditions applicable to tender offers in accordance with chapter 11, division II of POSA, or any similar type of transactions in another Member State or European Economic Area Treaty member state.

⁵⁸ The definition of "disposition of financial instruments" for the purposes of § 1, item 21 of the Corporate Income Tax Act is the same as the definition set out in § 1, item 11 of the Additional Provisions to the Individuals' Income Tax Act referred to in footnote 28.

In respect of resident individuals, a mechanism exists by virtue of which any tax paid in Belgium, Austria or Luxembourg on income from savings paid by a paying agent to resident individuals is deducted from the general annual tax base or is reimbursed. § 1, item 49 of the Individuals' Income Tax Act 2006 defines income from savings as: (a) income related to all kinds of debt claims irrespective of whether they are secured by a mortgage or a debtor's profit sharing arrangement including interest on bank deposits, interest on and discounts from bonds and debentures, as well as income from the sale of bonds and debentures (premia and profit); default interest is not considered income from savings; (b) income from interest realised or capitalised during the sale, reimbursement or redemption of debt claims under letter a) above; (c) income from letters (a) and (b) above paid directly or through a paying agent and distributed on account of: (aa) a collective investment scheme licenced in another Member State; (bb) a paying agent certified in a Member State in which it is established as equivalent to a collective scheme; (cc) a collective investment scheme established in a third country; (d) income on account of a sale, reimbursement or redemption of shares or interests in the persons specified in letters (aa), (bb) and (cc) above, provided that such persons invest directly or indirectly (through persons specified in letters (aa), (bb) and (cc) above) in excess of 40 per cent. of their assets in debt claims under letter (a) above. § 1, item 50 of the Additional Provisions to the Individuals' Income Tax Act defines a paying agent as "a person carrying on business on the territory of Kingdom of Belgium, Republic of Austria and the Grand Duchy of Luxembourg which pays out income from savings to resident individuals under this Act including when acting as an intermediary in connection with the payment of such income".

CYPRUS

The following is a general description of certain tax aspects of the Notes under Cypriot law as at the date of this Debt Issuance Programme Prospectus and does not purport to be a comprehensive description of all tax aspects relating to the Notes. Prospective investors should consult their tax and other professional advisers as to the specific tax consequences of acquiring, holding and disposing of the Notes.

Income Tax

With effect from 1 January 2003, important amendments were introduced to the tax system in Cyprus which was overhauled and pursuant to which the basis of taxation became one of tax on worldwide income on the basis of residency. For the purpose of establishing residency under the provisions of the Income Tax Law, Law 118(I)/2002 (the **Income Tax Law**) a person is resident for tax purposes in Cyprus where: (i) in the case of a natural person, that person is present in Cyprus for one or more periods that exceed in the aggregate 183 days in the tax year; or (ii) in the case of a company, its management and control is centrally exercised in Cyprus. Incorporation of the company alone does not suffice for the purposes of attaining Cypriot tax residency. The tax year for the purpose of the Income Tax Law coincides with the calendar year.

In addition, with effect from 1 January 2009, Cyprus has made a number of important changes to its tax laws relating to the taxation of interest.

The changes were made by Laws 110(I)/2009 and 111(I)/2009, amending the Income Tax Law and the Special Contribution for the Defence of the Republic Law, Law 117(I)/2002 (**SDC**) respectively.

Interest earned from January 1 2009 will be subject to either income tax or SDC tax (but not both), on the following bases:

1. The net amount of interest received by individuals and companies (after deduction of expenses) in the ordinary course of their business or closely connected to the ordinary course of their business is subject to income tax at standard rates (10 per cent. for companies and between 20 per cent. and 30 per cent. for individuals); and
2. Any other interest receivable is subject to SDC tax at 10 per cent. with no deductions.

Furthermore, a resident of Cyprus who receives interest or is credited with an amount of interest will be liable to a withholding at source of 10 per cent. on the interest received or credited pursuant to the provisions of the SDC.

The definition of “residence” as defined in section 2 of the Income Tax Law is equally applicable for the provisions of the SDC.

Persons (natural and legal) who are not resident for tax purposes pursuant to the provisions of the Income Tax Law will not be liable to any charge to income tax or the special contribution for the defence of the Republic unless such income is derived from sources within Cyprus, in which case the income will be taxable according to applicable Cypriot tax legislation.

Stamp Duty

Following the enactment of the Stamp Duty (Amendment) (No.2) Law 2002, section 4 of the Stamp Duty Law, Law 19/1963 as amended provides that:

“(1) every instrument specified in the First Schedule shall be chargeable with duty of the amount specified in the said Schedule as the proper duty therefore respectively if it relates to any asset situated in the Republic or to matter or things which shall be performed or done in the Republic irrespective of the place where the document is made”.

Finally, stamp duty is payable on a sliding scale with a cap/ceiling of approximately EUR17,100 per transaction document.

Withholding Tax

There is no withholding tax payable in Cyprus on interest and dividends to non-Cypriot tax residents.

CZECH REPUBLIC

General

The information set out relates only to Czech withholding tax and does not deal with any other Czech tax consequences of the purchase, holding and disposal of the Notes and it does not purport to be a complete analysis of all Czech tax considerations relating to the Notes that may be relevant to a decision to purchase the Notes.

Interest Income

Subject to the assumption that the Issuers do not become resident in the Czech Republic for tax purposes, the payments of interest on the Notes will not be subject to Czech withholding tax unless the interest on the Notes is paid by a permanent establishment of an Issuer in the Czech Republic.

Capital gains and tax security withholding

Income realised by an individual who is not for tax purposes treated as a resident of the Czech Republic or by a person other than an individual who is not for tax purposes treated as a resident of the Czech Republic (**Non-Czech Holders**), whether holding the Notes through a permanent establishment in the Czech Republic or not, from the sale of the Notes to an individual who is for tax purposes treated as a resident of the Czech Republic or to a person (other than an individual) who is for tax purposes treated as a resident of the Czech Republic or to an organisational unit of the Czech state (**Czech Holders**) or to a Non-Czech Holder acquiring the Notes through a permanent establishment in the Czech Republic, will generally be subject to taxation in the Czech Republic, unless the Non-Czech Holder realising that income is resident in a country within the meaning of a double taxation treaty concluded between that country and the Czech Republic, pursuant to the terms of which the right

to tax that income is conferred exclusively to the former country or, unless the income realised by a Non-Czech Holder is exempt from tax which, in the case of a Non-Czech Holder who is an individual, is generally true if the Notes have been held by the Non-Czech Holder for more than six months prior to their sale and have not been held in connection with a business activity of such Non-Czech Holder.

If income realised by a Non-Czech Holder, whether holding the Notes through a permanent establishment in the Czech Republic or not, from the sale of the Notes is subject to taxation in the Czech Republic (as discussed in the previous paragraph), the Czech Holder or a permanent establishment in the Czech Republic of a Non-Czech Holder paying the income, will be obliged to withhold an amount of one per cent. on a gross basis representing tax security, unless the Non-Czech Holder is for tax purposes a resident of a member state of the European Union or the European Economic Area, or unless the obligation to withhold is waived based on the tax authority's decision.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (Directive), Member States (including the Czech Republic which implemented the Directive into the Section 38fa (Paying Agent) of the Czech Income Tax Act) are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments⁵⁹ (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

On 15 September 2008 the European Commission issued a report to the council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008 the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirement described above.

DENMARK

The following relates only to Danish withholding tax and does not deal with any other Danish tax implications of acquiring, holding or disposing of the Notes.

As the Issuer is not resident in Denmark, payments of interest or principal on the Notes will not be subject to Danish withholding tax.

As a matter of Danish domestic tax law, payments of interest or principal made by a Danish borrower to a creditor under a loan are, as a rule, not subject to any Danish withholding tax.

However, interest payments and certain principal payments made by a Danish borrower pursuant to an intra-group loan to an affiliated foreign company (as defined in Section 3B of the Danish Tax Control Act of 24 November 2005, as amended) are subject to a Danish withholding tax of 25 per cent., unless it falls under at least one of the following categories under Danish tax law:

- the affiliated foreign creditor has a permanent establishment in Denmark to which such interest income is attributed;

⁵⁹ Belgium previously also operated a transitional withholding system but has now opted, by two Royal Decrees dated 27 September 2009 and published in the Belgian State Gazette on 1 October 2009, to provide details of payments of interest in accordance with the EC Council Directive 2003/48/EC, as from 1 January 2010.

- withholding tax must be waived or reduced under the Interest/Royalty Directive (2003/49/EU), provided that the Danish borrower and the foreign creditor are associated as defined under this Directive for a consecutive period of a minimum of one year, during which the interest payments are effected;
- withholding tax must be waived or reduced under a tax treaty to which Denmark is a party;
- the affiliated foreign creditor is directly or indirectly controlled by a Danish parent company as defined in Section 31 C of the Danish Company Taxation Act for a consecutive period of minimum one year, during which the interest payments are effected;
- the affiliated foreign creditor is controlled by an entity resident in a country that has concluded a tax treaty with Denmark, provided that such entity is subject to CFC taxation on the interest payments pursuant to the CFC taxation rules of that country; or
- the affiliated foreign creditor can demonstrate that the foreign taxation of the interest payments corresponds to at least three-quarters of the Danish corporate tax rate and it does not forward payments of interest to another foreign company which is taxed on such interest payments at a rate of less than three-quarters of the Danish corporate tax rate.

Payments may be subject to Danish withholding tax irrespective of the above if the beneficiary of the payments is not the beneficial owner (e.g. if the beneficiary of the payments reassigns the payments to a person or entity resident in a jurisdiction other than Denmark).

ESTONIA

The following summary is not intended to be a complete analysis of the tax consequences under Estonian law as a result of the acquisition, ownership and sale of the Notes by investors. Potential investors should, therefore, consult their own tax advisers on the tax consequences of such acquisition, ownership and sale, including specifically the tax consequences under Estonian law, the law of their jurisdiction of residence and any tax treaty between Estonia and their jurisdiction of residence.

The following is a brief summary of the principal Estonian tax consequences for the Noteholders.

Income Taxation

Taxation of Acquisition of Notes

For Estonian resident natural persons the acquisition of Notes does not result in an income tax obligation.

For Estonian resident legal persons the acquisition of Notes issued by:

- Société Générale (France) and/or SG Option Europe (France) does not result in an income tax obligation;
- SGA Société Générale Acceptance N.V. (Netherlands Antilles) will result in the income tax obligation at the gross rate of 21 per cent. for the acquirer. No tax applies, however, if the Notes are freely transferable, and either: (i) are traded, at the time of acquisition, on the regulated market located in the European Economic Area; or (ii) there is an intention to trade on the regulated market located in the European Economic Area within 12 months from the date of issue.

Taxation of interest

Taxation of resident legal persons

Estonia provides a unique corporate income taxation system as resident companies (and permanent establishments of non-resident companies) do not pay income tax for retained or reinvested earnings. The corporate income tax (CIT) obligation is deferred to the moment of distributing the profits and certain other payments deemed equivalent. CIT is levied on the payments of dividends, gifts, fringe benefits, non-business expenditures and excessive capital reductions made by companies at the gross rate of 21 per cent.

Therefore, the interest received from the Issuer does not create an income tax obligation. French companies and companies incorporated in the Netherlands Antilles will not be required to withhold income tax in Estonia pursuant to Estonian legislation, but interest may be subject to tax withholding in the Issuer's country.

Taxation of resident natural persons

Interest paid by Société Générale (France) is not taxable income of Estonian resident natural persons. Resident natural persons pay tax on interest paid by SGA Société Générale Acceptance N.V (Netherlands Antilles) and/or SG Option Europe (France). The income tax rate is 21 per cent. Since the Issuers we understand do not have permanent establishments in Estonia, they would not be required to withhold income tax of 21 per cent. in Estonia, but the interest may be subject to withholding tax in the Issuer's country. A resident natural person will be required herself/himself to declare and pay income tax of 21 per cent. on the interest income, if the interest income is taxable.

Further, interest directly received on Notes issued by SGA Société Générale Acceptance N.V (Netherlands Antilles) may be subject to tax withholding in Netherlands Antilles.

If the Notes are held for the natural person at an agent (e.g. a custodian) in Belgium, Luxembourg, Austria, and certain other countries, or receives interest (or similar) payments for the Notes from or through such agent, the interest payable on the Notes may be subject to withholding tax under the EU Savings Directive (2003/48/EC) or bilateral agreements.

Transfer of Notes

Taxation of resident legal persons

Due to the Estonian unique CIT system, resident legal persons will not be taxed on any gain realised from the sale of the Notes. The profit accumulated from the sale of such Notes will be taxed on distribution.

Taxation of resident natural persons

The resident natural persons are generally taxed on the gains realised from the sale or exchange of any transferable and monetarily appraisable objects, including securities. The income tax rate is 21 per cent.

Taxation of non-residents – General information

DTT network

Estonia has conventions for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income and on capital, with a substantial number of countries including France (effective from 1 January 1996).

Taxation of Interest

Interest payments made to non-residents will not be subject to withholding tax in Estonia unless the amount of interest paid significantly exceeds the effective market rate paid on a comparable debt instrument. The excessive interest will be subject to withholding tax of 21 per cent. Please be aware that only the Estonian issuer of the notes or a non-resident having a permanent establishment in Estonia will be required to withhold Estonian

income tax of 21 per cent. Since none of the Issuers we understand has a permanent establishment in Estonia and the recipient of the interest is a non-resident, the Estonian law will not apply to payment of such interest.

Stamp Duty

No stamp duty is payable upon transfer of Notes in Estonia.

FEDERAL REPUBLIC OF GERMANY

The following discussion of certain German tax consequences of buying, holding or disposing of the Notes is based on tax laws, regulations, decisions, judgments and administrative decrees currently in effect, which may be amended or construed differently, potentially with retroactive or retrospective effect. However, this section does not refer to all possible tax considerations which are relevant to the decision of any potential purchaser with respect to buying, holding or disposing of a Note; in particular, it does not refer to specific circumstances which may be relevant to certain purchasers such as church tax (Kirchensteuer) or individual tax privileges. This means that the following text exclusively refers to Notes as an investment as such (unless expressly indicated otherwise) and does not address any persons in their specific tax situation. The information contained in the following section is not intended as and does not purport to be legal or tax advice.

Potential investors in the Notes are therefore advised to consult their own tax advisers as to the German and other tax consequences of buying, holding or disposing of the Notes.

As each Tranche of Notes may be subject to a different tax treatment due to the specific terms of such Tranche of Notes as set out in the respective Final Terms, the following section only provides some very general information on the possible tax treatment. If necessary, the prospectus regarding the respective Tranche of Notes will contain more specific but also general information on the possible tax treatment of the respective Notes. Potential investors should therefore always review the respective Final Terms also with respect to additional tax information.

German Taxation of Residents

Notes held as a Private Asset

Taxation of Interest Income

Under German tax law, payment of interest on the Notes to persons who are tax residents of Germany (including persons whose residence, habitual abode, statutory seat or place of management is located in Germany, a "German Holder") and who held the Note as a private asset is subject to German income tax as capital income in the meaning of § 20 German Income Tax Act. From the year 2009, a final taxation ("Abgeltungsteuer") is charged on capital income at an amount of 25% plus 5.5% solidarity surcharge ("Solidaritätszuschlag") thereon, resulting in a total final taxation of 26.375%. Taxable base is the received interest without any deduction of expenses actually incurred. The total capital income of the individual will be deducted by a personal annual exemption ("Sparer-Pauschbetrag") of EUR 801 (EUR 1,602 for married couples filing their tax return jointly). The personal income tax liability regarding the capital income is, in principle, settled by the tax withheld. If no withholding tax was charged on the payment of the interest, the German Holder will have to include this interest income in its tax return. The final taxation will then be charged by way of assessment. The German Holder may also apply for assessment of the capital income based on the general rules if the personal income tax rate of the German Holder is lower than the final taxation rate. In such assessment, the withholding tax will be credited.

Withholding Tax on Interest Income

If the Notes are held in a custodial account maintained by a German Holder with a German branch of a German or foreign bank or financial services institution (a "German Disbursing Agent"), which pays or credits the interest, a 25% withholding tax ("Kapitalertragsteuer") on interest payments, plus a 5.5% solidarity surcharge

(“*Solidaritätszuschlag*”) thereon will be levied, resulting in a total withholding tax charge of 26.375% on the gross amount of interest paid. Accrued Interest paid by a German Holder upon the purchase of the Notes may be set-off against the amount of interest income received by such German Holder and, under certain circumstances, may reduce the amount subject to withholding tax.

If the Noteholder is an individual to whom income from the Notes constitutes income from a capital investment and such Noteholder has filed a certificate of exemption (“*Freistellungsauftrag*”) with the German Disbursing Agent, no tax will be withheld by the German Disbursing Agent to the extent that the interest income derived from the Notes together with other investment income administered by the German Disbursing Agent does not exceed the maximum exemption amount shown on this certificate. Similarly, no tax will be withheld if the Noteholder submits to the German Disbursing Agent a certificate of non-assessment (“*Nichtveranlagungsbescheinigung*”) issued by the competent local tax office.

Disposal or Redemption of the Notes

Capital gains resulting from the disposal or redemption of Notes (or, as the case may be, from the payment at maturity of the Notes) realised by individual German Holders holding the Notes as private assets are taxable as capital gains. They are also subject to the final taxation (“*Abgeltungsteuer*”) at an amount of 25% plus 5.5% solidarity surcharge (“*Solidaritätszuschlag*”) thereon, resulting in a total final taxation of 26.375%.

Base for this taxation is the capital gain, which is in general the difference between the proceeds from the disposal or redemption after deduction of expenses directly related to the disposal and the cost of acquisition. The taxable capital gains from Notes issued in a currency other than Euro also include any currency gains (and losses). In case of a physical settlement of certain Notes which grant the Issuer or the individual Noteholder the right to opt for a physical delivery of a predetermined number of underlying securities instead of a (re)payment in cash, generally no taxable capital gain may result, because the acquisition costs of the Notes are regarded as acquisition costs of the underlying securities received by the individual Noteholder upon physical settlement. Therefore, only loss can arise from the deduction of directly related expenses.

Capital losses in respect of the Notes held as a private asset may only be set-off against capital income within the same financial year and in subsequent years. However, if losses result from Notes held in a custodial account maintained by a German Disbursing Agent, initially the German Disbursing Agent will take these losses into account when calculating the withholding tax. In case that the losses can not be compensated in the current year the losses will be set off against the income of the subsequent year. Upon request of the German Holder the German Disbursing Agent will provide a certificate of all losses, which could not be set off during the current year within the custodial account. This certificate enables the German Holder to claim a deduction within the assessment of capital income.

Withholding Tax on Disposal or Redemption of the Notes

Like the treatment of interest income a withholding tax at an amount of 25%, plus a 5.5% solidarity surcharge (“*Solidaritätszuschlag*”) thereon (in total 26.375%) will be levied on capital gains from disposal or redemption of the Notes, if the Note is held in a custodial account maintained by a German Disbursing Agent. A withholding tax will not be charged if the German Holder has provided a certificate of exemption (“*Freistellungsauftrag*”) or a certificate of non-assessment (“*Nichtveranlagungsbescheinigung*”) to the German Disbursing Agent.

Base for this taxation is again the difference between the proceeds from the disposal or redemption after deduction of expenses directly related to the disposal and the cost of acquisition. However, in case the Notes have not been kept in a custodial account with the same German Disbursing Agent since the time of acquisition, upon the disposal, redemption or repayment the withholding applies to 30% of the disposal proceeds, unless the current Disbursing Agent has been notified of the actual acquisition costs of the Notes by the previous Disbursing Agent or by a statement of a bank or financial services institution within the European Economic Area or certain other countries in accordance with art. 17 para. 2 of the EC Council Directive 2003/48/EC.

Furthermore, the special provision for a physical settlement of certain Notes applies for purposes of the withholding. Therefore, in principle, redemption accompanied by physical settlement may not result in a withholding tax.

Notes held as Business Assets or by a Corporate Body

If the Notes are held as business assets or by a corporate body all income received from the Notes (interest as well as capital gains) is subject to German income tax or German corporate income tax. The income from the Notes will be taxed at the German Noteholder's individual tax rate. The income tax or the corporate income tax is not settled by the tax withheld. Withholding tax and the solidarity surcharge thereon might be credited as prepayments against the German Holder's final tax liability for German personal or corporate income tax purposes and the respective solidarity surcharge, or, if in excess of such final tax liability, refunded upon application.

If the Notes are held in a German business establishment for trade tax purposes, interest income derived from the Notes will also be subject to trade tax on income, which is a municipal tax levied whose effective tax rate depends on the trade tax factor applied by the relevant municipality.

The taxation of the investment in the Notes might be calculated on an accruals basis. The income might therefore be taxed before the German Holder receives a payment from the Notes.

In general, withholding tax will be deducted in accordance to the same provisions like the withholding with respect to Notes held as private assets. The withholding tax on capital gains might not apply under certain circumstances and for certain capital income if the Notes are held by a tax resident corporate or if the Notes are held by a individual or by a partnership as part of the business assets as far as the German Holder provides the German Disbursing Agent with a certificate of the character of the Notes as business assets.

German Taxation of Non-Residents

Income derived from the Notes by persons who are not tax residents of Germany ("**Non-German Holders**") is in general exempt from German income or corporate income taxation, and no withholding tax shall be withheld (even if the Notes are held with a German Disbursing Agent), provided (i) the Notes are not held as business assets of a German permanent establishment of the Non-German Holder, including a permanent representative, or fixed base of the Noteholder, (ii) the income derived from the Notes does not otherwise constitute German source income (such as income from the letting and leasing of certain German situs property), (iii) the Notes or coupons are not presented for payment at the offices of a German branch of a German or foreign bank or financial services institution, that do not hold in custody or manage the Notes, in an over-the-counter-transaction ("*Tafelgeschäft*") by a person who is not a foreign bank or financial service institution and, (iv) in the event that the Notes are held in a custodial account maintained by a German Disbursing Agent, the Noteholder complies with the applicable procedural rules under German law and provides evidence of the fact that the Notes are not subject to taxation in Germany. Unjustified retained withholding tax shall be refunded upon request to the Local Tax Office ("*Finanzamt*") to whom the withholding tax was paid.

If the interest is subject to German taxation (for example, if the Notes are held as business assets of a German permanent establishment of a Non-German Holder), such holder is subject to a tax treatment similar to that described above under the caption "German Tax Residents". The withholding tax may be refunded based on an assessment to tax or under an applicable tax treaty.

If the Notes are offered by the Issuer other than in the Federal Republic of Germany, information relating to withholding tax may be disclosed in the Final Terms or, in the event of an offer which is made after completion of the Final Terms, in a supplement to this Debt Issuance Programme Prospectus.

European Union Directive on the Taxation of Savings Income

On 3 June 2003 the Council of the European Union ("ECOFIN") approved a directive regarding the taxation of interest income. Accordingly, each EU Member State must provide to the tax authorities of the other Member States details of the payment of interest made by a person in its jurisdiction to any individual resident in the other relevant EU Member State. The directive has to be applied by the member states since 1 July 2005. The directive came into effect in German law on 1 July 2005.

For a transitional period, Austria and Luxembourg may opt instead to withhold tax from interest payments within the meaning of the directive at a rate of 20% till 30 June 2011 and 35% from 1 July 2011 onwards. As of 1 January 2010, Belgium applies the automatic exchange of information under the Savings Directive instead of withholding taxes.

Gift or Inheritance Taxation

No estate, inheritance or gift taxes with respect to any Notes will arise under the laws of Germany, if, in the case of estate and inheritance taxes, both the decedent and the beneficiary, and, in the case of gift taxes, both the donor and the donee, are tax non-residents and are not deemed to be a tax resident of Germany at the time of the transfer and such Notes are not attributable to a permanent establishment in Germany. In the case of a decedent, donor or heir who is a German national, this only applies if such person has been a non-resident of Germany for more than five consecutive years.

Stamp Duty

No stamp, issue, registration or similar taxes or duties will be payable in Germany in connection with the issuance, delivery or execution of the Notes. Currently, net assets tax is not levied in Germany.

FINLAND

The following is a summary based on current Finnish law relating only to persons who are generally tax liable in Finland and regarding Finnish withholding tax treatment of payments in respect of the Notes. Investors are advised to seek professional advice relating to tax consequences in respect of acquiring, holding or disposal of Notes.

Payments regarding the Notes may be made without withholding on account of Finnish income tax. However, according to Finnish domestic tax legislation, certain Finnish financial institutions, if acting as paying agents, may be obliged to withhold tax of 28 per cent. on interest payments made to individuals who are generally tax liable in Finland.

GREECE

The following is a summary of certain Greek tax considerations, which may be relevant to the acquisition, ownership and disposal of the Notes in Greece. The summary does not purport to be, nor should it be relied upon, as a comprehensive description or analysis of all the tax considerations, which may be relevant to a decision to acquire Notes.

The summary is based on tax laws and regulations in effect in Greece on the date hereof which are subject to change without notice. Prospective purchasers or holders of Notes should consult their own tax advisers as to the Greek or other tax consequences arising from the acquisition, ownership and disposition of the Notes, having regard to their particular circumstance.

According to the Greek Income Tax Code, as in force, a special withholding tax of 10 per cent. is imposed on interest income received by, tax residents in Greece or persons who maintain for tax purposes their permanent establishment in Greece, from Notes issued by foreign entities irrespective of whether such interest income is reinvested abroad or repatriated in Greece. The payment of the said 10 per cent. special tax shall exhaust the tax liability of Greek individuals with respect to such income. It is noted that Greek individuals are not entitled to

deduct foreign withholding taxes for income which has been subject to such 10 per cent. special tax. Therefore, the 10 per cent. special tax shall apply only to the net coupons paid by the issuer. According to the Greek Income Tax Code, the abovementioned special tax shall be withheld by the paying agent appointed in Greece within the meaning of the Directive 2003/48/EC, as implemented in Greece by law 3312/2005. Interest income received by Greek corporate investors is also subject to a 10 per cent. special withholding tax, to be calculated on the gross coupon payment and levied by the paying agent in Greece within the meaning of the Directive 2003/48/EC, as implemented in Greece by law 3312/2005 (or the investor itself if no such paying agent has been appointed). Furthermore, according to Greek tax law, the gross interest payments qualify as “foreign bond interest income” and shall therefore be treated as part of the gross annual income of the Greek corporate investors. However, the 10 per cent. special tax paid can be offset against the final income tax liability of corporate investors. In the event that coupon payments on the Notes are subject to foreign withholding tax, the said tax shall be deducted from the final income tax in the form of a foreign tax credit, provided that the actual tax withheld is confirmed by a certified auditor or the competent tax authorities and, most importantly, only up to the amount of the tax payable for this type of income in Greece. Special rules might also apply with respect to certain categories of corporate investors such as credit institutions, insurance companies, investment funds, pension funds etc.

According to circular 1092/27.07.2007 of the Greek Ministry of Finance, capital gains resulting from the transfer of the Notes shall be taxed pursuant to the general provisions of the Greek Income Tax Code, i.e. at the income tax rate applicable to Greek individuals or at 25 per cent. for corporate investors and shall be subject (where applicable) to 20 per cent. withholding tax to be offset against the final income tax liability. In addition, in the event of a [cum-coupon] transfer of the Notes the amount of the accrued interest shall be treated as interest income and be subject on the transfer date to a 10 per cent. withholding tax pursuant to the rules described above.

As regards the Notes issued in France, the double taxation treaty between Greece and France provides that interest on such Notes is taxed in Greece. France may impose tax on interest payments made to Greek residents, according to French tax laws but such tax is limited to 12 per cent. In the case of corporate investors, the amount of tax imposed in France, if any, shall be deducted from the tax due in Greece, however only up to the amount of withholding tax applicable in Greece. The aforementioned provisions do not apply to Greek residents having a permanent establishment in France and being subject to French taxation.

As regards the Guarantee provided by the Guarantor, the double taxation treaty between Greece and France provides that interest payable on such Notes on the basis of the Guarantee is taxed in Greece, provided that it is considered as interest payment. France may impose tax on interest payments made to Greek residents, according to French tax laws but such tax is limited to 12 per cent. In the case of corporate investors, the amount of tax imposed in France, if any, shall be deducted from the tax due in Greece. The aforementioned provisions do not apply to Greek residents having a permanent establishment in France and being subject to French taxation.

There is no double taxation treaty between Greece and the Netherlands Antilles.

HUNGARY

The following is a general discussion of certain Hungarian tax consequences relating to the acquisition and ownership of Notes. It does not purport to be a comprehensive description of all tax considerations which may be relevant to a decision to purchase Notes, and, in particular, does not consider any specific facts or circumstances that may apply to a particular purchaser. It is based on laws currently in force in Hungary and as applied on the date of this Debt Issuance Programme Prospectus, which are subject to change, possibly with retroactive effect. Prospective purchasers of Notes are advised to consult their own tax advisers as to the tax consequences of the purchase, ownership and disposition of Notes, including the effect of any state or local taxes, under the tax laws of Hungary and each country of which they are residents.

Withholding tax (foreign resident individual Noteholders)

Payments of interest on and capital gains realised upon the redemption or sale of publicly offered and traded Notes (**Interest Income**) are taxed at 20 per cent., provided that Hungary has a treaty for the avoidance of double taxation in place with the country of residence of the individual Noteholder. Notes listed on a regulated market of an EEA Member State are considered publicly offered and traded Notes.

The proceeds paid on privately placed Notes which are not listed on a regulated market of an EEA Member State is considered as other income (**Other Income**) which is taxable progressively (the highest tax rate is 32 per cent.) and may also be subject to a health care contribution of 27 per cent. Capital gains realised on the sale of such Notes is considered, as a general rule, capital gains income (**Capital Gains Income**). The tax rate applicable to Capital Gains Income is 25 per cent. while a health care contribution of 14 per cent. (capped at 450,000 Hungarian Forint (**HUF**)) may also be payable on the basis of Capital Gains Income. Subject to certain conditions, individual Noteholders realising Capital Gains Income in a transaction entered into with a Hungarian or EU investment firm can opt to treat their Capital Gains Income from such transaction as 'Income from controlled capital market transaction' which is subject to Hungarian personal income tax at a rate of 20 per cent. and no health care contribution is payable.

Foreign resident individual Noteholders are subject to tax in Hungary if they realise interest income from Hungarian sources or income that is otherwise taxable in Hungary if the international treaty or reciprocity so requires. Interest income should be treated as having a Hungarian source where:

- (a) the Issuer is resident in Hungary for tax purposes;
- (b) the Issuer has a permanent establishment in Hungary and interest income realised on the basis of the Notes is paid by the Hungarian permanent establishment of the Issuer;
- (c) the foreign resident individual Noteholder has a permanent establishment in Hungary to which the interest income is attributable.

The tax on payments of the Interest Income, Capital Gains Income and Other Income is to be withheld by the "Payor" (*kifizető*) (as defined below).

Pursuant to Act XCII of 2003 on the Rules of Taxation (**ART**) a **Payor** means a Hungarian resident legal person, organization, or private entrepreneur who provides taxable income, irrespective of whether such payment is made directly or through an intermediary (post office, credit institution). In respect of interest, Payor shall mean the borrower of a loan or, the issuer of a note, including, the investment service provider or credit institution providing the interest instead of it. In respect of revenues originating from a transaction concluded with the involvement of a licensed stockbroker, Payor shall mean such stockbroker. The Hungarian permanent establishment of a foreign resident entity is also considered as a Payor.

Effective from 1 January 2010, a 30 per cent. withholding tax is levied and is to be withheld by the Payor from interests paid to foreign resident individual Noteholders where Hungary does not have a treaty on the avoidance

of double taxation in place with the country of residence of the Noteholder. Notwithstanding the above, if the Payor is a credit institution the general 20 per cent. withholding tax is levied and is to be withheld in relation to publicly offered and traded Notes instead of the above 30 per cent. withholding tax.

Please note that the provisions of applicable treaties on the avoidance of double taxation, if any, should be considered when assessing the Hungarian tax liabilities of a foreign resident individual Noteholder. Such treaty may fully exempt Noteholders from withholding tax or may reduce the applicable withholding tax rate.

Interest, as defined by Schedule 7 of the ART (which implements the provisions of the Savings Directive), realised on Notes by citizens of any other Member State of the European Union is not subject to Hungarian tax where a paying agent based in Hungary provides data to the Hungarian state tax authority on the basis of Schedule 7 of the ART.

Subject to the applicable treaty on the avoidance of double taxation, a foreign resident individual Noteholder who does not have a permanent establishment in Hungary is not subject to tax in Hungary on the basis of realising Capital Gains Income or 'Income from controlled capital market transaction' from Hungary since such income is not considered as Hungarian source income.

Withholding tax (foreign resident corporate Noteholders)

Interest on Notes paid to foreign resident corporate Noteholders, who do not have a permanent establishment in Hungary, by resident legal entities or other persons and any capital gains realised by such foreign resident Noteholders on the sale of Notes is not subject to tax in Hungary. As of 1 January 2010, Hungarian corporate income tax is required to be withheld by the Payor from interest paid to corporate Noteholders established in a country which has no treaty on the avoidance of double taxation with Hungary in place (with the exception of any interest paid to any Hungarian permanent establishment of such corporate Noteholders). This withholding obligation does not apply to interests paid on Notes listed on a regulated market of an EEA or OECD Member State. The tax rate applicable to such interest is 30 per cent.

The tax liability of a foreign resident corporate Noteholder, which has a permanent establishment in Hungary is limited, in general, to the income from business activities realised through its Hungarian permanent establishment.

Taxation of Hungarian resident individual Noteholders

Act CXVII of 1995 on Personal Income Tax (the **Personal Income Tax Act**) applies to the tax liability of Hungarian and foreign private individuals. The tax liability of Hungarian resident private individuals covers the worldwide income of such persons.

According to the provisions of the Personal Income Tax Act, in the case of individual Noteholders, Interest Income is the income paid as interest and the capital gains realised upon the redemption or the sale of publicly offered and publicly traded debt securities. Notes listed on a regulated market of an EEA Member State are considered publicly offered and traded Notes. The withholding tax on Interest Income is currently 20 per cent.

The proceeds paid on privately placed Notes which are not listed on a regulated market of an EEA Member State are considered as Other Income which is taxable progressively (the highest tax rate is 32 per cent.) and may also be subject to a health care contribution of 27 per cent. Capital gains realised on the sale or redemption of such Notes is considered, as a general rule, Capital Gains Income. The tax rate applicable to Capital Gains Income is 25 per cent., while a health care contribution of 14 per cent. (capped at HUF450,000) may also be payable on the basis of Capital Gains Income.

Subject to certain conditions, individual Noteholders realising Capital Gains Income in a transaction entered into with a Hungarian or EU investment firm can opt to treat their Capital Gains Income from such transaction as

Income from controlled capital market transaction' which is subject to Hungarian personal income tax at a rate of 20 per cent. and no health care contribution is payable in relation to such Capital Gains Income.

The rules of the Personal Income Tax Act may in certain circumstances impose a requirement upon the “Payor” (*kifizető*) (as defined below) to withhold tax on the interest payments to individual Noteholders.

Pursuant to the ART the definition of a **Payor** covers a Hungarian resident legal person, other organisation, or private entrepreneur that (who) provides taxable income, irrespective of whether such payment is made directly or through an intermediary (post office, credit institution). In respect of interest, Payor shall mean the borrower of a loan or the issuer of a note including, the investment service provider or credit institution providing the interest instead of it. In respect of revenues originating from a transaction concluded with the involvement of a licensed stockbroker, **Payor** shall mean such stockbroker. In respect of income that is earned in a foreign country and taxable in Hungary, **Payor** shall mean the “paying agent” (*megbízott*) (legal person, organization, or private entrepreneur) having tax residency in Hungary, except in cases where the role of a financial institution is limited to performing the bank transfer or payment

Taxation of Hungarian resident corporate Noteholders

Under Act LXXXI of 1996 on Corporate Tax and Dividend Tax (the **Corporation Tax Act**), Hungarian resident taxpayers have a full, all-inclusive tax liability. In general, resident entities are those established under the laws of Hungary (i.e. having a Hungarian registered seat). Foreign persons having their place of management in Hungary are also considered as Hungarian resident taxpayers.

In general, interest and capital gains realised by Hungarian resident corporate Noteholders on Notes is taxable in the same way as the regular profits of the relevant Noteholders. The general corporation tax rate in Hungary is 19 per cent.

Financial institutions, financial enterprises, insurance companies and investment enterprises may be subject to local business tax and innovation tax on the basis of the proceeds realised on Notes.

Taxation of foreign resident corporate Noteholders

Foreign resident corporations are not subject to withholding tax in Hungary, provided that they do not have a permanent establishment in Hungary.

The tax liability of a foreign resident corporate Noteholder, which has a permanent establishment in Hungary is limited, in general, to the income from business activities realised through its Hungarian permanent establishment.

Taxation of foreign resident individual Noteholders

Foreign resident individual Noteholders are not subject to tax in Hungary, provided that they do not have a permanent establishment in Hungary and the interest realised on the basis of the Notes is not paid by the Hungarian permanent establishment of the party obliged to pay interest.

Interest, as defined by Schedule 7 of the ART (which implements the provisions of the Savings Directive), realised on the Notes by citizens of any other Member State of the European Union is not subject to Hungarian tax where a paying agent based in Hungary is obliged to provide data to the Hungarian state tax authority on the basis of Schedule 7 of the ART.

ICELAND

The following is a short summary of the Icelandic tax treatment of the Notes in respect of withholding tax under the legislation in effect at the date of this Debt Issuance Programme Prospectus. The summary does not purport

to be a comprehensive description of all of the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes. The summary relates only to the position of Icelandic withholding taxes on the Notes. Investors should seek independent advice.

The summary is based upon Icelandic tax laws and Icelandic legal practice as in effect on the date of this Debt Issuance Programme Prospectus, which are subject to change.

Withholding tax

All payments in respect of the Notes may be made without deduction for or on account of withholding taxes imposed by Iceland.

Iceland may, however, levy an 18 per cent. withholding tax on interest payments if Icelandic financial institutions are acting as paying agents. However if the owner of the interest received is not tax resident in Iceland, an exemption may be applied for with the Inland Revenue Directorate.

Icelandic corporates

Acquisition of the Notes should not result in any tax liability. Interest income is subject to tax at the rate of 18 per cent. (32.7 per cent. in case of partnerships) on accrual basis. Upon sale of the Notes the sale price less original acquisition value should be classified as interest subject to tax at the same rate.

Icelandic individuals

Acquisition of the Notes should not result in any tax liability. Interest income is subject to tax at the rate of 18 per cent. (the first ISK 100,000.00 of interest received by an individual annually being tax free) on realization basis. Upon sale of the Notes the sale price less original acquisition value should be classified as interest subject to tax at the same rate.

IRELAND

The following is a summary of the Irish withholding tax treatment of the Notes. The summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes. The summary relates only to the position of Irish withholding taxes on the Notes.

The summary is based upon Irish tax laws and the practice of the Irish Revenue Commissioners as in effect on the date of this Debt Issuance Programme Prospectus, which are subject to prospective or retroactive change. Prospective investors in the Notes should consult their own advisers as to the Irish or other tax consequences of the purchase, beneficial ownership and disposition of the Notes including, in particular, the effect of any state or local law taxes.

Withholding Tax

No charge to Irish interest withholding tax will arise upon payment of interest on the Notes as such interest is not charged with tax under Schedule D of the Taxes Consolidation Act 1997 (as amended).

If the interest on the Notes is entrusted to an Irish paying agent or is collected by an Irish collecting agent then Irish encashment tax may be required to be withheld at the standard rate (currently 20 per cent.) from the payments made by the relevant agent.

ITALY

The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Programme and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective purchasers of the Notes are advised to consult their own tax advisers concerning the overall tax consequences of their ownership of the Notes.

Tax treatment of the Notes

Legislative Decree No. 239 of 1 April 1996, as subsequently amended (**Decree 239**), provides for the applicable regime with respect to the tax treatment of interest, premium and other income (including the difference between the redemption amount and the issue price) from notes falling within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) issued, *inter alia*, by non-Italian resident issuers.

Notes with an original maturity higher than 18 months – Italian resident Noteholders

Where the Notes have an original maturity of at least 18 months and an Italian resident Noteholder is (a) an individual not engaged in an entrepreneurial activity to which the Notes are connected (unless he has opted for the application of the “*risparmio gestito*” regime – see under “*Capital gains tax*”, below); (b) a non-commercial partnership; (c) a non-commercial private or public institution; or (d) an investor exempt from Italian corporate income taxation, then interest, premium and other income relating to the Notes, accrued during the relevant holding period, are subject to a tax withheld at source, referred to as *imposta sostitutiva*, levied at the rate of 12.5 per cent. If the Noteholders described under (a) and (c) above are engaged in an entrepreneurial activity to which the Notes are connected, the *imposta sostitutiva* applies as a provisional tax.

Where an Italian resident Noteholder is a company or similar commercial entity or a permanent establishment in Italy of a foreign company to which the Notes are effectively connected and the Notes are deposited with an authorised intermediary, interest, premium and other income from the Notes will not be subject to *imposta sostitutiva*, but must be included in the relevant Noteholder's income tax return and are therefore subject to general Italian corporate taxation (and, in certain circumstances, depending on the “status of the Noteholder, also to IRAP – the regional tax on productive activities).

Under the current regime provided by Law Decree No. 351 of 25 September 2001 converted into law with amendments by Law No. 410 of 23 November 2001, as clarified by the Revenue Agency through Circular No. 47/E of 8 August 2003, payments of interest premium or other proceeds in respect of the Notes made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, as amended and supplemented, and article 14-bis of Law No. 86 of 25 January 1994 are subject neither to substitute tax nor to any other income tax in the hands of a real estate investment fund. However, Law Decree No. 112 of 25 June 2008, converted with amendments into Law No. 133 of 6 August 2008, has introduced a 1 per cent. property tax applying on real estate investment funds' net value, where (i) their units are not expected to be listed on regulated markets and (ii) their equity is less than €400,000,000, if (a) there are less than 10 unitholders, or (b) funds are reserved to institutional investors or are speculative funds and their units are held, by more than two-thirds, by individuals, trusts or other companies referable to individuals

If the investor is resident in Italy and is an open-ended or closed-ended investment fund (the **Fund**) or a SICAV, and the Notes are held by an authorised intermediary, interest, premium and other income accrued during the holding period on the Notes will not be subject to *imposta sostitutiva*, but must be included in the management results of the Fund accrued at the end of each tax period, subject to an ad-hoc substitute tax applicable at a 12.5 per cent.

Where an Italian resident Noteholder is a pension fund (subject to the regime provided for by Article 17 of the Legislative Decree No. 252 of 5 December 2005) and the Notes are deposited with an authorised intermediary, interest, premium and other income relating to the Notes and accrued during the holding period will not be subject to *imposta sostitutiva*, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to an 11 per cent. substitute tax.

Pursuant to Decree 239, *imposta sostitutiva* is applied by banks, SIMs, fiduciary companies, SGRs, stockbrokers and other entities identified by a decree of the Ministry of Economy and Finance (each an **Intermediary**).

An Intermediary must (a) be resident in Italy or be a permanent establishment in Italy of a non-Italian resident financial intermediary; and (b) intervene, in any way, in the collection of interest or in the transfer of the Notes. For the purpose of the application of the *imposta sostitutiva*, a transfer of Notes includes any assignment or other act, either with or without consideration, which results in a change of the ownership of the relevant Notes or in a change of the Intermediary with which the Notes are deposited.

Where the Notes are not deposited with an Intermediary, the *imposta sostitutiva* is applied and withheld by any entity paying interest to a Noteholder.

Notes with an original maturity of less than 18 months – Italian resident Noteholders

Where the Notes have an original maturity of less than 18 months and an Italian resident Noteholder is (a) an individual not engaged in an entrepreneurial activity to which the Notes are connected (unless he has opted for the application of the “*risparmio gestito*” regime – see under “*Capital gains tax*”, below), (b) a non-commercial partnership, (c) a non-commercial private or public institution or (d) an investor exempt from Italian corporate income taxation, then interest, premium and other income relating to the Notes, accrued during the relevant holding period, are subject to *imposta sostitutiva*, withheld at source at the rate of 27 per cent.

Imposta sostitutiva will also be levied at rate of 27 per cent. to Italian resident Funds, SICAV and pension funds.

Where an Italian resident Noteholder is a company or similar commercial entity and the Notes are deposited with an authorised intermediary, interest, premium and other income from the Notes will not be subject to *imposta sostitutiva*, but must be included in the relevant Noteholder's income tax return and are therefore subject to general Italian corporate taxation.

Non-Italian resident Noteholders

No Italian *imposta sostitutiva* is applied on payments to a non-Italian resident Noteholder of interest or premium relating to the Notes provided that, if the Notes are held in Italy, the non-Italian resident Noteholder declares itself to be a non-Italian resident according to Italian tax regulations.

Early Redemption

Without prejudice to the above provisions, in the event that Notes having an original maturity of at least 18 months are redeemed, in full or in part, prior to 18 months from their issue date, Italian resident Noteholders will be required to pay, by way of a withholding to be applied by the Italian intermediary responsible for payment of interest or the redemption of the Notes, an amount equal to 20 per cent. of the interest and other amounts accrued up to the time of the early redemption.

Atypical securities

Interest payments relating to Notes that are not deemed to fall within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) may be subject to a withholding tax, levied at the rate of 27 per cent. For this purpose, debentures similar to bonds are securities that incorporate an unconditional obligation to pay, at maturity, an amount not lower than their nominal value.

The 27 per cent. withholding tax mentioned above does not apply to interest payments made to a non-Italian resident Noteholder and to an Italian resident Noteholder which is (a) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (b) a commercial partnership, or (c) a commercial private or public institution.

Payments made by a non resident Guarantor

With respect to payments made to Italian resident Noteholders by a non Italian resident guarantor, in accordance with one interpretation of Italian tax law, any such payment made by the Italian non resident guarantor could be treated, in certain circumstances, as a payment made by the relevant Issuer and would thus be subject to the tax regime described in the previous paragraphs of this section.

Capital gains tax

Any gain obtained from the sale or redemption of the Notes would be treated as part of the taxable income (and, in certain circumstances, depending on the “status” of the Noteholder, also as part of the net value of production for IRAP purposes) if realised by an Italian company or a similar commercial entity (including the Italian permanent establishment of foreign entities to which the Notes are connected) or Italian resident individuals engaged in an entrepreneurial activity to which the Notes are connected.

Where an Italian resident Noteholder is an individual not holding the Notes in connection with an entrepreneurial activity and certain other persons, any capital gain realised by such Noteholder from the sale or redemption of the Notes would be subject to an *imposta sostitutiva*, levied at the current rate of 12.5 per cent. Noteholders may set off losses with gains.

In respect of the application of the *imposta sostitutiva*, taxpayers may opt for one of the three regimes described below.

Under the tax declaration regime (*regime della dichiarazione*), which is the default regime for Italian resident individuals not engaged in entrepreneurial activity to which the Notes are connected, the *imposta sostitutiva* on capital gains will be chargeable, on a cumulative basis, on all capital gains, net of any incurred capital loss, realised by the Italian resident individual Noteholder holding Notes not in connection with an entrepreneurial activity pursuant to all sales or redemptions of the Notes carried out during any given tax year. Italian resident individuals holding Notes not in connection with an entrepreneurial activity must indicate the overall capital gains realised in any tax year, net of any relevant incurred capital loss, in the annual tax return and pay *imposta sostitutiva* on such gains together with any balance of income tax due for such year. Capital losses in excess of capital gains may be carried forward against capital gains realised in any of the four succeeding tax years.

As an alternative to the tax declaration regime, Italian resident individual Noteholders holding the Notes not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Notes (the *risparmio amministrato* regime). Such separate taxation of capital gains is allowed subject to (a) the Notes being deposited with Italian banks, SIMs or certain authorised financial intermediaries, and (b) an express election for the *risparmio amministrato regime* being punctually made in writing by the relevant Noteholder. The depository is responsible for accounting for *imposta sostitutiva* in respect of capital gains realised on each sale or redemption of the Notes (as well as in respect of capital gains realised upon the revocation of its mandate), net of any incurred capital loss, and is required to pay the relevant amount to the Italian tax authorities on behalf of the taxpayer, deducting a corresponding amount from the proceeds to be credited to the Noteholder or using funds provided by the Noteholder for this purpose. Under the *risparmio amministrato regime*, where a sale or redemption of the Notes results in a capital loss, such loss may be deducted from capital gains subsequently realised, within the same securities management, in the same tax year or in the following tax years up to the fourth. Under the *risparmio amministrato regime*, the Noteholder is not required to declare the capital gains in its annual tax return.

Any capital gains realised by Italian resident individuals holding the Notes not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Notes, to an authorised intermediary and have opted for the so-called “*risparmio gestito*” regime will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary. Under the *risparmio gestito* regime, any depreciation of the managed assets accrued at year end may be carried forward against increase in value of the managed assets accrued in any of the four succeeding tax years. Under the *risparmio gestito regime*, the Noteholder is not required to declare the capital gains realised in its annual tax return.

Any capital gains realised by a Noteholder which is an Italian open ended or a closed-ended investment fund or a SICAV will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to the 12.5 per cent. substitute tax.

Any capital gains realised by a Noteholder which is an Italian pension fund (subject to the regime provided for by Article 17 of the Legislative Decree No. 252 of 5 December 2005) will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to the 11 per cent. substitute tax.

Capital gains realised by Italian resident real estate funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998 or pursuant to Article 14-bis of Italian Law No. 86 of 25 January 1994, on the Notes are not taxable at the level of the real estate funds. However, Law Decree No. 112 of 25 June 2008, converted with amendments into Law No. 133 of 6 August 2008, has introduced a 1 per cent. property tax applicable to real estate investment funds' net value, where (i) their units are not expected to be listed on regulated markets and (ii) their equity is less than €400,000,000, if (a) there are less than 10 unitholders, or (b) funds are reserved to institutional investors or are speculative funds and more than two-thirds of their units are held by individuals, trusts or other companies referable to individuals.

Capital gains realised by non-Italian resident Noteholders from the sale or redemption of the Notes are not subject to *imposta sostitutiva*, provided that the Notes (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside Italy.

Inheritance and gift taxes

Pursuant to Law Decree No. 262 of 3 October 2006, converted into Law No. 286 of 24 November 2006, as subsequently amended, the transfers of any valuable asset (including shares, bonds or other securities) as a result of death or donation are taxed as follows:

- (a) transfers in favour of spouses and direct descendants or direct ancestors are subject to an inheritance and gift tax applied at a rate of 4 per cent. on the value of the inheritance or the gift exceeding EUR1,000,000;
- (b) transfers in favour of relatives to the fourth degree or relatives-in-law to the third degree are subject to an inheritance and gift tax at a rate of 6 per cent. on the entire value of the inheritance or the gift. Transfers in favour of brothers/sisters are subject to the 6 per cent. inheritance and gift tax on the value of the inheritance or the gift exceeding EUR100,000; and
- (c) any other transfer is, in principle, subject to an inheritance and gift tax applied at a rate of 8 per cent. on the entire value of the inheritance or the gift.

Transfer tax

Article 37 of Law Decree No 248 of 31 December 2007, converted into Law No. 31 of 28 February 2008, published on the Italian Official Gazette No. 51 of 29 February 2008, has abolished the Italian transfer tax,

provided for by Royal Decree No. 3278 of 30 December 1923, as amended and supplemented by the Legislative Decree No. 435 of 21 November 1997.

Following the repeal of the Italian transfer tax, as from 31 December 2007 contracts relating to the transfer of securities are subject to the registration tax as follows: (i) public deeds and notarised deeds are subject to fixed registration tax at rate of €168; and (ii) private deeds are subject to registration tax only in case of use or voluntary registration.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the **EU Savings Directive**), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008 the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

Implementation in Italy of the EU Savings Directive

Italy has implemented the Savings Directive through Legislative Decree No. 84 of 18 April 2005 (Decree No. 84). Under Decree No. 84, subject to a number of important conditions being met, in the case of interest paid to individuals which qualify as beneficial owners of the interest payment and are resident for tax purposes in another Member State, Italian qualified paying agents shall not apply the withholding tax and shall report to the Italian Tax Authorities details of the relevant payments and personal information on the individual beneficial owner. Such information is transmitted by the Italian tax authorities to the competent foreign tax authorities of the State of residence of the beneficial owner.

LATVIA

The following summary is not intended to be a complete analysis of the tax consequences under Latvian law as a result of the acquisition, ownership and sale of the Notes by investors. Potential investors should, therefore, consult their own tax advisers on the tax consequences of such acquisition, ownership and sale, including specifically the tax consequences under Latvian law, the law of their jurisdiction of residence and any tax treaty between Latvia and their jurisdiction of residence.

The following is a brief summary of the principal Latvian tax consequences for the Noteholders.

Corporate – residents

The acquisition of Notes by a Latvian resident corporation or a natural person will not result in any income tax obligation.

Interest income earned by a Latvian resident corporation is accumulated with other income and losses in the given tax year and, as ordinary income, is subject to a flat 15 per cent. income tax rate.

If the income of the Notes is paid by a Latvian registered entity (e.g. a bank) to a Latvian resident corporation, the paying entity should not withhold any tax.

The purchase and sale of Notes that have been admitted to trading on the Luxembourg Stock Exchange's regulated market and listed on the Official List of the Luxembourg Stock Exchange will be tax neutral and will have the following corporate income tax treatment.

In calculating the annual assessable income of a Noteholder, the expenses incurred in the acquisition of a Note are added back to assessable income. These expenses include the cost of the Note and costs directly associated with its acquisition such as broker fees etc. On the sale of the Note, the Noteholders' taxable income is reduced by the total proceeds received.

The above treatment will also apply to Notes that have been admitted to trading and subject to regulation by being quoted on another European Union or European Economic Area Stock Exchange.

Notes that have not been admitted to trading and subject to regulation by being quoted on a European Union or European Economic Area Stock Exchange will have the following corporate tax treatment.

Losses arising from the disposal of Notes which have not been admitted to trading in EU or EEA Stock Exchange must be added back to taxable income. However, the loss can be carried over for the next eight years to offset profits from the sale of other securities. If the trading activities of the Noteholder do not exceed one sale a year and the security sold has been owned by the Noteholder for more than 12 months then any loss might be offset against profits from any sources.

Any withholding tax incurred outside Latvia (including countries and territories which have not concluded any tax treaty with Latvia – e.g. the Netherlands Antilles), up to an amount equal to the Latvian tax payable on the interest amount that is also taxed in Latvia, can normally be deducted from the Latvian tax liability.

According to the Double Tax Treaty concluded between Latvia and France, capital gains earned in France by a Latvian resident should in principle only be taxable in Latvia and subject to the above tax treatment of the purchase and sale of the Notes.

Natural persons – residents

Interest income earned by Latvian resident natural persons is subject to a 10 per cent. flat rate of personal income tax.

Any withholding tax incurred outside Latvia, up to an amount equal to 10 per cent. of the interest amount that is also taxed in Latvia, normally can be deducted from the Latvian tax liability.

Capital gains on the sale of Notes is subject to a 15 per cent. flat rate of personal income tax.

According to the Double Tax Treaty concluded between Latvia and France, capital gains earned in France by a Latvian resident should in principle be taxable only in Latvia.

Non-resident corporates and natural persons

Non-Latvian tax residents are only subject to taxation in respect of income derived from Latvia.

In principle, interest earned from the Notes should not be classified as income originating from the territory of Latvia, and as such, it should not be subject to Latvian withholding tax.

This should also be the case with respect to the sale of the Notes.

EU Savings Directive 2003/48/EC

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments has been implemented into Latvian legislation.

If the Notes are held for a natural person at a paying agent (e.g. a custodian) in Luxembourg or Austria, or receives interest (or similar) payments for the Notes from or through such agent, the investor should seek professional advice to verify that the agent is not under an obligation to withhold any tax from the interest payable by the agent on the Notes under the EU Savings Directive (2003/48/EC) or bilateral agreements.

Latvia has also entered into an agreement with the Kingdom of the Netherlands in respect of the Netherlands Antilles regarding the application of the “Convention between the Kingdom of the Netherlands in respect of the Netherlands Antilles and (the EU Member State, other than Belgium, Austria and Luxembourg) concerning the automatic exchange of information regarding savings income in the form of interest payments”. Individual investors should seek professional advice to verify what obligation a paying agent in the Netherlands Antilles is under to withhold any tax from the interest payable by the agent on the Notes under the aforementioned Convention.

Stamp Duty

In principle, no stamp duty should be payable upon a transfer of Notes in Latvia.

LIECHTENSTEIN [To be reviewed]

[There are no Liechtenstein taxes on the income from the securities withheld at source apart from the case specified below.

Under the Agreement of 7 December 2004 between the European Community and the Principality of Liechtenstein Providing for Measures Equivalent to Those Laid Down in the EC Council Directive 2003/48/EC on Taxation of Savings Income in the Form of Interest Payments and the law implementing this agreement, payments of interest or similar income made or ascribed by a paying agent established in Liechtenstein to or for the immediate benefit of an individual beneficial owner resident in an EU Member State will be subject to withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her country of residence. Where withholding tax is applied, it will be levied at a rate of 15 per cent. during the first three-year period starting 1 July 2005, at a rate of 20 per cent. for the subsequent three-year period and at a rate of 35 per cent. thereafter.]

LITHUANIA

The following summary is not intended to be a complete analysis of the tax consequences under Lithuanian law as a result of the acquisition, ownership and sale of the Notes by investors. Potential investors should, therefore, consult their own tax advisers on the tax consequences of such acquisition, ownership and sale, including specifically the tax consequences under Lithuanian law, the law of their jurisdiction of residence and any tax treaty between Lithuania and their jurisdiction of residence.

The following is a brief summary of the main Lithuanian tax consequences for the Noteholders.

The acquisition of Notes by a Lithuanian resident corporate entity or an individual will not result in any income tax obligation.

Interest

Interest accrued to a Lithuanian entity is regarded to be taxable income, which is included into general taxable income of the entity. The effective corporate income tax rate in 2010 is 15 per cent.

According to the general rule, interest received by Lithuanian individual residents is subject to individual income tax at the rate of 15 per cent. This rule, however, is subject to a number of exemptions when the tax is not applicable. For instance, interest accrued on Notes would not be taxed, provided that the Notes are redeemed not earlier than one year following their issuance.

In case of corporate entities as well as individuals, withholding tax levied on such interest in a foreign country may be credited in Lithuania (the amounts of tax paid may be deducted against the Lithuanian income tax payable), provided that documents may be presented demonstrating the origin of the income and amounts of equivalent income taxes paid in respect of such income in the foreign jurisdiction.

Interest (if any) paid to foreign entities from a Lithuanian entity is subject to a domestic 10 per cent withholding tax. However, if interest is paid to an entity resident in an EU or EEA Member State or in a country with which Lithuania has an effective double taxation treaty, then the withholding tax is reduced to 0 per cent. Please note that Lithuania has concluded tax treaties with 48 countries. In case the withholding tax on interest is due, the Lithuanian entity (corporate or individual undertaking) that has paid the amounts to a foreign entity is liable for the payment of the withholding tax.

Capital Gains

As a general rule, capital gains of a resident corporate entity realized from the sale of Notes should be regarded as taxable income of the alienator, which would be included into general taxable income of that entity (subject to 15 per cent corporate income tax).

In the case of Lithuanian resident individuals, the capital gains realized from the sale of Notes are taxed at 15 per cent. rate, unless the transaction qualifies for a participation exemption granted by the domestic laws.

In the case of non-residents, the sale of Notes should not incur tax liability.

EU Savings Directive

Starting from 1 June 2005 the EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments was implemented into the Law on Personal Income Tax of Lithuania.

Stamp Duty

No stamp duty is payable upon a transfer of Notes in Lithuania.

MALTA

Under Malta's tax legislation, income tax is charged on a worldwide basis in respect of the income of persons having both Maltese domicile and ordinary residence (hereinafter **Maltese resident investors**). Accordingly, any interest paid to, or discounts for the benefit of, Noteholders who are Maltese resident investors will be subject to Maltese taxation in the hands of such recipients. To the extent that the receipt of interest is effected through the services of a Maltese authorised financial intermediary pursuant to and in accordance with Article 41 of the Income Tax Act (Cap. 123 of the Laws of Malta), the Maltese resident investor will be entitled to have the said income subjected to a final withholding tax at the rate of 15 per cent. which tax will be collected by the authorised financial intermediary and passed on to the Commissioner of Inland Revenue. In all other cases, the Maltese resident investor will pay Maltese tax at the relevant progressive rates applicable to him.

There is no Maltese withholding tax obligation for the non-Maltese issuer and payor upon the payment of interest, issue of the Notes, or redemption or repurchase of the Notes.

EU Savings Directive

Following accession to the EU in 2004, Malta has implemented the EC Council Directive 2003/48/EC on the taxation of savings income into Maltese Law.

THE NETHERLANDS

General

The following summary outlines the principal Netherlands tax consequences of the acquisition, holding, settlement, redemption and disposal of the Notes, but does not purport to be a comprehensive description of all Netherlands tax considerations in relation thereto. This summary is intended as general information only for holders of Notes who are residents or deemed residents of the Netherlands for Netherlands tax purposes. Each prospective investor should consult a professional tax adviser with respect to the tax consequences of an investment in the Notes.

This summary is based on tax legislation, published case law, treaties, regulations and published policy, in each case as in force as of the date of this Programme, and does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary does not address the Netherlands tax consequences for:

- (i) holders of Notes holding a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in one of the Issuers and holders of Notes of whom a certain related person holds a substantial interest in one of the Issuers. Generally speaking, a substantial interest in one of the Issuers arises if a person, alone or, where such person is an individual, together with his or her partner (statutory defined term), directly or indirectly, holds (i) an interest of 5% or more of the total issued capital of an Issuer or of 5% or more of the issued capital of a certain class of shares of an Issuer, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in an Issuer;
- (ii) investment institutions (*fiscale beleggingsinstellingen*); and
- (iii) pension funds, exempt investment institution (*vrijgestelde fiscale beleggingsinstellingen*) or other entities that are exempt from Netherlands corporate income tax.

For the purpose of the Netherlands tax consequences described herein, it is assumed that none of the Issuers is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes.

Netherlands Withholding Tax

All payments made by an Issuer under the Notes may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

Netherlands Corporate and Individual Income Tax

If a holder is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of an enterprise to which the Notes are attributable, income derived from the Notes and gains realised upon the

redemption, settlement or disposal of the Notes are generally taxable in the Netherlands (at up to a maximum rate of 25.5%).

If an individual holder is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes (including an individual holder who has opted to be taxed as a resident of the Netherlands), income derived from the Notes and gains realised upon the redemption, settlement or disposal of the Notes are taxable at the progressive rates (at up to a maximum rate of 52%) under the Netherlands income tax act 2001 (*Wet inkomstenbelasting 2001*), if:

- (i) the holder is an entrepreneur (*ondernemer*) and has an enterprise to which the Notes are attributable or the holder has, other than as a shareholder, a co-entitlement to the net worth of an enterprise (*medegerechtigde*), to which enterprise the Notes are attributable; or
- (ii) such income or gains qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*), which include the performance of activities with respect to the Notes that exceed regular, active portfolio management (*normaal, actief vermogensbeheer*).

If neither condition (i) nor condition (ii) applies to the holder of the Notes, taxable income with regard to the Notes must be determined on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. This deemed return on income from savings and investments has been fixed at a rate of 4% of the average of the individual's yield basis (*rendementsgrondslag*) at the beginning of the calendar year and the individual's yield basis at the end of the calendar year, insofar as the average exceeds a certain threshold. The average of the individual's yield basis is determined as the fair market value of certain qualifying assets held by the holder of the Notes less the fair market value of certain qualifying liabilities on 1 January and 31 December, divided by two. The fair market value of the Notes will be included as an asset in the individual's yield basis. The 4% deemed return on income from savings and investments will be taxed at a rate of 30%.

Netherlands Gift and Inheritance Tax

Generally, gift and inheritance tax will be due in the Netherlands in respect of the acquisition of the Notes by way of a gift by, or on the death of, a holder that is a resident or deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax at the time of the gift or his or her death.

A holder of Dutch nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax if he or she has been resident in the Netherlands and dies or makes a donation within ten years after leaving the Netherlands. A holder of any other nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift tax if he or she has been resident in the Netherlands and makes a donation within a twelve months period after leaving the Netherlands. The same twelve-month rule may apply to entities that have transferred their seat of residence out of the Netherlands.

Netherlands Value Added Tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Notes or in respect of a cash payment made under the Notes, or in respect of a transfer of Notes.

Other Netherlands Taxes and Duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in the Netherlands by a holder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008 the European Commission published a more detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

NORWAY

The following is a summary of certain Norwegian tax consequences for holders of the Notes who are resident in Norway for tax purposes. The summary is based on legislation as at the date of this document and is intended to provide general information only. The tax treatment of each Noteholder partly depends on the holder's specific situation. Each investor should consult a tax adviser as to the tax consequences relating to their particular circumstances resulting from holding Notes.

Any changes to applicable tax laws may have a retrospective effect.

Taxation of Noteholders resident in Norway

Taxation of return on the Notes prior to disposal or redemption

Any kind of return received on the Notes prior to disposal or redemption is taxable as "ordinary income" subject to the flat rate of 28 per cent. For taxpayers with a statutory obligation to keep accounting records interest is taxed on an accruals basis (i.e. regardless of when the return is actually paid). For other taxpayers accrued interest is as the main rule taxed when the interest is actually paid.

Taxation upon disposal or redemption of the Notes

Redemption at the end of the term as well as prior disposal is treated as realisation of the Notes and will trigger a capital gain or loss. Capital gains will be taxable as "ordinary income", subject to the flat rate of 28 per cent. Losses will be deductible in the Noteholder's "ordinary income", taxed at the same tax rate.

Any capital gain or loss is computed as the difference between the amount received by the Noteholder on realisation and the cost price of the Notes. The cost price is equal to the price for which the Noteholder acquired the Notes. Costs incurred in connection with the acquisition and realisation of the Notes may be deducted from the Noteholder's taxable income in the year of the realisation.

Norwegian withholding tax

Payments of principal or interest in respect of Notes will not be subject to Norwegian withholding tax.

Net wealth taxation

The value of the Notes at the end of each income year will be included in the computation of the Noteholder's taxable net wealth for municipal and state net wealth tax purposes. Listed bonds are valued at their quoted value on 1 January in the assessment year, while non-listed bonds are valued at their estimated market value on 1 January in the assessment year. The marginal tax rate is currently 1.1 per cent.

Limited companies and similar entities are not subject to net wealth taxation.

Transfer taxes etc. – VAT

There are currently no Norwegian transfer taxes, stamp duty or similar taxes connected to purchase, disposal or redemption of the Notes. Further, there is no VAT on transfer of the Notes.

POLAND

The following summary is not intended to be a complete analysis of the tax consequences under Polish law as a result of the acquisition, ownership, sale, redemption or transfer without consideration of the Notes by investors. This statement must not be understood to be tax advice. It is based on the Polish tax law and its interpretation in effect as of the date of this prospectus that may be subject to changes. Such changes may be enacted also retroactively and may negatively effect the tax treatment as described below. This description does not purport to be complete with respect to the tax information that may be relevant for investors due to their personal circumstances. Potential investors should, therefore, consult their professional tax advisers on the tax consequences of such acquisition, ownership, sale, redemption or transfer without consideration, including specifically the tax consequences under Polish law, the law of their jurisdiction of residence and any tax treaty between Poland and their jurisdiction of residence.

The following is a brief summary of the principal Polish tax consequences for the Noteholders.

Corporate - residents

Income earned by a Polish resident corporate, whether interest or proceeds from the sale of the Notes, would be accumulated with other incomes and losses in the given tax year and, as ordinary income, subject to the general 19 per cent. income tax rate. As a rule, for Polish income tax purposes interest is recognised as revenue on a cash basis, i.e. when received and not when accrued. In respect of the capital gains, the costs of acquisition of securities will be recognised at the time the revenue is achieved.

The proceeds are not subject to Polish withholding tax.

Any withholding tax incurred outside Poland (including countries which have not concluded any tax treaty with Poland – e.g. the Netherland Antilles), up to an amount equal to the tax paid abroad, but not higher than 19 per cent. of the interest amount, can be deducted from the Polish tax liability.

According to the Double Tax Treaty concluded between Poland and France, as a rule, there is no French withholding tax on interest payable from France to a Polish entity. Also capital gains earned in France by a Polish resident should, in principle, be taxable only in Poland.

Natural persons - residents

Income – other than interest – earned by Polish resident natural persons from financial instruments held as non-business assets, should not be accumulated with other, general incomes, but should be treated as derived from a specific source of income – income from capital investments – which is subject to 19 per cent. flat rate personal income tax. In principle, this income should be settled by the taxpayer by 30 April of the following year. However, due to ambiguous wording of Art. 40 of the PIT Act, certain individuals (referred to in Arts. 31, 33,

34 and 25 of the PIT Act, i.e. primarily people who also obtain income from employment or pensions) are encouraged to seek professional advice regarding the timing of the tax settlement.

If interest or discount (i.e. the difference between the redemption price paid by the issuer and the purchase price of the Notes paid by the investor) is paid by a Polish entity (e.g. a bank or a brokerage house), in principle, the entity should withhold the 19 per cent. tax. If interest is paid by a foreign entity, further to currently prevailing interpretations the entity would not be obliged to withhold Polish income tax and the tax should be settled by the individual. Potentially the foreign entity could make withholdings pursuant to laws of other jurisdictions and any relevant double tax treaty. Withholding tax incurred outside Poland (including countries which have not concluded any tax treaty with Poland), up to an amount equal to the tax paid abroad, but not higher than 19 per cent. tax on the interest amount, could be deducted from the Polish tax liability.

Interest income does not cumulate with the general income subject to the progressive tax rate but is subject to the 19 per cent. tax.

According to the Double Tax Treaty concluded between Poland and France, as a rule, there is no French withholding tax on interest payable from France to a Polish person. Also capital gains earned in France by a Polish resident, should in principle be taxable only in Poland.

Non-resident corporate entities and natural persons

Non-Polish residents are only subject to taxation in respect of income derived from Poland.

In principle, interest earned from the Notes should not be classified as income originating from the territory of Poland, and as such, it should be not subject to Polish withholding tax.

This should also be the case with respect to the sale of the Notes. However, certain doubts could arise if the Notes are sold within the territory of Poland. If this is the case, exemption from Polish income tax could be most probably achieved on the grounds of the relevant Double Tax Treaty. Most of the tax treaties concluded by Poland provide that such capital income should only be taxed in the income recipient's country of the residence.

Stamp Duty

In principle, no stamp duty should be payable upon a transfer of Notes in Poland, unless the following conditions apply jointly: (i) Notes are transferred to a Polish individual or entity other than an investment firm, (ii) the sale or exchange agreement is concluded in Poland; (iii) the transaction is not concluded on an organised market (iv) the transaction is not concluded with intermediation of an investment firm; and (v) the transaction is not considered to be a VAT-exempt financial service or any other transaction subject to VAT within any EU country.

PORTUGAL

The following is a summary of the principal Portuguese tax issues at the date hereof in relation to certain aspects of the Portuguese taxation on payments of principal and interest in respect of the Notes. The statements do not deal with other Portuguese tax aspects regarding the Notes and relate only to the position of persons who are absolute beneficial owners of the Notes. The following is a general guide, does not constitute tax or legal advice and should be treated with appropriate caution. Noteholders who are in any doubt as to their tax position should consult their professional advisers.

Noteholders who may be liable to taxation in jurisdictions other than Portugal in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions). In particular, Noteholders should be aware that they may be liable to taxation under the laws of Portugal and of other jurisdictions in relation to payments in

respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of Portugal.

The reference to “interest”, “investment income” and “capital gains” in the paragraphs below means “interest”, “investment income” and “capital gains” as understood in Portuguese tax law. The statements below do not take any account of any different definitions of “interest” or “investment income” which may prevail under any other law or which may be created by the Conditions or any related documentation.

Noteholder's Income Tax

Income generated by the holding (distributions) and transfer of the Notes is generally subject to the Portuguese tax regime for debt securities (*obrigações*).

Economic benefits derived from interest, amortisation, reimbursement premiums and other types of remuneration arising from the Notes are designated as investment income for Portuguese tax purposes.

(A) Withholding tax and autonomous taxation arising from the Notes

Payments of principal on the Notes are not subject to Portuguese withholding tax. For these purposes, principal shall mean all payments carried out without any remuneration component.

Corporate entities

Under current Portuguese law, investment income payments in respect of the Notes made to Portuguese tax resident companies are included in their taxable income and are subject to progressive corporate tax rate according to which a 12.5 per cent. tax rate will be applicable on the first €12,500 of taxable income and a 25 per cent. tax rate will be applicable on taxable income exceeding €12,500, which may be subject to a municipal surcharge (*derrama*) of up to 1.5 per cent. over the Noteholders taxable profits.

Individuals

As regards to investment income on the Notes made to Portuguese tax resident individuals, they are subject to personal income tax which shall be withheld at the current final withholding rate of 20 per cent. if there is a Portuguese resident paying agent, unless the individual elects to include it in his taxable income, subject to tax at progressive rates of up to 42 per cent. In this case, the tax withheld is deemed to be a payment on account of the final tax due.

Interest payments due by non resident entities to Portuguese tax resident individuals are subject to an autonomous taxation at a rate of 20 per cent. whenever those payments are not subject to Portuguese withholding tax.

(B) Capital gains arising from the transfer of Notes

Corporate entities

Capital gains obtained with the transfer of the Notes by legal persons resident for tax purposes in Portugal and by non-resident legal persons with a permanent establishment in Portugal to which the capital gains are attributable are included in their taxable income and are subject to progressive corporate tax rate according to which a 12.5 per cent tax rate will be applicable on the first €12,500 of taxable income and a 25 percent tax rate will be applicable on taxable income exceeding €12500, which may be subject to a municipal surcharge (*derrama*) of up to 1.5 per cent. over the Noteholders taxable profits.

Individuals

Capital gains obtained by Portuguese tax resident individuals with the transfer of the Notes are not subject to tax for personal income tax purposes. Accrued interest does not qualify as capital gains for tax purposes.

(C) Stamp tax

Corporate entities

The acquisition through gift or inheritance of Notes by a Portuguese resident legal person or non-resident acting through a Portuguese permanent establishment although not subject to stamp tax is subject to the progressive corporate income tax rates according to which a 12.5 per cent. tax rate will be applicable on the first €12,500 of taxable income and a 25 per cent. tax rate will be applicable on taxable income exceeding €12,500, to which may be added a municipal surcharge (“*derrama*”) of up to 1.5 per cent. of its taxable income.

Individuals

No stamp tax applies to the acquisition through gift or inheritance of Notes by an individual.

EU Savings Directive

Portugal has implemented the EC Council Directive 2003/48/EC of 3 June 2003 on taxation savings income into the Portuguese law through Decree-Law no 62/2005, of 11 March 2005, as amended by Law no 39–A/2005, of 29 July 2005.

ROMANIA

The following information is a general description of certain Romanian tax considerations relevant to the purchase, ownership and disposal of the Notes by non-resident and resident holders, including information regarding the taxation of interest payments with respect to the Notes.

This summary is based on the current laws of Romania, in force at the date hereof, which are subject to change without notice and does not take into account or discuss the tax laws of any other country other than Romania, specific double taxation treaties concluded by Romania nor the individual circumstances, financial situation or investment objectives of an investor in the Notes.

Prospective investors in the Notes should consult their own tax advisers as to which countries’ tax laws could be relevant in relation to their acquiring, holding and disposing of the Notes and the consequences of such actions under the tax laws of those countries.

The information contained in this section is limited to taxation issues and prospective investors should not apply any information or analysis set out below to other areas, including (but not limited to) the legality of transactions involving the Notes.

For the purpose of this summary a “resident holder” means either:

- an individual who meets at least one of the following conditions: (a) is domiciled in Romania; (b) the centre of his vital interests is located in Romania; (c) spends more than 183 days in Romania in any 12-month period, which is ending in the current calendar year; (d) is a Romanian citizen working abroad as an official or an employee of Romania in another state; or
- a legal person incorporated and organised under Romanian Law, a foreign legal person having the effective place of management in Romania or a legal person with headquarters in Romania organised in accordance with European legislation, which holds and disposes of the Notes.

“Non-resident holder” means any foreign legal person, any foreign individual who does not qualify as a resident holder and any foreign entity without legal personality that is not registered in Romania, which holds and disposes of the Notes.

Taxation of Interest

Resident Holders

A holder of the Notes who is an individual or a legal person resident for tax purposes in Romania is subject to applicable Romanian taxes in respect of interest received or accrued on the Notes.

Under the Romanian tax law (the **Fiscal Code**) in the case where the holder of the Notes is a individual resident for tax purposes in Romania, the interest income under the Notes is subject to personal income tax at a rate of 16 per cent. In the case of a Romanian source income, the personal income tax is withheld at source by the payer of the income at the moment that the interest is registered in the Noteholder’s account or in which redemption occurs. The deadline for payment of such tax is the twenty-fifth of the month following the month in which the interest is registered in the Noteholder’s account or in which redemption occurs. If the interest income is originating from a source outside Romania, the Romanian holder of the Notes will be obliged to declare the interest income realised from the Notes to the relevant tax authority. The resident holder is obliged to submit the special tax return by 25 May of the year following the income earning. The interest income derived from a source outside Romania is subject to domestic taxation and starting from 1 January 2010, the resident holder would be liable to determine the tax due. Prior to 1 January 2010, the relevant tax authority calculated the annual tax due for income derived from a source outside Romania and issued a tax decision dealing with the collection of the corresponding tax.

If the holder of the Notes is a legal person resident (for tax purposes) in Romania, the tax will have to be calculated, declared and paid by such legal person and no withholding tax will be applicable. Under current Fiscal Code, any profits realised from interest received or accrued on the Notes by Romanian corporate resident holders are generally subject to corporate income tax at a rate of 16 per cent. provided that the tax payable is not lower than the minimum tax calculated depending on the Romanian company's total annual incomes on the previous year. In the case the corporate income tax is lower than the minimum tax set forth by the Fiscal Code, the Romanian company would have to pay the corresponding minimum tax.

Non-Resident Holders

There is no Romanian withholding tax or deduction imposed according to the Fiscal Code on any revenue originating from the Notes as long as, such revenue from the Notes is considered to be an income originating from a source outside Romania.

Disposal of Notes

Resident Holders

The capital gain realised by individuals resident for tax purposes in Romania in the case of redemption, sale or other disposal of the Notes (the **capital gain**) is calculated as the difference between the purchase price and sale price, less the transaction fees charged by brokers or agents, involved in such transaction.

If the capital gain originates from a Romanian source, such amount is subject to a withholding tax of one per cent., which will be levied as anticipated payment on the account of the annual tax due by the Romanian individual holder of the Notes. The annual tax will be established based on the tax return submitted by the Romanian individual in accordance with the provisions of the Fiscal Code. Under the Fiscal Code, the tax rate charged on the relevant capital gain depends on the length of time of holding the Notes. The annual tax will be established by applying a rate of: (a) 16 per cent. on the annual net capital gain realised from securities, debentures or other similar financial instruments redeemed or sold by such individual within a period of 365

days from the date of purchase; or (b) one per cent. on the annual capital gain realised from securities, debentures or other similar financial instruments redeemed or sold during a period longer than 365 days from the date of purchase.

If the capital gain is originating from a source outside Romania, the Romanian holder of the Notes will be obliged to declare the capital gain to the relevant tax authority and to pay the corresponding tax. In this respect, the resident holder has to submit a special tax return by 25 May of the year following the moment of realising the capital gain. Capital gains originating from a source outside Romania are subject to the same tax rates applicable to the Romanian source capital gain.

If the holder of the Notes is a Romanian legal person, the tax will have to be calculated, declared and paid by such legal person and no withholding tax will be applicable. Under the current Fiscal Code the profit realised from redemption, sale or other disposal of the Notes by Romanian corporate resident holders is generally subject to corporate income tax at a rate of 16 per cent. provided that the tax payable is not lower than the minimum tax calculated depending on the Romanian company's total annual incomes on the previous year. In the case the corporate income tax is lower than the minimum tax set forth by the Fiscal Code, the Romanian company would have to pay the corresponding minimum tax.

Non-Resident Holders

In general, non-resident holders of Notes should not be subject to any Romanian withholding tax in respect of gains or other income realised upon the redemption, sale or other disposal of the Notes outside Romania.

EU Savings Directive

Starting on the date of Romania's accession to the European Union (1 January 2007) the EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments was implemented into the Fiscal Code.

SLOVAK REPUBLIC

General

*The information set out below is only a summarised description of information on Slovak tax on the income from debt securities withheld at source and it does not purport to be a complete analysis of all Slovak tax considerations relating to the purchase, holding and disposition of the Notes that may be relevant to a decision to purchase the Notes. This summary does not take into account or discuss the tax laws of any country other than the Slovak Republic nor does it take into account specific double taxation treaties nor the individual circumstances, financial situation or investment objectives of an investor in the Notes. Unless provided otherwise, the information set out below describes only certain material Slovak tax consequences for the holders of the debt securities who are individuals residing for tax purposes in the Slovak Republic or corporate entities having their registered office or place of actual management in the Slovak Republic (the **Slovak Holders**) or Slovak permanent establishments of foreign entities and individuals, to which the income from Notes is allocated (the **Slovak PE**); a "place of actual management" is defined as a "place where management decisions and business decisions of the board of directors or the supervisory board are made, even in cases where the address of such place is not registered with the relevant commercial register".*

This summary is based on the tax laws of the Slovak Republic as in effect on the date of this prospectus and their prevailing interpretations available on or before such date. All of the foregoing is subject to change, which could apply retroactively and could affect the continued validity of this summary.

As this is a general summary only, the holders of the Notes should consult their own tax advisers as to the consequences under the tax laws of the country of which they are residents for tax purposes and the tax laws

of the Slovak Republic concerning the purchase, holding and disposition of the Notes and receiving payments of interest, principal and/or other payments under the Notes, including, in particular, the application to their particular situation of the tax considerations discussed below as well as the application of the state, local, foreign or other tax laws or any double taxation treaty.

Income tax withheld at source

Under Slovak tax law, a Slovak Holder is considered as a taxpayer with an unlimited taxation duty. Both individual Slovak Holders and corporate Slovak Holders are subject to a flat 19 per cent. income tax rate.

Generally, interest and capital gains from debt securities realised by a Slovak Holder are taxable in the same way as the regular income of the Slovak Holder, unless: (a) the Slovak Holder is: (i) a corporate entity which is listed in the Slovak law as not established for entrepreneurial purposes; (ii) the National Property Fund of the Slovak Republic (*Fond národného majetku*); (iii) the National Bank of Slovakia (*Národná banka Slovenska*); or (iv) a fund of an asset management company.

Any revenue originating from sources outside of the Slovak Republic is to be included in a general tax base (or, if applicable, a partial tax base) of the Slovak Holder for Slovak income tax purposes, whether it is an individual or a corporate.

The revenue from the Slovak source is subject to a 19 per cent. withholding tax if (a) the interest income is received by an individual Slovak Holder except banks and mutual funds, (b) the yield from mutual fund unit is received by an individual Slovak Holder except a mutual fund (c) the revenue from debt securities is received by an individual Slovak Holder or (d) the income is received by persons other than Slovak Holders without a Slovak PE.

Such withholding tax is, in those cases, withheld from the gross payment by the “payer” of such revenue, i.e. “at source”. Holders from EU Member States can reconcile the withholding tax with the actual Slovak tax liability by submitting a Slovak tax return.

Thus, there is no Slovak withholding tax or deduction imposed by the taxation laws of the Slovak Republic on any revenue originating from the Notes since, for the purposes of the Slovak laws, any revenue from the Notes is considered to be an income originating from a source outside of the Slovak Republic unless it is paid by a Slovak Holder or a Slovak PE.

SLOVENIA

The following is a general description of certain Slovenian tax considerations relating to the Notes based on the Issuer’s understanding of the current law and the practice in Slovenia relating to the taxation of the Notes under the Programme and are subject to changes therein. It does not purport to be a complete analysis of all tax considerations relating to the Notes. They relate only to the positions of persons who are absolute beneficial owners of the Notes and the interest on them and may not apply to certain classes of persons, such as dealers. Prospective purchasers of Notes should consult their tax advisers as to the consequences under the tax laws of the country of which they are resident for tax purposes and the tax laws of the Republic of Slovenia of acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes. This summary is based upon the law as in effect on the date of this Debt Issuance Programme Prospectus and is subject to any change in law that may take effect after such date.

Resident holders – individuals

Income from capital pursuant to the Slovene Personal Income Tax Act (*Zakon o dohodnini* (ZDoh-1)) includes interest, dividends and capital gains. Under the Slovene Personal Income Tax Act interest shall include interest from debt securities and from other similar financial claims on debtors. Tax on interest shall also be

payable on any other compensation in connection with a financial debt arrangement that does not represent the repayment of a principal, including compensations for risk or reduced value of the principal under the financial debt arrangement due to inflation, unless otherwise provided by this act. Tax on interest shall therefore also be payable on discounts, bonuses, premiums and similar income obtained by a taxpayer in connection with a financial debt arrangement.

The tax base shall be obtained interest unless otherwise provided by the Slovene Personal Income Tax Act.

The tax base on interest resulting from the disposal of discounted debt securities prior to maturity of the security or upon purchase of the discounted debt security prior to or upon maturity of the paper shall be the interest calculated for the period from the day of acquisition to the day of disposal or purchase of the discounted debt security. Discounted debt securities shall also include non-coupon debt securities. The level of interest shall be determined according to the methodology of constant yield.

If in a particular financial debt arrangement it is not explicitly determined in advance what share of individual payment represents repayment of the principal and what share is the interest, it shall be deemed for the purpose of taxation that interest calculated at the recognised interest rate, as defined in the Corporate Income Tax Act, is paid out first.

Income from capital comprises profits from the disposal and exchange of profits from securities and other capital investments. Exempt from income tax is income from capital gains achieved after a speculative period of 20 years. The tax basis from capital gains is the positive difference between the revenue of disposal and the acquisition value or the manufacturing value of the disposed capital assets.

Income from capital is taxed at a rate of 20 per cent. and not subject to the annual personal income tax return.

The tax rate for income from capital gain decreases at a rate of 5 per cent. for every five years of keeping period (that is: 0-5 years: 20 per cent., >5-10 years: 15 per cent., etc.).

Interest on Notes held by a resident entrepreneur as business assets will be subject to a progressive income tax rate of up to 41 per cent., except if the interest qualifies as non-business income under Art.54 of the Slovenian Personal Income Tax Act, in which case the amount would be subject to the flat rate of 20 per cent. as described above.

Interest payments made to an individual will be subject to Slovene withholding tax if the payment is made via a legal person or an entrepreneur, financial institution or other intermediary established in Slovenia as a tax resident or a non-resident, who according to a tax law has a permanent establishment in Slovenia. If the interest or dividends are paid out by a legal person or an entrepreneur who is a resident of Slovenia, the legal person or entrepreneur, who is paying out the interest or dividends shall be considered the taxpayer. The taxpayer must calculate, withhold and pay to the authorities the income tax and interest and dividends. In that case the investors need not report the interest collected to the tax authorities.

If the legal person or entrepreneur, who is paying out the interest or dividends is not a resident of Slovenia, who according to a tax law does not have a permanent establishment in Slovenia, the holder of the Notes – the recipient of interest who is liable to Slovenian tax on interest income must declare each amount of interest in a tax return filed by the 15th day of a calendar month for the period of the previous three calendar months and shall pay the amount of tax upon receiving a decision of the tax authorities setting out the calculation of the amount of tax and directing the individual to pay the amount so calculated. Foreign source income from capital gain should be declared by 15th day from disposal of the Notes.

In accordance with the Personal Income Tax Act, a Slovenian resident may reduce his Slovene tax payments by the tax paid abroad for income from a source outside Slovenia. In accordance with the Tax

Procedural Law a taxable person that is a Slovenian resident can claim tax deduction for tax on interests paid in the other country in his personal tax return form that must be submitted to the competent tax authority. The resident must provide documents showing his tax obligation in this other country, especially documents that prove the amount of tax paid in the other country, the tax base and that the amount was actually paid.

The EU Savings Directive has been implemented in the local legislation.

Resident holders – corporations

Interest on the Notes received and/or capital gains earned on the sale or disposition of the Notes, in each case by:

- (iii) a legal person resident for taxation purposes in the Republic of Slovenia; or
- (iv) by a permanent establishment (*poslovna enota*) in the Republic Slovenia of a legal person not resident for taxation purposes in the Republic of Slovenia,

is subject to Slovenian Corporate Income Tax (*davek od dohodkov pravnih oseb*) as a part of the overall income of such resident or, as the case may be, a non-resident legal person is subject to source taxation and taxation on income deriving from carrying on of business activities in a permanent establishment or through a permanent establishment in Slovenia.

The tax is levied on the net profits, defined according to the profit and loss account, as stipulated by the Corporate Income Tax Act (*Zakon o davku od dohodkov pravnih oseb (ZDDPO-2)*, hereinafter CITA) and the Accounting Standards. The CITA rate is 20 per cent. However, a tax rate of 0 per cent. might apply to e.g. Investment funds, Pensions funds and insurance companies that have their own pensions funds.

Non resident holders- individuals

In accordance with the Personal Income Tax Act non-residents are subject to tax on income, derived from a source in Slovenia. Withholding tax is levied at a rate of 20 per cent. Source taxation may be obviated or reduced pursuant to the terms of an applicable double taxation agreement, with the holder applying for a refund with the Slovenian tax authorities providing proof of eligibility.

Non resident holders-corporations

No tax is levied on payments under the Notes to legal persons not resident for taxation purposes in the Republic of Slovenia and having no permanent establishment in the Republic of Slovenia except that withholding tax at the rate of 15 per cent. is levied on payments of interest on the Notes to legal persons resident in certain non-EU jurisdictions where the general or average nominal income tax rate is lower than 12.5 per cent. and are listed as “tax havens” by the Ministry of Finance. The current list of countries is the following:

1. The Bahamas, Barbados
2. Belize
3. Brunei
4. Dominican Republic
5. Costa Rica
6. Liberia
7. Liechtenstein
8. Maldives
9. Marshall Islands
10. Mauritius

11. Oman
12. Panama
13. Saint Kitts and Nevis
14. Saint Vincent and Grenadines
15. Samoa
16. Seychelles
17. Uruguay
18. Vanuatu

VAT

Transactions - excluding management, safekeeping, investment advice and services in connection with takeovers - including negotiation, in shares, interests in companies or associations, debentures and other securities, excluding documents establishing title to goods and the rights and interests are exempt from VAT.

Stamp Duty

In principle, no stamp duty should be payable upon a transfer of Notes in Slovenia.

Inheritance and gift tax

A person subject to inheritance and gift tax is any natural person who inherits or receives property as a gift as well as any person who receives property on the basis of the lifetime maintenance contract. Property shall mean real property and rights on real property and other real rights as well as movable property (including securities and cash). The value of all gifts received by the same person in one year is considered when ascertaining the taxable amount starting from the moment of a receipt of the first gift. A gift or heritage consisting only of a movable property is not taxable provided that the total value of movable property does not exceed €5,000.

The taxable basis for inheritance and gift tax is the market value of property at the time of the occurrence of tax liability, decreased by debts, costs and charges relating to this property, subject to taxation. In the case of movable property the tax base for inheritances and gifts is decreased by €5,000.

Tax on inheritance and gifts is not paid by the heir or recipient of the gift of a first hereditary order (children and spouse).

Tax rates are progressive and differ depending on the hereditary order. Tax rates for inheritance and gift tax range from 5 per cent. up to 39 per cent.

Other taxes

The Act on the taxation of profits from the disposal of derivatives (*Zakon o davku od dobicka od odsvojitve izvedenih financnih instrumentov*) stipulates taxing capital gains derived from the alienation of financial derivatives, as defined in the Financial Instruments Market Act (*Zakon o trgu financnih instrumentov*) and debt securities, except for coupon debt securities and discount debt securities, by a resident individual at the rate of 40 per cent. in the first 12 months of holding and 20 per cent. in the following 4 years of holding. The tax rate is further reduced by 5 percentage points for every 5 years of holding, so that the rate of 15 per cent., 10 per cent., 5 per cent. and 0 per cent. applies from the 6th, 11th, 16th and 21st year of holding, respectively.

SPAIN

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Spain, though it is not intended to be, nor should it be construed to be,

legal or tax advice. This section does not constitute a complete description of all the tax issues that may be relevant in making the decision to invest in the Notes or of all the tax consequences that may derive from the subscription, acquisition, holding, transfer, redemption or reimbursement of the Notes and does not purport to describe the tax consequences applicable to categories of investors subject to special tax rules. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Spanish tax law, to which they may be subject.

Individuals with Tax Residence in Spain

Personal Income Tax

Personal Income Tax is levied on an annual basis on the worldwide income obtained by Spanish resident individuals, whatever the source is and wherever the relevant payer is established. Therefore any income that Spanish holders of the Notes may receive under the Notes will be subject to Spanish taxation.

Both interest periodically received and income arising on the disposal, redemption or reimbursement of the Notes obtained by individuals who are tax resident in Spain will be regarded as financial income for tax purposes (i.e. a return on investment derived from the transfer of own capital to third parties).

Both types of income will be included in the savings part of the taxable income subject to Personal Income Tax at two new tax rates. Financial income up to €6,000 will be taxed at a rate of 19 per cent. and the excess over such threshold will be subject to a tax rate of 21 per cent.

Spanish holders of the Notes shall compute the gross interest obtained in the savings part of the taxable base of the tax period in which it is due, including amounts withheld, if any.

Income arising on the disposal, redemption or reimbursement of the Notes will be calculated as the difference between: (a) their disposal, redemption or reimbursement value; and (b) their acquisition or subscription value. Costs and expenses effectively borne on the acquisition and transfer of the Notes may be taken into account for calculating the relevant taxable income, provided that they can be duly justified.

Likewise, expenses relating to the management and deposit of the Notes, if any, will be tax-deductible, excluding those pertaining to discretionary or individual portfolio management.

Losses that may derive from the transfer of the Notes cannot be offset if the investor acquires homogeneous securities within the two-month period prior or subsequent to the transfer of the Notes, until he/she transfers such homogeneous securities.

Additionally, tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Notes, if any.

Wealth Tax

Individuals who are Spanish tax residents are subject to an annual Wealth Tax on 31 December on their total net wealth, regardless of the location of their assets (such as the Notes) or of where their rights may be exercised. However, according to Law 4/2008 of 23 December, taxpayers benefit from a 100 per cent. tax credit on their Wealth Tax liability as from 2008. This tax credit in practical terms means that taxpayers are effectively tax exempt from Wealth Tax. Taxpayers do not have the obligation to file the annual tax return as a result of this change.

Inheritance and Gift Tax

Inheritance and Gift Tax is levied on individuals' heirs and donees resident in Spain for tax purposes. It is calculated taking into account several circumstances, such as the age and previous net worth of the heir or

donee and the kinship with the deceased person or donor. The applicable tax rate currently ranges between 7.65 and 34 per cent. depending on the particular circumstances, although the final tax payable may increase up to 81.6 per cent. This is nevertheless subject to the specific rules passed by the relevant Spanish regions with respect to this tax.

Legal Entities with Tax Residence in Spain

Corporate Income Tax

Both interest periodically received and income arising on the disposal, redemption or reimbursement of the Notes obtained by entities which are resident for tax purposes in Spain shall be computed as taxable income of the tax period in which they accrue.

The general tax rate for limited liability companies is currently 30 per cent. However, small sized companies (those companies whose net business income is lower than €8,000,000) can benefit from the reduced tax rate of 25 per cent. on the first €120,202.41 of their taxable profits. In addition to this, companies with a net business income lower than €5,000,000 and an average staff of 25 employees could benefit from the reduced rate of 20 per cent. on the first €120,202.41 of their taxable profits, being the rest of the taxable profits subject to a tax rate of 25 per cent. Special rates apply in respect of certain types of entities (such as qualifying collective investment institutions).

Tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Notes, if any.

Individuals and legal entities with no Tax Residence in Spain

A non-resident holder of Notes, who has a permanent establishment in Spain to which such Notes are attributable, is subject to Spanish Non-Residents' Income Tax on any income under the Notes, including both interest periodically received and income arising on the disposal, redemption or reimbursement of the Notes. In general terms, the tax rules applicable to individuals and legal entities with no tax residence in Spain but acting through a permanent establishment in Spain are the same as those applicable to Corporate Income taxpayers.

Spanish withholding tax

Where a financial institution (either resident in Spain or acting through a permanent establishment in Spain) acts as depositary of the Notes or intervenes as manager in the collection of any income under the Notes, such financial institution will be responsible for making the relevant withholding on account of Spanish tax on any income deriving from the Notes. The current withholding tax rate in Spain is 19 per cent. Amounts withheld in Spain, if any, can be credited against the final Spanish Personal Income Tax liability, in the case of Spanish tax resident individuals, or against final Spanish Corporate Income Tax liability, in the case of Spanish corporate, or against final Non-Residents' Income Tax, in the case of a Spanish permanent establishment of a non-resident holder of the Notes. However, holders of the Notes who are Corporate Income Taxpayers or Non-Residents' Income Taxpayers acting through a permanent establishment in Spain to which the Notes are attributable can benefit from a withholding tax exemption when the Notes are listed in an OECD official stock exchange. This will be the case as the Notes are expected to trade on the Luxembourg Stock Exchange's regulated market.

Furthermore, such financial institution may become obliged to comply with the formalities set out in the Regulations on Spanish Personal Income Tax (Royal Decree 439/2007, of 30 March) and Corporate Income Tax (Royal Decree 1777/2004, of 30 July) when intervening in the transfer or reimbursement of the Notes.

Indirect taxation

The acquisition, transfer, redemption, reimbursement and exchange of the Notes will be exempt from Transfer Tax and Stamp Duty as well as Value Added Tax.

SWEDEN

The following summary outlines certain Swedish tax consequences relating to holders of Notes, if not otherwise stated. The summary is based on the laws of the Kingdom of Sweden as currently in effect and is only intended to provide general information. This summary does not address the rules regarding reporting obligations for, among others, payers of interest. Prospective purchasers are urged to consult their professional tax advisers regarding the Swedish tax and other tax consequences (including the applicability and effect of double taxation treaties) of holding or transferring Notes.

Holder not resident in Sweden

Payments of any principal amount or any amount that is considered to be interest for Swedish tax purposes to the holder of any Notes should not be subject to Swedish income tax, provided that such holder is neither resident in Sweden for Swedish tax purposes nor engaged in trade or business in Sweden through a permanent establishment. A person is resident in Sweden for Swedish tax purposes if it (a) is domiciled in Sweden; (b) has its habitual abode in Sweden; or (c) has been domiciled earlier in Sweden and, after having moved abroad, continues to have an essential connection with Sweden (for example, is engaged in trade or business in Sweden). Swedish law does not provide for deduction or withholding for or on account of taxes on payments of any principal or interest to the holder of any Notes, except on payment of interest to a holder who is an individual or an estate of a deceased individual with tax residence in Sweden. Private individuals (and estates of deceased individuals) who are not resident in Sweden for tax purposes may be liable to capital gains taxation in Sweden upon disposal or redemption of certain financial instruments, depending on the classification of the particular financial instrument for Swedish income tax purposes, if they have been resident in Sweden or have stayed permanently in Sweden at any time during the calendar year of disposal or redemption, or the ten calendar years preceding the year of disposal or redemption.

Holders resident in Sweden

Generally, for Swedish corporations and private individuals (and estates of deceased individuals) with residence in Sweden for Swedish tax purposes, all capital income (e.g. income that is considered to be interest for Swedish tax purposes and capital gains on Notes) will be taxable. Specific tax consequences, however, may be applicable to certain categories of corporations (e.g. investment companies and life insurance companies). If the Notes are registered with Euroclear Sweden or held by a Swedish nominee in accordance with the Swedish Financial Instruments Accounts Act (SFS 1998:1479), Swedish preliminary taxes will be withheld by Euroclear Sweden or the nominee on payments of amounts that are considered to be interest for Swedish tax purposes to a private individual or an estate of a deceased individual with residence in Sweden for Swedish tax purposes.]

UNITED KINGDOM

The following applies only to persons who are the beneficial owners of Notes and is a summary of the Issuer's understanding of current law and practice in the United Kingdom relating only to certain aspects of United Kingdom taxation. The United Kingdom tax treatment of prospective Noteholders and investors depends on their individual circumstances and may be subject to change in the future. Prospective Noteholders who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice.

Payment of interest on the Notes

Payments of interest on the Notes may be made without withholding on account of United Kingdom income tax.

Noteholders may wish to note that, in certain circumstances, HM Revenue and Customs (**HMRC**) has power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays or credits interest to or receives interest for the benefit of a Noteholder. HMRC also has power, in certain circumstances, to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Notes which are deeply discounted securities for the purposes of the Income Tax (Trading and Other Income) Act 2005 to or receives such amounts for the benefit of another person, although HMRC published practice indicates that HMRC will not exercise the power referred to above to require this information in respect of amounts payable on the redemption of deeply discounted securities where such amounts are paid on or before 5 April 2010. HMRC has indicated informally that it will continue not to exercise this power beyond 5 April 2010, but has not provided details as to when it may decide to require that information to be provided. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities of the jurisdiction in which the Noteholder is resident for tax purposes.

Stamp Duty and SDRT

CDIs

An unconditional agreement to transfer CDIs will normally give rise to a charge to United Kingdom stamp duty reserve tax at the rate of 0.5 per cent. of the amount or value if the consideration for the CDIs unless the Notes underlying the CDIs constitute exempt loan capital. Underlying Notes will generally be exempt loan capital for these purposes provided: (a) they are not convertible or exchangeable into (or for) other shares or securities and do not otherwise carry a right to the acquisition of other shares or securities; (b) they do not carry a right to interest which exceeds a reasonable commercial return on the nominal amount of the Note or which is determined to any extent by reference to the results of or part of any business or to the value of any property and (c) they are either listed on the London Stock Exchange, or if not they do not carry a right to repayment to an amount which exceeds the nominal amount of the Notes and which is not reasonably comparable with what is generally repayable under loan capital that is listed on the London Stock Exchange.

Bearer Notes

A charge to United Kingdom stamp duty at 1.5 per cent. of the value of Notes will arise on the issue in the United Kingdom of Bearer Notes which are denominated in sterling and which are not loan capital. No United Kingdom stamp duty liability arises on the issue of such a Bearer Note outside the United Kingdom. However, a United Kingdom stamp duty liability at 1.5 per cent. will arise on the first transfer by delivery in the United Kingdom of such a Bearer Note which was originally issued outside the United Kingdom. Otherwise, no United Kingdom stamp duty will be payable in relation to the issue of Bearer Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise, which Belgium has done with effect as from 1 January 2010) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories, including Switzerland, have agreed to adopt similar measures (a withholding system in the case of Switzerland).

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008 the European Commission published a more detailed proposal for

amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive, they may amend or broaden the scope of the requirements described above.

- (e) holders that own, directly, indirectly or constructively, 10 per cent. or more of the voting shares of the Issuer.

A "U.S. Holder" means a beneficial owner of a Note that, for U.S. federal income tax purposes, is:

- (f) an individual who is a citizen or individual resident of the United States, as defined in Section 7701(b) of the Code;

- (g) a corporation, including any entity treated as a corporation for U.S. federal income tax purposes, created or organised in or under the laws of the United States, any state thereof or the District of Columbia;
- (h) an estate the income of which is subject to U.S. federal income tax without regard to its source; or
- (i) a trust if: (i) a court within the United States is able to exercise primary supervision over the administration of the trust, and one or more United States persons have the authority to control all substantial decisions of the trust; or (ii) such trust has a valid election in effect under applicable U.S. Treasury regulations to be treated as a United States person.

The term “Non-U.S. Holder” means a beneficial owner of a Note that is not a partnership, and that is, for U.S. federal income tax purposes, not a U.S. Holder. If a partnership holds the Notes, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. Partners of partnerships holding the Notes should consult their tax advisers regarding the U.S. federal income tax consequences of acquiring, owning, exchanging and disposing of the Notes.

Prospective investors should consult their tax advisers regarding the U.S. federal, state, local and foreign tax consequences of acquiring, owning and disposing of the Notes in light of such investor's own circumstances, including such investor's status as a U.S. Holder or Non-U.S. Holder (as defined below), as well as any other estate, gift, or other tax consequences that may arise under the laws of any state, local, foreign or other taxing jurisdiction.

The Issuer generally intends to treat the Notes issued under the Programme as debt for U.S. federal tax purposes, unless otherwise indicated in the applicable Final Terms. Certain Notes, however, such as Indexed Notes or Notes with maturities in excess of 30 years, may be treated as equity or as financial contracts for U.S. federal income tax purposes. The tax treatment of Notes, to which a treatment other than as debt for U.S. federal tax purposes may apply, will be discussed in the applicable Final Terms.

The Final Terms for an issue of Notes may specify with respect to the issue of Notes to which it relates (and where relevant) the potential U.S. federal income tax consequences of the purchase, ownership, disposition, lapse and exercise of the Notes.

Holders may be subject to a variety of U.S. tax consequences depending on the subject and the terms of the Notes. Holders should consult their advisers about the tax consequences of purchasing Notes, particularly whether the Notes being acquired could be treated for U.S. tax purposes as debt instruments or as another type of financial instrument.

U.S. Holders

Payment of Interest

Interest on a Note, whether payable in U.S. dollars or a currency, composite currency or basket of currencies other than U.S. dollars (a **foreign currency**), other than interest on a “Discount Note” that is not “qualified stated interest” (each as defined below under “*Original Issue Discount — General*”), will be taxable to a U.S. Holder as ordinary income at the time it is received or accrued, depending on the holder’s method of accounting for tax purposes. Interest paid by the Issuer on the Notes and OID (as defined below), if any, accrued with respect to the Notes (as described below under “*Original Issue Discount*”) generally will constitute income from sources outside the United States subject to the rules regarding the U.S. foreign tax credit allowable to a U.S. Holder (and the limitations imposed thereon). Prospective purchasers should consult their tax advisers concerning the U.S. foreign tax credit implications of any payment of foreign taxes.

Original Issue Discount

General

The following is a summary of the principal U.S. federal income tax consequences of the ownership of Notes issued with original issue discount (**OID**). The following summary does not discuss Notes that are characterised as contingent payment debt instruments for U.S. federal income tax purposes.

A Note, other than a Note with a term of one year or less (a **Short Term Note**), will be treated as issued with OID (a **Discount Note**) if the excess of the Note's "stated redemption price at maturity" over its issue price is equal to or more than a *de minimis* amount (0.25 per cent. of the Note's stated redemption price at maturity multiplied by the number of complete years to its maturity). Generally, the issue price of a Note will be the first price at which a substantial amount of Notes included in the issue of which the Note is a part is sold to persons other than bond houses, brokers, or similar persons or organisations acting in the capacity of underwriters, placement agents, or wholesalers. The stated redemption price at maturity of a Note is the total of all payments provided by the Note that are not payments of "qualified stated interest." A qualified stated interest payment is generally any one of a series of stated interest payments on a Note that are unconditionally payable at least annually at a single fixed rate, or a variable rate (as described below under "*Variable Interest Rate Notes*"), applied to the outstanding principal amount of the Note. Solely for the purpose of determining whether a Note has OID, the Issuer will be deemed to exercise any call option that has the effect of decreasing the yield on the Note, and the U.S. Holder will be deemed to exercise any put option that has the effect of increasing the yield on the Note. If a Note has *de minimis* OID, a U.S. Holder must include the *de minimis* amount in income as stated principal payments are made on the Note, unless the holder makes the election described below under "*Election to Treat All Interest as Original Issue Discount*".

U.S. Holders of Discount Notes must include OID in income calculated on a constant-yield method before the receipt of cash attributable to the income, and generally will have to include in income increasingly greater amounts of OID over the life of the Discount Notes. The amount of OID to be included in income by a U.S. Holder of Discount Notes is the sum of the daily portions of OID with respect to the Discount Notes for each day during the taxable year or portion of the taxable year on which the U.S. Holder holds the Discount Notes (**accrued OID**). The amount of OID allocable to an accrual period (and pro rata to every day in the accrual period) equals the excess of (a) the product of the Discount Note's adjusted issue price at the beginning of the accrual period and the Discount Note's yield to maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) over (b) the sum of the payments of qualified stated interest on the Note allocable to the accrual period. The "adjusted issue price" of a Discount Note at the beginning of any accrual period is the issue price of the Note increased by (x) the amount of accrued OID for each prior accrual period and decreased by (y) the amount of any payments previously made on the Note that were not qualified stated interest payments.

Acquisition Premium

A U.S. Holder that purchases a Discount Note for an amount less than or equal to the sum of all amounts payable on the Note after the purchase date, other than payments of qualified stated interest, but in excess of its adjusted issue price (any such excess being **acquisition premium**) and that does not make the election described below under "*Election to Treat All Interest as Original Issue Discount*", is permitted to reduce the daily portions of OID by a fraction, the numerator of which is the excess of the U.S. Holder's adjusted basis in the Discount Note immediately after its purchase over the Discount Note's adjusted issue price, and the denominator of which is the excess of the sum of all amounts payable on the Note after the purchase date, other than payments of qualified stated interest, over the Discount Note's adjusted issue price.

Market Discount

A Note, other than a Short Term Note, generally will be treated as purchased at a market discount (a **Market Discount Note**) if the Note's stated redemption price at maturity or, in the case of a Discount Note, the

Note's "revised issue price", exceeds the amount for which the U.S. Holder purchased the Note by at least 0.25 per cent. of the Note's stated redemption price at maturity or revised issue price, respectively, multiplied by the number of complete years to the Note's maturity (or, in the case of a Note that is an instalment obligation, the Note's weighted average maturity). If this excess is not sufficient to cause the Note to be treated as a Market Discount Note, then the excess constitutes "de minimis market discount". For this purpose, the "revised issue price" of a Note generally equals its issue price, increased by the amount of any OID that has accrued on the Note and decreased by the amount of any payments previously made on the Note that were not qualified stated interest payments.

Any gain recognised on the maturity or disposition of a Market Discount Note (including any payment on a Note that is not qualified stated interest) will be treated as ordinary income to the extent that the gain does not exceed the accrued market discount on the Note. Alternatively, a U.S. Holder of a Market Discount Note may elect to include market discount in income currently over the life of the Note. This election shall apply to all debt instruments with market discount acquired by the electing U.S. Holder on or after the first day of the first taxable year to which the election applies. This election may not be revoked without the consent of the U.S. Internal Revenue Service (the **IRS**). A U.S. Holder of a Market Discount Note that does not elect to include market discount in income currently will generally be required to defer deductions for interest on borrowings incurred to purchase or carry a Market Discount Note that is in excess of the interest and OID on the Note to be included in the U.S. Holder's income, to the extent that this excess interest expense does not exceed the portion of the market discount allocable to the days on which the Market Discount Note was held by the U.S. Holder.

Market discount will accrue on a straight-line basis unless the U.S. Holder elects to accrue the market discount on a constant-yield method. This election applies only to the Note with respect to which it is made and is irrevocable.

Election to Treat All Interest as Original Issue Discount

A U.S. Holder may elect to include in gross income all interest that accrues on a Note using the constant-yield method described above under "*Original Issue Discount — General*" with certain modifications. For the purposes of this election, interest includes stated interest, OID, de minimis OID, market discount, *de minimis* market discount and unstated interest, as adjusted by any amortisable bond premium (described below under "Notes Purchased at a Premium") or acquisition premium. If a U.S. Holder makes this election for the Note, then, when the constant-yield method is applied, the issue price of the Note will equal its cost, the issue date of the Note will be the date of acquisition, and no payments on the Note will be treated as payments of qualified stated interest. This election will generally apply only to the Note with respect to which it is made and may not be revoked without the consent of the IRS. However, if the Note has amortisable bond premium, the U.S. Holder will be deemed to have made an election to apply amortisable bond premium against interest for all debt instruments with amortisable bond premium, other than debt instruments the interest on which is excludible from gross income, held as of the beginning of the taxable year to which the election applies or any taxable year thereafter. If the election to apply the constant-yield method to all interest on a Note is made with respect to a Market Discount Note, the electing U.S. Holder will be treated as having made the election discussed above under "Market Discount" to include market discount in income currently over the life of all debt instruments with market discount held or thereafter acquired by the U.S. Holder. U.S. Holders should consult their tax advisers concerning the propriety and consequences of this election.

Variable Interest Rate Notes

Notes that provide for interest at variable rates (**Variable Interest Rate Notes**) generally will bear interest at a "qualified floating rate" and thus will be treated as "variable rate debt instruments" under U.S. Treasury regulations governing accrual of OID. A Variable Interest Rate Note will qualify as a "variable rate debt instrument" if (a) its issue price does not exceed the total non-contingent principal payments due under the Variable Interest Rate Note by more than a specified de minimis amount and (b) it provides for stated interest, paid or compounded at least annually, at: (i) one or more qualified floating rates; (ii) a single fixed rate and one

or more qualified floating rates; (iii) a single objective rate; or (iv) a single fixed rate and a single objective rate that is a qualified inverse floating rate.

A “qualified floating rate” is any variable rate where variations in the value of the rate can reasonably be expected to measure contemporaneous variations in the cost of newly borrowed funds in the currency in which the Variable Interest Rate Note is denominated. A fixed multiple of a qualified floating rate will constitute a qualified floating rate only if the multiple is greater than 0.65 but not more than 1.35, whether or not a variable rate is increased or decreased by a fixed rate. A variable rate that would otherwise constitute a qualified floating rate but which is subject to one or more restrictions such as a maximum numerical limitation (i.e., a cap) or a minimum numerical limitation (i.e., a floor), may, under certain circumstances, fail to be treated as a qualified floating rate unless the cap or floor is fixed throughout the term of the Note.

An “objective rate” is a rate that is not itself a qualified floating rate but which is determined using a single fixed formula and which is based on objective financial or economic information (e.g., one or more qualified floating rates or the yield of actively traded personal property). A rate will not qualify as an objective rate if it is based on information that is within the control of the Issuer (or a related party) or that is unique to the circumstances of the Issuer (or a related party), such as dividends, profits or the value of the Issuer’s stock (although a rate does not fail to be an objective rate merely because it is based on the credit quality of the Issuer).

A qualified floating rate or objective rate in effect at any time during the term of the instrument must be set at a “current value” of that rate. A **current value** of a rate is the value of the rate on any day that is no earlier than three months prior to the first day on which that value is in effect and no later than one year following that first day.

A Variable Interest Rate Note that provides for stated interest at either a single qualified floating rate or a single objective rate throughout the term thereof and that qualifies as a “variable rate debt instrument”, will generally not be treated as having been issued with OID unless the Variable Interest Rate Note is issued at a “true discount” (i.e. at a price below the Note’s stated principal amount) in excess of a specified *de minimis* amount. OID on a Variable Interest Rate Note arising from true discount is allocated to an accrual period using the constant yield method described above.

In general, any other Variable Interest Rate Note that qualifies as a “variable rate debt instrument” will be converted into an equivalent fixed rate debt instrument for purposes of determining the amount and accrual of OID and qualified stated interest on the Variable Interest Rate Note. Such a Variable Interest Rate Note must be converted into an equivalent fixed rate debt instrument by substituting any qualified floating rate or qualified inverse floating rate provided for under the terms of the Variable Interest Rate Note with a fixed rate equal to the value of the qualified floating rate or qualified inverse floating rate, as the case may be, as of the Variable Interest Rate Note’s issue date. Any objective rate (other than a qualified inverse floating rate) provided for under the terms of the Variable Interest Rate Note is converted into a fixed rate that reflects the yield that is reasonably expected for the Variable Interest Rate Note. In the case of a Variable Interest Rate Note that qualifies as a “variable rate debt instrument” and provides for stated interest at a fixed rate in addition to either one or more qualified floating rates or a qualified inverse floating rate, the fixed rate is initially converted into a qualified floating rate (or a qualified inverse floating rate, if the Variable Interest Rate Note provides for a qualified inverse floating rate). Under these circumstances, the qualified floating rate, or qualified inverse floating rate that replaces the fixed rate, must be such that the fair market value of the Variable Interest Rate Note as of the Variable Interest Rate Note’s issue date is approximately the same as the fair market value of an otherwise identical debt instrument that provides for either the qualified floating rate or qualified inverse floating rate rather than the fixed rate. Subsequent to converting the fixed rate into either a qualified floating rate or a qualified inverse floating rate, the Variable Interest Rate Note is converted into an equivalent fixed rate debt instrument in the manner described above.

Once the Variable Interest Rate Note is converted into an equivalent fixed rate debt instrument pursuant to the foregoing rules, the amount of OID and qualified stated interest, if any, are determined for the

equivalent fixed rate debt instrument by applying the general OID rules to the equivalent fixed rate debt instrument, and a U.S. Holder of the Variable Interest Rate Note will account for the OID and qualified stated interest as if the U.S. Holder held the equivalent fixed rate debt instrument. In each accrual period, appropriate adjustments will be made to the amount of qualified stated interest or OID assumed to have been accrued or paid with respect to the equivalent fixed rate debt instrument in the event that these amounts differ from the actual amount of interest accrued or paid on the Variable Interest Rate Note during the accrual period.

If a Variable Interest Rate Note, such as a Note the payments on which are determined by reference to an index, does not qualify as a “variable rate debt instrument”, then the Variable Interest Rate Note will be treated as a contingent payment debt instrument. Prospective purchasers should consult with their tax advisers concerning the proper U.S. federal income tax treatment of Variable Interest Rate Notes that are treated as contingent payment debt.

Short-Term Notes

In general, an individual or other cash basis U.S. Holder of a Short Term Note is not required to accrue OID (calculated as set forth below for the purposes of this paragraph) for U.S. federal income tax purposes unless it elects to do so (but may be required to include any stated interest in income as the interest is received). Accrual basis U.S. Holders and certain other U.S. Holders are required to accrue OID on Short Term Notes on a straight-line basis or, if the U.S. Holder so elects, under the constant-yield method (based on daily compounding). In the case of a U.S. Holder not required and not electing to include OID in income currently, any gain realised on the sale or other disposition of the Short Term Note will be ordinary income to the extent of the OID accrued on a straight-line basis (unless an election is made to accrue the OID under the constant-yield method) through the date of sale or other disposition. U.S. Holders who are not required and do not elect to accrue OID on Short Term Notes will be required to defer deductions for interest on borrowings allocable to Short Term Notes in an amount not exceeding the deferred income until the deferred income is realised.

For purposes of determining the amount of OID subject to these rules, all interest payments on a Short Term Note are included in such note’s stated redemption price at maturity. A U.S. Holder may elect to determine OID on a Short Term Note as if such note had been originally issued to the U.S. Holder as the U.S. Holder’s purchase price for the Short Term Note. This election shall apply to all obligations with a maturity of one year or less acquired by the U.S. Holder on or after the first day of the first taxable year to which the election applies, and may not be revoked without the consent of the IRS.

Notes Purchased at a Premium

A U.S. Holder that purchases a Note for an amount in excess of its principal amount or for a Discount Note, its stated redemption price at maturity, may elect to treat the excess as “amortisable bond premium”, in which case the amount required to be included in the U.S. Holder’s income each year with respect to interest on the Note will be reduced by the amount of amortisable bond premium allocable (based on the Note’s yield to maturity) to that year. Any election to amortise bond premium shall apply to all bonds (other than bonds the interest on which is excludable from gross income for U.S. federal income tax purposes) held by the U.S. Holder at the beginning of the first taxable year to which the election applies or thereafter acquired by the U.S. Holder, and is irrevocable without the consent of the IRS. A U.S. Holder that does not elect to take bond premium (other than acquisition premium) into account currently will recognise a capital loss when the Note matures.

Purchase, Sale or Other Dispositions of Notes

A U.S. Holder’s tax basis in a Note will generally be its cost, increased by the amount of any OID or market discount included in the U.S. Holder’s income with respect to the Note and the amount, if any, of income attributable to de minimis OID and de minimis market discount included in the U.S. Holder’s income with respect to the Note, and reduced by: (a) the amount of any payments that are not qualified stated interest payments; and (b) the amount of any amortisable bond premium applied to reduce interest on the Note.

A U.S. Holder will generally recognise gain or loss on the sale or other disposition of a Note equal to the difference between the amount realised on the sale or other disposition and the tax basis of the Note. Except to the extent described above under “*Original Issue Discount—Market Discount*” or “*Original Issue Discount—Short-Term Notes*” or attributable to accrued but unpaid interest or changes in exchange rates (as discussed below), gain or loss recognised on the sale or other disposition of a Note will be capital gain or loss and generally will be treated as from U.S. sources for purposes of the U.S. foreign tax credit limitation and may be taxable at reduced rates in the case of a U.S. Holder that is an individual, estate or trust, if the Notes are held for more than one year. The deductibility of capital losses is subject to limitations.

Foreign Currency Notes

Interest

If an interest payment is denominated in, or determined by reference to, a foreign currency, the amount of income recognised by a cash basis U.S. Holder will be the U.S. dollar value of the interest payment, based on the exchange rate in effect on the date of receipt, regardless of whether the payment is in fact converted into U.S. dollars.

An accrual basis U.S. Holder may determine the amount of income recognised with respect to an interest payment denominated in, or determined by reference to, a foreign currency in accordance with either of two methods. Under the first method, the amount of income accrued will be based on the average exchange rate in effect during the interest accrual period (or, in the case of an accrual period that spans two taxable years of a U.S. Holder, the part of the period within the taxable year).

Under the second method, the U.S. Holder may elect to determine the amount of income accrued on the basis of the exchange rate in effect on the last day of the accrual period (or, in the case of an accrual period that spans two taxable years, the exchange rate in effect on the last day of the part of the period within the taxable year). Additionally, if a payment of interest is actually received within five business days of the last day of the accrual period, an electing accrual basis U.S. Holder may instead translate the accrued interest into U.S. dollars at the exchange rate in effect on the day of actual receipt. Any such election will apply to all debt instruments held by the U.S. Holder at the beginning of the first taxable year to which the election applies or thereafter acquired by the U.S. Holder, and will be irrevocable without the consent of the IRS.

Upon receipt of an interest payment (including a payment attributable to accrued but unpaid interest upon the sale or other disposition of a Note) denominated in, or determined by reference to, a foreign currency, the U.S. Holder may recognise U.S. source exchange gain or loss (taxable as ordinary income or loss) equal to the difference between the amount received (translated into U.S. dollars at the spot rate on the date of receipt) and the amount previously accrued, regardless of whether the payment is in fact converted into U.S. dollars.

OID

OID for each accrual period on a Discount Note that is denominated in, or determined by reference to, a foreign currency, will be determined in the foreign currency and then translated into U.S. dollars in the same manner as stated interest is accrued by an accrual basis U.S. Holder, as described above under “*Foreign Currency Notes—Interest*”. Upon receipt of an amount attributable to OID (whether in connection with a payment on the Note or a sale or other disposition of the Note), a U.S. Holder may recognise U.S. source exchange gain or loss (taxable as ordinary income or loss) equal to the difference between the amount received (translated into U.S. dollars at the spot rate on the date of receipt) and the amount previously accrued, regardless of whether the payment is in fact converted into U.S. dollars.

Bond Premium

Bond premium (including acquisition premium) on a Note that is denominated in, or determined by reference to, a foreign currency, will be computed in units of the foreign currency, and any such bond premium that is taken into account currently will reduce interest income in units of the foreign currency.

On the date bond premium offsets interest income, a U.S. Holder may recognise U.S. source exchange gain or loss (taxable as ordinary income or loss) measured by the difference between the spot rate in effect on that date and on the date the Notes were acquired by the U.S. Holder.

Purchase, Sale or Other Dispositions of Foreign Currency Notes

As discussed above under “*Purchase, Sale or Other Dispositions of Notes*”, a U.S. Holder will generally recognise gain or loss on the sale or other disposition of a Note equal to the difference between the amount realised on the sale or other disposition and its tax basis in the Note. A U.S. Holder’s tax basis in a Foreign Currency Note will be determined by reference to the U.S. dollar cost of the Note. The U.S. dollar cost of a Note purchased with foreign currency will generally be the U.S. dollar value of the purchase price on the date of purchase or, in the case of Notes traded on an established securities market, as defined in the applicable Treasury Regulations, that are purchased by a cash basis U.S. Holder (or an accrual basis U.S. Holder that so elects), on the settlement date for the purchase.

The amount realised on a sale or other disposition for an amount in foreign currency will be the U.S. dollar value of this amount on the date of sale or other disposition or, in the case of Notes traded on an established securities market, as defined in the applicable U.S. Treasury regulations, sold by a cash basis U.S. Holder (or an accrual basis U.S. Holder that so elects), on the settlement date for the sale. Such an election by an accrual basis U.S. Holder must be applied consistently from year to year and cannot be revoked without the consent of the IRS.

A U.S. Holder will recognise U.S. source exchange rate gain or loss (taxable as ordinary income or loss) on the sale or other disposition of a Note equal to the difference, if any, between the U.S. dollar values of the U.S. Holder’s purchase price for the Note (or, if less, the principal amount of the Note): (a) on the date of sale or other disposition; and (b) the date on which the U.S. Holder acquired the Note. Any such exchange rate gain or loss will be realised only to the extent of total gain or loss realised on the sale or other disposition.

Disposition of Foreign Currency

Foreign currency received as interest on a Note or on the sale or other disposition of a Note will generally have a tax basis equal to its U.S. dollar value at the time the interest is received or at the time of the sale or other disposition. Foreign currency that is purchased will generally have a tax basis equal to the U.S. dollar value of the foreign currency on the date of purchase. Any gain or loss recognised on a sale or other disposition of a foreign currency (including its use to purchase Notes or upon exchange for U.S. dollars) will be U.S. source ordinary income or loss.

Backup Withholding and Information Reporting

In general, payments of interest and accrued OID on, and the proceeds of a sale, redemption or other disposition of, the Notes, payable to a U.S. Holder within the United States or by a U.S. paying agent or certain other U.S.-related intermediaries, will be reported to the IRS and to the U.S. Holder as may be required under applicable regulations. Backup withholding may apply to these payments and to accruals of OID if the U.S. Holder fails to provide an accurate taxpayer identification number or certification of exempt status or otherwise to comply with the applicable backup withholding requirements. Certain U.S. Holders (including, among others, corporations) are not subject to information reporting or backup withholding. U.S. Holders should consult their tax advisers as to their qualification for exemption from information reporting and/or backup withholding and the procedure for obtaining an exemption.

Disclosure Requirements

U.S. Treasury regulations intended to require the reporting of certain tax shelter transactions (**Reportable Transactions**) could be interpreted to cover transactions generally not regarded as tax shelters, including certain foreign currency transactions. Under the U.S. Treasury regulations, certain transactions may be characterised as Reportable Transactions including, in certain circumstances, a sale, exchange, retirement or other taxable disposition of a Foreign Currency Note and/or a Note issued with OID. Persons considering the purchase of such Notes should consult with their tax advisers to determine the tax return obligations, if any, with respect to an investment in such Notes, including any requirement to file IRS Form 8886 (Reportable Transaction Disclosure Statement).

SUBSCRIPTION, SALE AND TRANSFER RESTRICTIONS

The Dealers have in an amended and restated programme agreement (the **Programme Agreement**, which expression includes the same as it may be updated or supplemented from time to time) dated 27 April 2010 agreed with the Issuers and the Guarantor a basis upon which they (or any one of them) may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and in the Terms and Conditions of the Notes above. In the Programme Agreement, the Issuers have jointly and severally agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

The following selling restrictions may be modified by the relevant Issuer and the relevant Purchaser(s) following a change in the relevant law, regulation or directive and in certain other circumstances as may be agreed between the relevant Issuer and the relevant Purchaser(s). Any such modification will be set out in the Final Terms and (if applicable) the syndication agreement in respect of the Tranche to which it is related or in a Supplement to this Debt Issuance Programme Prospectus.

Transfer Restrictions

As a result of the following restrictions, purchasers of Notes in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Notes.

Each purchaser of Registered Notes, or person wishing to transfer an interest from one Registered Global Note to another or from global to definitive form or vice versa, will be deemed or required, as the case may be, to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

- (a) that either: (i) it is a QIB and a QP purchasing (or holding) the Notes for its own account or for the account of one or more QIBs that are also QPs, in each case for investment and not with a view to, or for, sale or in connection with, any distribution thereof, and it is aware that any sale to it is being made in reliance on Rule 144A; or (ii) it is outside the United States and is not a U.S. Person;
- (b) that the Notes and any Guarantee are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Notes and any Guarantee have not been and will not be registered under the Securities Act or any other applicable U.S. State securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except as set forth below;
- (c) that the Issuer has not registered and will not register as an “investment company” under the Investment Company Act in reliance on Section 3(c)(7) thereof, and that the Notes may not be sold within the United States or to, or for the account or benefit of, U.S. Persons except as set forth below;
- (d) that, unless it holds an interest in a Regulation S Global Note or a Non-U.S. Registered Global Note and either is a person located outside the United States or is not a U.S. Person, if in the future it decides to resell, pledge or otherwise transfer the Notes or any beneficial interests in the Notes, it will do so, only: (i) to the Issuer or any affiliate thereof; (ii) inside the United States to a person that is a QP whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB that is also a QP in a transaction meeting the requirements of Rule 144A; (iii) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act; or (iv) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. State securities laws;

- (e) that, if it holds an interest in a Non-U.S. Registered Global Note, if in the future it decides to resell, pledge or otherwise transfer such Non-U.S. Registered Global Note or any interest therein, it will do so only outside the United States in an offshore transaction in compliance with Rule 903 or 904 under the Securities Act to a person that is not a U.S. Person;
- (f) that it will, and will require each subsequent holder to, notify any purchaser of the Notes from it of the resale restrictions referred to in paragraphs (d) and (e) above;
- (g) that the Notes may not be acquired by, on behalf of, or with the assets of: (i) an “employee benefit plan” within the meaning of Section 3(3) of the U.S. Employee Retirement Income Security Act of 1974, as amended (**ERISA**) that is subject to the provisions of Title I of ERISA or a “plan” within the meaning of Section 4975(e)(1) of the U.S. Internal Revenue Code (the **Code**) that is subject to Section 4975 of the Code; (ii) an entity the underlying assets of which include plan assets by reason of investment in the entity by such an employee benefit plan or plan; or (iii) a governmental, church or foreign plan subject to any federal, state, local or foreign law, rule or regulation which is, to a material extent, similar to the provisions of Section 406 of ERISA or Section 4975 of the Code.

Selling Restrictions: Jurisdictions within the European Economic Area

The selling restrictions below may not be applicable in the context of a public offer, in which case appropriate modifications will be made in the applicable Final Terms.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme and each other Purchaser will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**), it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Debt Issuance Programme Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (o) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;

provided that no such offer of Notes referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

No offer of the Notes issued by an Issuer may be made to the public in Austria, except that an offer of the Notes issued by an Issuer may be made to the public in Austria (a) in the case of bearer Notes, in the period beginning one bank working day following: (i) the date of publication of this Debt Issuance Programme Prospectus including any supplements but excluding any Final Terms in relation to those Notes issued by an Issuer which has been approved by the *Finanzmarktaufsichtsbehörde* in Austria (the FMA) or, where appropriate, approved in another Member State and notified to the FMA, all in accordance with the Prospectus Directive; (ii) or being the date of publication of the relevant Final Terms for the Notes issued by an Issuer; and (iii) the date of filing of a notification with Oesterreichische Kontrollbank, all as prescribed by the Capital Market Act 1991 (CMA: *Kapitalmarktgesetz* 1991); or (b) in the case of bearer Notes otherwise in compliance with the CMA.

Further, each Dealer represents, warrants and agrees that it has not and will not offer any registered Notes in Austria, either by private placement or to the public in Austria.

For the purposes of this provision, the expression “an offer of the Notes issued by an Issuer to the public” means the communication to the public in any form and by any means of sufficient information on the terms of the offer and the Notes issued by an Issuer to be offered so as to enable an investor to decide to purchase or subscribe the Notes issued by an Issuer.

The offer of the Notes has not been and will not be notified to the Belgian Commission for Banking, Finance and Insurance (CBFA) and the CBFA has neither reviewed nor approved this (these) document(s).

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme and each other Purchaser will be required to represent and agree, that it will not offer for sale, sell or market in Belgium such Notes by means of a public offer within the meaning of the Law of 16 June 2006 on the public offer of investment instruments and the admission to trading of investment instruments on a regulated market.
